

## IMPROVE YOUR COMPUTER SKILLS!

---

### WOODRIDGE PUBLIC LIBRARY

<http://www.woodridgelibrary.org>

630-964-7899

#### Computer Classes

The library offers free, one-time, hands-on sessions which are open to Woodridge Public Library cardholders only, ages 12 and up. Class size **is limited** and advanced registration is required. Class offerings will be listed in the quarterly *Library Leaves* newsletter, along with registration deadlines.

#### Learning Express Library

The interactive tutorial courses found here will take your computer skills to the next level, while allowing you to learn at your own pace. Woodridge Public Library cardholders may access this resource from our homepage, using their library card number. Follow the links, starting with Online Resources, then Online Databases, then Test Preparation and finally Learning Express Library.

Courses currently offered in the Computer Skills online Learning Center include:

- **Corel WordPerfect**
- **Microsoft Excel**
- **Microsoft PowerPoint**
- **Microsoft Access**
- **Microsoft Word**
- **Microsoft Outlook**
- **Windows and Mac Operating Systems**

(Access to these courses may require the installation of Adobe Flash 8 which can be found in the *Learning Express Library* Help Center under System Requirements.)

#### Resources

The Woodridge Public Library has many resources available for checkout that can help beginners and experts improve their computer skills. DVDs, CDs and many Tutorial books are available. Search the Library Catalog or ask at the Young Adult/Adult Reference desk to get help finding the resource that is right for you.
