## Residents Voice Opinions At Hearing

### County To Rule On Special Use Permit

Approximately 45 area residents attended the public hearing August 24 at Lisle Community High School. This included about 25 Woodridge residents and the Village Board.

The hearing was held by the DuPage Zoning Board of Appeals upon petition by Emil Siebert, president of Siebert Trucking, for a special use permit for the southwest corner of 75th and Route 53.

The area for which the special use permit is asked starts about 600 feet west of the corner, and is presently zoned R-2, residential. The area east of this on the corner of 75th St. and Route 53 is zoned B-4 with a special use permit for a trucking terminal by Siebert Trucking.

The chairman of the Board of Appeals pointed out that it is in the best interests of the county as a whole to prevent the stripping and destruction of a valuable piece of land within the county.

He also noted that the hearing was not to determine whether a lake could be built on the four acres but whether the county should allow removal of any materials from the land.

The attorney for Emil Siebert brought out the following reasons for request for the special use permit Lot 1 of Abrahms Acres:

... owner's wish to build a four acre private lake on the property. ... owner's intention to build a home for himself ... necessary to build up certain areas where the house will be. ... 50 per cent of the material removed to create the lake would be excess. ... most adaptable use of the property as it is 8 to 12 feet below the road bed. ... owner is perfectly willing to post a performance bond which would guarantee fencing of the lake and completion of the project. ... the entire project should not exceed two years including construction of the house. ...

It was estimated that approximately 60,000 yards of gravel may be in excess plus about 20,000 yards of topsoil. Siebert would like the special use permit to allow his firm to remove the excess material from the property.

The board next opened the meeting to all those who favored the granting of the permit. One resident presently owning property next to the area in question said he had no objection to the granting of the permit. The Board of Appeals then heard and recorded all objections to Siebert's petition.

The main objections were: the increased amount of traffic by trucks over county roads. ... the possibility of this setting a precedent for future similar undertakings. ... possible traffic hazard for children attending Goodrich school. ...

President William T. Roberts asked whether the Board could have a copy of the plat to study before giving an opinion.

After the plat had been considered by Hearing Turn to page four

### Free Chest X-Rays From Sept. 11 Thru 14

The chest X-Ray trailer of the DuPage County Tuberculosis Assoc. will operate in downtown Lisle September 11-14.

Chest X-rays, provided without charge by Christmas Seals, will be made available to all persons age 18 and over. Those under 18 will be x-rayed only if sent by the family doctor because most cases of tuberculosis are found among adults.

The unit will be in operation on Sept. 11 from 10:30 a.m. to 12:30 p.m. and 1:30 to 5:30 p.m.; Sept. 12 and 13, 2 to 6 p.m. and 7 to 8:30 p.m.; and on Sept. 14, 10 a.m. to 1 p.m. only.

### Woodridge Mothers Club Officers Meet

Members of the Mothers Club executive board planning this year's fund-raising projects for Woodridge School: Ruth Vondrasek, corresponding secretary, Genevieve Gray, recording secretary, Barbara Bonk, president, Helga Scudder, treasurer and Marge Groth, vice-president.

The Woodridge Mothers Club will hold their first general meeting of the year Tuesday, Sept. 19 at 8 p.m. in the Woodridge School Auditorium.

Membership Chairman Mary Lou Hartfield issues a special invitation to all newcomers in the village to attend this meeting and join the club's activities.

At the WMC board meeting August 25, the officers of the club voted to establish a welcoming committee, headed by Hospitality Chairman, Cathy Wokas. The purpose of the committee is to greet new families as they move into Woodridge and

to serve as a source of information regarding schools, churches, organizations, recreations, shopping facilities, local laws and regulations, etc.

A vote was also taken to select a representative to attend every School Board meeting open to the public and make a report to the club.

Genevieve Gray was elected as representative with Eleanor Murphy as alternate.

General meetings of the club will be held at the Woodridge School Auditorium the third Tuesday of every month.

### School Tax Hike Proposed

A 12¢ per \$100 of assessed valuation increase in the District 68 school tax rate will be put to a vote September 23. Voting in the special referendum will be at Woodridge and Goodrich Schools.

The School Board plans to have open house meetings to answer questions on the referendum. See Community Calendar.

### Community Club To Hold Steak Dinner

Kickoff of the 1961 - 62 season for the District 68 Community Club will be a steak dinner at Goodrich School September 30.

Proceeds from the dinner will be divided between the schools in proportion to the ticket sales for the two areas.

Last year's fund raising activities produced \$279 which was divided evenly between the two schools.

The tickets will be offered for sale through the schools.

### Tax Levy Tonight

Attend village board meeting at 8 p.m.

### Election Board Planned

Efforts are being made to establish an election board in Woodridge.

Many Woodridge residents have already offered their assistance.

Mary Ann O'Neill, Woodridge village clerk, who initiated this effort says that the DuPage County clerk's office has offered their assistance and will set up classes.

