

INAUGURATION HELD FOR VFW OFFICERS

The Women of the Woodridge V. F. W. Auxiliary pictured during installation ceremony
By Ramona Kinser

New officers of the V. F. W., Woodridge Memorial Post #4739 being installed

Inauguration day for V. F. W. Memorial Post #4739 was Sun., Apr. 15. Families, friends, and guests from neighboring posts and Fifth District headquarters in Batavia numbered about 175. They watched as V. F. W. and V. F. W. Auxiliary officers took oaths of office in flag-bedecked Woodridge school auditorium. Ceremonies were impressive and properly military even to color guards and rifle-bearing honor guards. After the installation, members and guests were treated to a buffet supper prepared and served by ladies of the Auxiliary at post headquarters, 8109 Janes rd.

Installing officer Jane O'Flarraty swore in the following officers for the V. F. W. Ladies Auxiliary: Christine Costaldo, president; Louise Schneider, senior vice-president; Florence Ralston, junior vice-president; Carmella Nikonchuk, secretary; Mary Ann Przybylsky, treasurer; Lois Reid, chaplain; Patricia Vanek, conductress; Dorothy Eads, 3-year trustee; Nancy Radasevich, 2-year trustee; Olga Bar-kauski, 1-year trustee.

Veterans taking oaths were: Clifford Guernsey, commander; Don O'Shea, senior vice-president; John Russo, junior vice-president; Robert Reid, quartermaster; Richard Slater, post advocate; Steve Radasevich, chaplain; Ed Arndt, surgeon; George Vanek, 3-year trustee. Their installing officer was Donald O'Flarraty.

Commander of the 5th District Ray Mann addressed the audience, reminding them that though the wars are over, many disabled veterans remain in hospitals and need help and cheering-up. He explained that Poppy Day, planned for May

D. G. School District Opposes Annexation

The following are excerpts from a letter dated April 10, 1962, from Downers Grove district 58 to school district 68 concerning annexation.

"The Board of Education, Downers Grove District 58, has given serious and thoughtful consideration to the annexation suggestion outlined in your letter of March 5, 1962.

"We understand fully the gravity of the financial difficulties you face in your rapidly growing community. But we know that our first responsibility is to the pupils and citizens of our district. "If we were to approve the annexation of the major portion of your District as you propose, we would have to increase our tax rate considerably to maintain the same quality program we offer our boys and girls--or we would have to lower the quality of that program.

"Thus we do not see how we can agree to enter into any negotiations to annex a portion of your District as suggested in your letter. As representatives of the citizens of this district we must oppose this move."

22, provides a means for them to earn money for some of their needs.

Members of the V. F. W. and the auxiliary will be stationed at entrances to the village on Poppy Day to sell the veteran-made flowers.

Visiting hospitals and cheering confined vets is a primary function of both organizations. Besides this, a provision of their by-laws calls for participation in 3 community projects yearly.

The V. F. W. is currently sponsoring Boy Scouts and will continue to sponsor them for another year, reports Commander Guernsey.

Members also have donated materials for and made street signs which they installed throughout the village. The only items purchased were the decals. They intend to continue this service.

They are presently busy preparing for the post's first big dance to be held Sat., June 2, at Laborers' Hall, Ogden at Cass ave., Westmont.

Commander Guernsey proudly reports 100% plus membership, meaning that besides all of last year's members renewing, new members were added. He pointed out that not too many posts can

GYM DEMONSTRATION AT MOTHERS CLUB MEETING

Exciting is the word to describe the gym demonstration that highlighted the April 17 Mothers Club meeting at Woodridge school. Mr. Henry Wolf, physical education teacher, explained the reason for the demonstration was to show parents what Woodridge school is doing to comply with President Kennedy's physical fitness program.

Seventh and eighth grade boys were pitted in a volleyball game that had real "punch." They served to excite the crowd, who cheered every score.

Endurance was put to a test by fifth grade boys and girls doing sit-ups, push-ups and other difficult exercises to fast-tempoed music played by Mrs. Joan Mason.

A mixed group of fourth graders demonstrated beginning tumbling with forward and backward rolls and cart-wheels.

