

CANDIDATES VIE AT WHOA FORUM

Many Attend Despite Bad Weather

The turnout to the Woodridge Home Owners' Association's open forum for candidates for village offices filled a major portion of the Woodridge School corridor March 27. A crowd of some 70 people gathered in spite of the prevailing winds that had been reported upwards to a 100 m.p.h. in the area that day.

Jim Brian, then vice president of WHOA, moderated the forum. Cards were passed through the audience on which questions were written to be directed to the candidates who were introduced and seated at a table in front of the crowd.

When asked, both Virginia Radtke, incumbent, and Mary O'Neill said they did not expect any pay.

Asked why she had filed for the office after stating she was not a candidate, Radtke replied it seemed nobody would file; since she thought she would have to take it anyway, she filed to see how many votes she could get.

O'Neill, asked if she knew what the duties of the village clerk included, explained in detail. She said she cannot take shorthand, but has developed her own form of speedwriting.

The trustee candidates were asked which committee they felt best qualified to serve on.

Werch indicated a preference for finance. He said he also has a special interest in the Plan Commission and Building and Zoning.

Mc Grath would like to concentrate on the Plan Commission where he has served for a year.

Kvackey picked the Plan Commission and Public Protection.

Hennessey said he has been in the building trades for 11 years and his interests and qualifications would be in that area and Public Protection.

The trustee candidates agreed with the Village Board's decision to decrease the tax levy.

Werch was asked if he felt he could give freely of his time since he must be away at least two weeks a month and since he has been ill.

He said he felt he could handle the normal legislative responsibilities of a trustee's work, which consists of participating in committees and public meetings. He added that there is little that trustees need do between meetings but study written material which could be made available to him when out of town.

The trustee candidates were also asked why they wanted to serve the village.

Werch said he felt he had already answered that question when he discussed the importance of making this effort as a trustee, despite his illness and periodical absences, in order to provide a better community for his family and for himself.

Mc Grath wanted to make sure that his family had a good place to grow up in, he enjoyed the work as it was a challenge and that he thought everyone should take an honest interest.

Kvackey said that his feet were set in Woodridge and would like to help the community grow and prosper.

Hennessey said that he was violently opposed to the incorporation of Woodridge, that he was loud in his complaints, but he believed that "if I can complain I can do some of the work and that is why I want to serve."

All the trustee candidates were asked their views on liquor licenses in the shopping center and surrounding area. They all agreed that a liquor license should be issued but restricted to the package business.

Werch added that package liquor on a restricted basis becomes a necessity as he understands negotiations for a super market are predicated on the basis that they will be able to secure a liquor license to sell package liquor.

Presidential candidate Roberts was asked how he proposed to pay for a park system and recreation program, develop a community center and other such services that cost money when he was instrumental in reducing the tax rate. He indicated that he felt committed to the 10 dollar tax estimate that had been made at the open village board meetings. He said the village operated very well at 50% of anticipated revenue last year and had no tax monies; therefore this tax money is additional revenue. He added that the advancing construction rate will bring in more funds and that other sources could be a sales tax from a shopping center and fees from licensing businesses in the area. Regarding a community center, he said the village is not in a position to build one for a number of years but is exploring all angles.

Presidential candidate Gilbert when asked to explain his stand on light industry, said he would form a committee to look into this with the possibility of alleviating the tax burden.

Hennessey commented that light industry would not only help pay the taxes but would provide employment thus give people the means to pay the taxes.

Roberts said the Board wanted to encourage area business and that they have been working to speed up the shopping center.

Both presidential candidates were asked if they would make any effort to reduce the water rates and if so how. Roberts agreed that they were too high, but pointed out the rates are set by the State, but, the village can inspect the books and that residents may petition for reduction if profits are excessive.

Gilbert indicated that pressure on "those higher up" for reduction of the water rates should be relentless, and said we should let them know we are ready to inspect their books at the drop of a hat.