### One Case Heard

Police Magistrate Arthur M. Berg held court Saturday, August 26, at the village hall. He heard one traffic violation and had one continuance. Berg levied a fine of \$5 and \$5 court costs for the stop sign violation.

## PLAT OF UNIT FOUR APPROVED

by E. Lee

The plat for unit four was approved by the Village Board at the August 4 meeting.

In an interview August 25, President William Roberts was asked if the developer, to date, had posted either performance bonds or a surety deposit to guarantee construction and completion of the roads in unit four. Roberts answered "No!" He added, "It is not required until construction starts and this was a condition of our approval."

He said, "We are following the DuPage County regulations or ordinances in regard to zoning and requirements of bonding."

Roberts was also asked who would determine the amount of performance bonds that are to be posted on unit four. He said, "They will be determined by the board based on the amount of contracts the builder lets to subcontractors."

Woodridge has no subdivision control ordinance and when asked how soon this ordinance would be ready for approval by the board. Roberts said, "I expect it to be ready by the November board meeting."

The subdivision control ordinances of DuPage County, Naperville and Downers Grove all require a subdivider to submit with the final plat either surety bonds (performance bonds) or certified checks in amounts equal to the estimated cost of completion of the improvement.

The DuPage County Subdivision Regulations state that the cost of improvements shall be in accordance with cost estimates prepared by a Registered Professional Engineer approved by the county board.

## Our Roving Reporter Visits Bomb Shelter

by Barbara Cooling

The civil defense shelter just outside Wheaton in DuPage County is not a public shelter. In the event of an enemy attack Chicago officials and officials of other large cities in the area could make use of this shelter.

The public shelters are in metropolitan areas.

The DuPage shelter can feed and sleep 50 officials. When all have arrived or after the attack signal is sounded, a huge steel door closes. This is one of three doors that must be gone through to reach the heart of the shelter.

Late arrivals must pass through a decontamination room. Here they go through first a chemical and then a water shower.

The fresh air intake has a type of geiger counter that sounds a loud buzzer if the air is impure.

When the buzzer sounds, a switch is thrown and the air entering the shelter is re-routed through a decontamination process and then into the bunker.

A battery of radios and telephones ties the officials to hospitals, civil air patrol, police, amateur radio operators, villages, mutual aid areas and Argonne Laboratory. One radio receiver is on 24 hours a day operating the National Civil Defense radio.

Teletype machines give the weather and wind direction and velocity for the entire country.

Bunks for sleeping are three high. They are equipped with sheets, pillows and blankets.

The kitchen is stocked with food and three freezers are filled to capacity. This food is replenished frequently. The food previously stocked is given to hospitals.

### RESIGNS FROM COMMITTEE

Richard Marushak, chairman of the Citizens Committee, tendered his resignation as chairman.

A successor has not been elected by the committee whose purpose is a workable solution concerning the location and or relocation of the village barn on Crabtree Ave.

The shelter itself is built of concrete blocks. The ceiling is three feet thick, and the walls are two feet thick.

Directly on top of the shelter, is the County Highway Department.

In case of a power failure the shelter has two gas generators. Just one would be needed to supply all necessary power for lights, heat, air conditioning, etc. If the one being used fails, the second generator comes into play. In the event that the second one fails, row upon row of dry cell batteries are available.

If the target area is where the Civil Defense people expect it to be, Woodridge would in the main, have shock wave damages.

There are seven such shelters in Illinois. Each shelter has an auxiliary shelter. Park Forest is the location of this areas auxiliary shelter.

### Handicraft Class Ends

The W. A. A. handicraft program came to a successful end Friday, August 25.

At the last session the girls made yarn dolls and enjoyed refreshments.

Plans are being made to resume this program next year as soon as school is out for summer vacation.

The 25 girls who registered will not be asked to pay the 50¢ registration fee again. The only cost involved will be that of the cost of each project.

For information or to offer assistance, call Wo 8-1724. Pictures on back page.

### 3 Join Fire Department

On July 3, Robert Burns, 7626 Sprucewood, volunteered for the Woodridge Fire Department. Thomas Bumbaugh, 7525 Westview, and Bruce Lentz, 7624 Woodridge, applied for duty on August 21. The department would like more men, particularly for daytime duty.

Wilbur Adams, 3009 Forest Glen, and Robert Jackson, 7500 Westview, resigned from the department on August 21.

## Garden Club To Hold First Fall Meeting

The Woodridge Garden Club will hold its first fall meeting Sept. 14 at the home of Mrs. Ruth Myers, 7720 Woodridge Drv. at 8 p. m.

The program for the evening will be a demonstration on making dried arrangements. This will be presented by Mrs. Hurst of the Little Shoppe at Tollgate Nursery. Mrs. Hurst gave the club a demonstration on Christmas arrangements last year.

Also included in the program will be the showing of the movies taken at the pot-luck supper this last spring.

