IT'S UP TO YOU

We are at a very critical point in our development, and the second fastest growing community in Illinois. Our population will be exploding to 26,000 by 1975 and 40,000 by 1978. Yet at present we are not adequately providing for 12,000. The First Party candidates are well aware of these shortcomings and have established responsible plans for the future. Many of their planks are continuations of programs initiated by the first First Party Administration two years ago.

Effective Administration
Youth Programs
Responsible Fiscal Management
Aggressive representation of taxing bodies
in negotiations

These programs have brought a strong government base to Woodridge. They have resulted in the first positive steps toward toward a 'village' for Woodridge.

The Youth Council
The Emergency Rescue Squad
The Park District
Public Works Building
Adequate Police, and Village Administration
Facilities
Funds for Adequate Schools
Approval of Woodridge Center
Reduction in Village Controlled Tax Levy

There is much yet to be accomplished. These candidates recognize our problems now, and those we can expect in 1975.

Planks defining programs for:

Improved Fire Protection
Commercial Development
Environmental Planning
Departmental Budget Administration

will compliment our on going programs, and provide for a future.

The campaign is ending. The speeches, coffees and cocktail parties are over. Election Day is here. The future of Woodridge now lies solely with you, the VOTER. The First Party candidates have given you the experience as well as the quality. The choice of Bill Cagle, Bob Mayer, Tom Nestrud, Nick Haviland and Gerry Mikula means positive growth and development.

There is no more to be said but much to do. Vote for a prosperous Village.
