MESSER RESIGNATION ACCEPTED

Roberts Assumes Police Administrative Duties

BOARD AGREES TO 3 OTHER RESIGNATIONS

At the May 4 meeting of the board of trustees, President William T. Roberts announced the receipt of 4 resignations.

Elmer Messer, Chief of Police, and Marion Messer, 2911 Westridge tendered their resignations. Marion Messer was a policewoman and a police radio operator.

Both Robert Bell and Thomas White, special policemen, resigned to devote more time to their individual professions.

The board of trustees accepted the resignations.

In an interview with a WNR reporter, President Roberts explained that the position of Chief of Police as a functioning duty job was abolished, and President William Roberts, under state statute, assumed the position of Chief of Police in an administrative capacity only. The actual leg work and day to day operation within the force will be conducted by the officers themselves.

As reported in the May 4 issue of the Woodridge News Review, resignations were submitted by special policemen, Charles Hague, LeRoy Radtke, Jerome Szczepaniak and John Russo.

In letters read by President Roberts at the board meeting, Charles Hague requested that his "resignation not be acted upon until the force can be brought up to full strength." Officer Hague is now the acting duty sergeant. Jerome Szczepaniak requested that "he be put on active duty until a suitable replacement can be found." The job of reorganizing & supervising the Police Boys Club is now back with Officer Szczepaniak. John Russo asked that his resignation be withdrawn and that he be put on active duty. Edward Arndt and John Russo will perform regular patrol duties. Officer John R. Loomis is still patrolling the grade school in the morning. LeRoy Radtke requested withdrawal of his resignation and that he be put on inactive duty. The

Attorney Retained By Board

The law firm of Douglas F. Comstock, attorney at law, Downers Grove, was retained by the village at the May board meeting.

The yearly retainer of \$1000 can be paid either monthly or quarterly. This fee will include the preparation and review of ordinances and levies and appropriations, advising the board and the president and conducting other business in their office.

The village attorney will not be required to attend any board meeting or any appearance in court. For any such appearance and any additional duties, the village will be charged at the rate of approximately \$20 per hour.

The firm was recommended by President Roberts and Gene C. O'Connell, former trustee who had served on a committee formed to make such a recommendation.

Appointments Made At Village Meeting

At the May 4 village board meeting President Roberts made the following standing committee appointments: Finance, Lewis Benckendorf, chairman, and Joe McGrath and Leon Werch as members; Building and Zoning, Walter Larson, chairman, and Virgil McPherson and Joe McGrath as members and Public Protection Committee, the board of trustees as a whole and the village president.

The special committee appointments were: Insurance, Lewis Benckendorf, chairman; Recreation, Virgil McPherson, chairman and a Special Studies and Ordinances, Leon Werch, chairman, and Lewis Benckendorf and Walter Larson as members.

The Board concurred unanimously on these appointments.

GARDEN CLUB TO EXHIBIT AT LISLE SHOW

The Lisle Garden Club's first Spring Garden and Flower Show will be held at the Schiesher grade school at Kingston and Gamble in Lisle.

The show will be open to the public from 1 to 7 p.m. on Saturday, June 3 and from 12 to 5 p.m., Sunday, June 4.

Members of the Woodridge Garden Club will exhibit guest entries. Any other Woodridge residents are welcome to participate according to Flo Benckendorf.

Mrs. David Ayres captured the interest of Woodridge Garden Club members and guests as she deftly arranged mums, glads, pansies, tulips, azaleas and greens in problem containers. Under her practiced hands, flowers contributed by members and Herrick's Greenhouse, 5316 Washington, Downers Grove, emerged from basic designs into eye-catching arrangements. Turn to page 2, col. 1

75th Street West Of Route 53 To Be Paved

Contracts for paving 75th st. between highway 53 and Washington St. have been let according to W. J. Payes Jr. of the Illinois Division of Highways last week.

Arrow Road Construction Company of Mount Prospect was the low bidder with the bid of \$39,492 for the two and one-half mile section extending west from Route 53.

