

I attended the Meet and Greet for Al Stonitsch, our new Village Administrator, on September 7<sup>th</sup>. There was good turn-out at the event, and it was nice to have an opportunity to introduce myself. He visited the library with his family and had some very complimentary words for our building, its layout, and the services. Which is always appreciated.

On September 16<sup>th</sup>, library staff attended Bilingual Night at Jefferson Jr. High School. This is an annual event that the school offers which allows community agencies to highlight their services to the bilingual community. Patti Naisbitt, Linda Montalvo from Adult & Teen Services, and Ana Karun from Circulation attended the event, talked about library services and gave out library cards. The Police Department and Village staff also attended the event and discussed their services. This is an important outreach event and I'm happy to see multiple departments working together to promote the library.

Representative David Olsen had mobile office hours at the library on September 28<sup>th</sup>. I chatted with him during the times he had a lull; I always want to make sure to keep him updated on our library services and current programming.