Guernsey Elected First FIREMEN ANSWER TWO VFW Commander CALLS MARCH 25

Members of the Woodridge Memorial Post, Veterans of Foreign Wars, elected the following officers March 28: Commander, Bud Guernsey; Senior Vice Commander, Steve Nikonchuk; Junior Vice Commander, Haley Lloyd; Quartermaster, Tom Przybylski; Adjutant, John Vandeleur; Surgeon, Joseph Adorjan; Chaplain, Steve Rada-sevich. Regular meetings of the Post are held on the second and fourth Tuesdays of each month.

George Ray Hudson, Americanism chairman of the Hinsdale American Legion Post, as the evening's guest speaker, will discuss the controversial book "America As A Civilization" by Max Lerner, and his attempt to have it withdrawn from Hinsdale High School classroom use.

An open meeting is scheduled for April 11 at 8:30 p.m. at the Lloyd's home, 3052 Everglade.

White Becomes Head Of Home Owners

The Woodridge Home Owners' Association held their election for officials March 29. Results of the election are as follows: president, George White; vice president, Dan Hollowell; secretary, Marcia Eggen; treasurer, Robert Dreveny; trustees, John Dacy, Ned Hill, Joe Mc Grath, and Richard Martin. Don O'Shea and Horace Thoresen tied for the fifth trustee position. The board stated that they would do nothing about the tie as McGrath and Hill are running for public offices and in accordance with the Association's by-laws would not be eligible for the trusteeship if elected to a public office.

High School Board Election April 8

The Downers Grove Community High School Board, District 99, election will be held at Woodridge School April 8. For this election, the polls will be open from 9 a.m. to 7 p.m.

The three unopposed candidates are incumbent Board President C. E. Hacklander, 1140 Timber Trails Road, running for his second 3 year term and two Downers Grove men, Lyle F. Yerges, 5209 Lee and Mauritz E. Gahlon, 4616 Forest.

MISSING BOY FOUND IN LAGRANGE

At 11:30 p.m. March 20, the village fire siren blasted calling all available firemen to the village hall to aid the police in the search for a missing boy.

He left for school at 8 a.m. and when he did not return home in the afternoon, authorities were notified. At 11:50 p.m. the all clear siren (three blasts) was sounded indicating that the boy had been found.

He was located in the Burlington station at LaGrange and was returned to his home.

The Woodridge division of the Lisle Fire Protection District answered two fire calls on Mar. 25.

According to the fire department, the first fire was set by children playing with matches. There was no property damage.

The fire department reported that the second fire, which burned off the open meadow west of the village, was started accidentally by an approved trash burner. Some damage occurred during the combating of this fire. Because of the high winds and the large area, this fire was hard to extinguish. Extra equipment from the Lisle division was necessary.

WOMAN FRACTURES HIP

March 27, Mrs. Bernice Buttenuth, 79 year old aunt of Frank Dopp, 7822 Jonquil Ln. So. fractured her hip during the wind storm. Mrs. Buttenuth, attempting to hold the front door, was swept off her feet and down the steps. None of the immediate neighbors were home and Mrs. Buttenuth lay on the steps before discovered by Mrs. Bernice Jantzen who ran to the Robt. Towners for assistance.

The Towners, a tile man working in their home, and a friend, ran to the scene of the accident. The police and the fire department were both called. The fire district emergency truck arrived with a stretcher, but this vehicle does not accommodate a person on a stretcher. Witnesses said other attempts were made to find the squad car, including a call to Surety Builders as it was needed to carry the stretcher. During this period, two policemen arrived without the squad car. Shortly after their arrival, a village fireman arrived in a station wagon belonging to J. Duffy of Surety Builders. Mrs. Buttenuth was taken to the Lisle Medical Center in this vehicle. Mrs. Buttenuth was taken by ambulance from the Center to West Suburban Hospital.

turn to page 5, col. 4

FIRE SIREN SHORTED

A temporary fire alarm siren is being used in Woodridge until repairs can be made on the regular alarm. The relay which operates the siren went "out of kilter," as Capt. Larson put it, March 25, while announcing the grass fire. This made it impossible to shut it off.

Capt. Larson said repairs will be made on the regular alarm when parts arrive.

At that time there will be a little more siren blowing, he said, and added that tolerance of this "nuisance" will be appreciated.