The highway, a federal aid secondary route, is being constructed by the county with federal funds. O.B. Dold, DuPage County Superintendent of Highways, said that the initial paving would be two lanes wide.

MOTHER'S BAKE SALE HAS \$90 PROFIT

Over a hundred women contributed their homemade goods to the Mother's Club bake sale, May 5, at the village hall. According to co-chairmen Jean Ortman and Dorothy Salisbury, the demand far exceeded the supply and all baked goods were sold out in less than three hours.

President Barbara Bonk reports a net profit of \$90 which will be applied toward the purchase of a motion picture projector for Woodridge School.

Coffee and cake were served to the shoppers, and children enjoyed free Kool Aid and bars.

Next meeting of the Club will be held June 13 at 8 p.m. at Woodridge School. Husbands are invited to hear guest speaker, William T. Roberts, president of Woodridge.

DGHS Costs Low In County

Comparable costs of high school education in DuPage County, with Downers Grove Community High School reported spending the least of the 10 districts at \$585.22 per pupil.

The money covered expenditures for the 1959-60 year.

Figures from all high school districts in the county were released by County School Superintendent Roy DeShane.

They showed this picture: York, \$831.99; Lisle, \$815.12; Naperville, \$772.22; Hinsdale, \$750.78; West Chicago, \$715.66; Lake Park, \$696.36; Glenbard, \$666.76; Wheaton, \$642.12; Fenton, \$630, and Downers Grove, \$585.22.

Excluded from these totals are debt retirement, new equipment, field trips and extra transportation, new grounds, new buildings and alterations.

Letters To The Editor

Dear Editor and all our Woodridge friends and neighbors:

This letter comes from all of us in the Woodridge Memorial Post, VFW, and Ladies Auxiliary.

Our post and the auxiliary are brand new, and it seems opportune to give you our pledge....

The men and women of our VFW will pursue activities locally so as to make the organization a thing of definite value to Woodridge. We will endeavor to serve you whenever we can so that adults and children alike will benefit from our presence.

It is the fond hope of all of us that the VFW will be a major building block in the structure of our community, and we will direct our practical activities and social functions in a sensible blending toward this goal.

In closing, may we invite each and every one of you to the installation of our post and auxiliary officers, to be held on May 27th, 8:30 p.m. at the Downers Grove VFW Post, 5101 Belmont Road. Dancing and refreshments will help to make it a memorable evening, so be sure to join us.

Call Maggie LLOYD, Wo. 9-7675 after 6 p.m. if transportation is desired.

Thanks to Woodridge,

Bud Guernsey, Post Commander
Maggie LLOYD, Auxiliary President

Dear Editor:

Many individual opinions concerning the maintenance of Lisle Township roads and streets have appeared in this newspaper in recent weeks. Everyone is entitled to voice his opinion but the manner in which some of the opinions have been slanted would make one believe they are unchallengeable fact. True information about road maintenance printed in the Woodridge News Review has been ignored by a group of people who replied with a retort which questions the competence of the Lisle Township Road Commission (Highway Commission), and because this was done under the banner of civic pride, no one should dare to refute it. There is no justifiable reason for the creation of such confusion.

Maintaining Township roads is not left up to the whim of the Commissioner. It is provided for under Illinois law. The Supervisor of Lisle Township, Mr. Patrick Riedy, was kind enough to answer my written request for correct information on this matter in a letter dated May 4, 1961. I am enclosing a copy of that letter for your files. It explains that Chapter 8, Section 138 of Fourth Edition Illinois Township Manual states as follows:

"The Highway Commissioner can be compelled to repair and maintain any township road. If he fails or refuses to repair any road or section of road, and three (3) land owners in the township may notify him of the neglect of said road. If he fails to repair they may contact the County Supervisor of Highways who after hearing complaint and reasons of non maintenance of said road may order repair and maintenance. Failure of Commissioner to comply with said order would result in a fine not to exceed \$200 and removal from office."

This should erase any doubt concerning the question of maintaining Township (unincorporated area) roads.