The Garden Club has family membership. The programs for the year are geared for both men and women who care to attend. Membership dues are \$2 per year. Meetings are held the second Thursday of each month.

The main purpose of the Garden Club is educational as opposed to social and consists mainly of the monthly meetings. Anyone wishing to attend is welcome and can register at the first meeting.

**CORRECTION TO WOODRIDGE DIRECTORY** -Published last issue the telephone number for Garden Club-- President, Marcia Eggen--should be WO 9-6523

## VFW Aux. Plans Shower

The mock "Bridal Shower" which was to be held the end of June by the Women's Auxiliary of the Woodridge Memorial VFW Post No. 4739 is now scheduled for Sept. 22.

The shower is to be held at the home of Christine Castaldo, 7825 Jonquil Court. Tickets are \$1.00 and can be purchased from a member of the Auxiliary.

A regular bridal table will be set up with various household gifts such as linens towels, and other things that a "bride" may have run out of after a few years.

The name of the guest of honor will be drawn that evening, and the winner must be present.

Cake and coffee will be served after the opening of the presents. Profits from the evening's entertainment will be put in the Auxiliary's treasury for use in helping our disabled veterans, needy families and other various charitable works.

## School Begins at St Joan

Saint Joan of Arc School began yesterday. All this week the children will attend for a half day. During the afternoon books may be purchased. The children will not have to wear their uniforms until October.

September 30, St. Joan of Arc will hold a Rummage Sale. Save usable discards for this event. The rummage sale will be at the parish hall, where all goods should be delivered from 9 a. m. to 1 p. m.

## Cub Scout News

The Cub Scouts will be starting up again this September, first a Committee meeting will be held at Ted Goetz's home at 7629 Sprucewood at 8:00 p. m. on Sept. 8.

The Pack meeting will be held at Woodridge School Gym, Sept. 29 at 7:30 p. m.

Mrs. Delores Wilgus and her den (Den #4) will have the skit, Posting of Colors, and songs for the evening.

A Training Course was held on Aug. 12 at the Woodridge School Gym for all adults in Scouting. Mr. and Mrs. Raymond R. Jandris and George Fyock were the teachers.

All adults that attended the course were credited with points toward a Den Mother Award for Women and a Scouters Key and Scouters Award for the men.

**Teen Talk**  
by Barbara Arnouil  
Oh, boy! This is that wonderful time everyone goes back to school--Well, I guess this is no time for jokes. For Downers Grove High School registration days are August 31 and September 1. The Woodridge school registration day is September 5. School for both begins the 6th.

There is a "teen dance" at the Village Hall September 1, at 7 o'clock. Judy Provo and Sue Prysbilski have decided to stage a dance contest. Just for girls.

All the kids that were in Wisconsin came back. Happy, sad or otherwise, they came back.

Nancy Bryant and Mary Buttry double-dated and Nancy still thinks about it, of course a tall, dark and handsome 17 year old boy does help her memory along.

Shirley Hollowell said she met two real nice boys up in Wisconsin and Lester Dubs' said all they found was rain!

Richie Olinski is going back to Chicago to go to school and I guess he will be back next summer. "Quel Dommage"

Kathy Smith is planning a birthday party for her brother Jim. His birthday is September 16th.

## Sharon Ford Appointed Deputy Clerk

Mrs. Sharon Ford, 2918 Westridge Drv. was recently appointed deputy clerk. On August 26, she took notes at police court for village records. Sharon and her husband, Harold, have lived in Woodridge over two years. They have three children, Vicki, 4 1/2, Tod, 2, and Brad, 8 mos.

## WAA To Hold G&S Meeting

The Woodridge Athletic Association will hold a Gripe and Suggestion meeting Tuesday, September 12 starting at 8 p. m. at the village hall.

All Woodridge residents interested in a good youth program are invited to attend. The President and Board of trustees of the WAA will be more than happy to hear any constructive criticism or suggestion that might improve their program.

When questioned about fall and winter activities, President Arnouil said that plans are under way to install lights at the athletic field, possibly organize a basketball league, and that there will definitely be an ice rink again this winter.

Arnouil also added that free refreshments will be served at the meeting next Tuesday evening.

## NO U TURN

Loyalty needn't be a boulevard  
Nor a highway ablaze with lights.  
It can even be a path with moss  
Followed easily on the darkest nights

But whether it's highway or lane  
Paved with pine needles or solid concrete;  
Loyalty was designed and permanently marked  
As forever a two way street.

### Hearing

Continued from page 1, col. 1  
 the Board, Roberts said, "Speaking for the Board of Woodridge, it is the board's feeling that he (Siebert) will not correct the situation by removal of more material from this property. . . which is already low. . . we object on these grounds. . ."

The chairman of the zoning board said that they could stipulate precisely what can be dug and can set limits on the procedure. The board will study the petition and then make their recommendation to the County Board of Supervisors. It will then be up to the Board of Supervisors whether to permit issuance of the special use permit.