Seventh and eighth grade girls had the gym jumping with a sometimes graceful, sometimes tricky example of

Schoolroom Cut Back Not Necessary

BOARD TO PROCEED WITH ORIGINAL PLANS

By Sue Towner

A possible record crowd attended the April 16 school board meeting, following the announcements by the board of a four room cut-back on the Woodridge addition and economies at Goodrich. Messers. Al and Jack Kaufman, representing Surety Builders were also present. Jack Kaufman

Dahlberg New School Board President

John Dahlberg, Royal Oak in Brenwood, Naperville, is the new president of the board of education of district 68. He is beginning his third year on this school board. In 1960 he served as chairman of the Citizens Advisory Council, and both he and his wife, Margaret, were chairmen of the Community Club during the 1960-61 school year.

Dahlberg graduated from the University of Minnesota with a degree in electrical engineering.

He served in the Navy for five years and held the rank of lieutenant commander.

Dahlberg is the district engineering manager in the Chicago area for Illinois Bell Telephone.

He and his wife who is a native of Naperville and their children, Jan, 9, and Ricky, 7, have lived in Brenwood, which is just off of Hobson road, since 1956.

Dahlberg said he was grateful for the opportunity to serve as president of the school board and listed the following plans in which he will concentrate his efforts for the next few months :

1. Follow up on the decision made Sat., Apr. 21, to complete the entire building program at both schools.
2. Re-establish relations with the Woodridge developer.
3. Prepare a 1962-63 budget in May for a public hearing and adoption in a June meeting.
4. Lay the ground work for a referendum to increase the Educational Fund tax rate. The increase will be necessary and the referendum may be held at the end of June.

PAPER DRIVE MAY 12

Saturday, May 12, is Boy Scout paper drive day. The Scouts request that the papers be tied and put out at the curb.

read a prepared statement "for the purpose of making perfectly plain to the members of the school board of District 68, and the people of Woodridge, the position of Surety Builders regarding our contribution of \$200. to the school board for each home over 400 built." He stated that the only interest of Surety Builders is that of the village of Woodridge; that the money in question has been set aside, and will be paid to the school board when they (Surety) can be assured that it will be used solely for Woodridge either directly or indirectly. The news release issued unanimously by the board was inaccurate, in that it told only a partial story. He further mentioned that Surety was not legally obligated to make donations or contributions of any kind, although they have already made over \$100,000 in voluntary payments. In conclusion, Kaufman congratulated the new board members, and expressed "delight" to see two additional residents of Woodridge serving on the board.

John Dahlberg, president, replied that the school board is obligated to look out for the interests of all the children in the entire district, and their actions have been so guided.

It was then suggested that a copy of the agreement between Surety Builders and the school board, Feb. 15, 1960, be read.

Following the reading, Bob Stater pointed out that no mention had been made of contributions from any other builders, and that the school board has lived up to their part of the agreement.

School board attorney Allan Hultman said that when he spoke with Kaufman's attorney it was very plain that it was not a condition of the contract that Mr. Kaufman could say where the funds might be used. He added that he thought it extremely unwise to give an outsider the right to dictate to the board where to use such funds, and to now add this condition to an existing contract would be like the board "unilaterally" changing the amount of the contribution to \$400. per home.

Slater went on to say that this year's building program had required about \$175,000. Prior to receiving the official valuation of the district from the county assessor, they had estimated that approximately \$180,000 would be available. The actual valuation turned out considerably lower than anticipated, giving them about \$152,000 to work with.

THE NEW FIRE CAPTAIN

Henry Wilgus, Woodridge's fire Captain, was born in Chicago on January 31, 1920. He attended Lane Technical High School and upon graduation joined the Canadian Army serving two years with the Essex Scottish division. He transferred to England when America entered the war, joined the 1st. Army Div., and came out of the service with the rank of chief warrant officer. He married his wife, Delores, shortly after this.

They have lived in Woodridge for three years. They have no children, however, all the children in the neighborhood call him "Uncle Hank". He has been with the fire department since it was organized. He has worked for Surety Builders for several years. Mr. Wilgus hopes that the fire department will continue to grow and benefit the whole community.