Village Clerk Names Judges

The village clerk, Virginia Radtke, has reported the following as election judges. Barbara Cooling, head judge, will be assisted by Barbara Russo, Marge Martin, Ruth Lung and Lorraine Larson.

In the past, WNR has encouraged letters to the editor. We would again like to point out the value of having a vehicle by which you, as residents of the area, can voice your opinions. Take advantage of the opportunity that we are offering you to make this even more your newspaper

Letters to the Editors

Letters to the editors are welcomed and encouraged. We request that they be no longer than approximately 200 words. They must be signed with the writer's full legal name, although a request to withhold the name will be honored. Mail letters to N. O'Connell, 2936 Westridge Drive, Woodridge, Downers Grove, Illinois. The opinions set forth in this column are those of the writer and do not necessarily express the views of the editors.

Dear Editor,

Since the unincorporated area of Woodridge has become an issue in the coming village election, and so many opinions have been expressed by the candidates for office, I would like to give my opinion on this very important issue. That is, the opinion of a resident of the unincorporated area. My reasons are as follows; when we bought our homes, we bought in an unincorporated area, yet when it was time to move in, many people found themselves living in a village.

We are in the school and fire districts, and come under County Police protection.

The Lisle Township Road Commissioner will maintain our roads, including snow removal, all at no additional cost to us as taxpayers.

I feel that a village should be entirely self supporting. By this I mean, paid police protection, a paid building inspector, and some payment for members of the village board.

In my opinion the first step toward bringing the unincorporated area into the village, would be for the village residents to elect an administration that would govern the village for the people.

Sincerely, Robert E. Towner

Dear Editor,

Having been present at the accident involving Mrs. Bittenuth on Monday, March 27, I have a few questions to ask, not as a reporter but as a citizen of the community. Why did the village police take so long to arrive? Where was the village "emergency vehicle"? Wasn't this vehicle purchased with this purpose in mind? Some village official or officials should be held directly responsible, and even more certainly they must be imposed upon by the residents of the area to make adequate arrangements for such emergencies.

Suzanne Towner

4 H CLUB FORMED IN WOODRIDGE

On March 14, a 4-H club was started in Woodridge. The 4-H leaders of the "Woodridge Topnotchers" are W. Morrison and W. Bredfield. Enrolled are 27 members. Meetings are held every other Tuesday at 7 p.m. at Bredfield's house. On that date, the following were elected to office: Willard Bredfield Jr., president; Lilliane Myers, vice-president; Philip Morrison, secretary; Robert Arnouil, treasurer; Andy Makal, reporter; Amy Hill, sergeant at arms.

At the March 28 meeting, program and recreation committees were organized. A surprise guest speaker was Leon Werch, who gave a talk on what 4-H means to the community and the individual.

BUSHES TO BE AVAILABLE APRIL 8

Garden Club members are reminded that the Weigela bushes will be available April 8th and 9th between 10 a.m. and 4 p.m. at 2914 Everglade. Non-members who have reserved a bush by sending a post card to Mrs. Lew Benckendorf, 3028 Grabtree, will be notified if their card was received before the supply of bushes ran out.

BOY'S CLUB PLANS DANCE

The Boys Club is going to have a dance Friday, April 14. You may get your tickets from any of the boys, donation 25¢.

SCHOOL BOARD ELECTION

On April 8 we will be asked to choose, by ballot, two people to fill positions on the Goodrich School Board. Since no one outside of the Woodridge area has filed for the position, we are, in effect, selecting two Woodridge people to represent our interests. The 5 who have filed for these positions are;

Hill, Wiggins, Krause, Mersheimer and Radasevich.

All were nominated at the February 15 caucus which selected Hill and Wiggins as the front-running Woodridge nominees. In a previous issue of the paper we pledged our support to those two caucus candidates. Inasmuch as no one outside the Woodridge area has filed, the likelihood of outside representation has past with the exception of a write-in. The voter's burden of selecting the best qualified representatives from among these candidates still remains. We have expressed our views in print and urge everyone to express their views by ballot on April 8. The polling place is Woodridge School and will be open from 12 noon to 7 p.m.