Sincerely,

CHARLES F. CRONIN

(Continued from page 1, col. 3)

Mrs. Stan Ladniak and her co-hostesses served refreshments following the meeting.

Flo Benckendorf announced that plans for the potluck tentatively scheduled for June 17, would be handled by Carol and Nat Shepard. Reservations must be made by calling Flo Benckendorf, Wo 8-3921 before June 1.

Tattle Tales

By Sue Towner

Get well soon to Paul Tucker, 7644 Catalpa, who was very ill with mumps, but is now recovering nicely.

Get well also to Kenneth Salisbury, 7645 Sprucewood, who just returned from a brief stay in the hospital.

Mrs. Helen Anderson, 7649 Sprucewood, flew to New York with her daughter, Cheryl, to spend Mother's Day with Mrs. Anderson's mother.

Four Woodridge women attended a Fashion Show April 26 sponsored by the Lyons Civic Club and held at Mangam's Chateau. Attending were Mrs. Helen Ortman, Mrs. Dorothy Salisbury, Mrs. Ellen Anderson and Ruth Vondrasek.

It certainly was a lovely surprise for Joan Jeffrey, 2958 Jonquil Lane North when she came home from the hospital to find her home shining and spotless. Responsible for the good deed were neighbors, Betty Shreck Ruth Soldat, Kate Lipuma and Pat Gellately.

A "not too" new arrival that we missed previously is Steven Daniel Beach whose parents live at 7614 Sprucewood. Steven was born at Little Company of Mary hospital on March 31.

Steve "Guts" Gulbrandsen, Gerry Guldin and a third "unidentified stinker" had an unfortunate experience with a skunk last Saturday. I'll bet their parents didn't welcome the boys with open arms that night.

Teen talk

by Barbara Arnouff

At the last Teen Dance two girls from D.G. came, and they both said they had never had a better time. (Nice to hear?) They pantomimed a record and mentioned they'd like to go on the hayride but one of the girls is allergic to hay!

On a drowsy, wet Monday the 8th graders left for Springfield. They went bowling and on tours. On Wednesday the fun was over, back to school.

What's with the 6th graders? It seems like half the class is going steady????????? See ya!!!!

Garden Notes

The last frost for this area is usually May 19. You can make plans to sow tender annual seeds (Ageratum, Babysbreath, candytuft, cockscomb, marigold, azinnia) directly outdoors about one week later. Rake in a balanced plant food (the one you use on the lawn is usually ok.) into the seed bed before planting. Cover seeds no more than twice their diameter. Do not try to cover tiny seeds, just firm the soil by a light tamping and sprinkle lightly.

Do not weed until you can positively identify the plant... young weeds look amazingly like flowers. Feed plants when you thin them or weed them, remembering to water in the food. Plants can use food only in liquid form.

If you have had trouble getting seeds to sprout, try covering them with vermiculite instead of soil.

At this same time you can also transplant annuals that you purchase from the local nurseries, or have started indoors. These give earlier blossoms.

letter from Radtke stated that he would be willing to serve in an emergency.

In a further move, which was effective May 5, all of the patrols were changed to a more effective system, eliminating any patterns of patrol within the village. The police car will be used less but there will actually be more patrols through the use of un-marked cars.

Another change now in effect is a single police telephone number. This is a 24 hour phone answering service through an extension network. The police number is Wo 9-2191.

Beginning May 13 all officers were to start receiving training courses, field and classroom, in the whole area of public protection. The subjects covered will be: defensive fire arms, given by the FBI, village ordinance interpretation, given by President Roberts, first aid, given by a state instructor.

The village will presently have a new application and testing procedure for all potential policemen, and these will be used until the present force is brought up to full strength.

The total force will number 10 men and 2 women. At present, the force consists of 6 officers and 1 policewoman, Mrs. Horace Thoresen.

In a statement to WNR, President Roberts said that, "should any occasion arise for police service in the un-incorporated area, the residents should feel free to call upon the village, and we will assist in any way without legally jeopardizing the village or interfering with the county police."