Unauthorized autos following the fire truck are in violation of the law. Such drivers will be prosecuted.

Men are needed for the fire department. Anyone interested should contact Henry Wilgus, Wo9-2609.

Children should be warned to stay away from fires and out of the way of firemen. Not only do the firemen not want to hurt the children but the children are not covered by fire insurance.

New Dog Ordinance Passed

A new ordinance regulating and licensing dogs in Woodridge has been passed by the village board.

Following are some of the changes in ordinance 62-4. The period of licensing to - from date of issuance to the last day of the December following. Half fees will apply on or after July 1; the fees were changed to \$2 for each male dog, \$3 for each sterilized female dog, and \$5 for each unsterilized female. Required also is annual inoculation to prevent rabies. Another change is that dogs on the owner's property will no longer be considered running at large.

Application for the license should be made to the village clerk.

Scouts Plan Overnight Hike

The Woodridge Boy Scouts took a hike Sat., Apr. 21, to Thunderbird--a 10 mile hike. The next excursion will be an overnight to Thunderbird May 4, 5 and 6.

Scouts also are seeking donations of useable pots and pans for their cook-outs. Contributions may be left at the curb with papers or a call to Wo-9-0810 will bring someone out to pick them up.

The boy scout committee meets the first Monday of each month at the V. F. W. post at 7:30 p.m. Scout meetings are 7:30 p.m. Wednesdays at the Woodridge school gym.

Boys aged 11 and over are encouraged to join the scouts.

ASKS HELP FOR WAA

Dear Editor:

The following are two replies to letters that were printed in the last edition of the Woodridge News Review.

TO THE TEEN-AGER: Your problems are important to Woodridge. The answer to your problems is not juvenile delinquency, damaging houses, bending street signs, or roaming the streets. This type of conduct only makes the situation worse.

The damage done at the ball field, for instance, was costly, time consuming, and discouraging to the few people who try to provide recreational activities for everyone. The behavior of a few at the ice-rink and their attitude towards it caused a lack of parental help for this year's pond.

The same attitude at the Teen-Dances helped their termination. Co-operation on the part of the Teen-Agers could help keep these functions alive.

I believe there are many things for the teen agers to do, such as: Ping Pong, Baseball, Softball, Volleyball and soon Archery.

Unfortunately we cannot keep you entertained 24 hours a day 365 days a year.

TO A PARENT WHO KNOWS: I am fortunate to know the juvenile officer and police lieutenant mentioned in your letter. Their patience and co-operation with the Woodridge youths is to be commended. They have always been willing to support any organization that would provide activities for all the children.

Yes, there is an obvious need for parents to do SOMETHING, but why start a dozen new clubs, when all we need is more parent participation in what we already have?

ASK YOURSELF "What have I contributed to the Woodridge Athletic Association?" Your answer will probably be, "I bought a ticket for the St. Patrick's Day Dance and paid \$1.00 for a Membership Sticker, and oh, yes, I contribute my kids so the WAA will have something to work with."

Multiply your answer by 400 homes, your total will be \$800.00 and 800 kids AND STILL NO HELP. At present the

TO THE EDITOR

WAA is operating with only 15 working members. We need more than your money and your children. We NEED your physical support, your ideas, and your interest or we cannot honestly hope to continue.

Every month you are notified through this newspaper of the time and place of our monthly meetings. Also, several times announcements have been delivered door to door.

DON'T DEPEND ON YOUR NEIGHBOR TO CARRY THE LOAD. All it takes to increase our working members is your offer to help.

Sincerely,
Robert Arnouil, President, WAA

CATHOLIC SCHOOL PROSPECTS

To the Residents of Woodridge:

At a recent school board meeting many residents got the erroneous impression that a Catholic Parochial Grammar School would be opened this September in Woodridge.

I helped spearhead the drive for a Catholic school in Woodridge and because I did I have been receiving many phone calls inquiring as to the facts in this matter. I have spoken to Msgr. Blanchette and to Mr. Al Kaufman in an effort to clear the matter up.

Mr. Kaufman told me that what was publicly announced at the school board meeting was that, "there is no agreement with the Diocese of Joliet and nothing will occur until an agreement is reached."