"THE VILLAGE ELECTION"

These are your candidates, your village, your election - Your interest will be indicated by the number of you that turn out to vote.

The village residents will select a new president by ballot on April 18. The candidates are W. Roberts and E. Gilbert. Roberts is an incumbent trustee, and Gilbert is the immediate past president of the Woodridge Athletic Association. The winner will guide the destiny of the village for the next four years. He must, necessarily, be well qualified, competent and an able administrator.

Also at stake in this election are the offices of village clerk, police magistrate and three board seats. Mary O'Neill opposes Virginia Radtke, incumbent, for the clerk's position. Five candidates are competing for the three board seats: L. Werch, incumbent president; V. McPherson, trustee; M. Hennessey; S. Kvackey and J. McGrath, a member of the Plan Commission.

The Woodridge News Review is not taking a stand as to its choice of candidates for any village office. A newspaper does not have a vote, but YOU do. Please use it judiciously.

We have tried to cover the campaign adequately and accurately to aid you in making a wise and informed choice when you mark your ballot on April 18. The polling place will be at the village hall from 6 a.m. to 6 p.m.

VOTE! VOTE! VOTE!

SPECIMEN BALLOT

POLICE SURVEY PRODUCES RESULTS

The Woodridge Police stated that the house to house survey to find people who were not buying dog tags, as required by village ordinance, has been producing excellent results. Eleven citations had been issued as of March 29.

Although they were required by February 15, the village is presently doing a brisk business selling dog licenses.

ABSENTEE BALLOTS

Absentee ballots for the April 18 village election may be obtained from Virginia Radtke, village clerk, 3001 75th St., prior to April 17.

Teen Talk
 by Barbara Arnoull

Correction -- the 4H meetings have been held at Mr. and Mrs. Bredfields not Redfields. (So Sorry)

Sat. the 25, Bob Lauritsen had a party at his home. The boys were suppose to invite a girl, and surprising enough most of them did. There was a dance contest and Bob Grissom and Susie Przybylski won. The party was held in his basement where we roasted hot dogs and marshmallows over their fire-place. The boy scouts in his patrol chipped in for some of the expenses.

There must be an indian loose. It seems like all the boys have been getting "scalped" lately. If you know what I mean.

At the third Drama Club meeting we elected officers.

Sat. the 25th a three way birthday party was held at the Buttry's house on Westview Lane.. Hear it was quite a blow-out.

Bye now -

The April 10 meeting of the Firemen's Auxilliary will be held at the home of Mrs. J. Beirau, 3008 76th Street at 8 p.m.

MOTHERS CLUB TO FEATURE MOVIE ON HEREDITY

The next meeting of the Mothers Club, April 17, 8 p.m., will feature a movie on the story of heredity, "Thread of Life."

The members heard a group of four speakers discuss "Youth in Our Community" at their March 21 meeting.

Police Chief Messer outlined the structure of the Woodridge Police Department and the ways it serves both parents and children of the community. The goals and accomplishments of the Woodridge Athletic Association were explained by Edmund Gilbert, past president of the Association and a candidate for village president. Juvenile Officer Jerry Szczepaniak told the group about the new Woodridge Police Boys Club. Sergeant LeRoy Radtke presented some of the problems which have been encountered among young people here.

The appointment of Mrs. Cathy Wokas as Membership Chairman was announced by President Barbara Bonk. Mothers interested in joining the club may call Mrs. Wokas (Wo 9-6640) for membership cards. Dues are 50¢ for 1/2 year.

FORUM

continued from page 1, col. 2

Both presidential candidates were asked their positions on dissemination of information concerning village government activities and whether they would withhold such information under any circumstances.

Gilbert said he would appoint a press secretary to establish a communications system and would withhold information only if it would do more harm than good.

Roberts said that no official action is ever held back from the public as the board cannot hold a secret meeting although there are discussions as in any other corporation. Roberts went on to say that he had proposed a welcome brochure which is now at the printer.

Gilbert and Roberts were then asked how they would erase the apparent antagonism that exists in the outlying areas since annexation petitions have previously been defeated.

