Honest Government, By the People and
For the People

1. Establish an Advisory Committee to the Mayor.
2. Negotiate with builders and developers for first things first--money and land for schools, not money for Village buildings.
3. Develop and implement a total Financial Management Program for the Village of Woodridge. We will obtain professional financial, and expert advice for this total program.
4. Ease the tax burden on the people by enticement of light commerce and industry.

6. Establish a Park District in 1969 which will be immediately concerned with parks, playground equipment, and teenage programs and activities.
7. Establish a Fire District or Fire Department with ambulance, when economically feasible.