In a telephone conversation with Msgr. Blanchette on the 24th the same idea was conveyed. Msgr. Blanchette said, "the chancery office has not yet received a written agreement from the subdivider and until we (chancery office) do no confirmation will be made."

Now this doesn't mean that an agreement will be reached tomorrow or even next week but both parties have been in contact with one another.

When a definite decision has been made about a Catholic school here, everyone will know about it. I sincerely hope this will clear up the rumors that have spread throughout the village concerning a Catholic school.

No Classroom Cutback Continued from page 1

Hoping to utilize funds due from the builder, plus money from the regular building fund, the board still felt they would be able to complete the entire building program. However, the Kaufmans' statement that the money would not be released for any purpose which would "directly or indirectly" benefit any area other than Woodridge, made this impossible.

Without enough money to complete the whole building program, the board was faced with deciding where to cut.

Deciding factors for the cut-back at Woodridge were increasingly crowded conditions at Goodrich, which will become worse next year, and the possibility of at least three parochial classes here next year.

Don Miller pointed out that one of the conditions the school board had to take into consideration was that if certain improvements, particularly toilet facilities, were not made at Goodrich, there was a strong possibility that the school would be given a "B" rating, with the resultant loss of all state funds to the entire school district. Funds received by the district from the state exceed the total taxes collected by the school district.

This meeting was adjourned after much discussion and comment from the floor without any definite decisions having been reached. Another meeting was called for the following Wednesday.

Wednesday's meeting produced a somewhat smaller crowd, and many possible solutions from both the floor and the board.

Four plans were finally accepted as possibilities, but no definite decisions could be reached without the board's receiving legal advice, since some of the plans involved transferring monies from one fund to another. Further

deliberations were deferred until such time as the board obtained the necessary legal advice.

At a special early morning session Sat., April 21, after much legal consultation, the board announced that monies could be transferred from other funds and used to complete the entire building program at both schools as described in the referendum.

Al Olsen suggested that it might be wise to contact the Advisory Council and begin laying the ground work for an educational fund raise.

It was also decided that a committee of two board members be appointed to contact Kaufman and see if there are any avenues open for negotiations regarding the \$200. contributions. John Dahlberg appointed himself and Lew Benckendorf to comprise this committee.

WAA Ping Pong

The WAA announced that they felt that because of lessening of interest in the men's doubles tournament, they should adhere to the April 21 cut-off date. The teams for the play-offs were decided on a best percentage basis.

Those teams are: Zuccaro-Moxley vs. Jeffrey-Lee and Hill-Keller vs. Narducci-Alexander.

Goodrich Sod To Woodridge

Al Olsen announced at the Apr. 21 school board meeting that the sod being removed from the construction site at Goodrich was being laid in front of the Woodridge school so it would not be wasted. The sod was cut and moved, free of charge, by Don Miller, former school board president of District 68. Mr. Haines, custodian, and some of the eighth grade boys are doing the work of laying the sod.

TEEN AGE CLUB FORMED

A Teenage Club is being formed in Woodridge with the help of four Woodridge mothers. The four women, Mrs. Jean Ortman, Mrs. Dorothy Salisbury, Mrs. Grace McDonough and Mrs. Lola Goulding are members of the advisory board.

The club will be ruled by officers, who will be selected at a later date. The minimum age for joining the club is 13. Socials will be held every Fri. evening at a designated place.

Mrs. Ortman said in a note to the WNR that the kids themselves will determine whether the club will be successful. She also said there will be a special activity once a month such as bowling, hayride, skating or swimming. 25¢ will be charged for admission to each social.

All teens in Woodridge are invited to join and more information about the club can be obtained by calling Mrs. Ortman

Swanson, Henk Attend Conference

April 24 - 27, Pastor Swanson and Walter Henk, 7618 Westview, attended the Convention of the Central Conference of the Augustana Synod at Moline, Illinois. Wed., April 25, Prince of Peace Lutheran Church was received into the Conference.

A Tea will be held Sun., May 6, at 3:30 p.m. at the Parsonage, 2735 W. 75th st., for all women who are interested in forming a woman's organization in the church.