Roberts attributed the original trouble to a mixup in the county records and said two of the original unincorporated areas were later brought in with the consent of the property owners. He added that he had talked with people whom he knew in the unincorporated area and they expressed opinions on wanting to get into the village. Roberts doubted if services now extended by the county and township would continue when they are no longer required for the village. He cited police problems as an area where the county has already asked the village to serve in their stead. He commented further that people in the unincorporated area will have no voice in what goes on in the surrounding area. He said that he feels that the policy of extending every courtesy to these people should be continued.

Gilbert said he would not discuss the original plat and suggested this topic be buried for the time being. He said he had talked to some of the people in this area and found they would come into the village but they were afraid that this would hurt their chances in actions they have pending "against the village"

Roberts commented that no papers have been filed against the village and suggested Gilbert had made a misstatement. Gilbert reiterated that these people are fighting for their rights. Werch strongly cautioned Gilbert to be certain of the accuracy of his statements in specific reference to Gilbert's statement that a suit was pending against the village. Werch emphasized that at no time has the village had a role in the construction in units 1 and 2 and there could not be any action against the village, not by any stretch of the imagination. He further emphasized that the county inspected all the buildings in units 1 and 2.

Gilbert answered that if you look at the county courthouse you would find two suits against the builder, which he believes is their reason for not wanting to come into the village.

When the candidates for trustee commented on the same issue, Kvackey suggested that the board set up a commission to find out what the problems are; and if they can be worked out.

Hennessey said that as a resident of the village and a taxpayer, he would like to see these people in for the revenue. "Let's all pay the bills," he said.

The presidential candidates were asked what they would do if the school board decided to expand facilities outside the village. Gilbert said taxes for schools do not go strictly for this [Woodridge School] building and added that the village has little to say about what the school board does but that our grievances should be handled by our representatives on the school board. Roberts agreed and said there are controls over the school board in establishing areas in which schools are located. He said they would have to vote for the money, publish their desire and put it in the budget so the public does have considerable amount of say as to where the schools are going. The only thing the village can do, he said is to work with the school board and the builder as we are now doing in working for a parochial school. Werch called attention to the fact that the village Plan Commission plays an important role in deciding in advance where school sites should be located and are now working with school authorities in this respect.

Roberts was asked if the ways that he suggested in the last issue of WNR for paying salaries and costs building permits, license fees and gas fuel tax refunds were legal ways and did he believe there would be enough monies to pay for salaries as well as build all the improvements his platform calls for. He said they were all legal ways with only the gas tax monies having restrictions set up by the State. General fund money can be used for any purpose that is designated by village ordinance. He said these goals should be started now, and added that he would not endorse the village building a village hall now as it would mean floating a bond issue, but that he thought that a more adequate building should be leased. In regard to salaries, he said he felt a full time police officer supplemented by volunteers would be needed. He added that the duties of the clerk might expand to the point where we could not ask her to serve without pay.

Both Gilbert and Roberts were asked whether they favored payment to one full time policeman or partial payment to several policemen.

Gilbert said individuals often take the police department for granted. He felt Roberts "had not come up with any money." He (Gilbert) would not rely on building permits to pay salaries. He said all officials have given a great deal of time and should be commended. He wondered how long we can expect police officers to risk their necks without pay and said he would be glad to pay more taxes to pay for police protection. He said he didn't know how soon he would pay them or how many, but stated we should strive for a full time policeman.

Gilbert added that he would not rely on a "catch as catch can" method of seeing if five people build next month so we can collect "\$10 a house" in order to pay our police.

8 GRADE ROOM MOTHERS TO HOLD PARTY CATHOLIC CHURCH TO CONDUCT CENSUS

A card and bunco party is scheduled for 8 p.m. April 13 at the Woodridge School gym.

The party was planned by the eighth grade room mothers, Mary Morrison and June Makal. Proceeds will help finance the eighth grade trip to Springfield, Ill. planned for May 8-9.

Tickets may be purchased from any eighth grade student or at the door.