Information classes for people who are interested in learning the faith and practice of the Lutheran Church are being held. The classes are also for those who desire to join the church on Pentecost, June 10. Further information may be obtained from Pastor Swanson, Wo9-1268. at Wo9-7489.

Mothers Club Election Results

Continued from page 1

rope skipping agility.

Sixth grade boys proved you needn't be Wilt Chamberlain's size to score at basketball. The enthusiastic spectators rooted lustily for the "shorties" who dominated play, making basket after basket.

A bouncy group of sixth grade girls kept balls bouncing to music not only as they stood, but also while they were seated on the floor.

Boys and girls from second grade acted out the letters of the alphabet to the tune of "A You're Adorable".

Frantic relays capping the program featured the members of each of 3 teams racing on all fours, forward, backward, and wheel-barrow style. The competition grew hectic when little racers tried to hurry carrying their bigger classmates piggy-back.

Mrs. Pearson's fifth grade room won the best attendance award.

Hot dog day for the month of April netted \$46.

Featured at the May meeting will be a salad demonstration given by Ruth Williams of Homemaking Programs, Inc. Recipes for the demonstration will be given as door prizes.

Also featured will be the first edition of the Mothers Club cookbook which will

be on sale for \$1. This will be the first opportunity for many to see the character, Wendy Woodridge, created by Sue Aufmann and named by Barbara Bonk, past president of Mothers Club.

Also displayed for the first time will be the Mothers Club emblem created by Jean Dickey.

The regular Mothers Club business meeting that preceded the gym exhibition was for the purpose of electing a slate of officers for the next school year. Elected were: Genevieve Gray, president; Dorothy Provo, vice-president, Helga Sudder, treasurer; Loretta Runnfeldt, recording secretary and Dorie Keller, corresponding secretary.

The May 15th Mothers Club meeting will feature a demonstration in salad making and the sale of the Mothers Club cookbook.

To subscribe, contact the WNR, Bob Bonk, circulation manager at Wo9-6491.

BOOK FAIR AT WOODRIDGE

A Book Fair is being held at Woodridge School from April 27 to May 10. The display will be located on the stage of the All Purpose room of Woodridge School. All new books will be displayed, including a "World Book" demonstration. The school will receive \$10 for any Encyclopediae sold.

The Fair will be open to the public during the day and for any meetings held at the school during the Fair.

1964 Target For New High School

The fall of 1964 is the target date for opening of the new High School at 63rd and Dunham, according to District 99 school board. The building will have an initial capacity of 1500 students and will be expandable to 2500. Special facilities available in the present school will be provided in the new school.

Preliminary plans are being discussed by the school architects and staff members.

Rules For Use Of School Buildings Told By Board

Approved Mar. 19 was the following policy on use of school buildings during the summer vacation period.

The school board will permit use of the schools for church summer school sessions or other organized educational classes (e. g. parent sponsored and paid kindergarten) on the following basis subject to approval by the board:

1. Use to be allowed on first-come first-served basis.
2. Use should be permitted only when the custodian is on duty.
3. Use may be restricted so as not to conflict with the summer cleaning program. That is, any room made ready for the fall term may not be used.
4. Users will provide for clean up after use daily as covered by the regular policy on school use.
5. Rental fees shall be as follows:
 - a. Gym - \$10.00/session (not to exceed 4 hours).
 - b. Classrooms - \$2.00/session (not to exceed 4 hours).
6. Organizations renting shall show proof that they are covered by public liability insurance of at least \$100,000/\$300,000.

Girl Scouts Program Changes

Names for four age levels within the Girl Scout program, to replace the three-level structure that the organization has used since 1938, were announced by Mrs. Charles U. Culmer, President, Girl Scouts of the U. S. A.

Beginning in September 1963, age groupings for the 2,685,000 girls in Girl Scouting will be as follows: **Brownie Girl Scouts**, aged 7 and 8 years; **Junior Girl Scouts**, aged 9, 10, and 11 years; **Cadette Girl Scouts**, aged 12, 13, and 14 years; and **Senior Girl Scouts**, aged 15, 16, and 17 years. Until that time, troops will continue in the present pattern of Brownie Scouts aged 7 through 9, Intermediate Girl Scouts aged 10 through 13, and Senior Girl Scouts aged 14 through 17.

The background for program change was supplied in part by two studies conducted for the Girl Scouts of the U. S. A. by the Survey Research Center, University of Michigan, 1955-1958. The first study dealt with needs and interests of adolescent girls, both within and outside the Girl Scout organization, and the second study with attitudes of Girl Scouts and their leaders toward the existing program.

There will be no change in the fundamental elements of the Girl Scout program which were shown by the University of Michigan study to be as valid today as they were 50 years ago. The entire structure will be streamlined, however, and a careful design for progression will be built on the development pattern of girls growing up in the United States of America in the 1960's. A major objective is to make the Girl Scout program of informal education a more effective complement to the present-day school curriculum.

FIRE CALLS

April 21 the Woodridge firemen put out a grass fire in the afternoon and a fire in a tree on route 53 in the evening. Fire calls for April 2, 5 and 6 were false alarms.

WOodland 8-5071

"WHERE A GUARANTEE IS PART OF EVERY SALE"

This is our slogan here at Sylvan Green Nursery. We think it best tells of our attitude of obligation to our customers who have so kindly chosen us to landscape or furnish material for their home planting.

"IT'S THE LAW"

Some of you probably do not know that a law has been passed to protect nursery stock customers from unscrupulous dealers. It is now mandatory for all persons offering nursery stock for retail sales to label each tree or bush as to its point of origin. This is to protect you from getting non-hardy southern grown nursery stock.

We pledge ourselves to give you only the finest nursery stock available. What little plant material we do not grow, we purchase from known reliable growers of hardy northern grown stock.

You are always welcome to come to our seven and a half acre nursery and browse around without buying anything. We are always happy to discuss any planting problems you might have.

We offer free of charge a landscaping service which insures you complete satisfaction. We will make a sketch of your home and show you pictures of the plant material we propose and give you an estimate with or without planting. Then, you can come to the nursery and see the trees growing.

ITS TIME TO PLANT AND FERTILIZE YOUR LAWN

We offer free of charge, for the first day, the loan of lawn seeders, fertilizer spreaders, aerators and lawn rollers. After one day, the charge is fifty cents a day.

We rent sprayers for fifty cents a day. We have one sprayer for insecticides and one for week killers. You therefore will not get damage to your trees and shrubs by a careless "washing".

FREE!

Each week at the nursery, we are giving away one Colorado Spruce (average value \$7.50) to some lucky customer. One purchase of nursery stock entitles you to a chance to win.

WE GIVE S&H STAMPS

STATE FARM RATES STAY LOW FOR ILLINOIS DRIVERS

Check State Farm's low rates on car insurance! No increase - thanks to the State Farm concept of low rates for careful drivers. In fact, rate reductions made since 1960 save State Farm policyholders in Illinois \$5,000,000 a year. No wonder people insure more cars with State Farm than with anyone else! Call now!

Teen talk

by Barbara Arnouil

Well, was the Easter bunny good to everyone? Did you have a nice Easter? I had a swell time. But you know what we have to come back to.

There was a Spanish Club Banquet April 16; Jesse Sanchez broke the pinjota (a Spanish ornament filled with candy). Anita Sanchez and three others won first prize with their dance.

Dan Ortman had another meeting for the club Friday, April 27. It's a club for all teenagers, so why don't you all come to the next meeting. They're every other Friday at Danny's.

This looks like the end kids! Adios P.S. One last bit of info. Rich Olinski went to D.G.H. with Phil Bynowski the 19th. I guess he had a good time although he didn't say too much about it.

DGHS Journal

By Rick Brickwell

April 14 was the night, and a reported 300 Downers Grove High School students managed to hold together for three hours at the "Pretzel", the DG Youth Center's twisting party. There was a contest, door prizes, and three bands (which surprised me, because at the pace that they kept, I would have thought that five or six would have been necessary).

The "Pretzel" climaxed a day which saw DGHS music students score numerous superior ratings at the Illinois State Music Contest which was held at Arlington.

The Spanish Club held their annual banquet on the 16th.