Monsignor R. Blanchette, Vicar General of the Diocese of Joliet has requested a census to determine if there are enough children in Woodridge to warrant a Catholic grammar school here.

The official village census is being used as the basis for this census. Those not included in the village census and those from whom more information will be needed, will be personally contacted.

DATE SET FOR LITTLE LEAGUE TRYOUTS

All aspiring major leaguers who have not yet registered for season play may still participate by contacting W. T. Roberts, 3010 Forest Glen Parkway. Final registration will be Saturday, April 8 at the village hall from 12 noon to 2 p.m.. The WAA has set April 15, weather permitting, as the opening date for Little League tryouts. The tryouts will be held at the James Road diamond. Girls wishing to play softball are asked to register with Shirley Jayne, 2921 Forest Glen Parkway. Bill Miller, 2939 Forest Glen Parkway is handling registrations for men's softball and hopes that the oldsters will turn out in force.

PING-PONGERS MATCHED FOR SIMI-FINALS

Drawings to match the ping-pong tournament semi finalists were held Saturday resulting in the following pairings:

Men's upper bracket: Smith vs Trondsen; Jeffrey vs Hill; Mens lower bracket; Narducci vs Dreveny (this match was played Saturday afternoon. Narducci was the winner), Martin vs Berg.

Women's division: Jayne vs Trondsen; O'Connell vs Lee. Women's semi finals will be played April 11 at R. Annouff's.

continued from page 4, col. 2

Roberts said the village always had money to fix equipment and added that the budgets are prepared by the departments. He said the greatest portion was spent for police activities; most of it for vehicle maintenance. He reminded all that the fire dept. is under the jurisdiction of the Lisle Fire Protection District.

All but the clerk candidates were asked what was the most important responsibility of the village to a new homeowner.

Gilbert's answer was honesty in government. He said, "If you're looking for a politician, you don't want me for president... If you're looking for an individual that is interested in striving for better government and honest government for this village, you're looking at the boy right here."

Roberts said he thought that, like Gilbert, none were politicians. In answer to the question the first responsibility was in the area of building inspection; the second responsibility was to give them a beneficial type of government and to have this good government by good planning.

Werch said he felt it began with planning for the type of community we wish to live in, that secondly, we should exercise controls on construction so that it meets with the regulations and that we should provide an unobtrusive kind of government.

McGrath said we should make the area attractive for future homeseekers. Kvackey said people should be welcomed and informed of the status and goals of the village.

Tattle Tales by Sue Towner

Good luck and sincere best wishes to Mrs. Pat Knopp, 3029 Everglade, who underwent major surgery early this week in Hinsdale.

Another Woodridge resident just recently home from the hospital after minor surgery, Isabelle Amoruso of 2932 Everglade.

Spring is here and with it, casualty time for the youngsters, beginning with Jerry Guldin who fractured his wrist during a little horse play on the way to school.

Visiting at the home of Mr. and Mrs. Nick Lung this week are Mr. and Mrs. Wm. Sypien of East Rockaway, New York and Mr. and Mrs. V. Vierin of Toronto, Canada. Bill Sypien and Vic Vierin were in the Air Force with Nick.

Maurice Hennessey, candidate for village trustee, and his wife Pat are the proud parents of a new baby daughter, Roseann Marie. The Hennessey's have three other children, all boys. Roseann was born March 22 in St. Charles hospital and weighed 8 lbs. 4 oz.

SPORTS ARENA

by Dominic Sanchez

McDonalds was a popular place for the basketball team on Thursday, Mar. 23. Mrs. Crane treated the boys to hamburgers along with Mr. Goldboard. Mr. Staidl bought the malteds. The boys got back in class on one condition--- that Mr. Strong got a hamburger. too.

SLATER RE-HEARING DELAYED

It was learned from Police Chief Messer that Ronald G. Slater, recently indicted for two felonies committed in the village, has been moved to the mental hospital in Elgin for observation until his re-hearing at the County Court House.

continued from page 1, col. 4

When queried by WNR, Chief Messer stated that he did not send the squad car as it was very dusty and dirty from patrolling the back areas and the engine was unreliable; therefore the car was unsuited for ambulance use.