While I'm thinking Spanish, it might be interesting to mention the two representatives from Spanish speaking countries south of the border who visited Spanish classes recently. The two were girls who are now attending Sacred Heart. They came from Costa Rica and Mexico.

And speaking of girls, the new DGHS Student Directories, containing names, addresses, and phone numbers of all high school girls (boys too), recently went on sale.

Some of the briefer stories: the Latin Club banquet is coming up this month as is the Drama Club election of 1962-63 officers.

I also want to mention the DGHS Thespians who will be going to the National Thespian Convention at Indiana University this summer. They will be among a numbered few who have been honored by being asked to give a dramatic presentation. Director Mrs. Marjorie Wood has decided on an adaption of Ray Bradbury's "Dandelion Wine".

Police News

Fri., April 20, Woodridge police and the county police were called to search for a Woodridge resident reportedly bent on destruction. He was found after a three hour search and has been hospitalized.

Woodridge police also aided in the search for a Woodridge man reported missing for 12 hours by his wife, Sat., April 21. A phone call from the man resolved the case.

VFW & Auxiliary Plans

Continued from page 1

make this claim.

Plans for post headquarters include installation of an 8 ft. fence around the property, and for the children, swings, sand box and picnic tables in the yard. They hope to paint the exterior of the building white.

The post is open for inspection every week-end and guests are welcome. Commander Guernsey explained that V. F. W. members must have served overseas; however, veterans who were not sent abroad are admitted as associate members.

President Costaldo of the Ladies Auxiliary said that assigned to the Auxiliary is a hospital to which members dedicate themselves making donations and visits to cheer the patients. She called this the most heart-warming part of their work.

They also engage in community services: such as, helping out families who are in need.

Two "mock showers" held by the Auxiliary have been highly successful and lots of fun, reports Mrs. Costaldo. Now that the work of preparing for the installation ceremonies is over, the Auxiliary can decide on its next project.

One of the Auxiliary's hopes is that they will be able to purchase uniforms so they can be properly outfitted for parades or other special events.

Rattle Tales Sue Townner

Several ladies living on Sprucewood recently had dinner and saw "The Tender Trap" at the Candlelight Playhouse in Summit. Attending this "night out" were, Barbara Bletcher, Dorothy Salisbury, Jean Ortman, Helen Anderson, Nancy Roach, Marge Dreveny, Adeline Garr, Ruth Vondraock, and Kathy Wokas.

Speaking of Helen Anderson, 7649 Sprucewood, she recently entered St. Charles hospital for minor surgery. At the same time her "across the street" neighbor, Ray Anderson, 7646 Sprucewood, was there for major surgery. Helen is up and around now, but Ray will be recuperating for some time.

Congratulations to John and Rosemary Ford of Everglade on the "arrival" of their 3 yr. old foster child. He arrived one Easter Saturday, just in time for all the "goodies".

Don't forget Mary Ann Dopp, who will still be in the hospital for some time to come. I'll repeat the address: Presbyterian St. Luke's Hospital 1753 W. Congress Parkway, Chicago. 12-Room 342.

A NEW EDITION

Welcome to the newest edition to the staff.

Scott Edward made his appearance at Edwards Hospital, Naperville, April 25 at 10:45 p. m. This addition to the Louis Mueller family on Crabtree Ave. Woodridge weighed in at 9 lb. 11 oz. and is 21 inches long. Scott's brother Jeffrey, 4, had his maternal grandmother caring for him. Both maternal and paternal grandparents reside in Cleveland. They are Mr. and Mrs. Louis G. Mueller and Mr. and Mrs. Edward J. Snyder.

Scott's mother, Janet, is an artist on the staff of the W. N. R. As part of her contribution to the community she volunteers her time every other Thursday evening to create ads for the newspaper.

First Grade Round Up

The Woodridge School will hold their annual first grade round up on Tues., May 8, from 1 - 3 p. m. Registration will be in the Woodridge School gym. All mothers having children eligible to enter first grade for the 62/63 year should register and bring the Birth Certificate of their child.

THE CHILD MUST BE 6 YEARS OLD BEFORE DECEMBER 1, 1962.
