

## VFW & WAA To Co-Sponsor Picnic On 4th

A meeting of the Veterans of Foreign Wars and the Woodridge Athletic Association Sun., June 3, resulted in co-sponsorship for the Independence Day celebration by these two organizations. This decision was based on the idea that the entire community anticipates this event and that all organizations should do their utmost to make it a success.

Last year the W. A. A. co-sponsored this event with the Woodridge Home Owners' Association. The W. H. O. A. dissolved April 25, 1962, and said that the W. H. O. A. relinquished to the V. F. W. the right of priority in sponsoring the 4th of July picnic.

Other groups are urged to plan some type of booth for the picnic. Anyone wishing to participate should contact either of the co-chairmen. They are Jens Jantzen, W09-4085 and Joe Vymetal, 964-1243.

Though plans for sponsorship have changed from those previously announced by the V. F. W., the plan to donate 10% of net profits from all booths to the library development committee has not changed.

Family tickets for \$1 each will be on sale at the following locations: V. F. W. Post, 8109 Janes rd., W. A. A. field and the village hall, 2909 Forest Glen. Tickets will also be available from any officer of the W. A. A. or V. F. W.

## Subdivision Control Ordinance Adopted

At the regular village board meeting June 7 a subdivision control ordinance was passed.

The purpose of a subdivision control ordinance is to provide for the development of sub-divisions in the village and those within one and one-half miles of the corporate limits of the village. The jurisdiction within the mile and a half area is dependent on the village having a master plan for the development of this area.

The purpose as outlined in the ordinance is to provide for harmonious development to promote public health and welfare.

A public hearing was held by the Woodridge Plan Commission on June 5 at the village hall to discuss the then proposed ordinance.

Conducting the hearing were: Village President, William Roberts; Ralph Kennell, chairman; Nick Lung, secretary; Wayne Bryant and Rev. John Swann. Turn to page five

## CONGRATULATIONS WOODRIDGE GRADUATES

Downers Grove Community High School graduates the following students: Kathleen Bush, 2645 Forest Glen Pkwy., John Martin, 7631 Woodview, and Patricia Pozniak, 2619 W. 75th st.

Woodridge school graduates the following students:

William Barkauski, James Daugharty, Roy Franklin, Beverly Glinka, Thomas Golding, Charles Groth, Bertha Harwell, George Krhounek, David Krueger, Patrick McDonough, James Montello, Anthony Narducci, Larry Ortman, Susan Przybylski, Judith Redfield, Phyllis Roberts, Kirk Salisbury, Angelina Schneider, Jesse Sanchez, James Smith, Kenneth Tucker

## Developer Requests Annexation To Woodridge

"MOTHER DOESN'T DO IT LIKE THAT"

Woodridge Boy Scout Troop 109 camping out at Thunderbird Forest Preserve the week end of May 4, 5 and 6.

## School Board Splits On Kaufman's Demand For Retraction Of Release

The District 68 school board split in sharp disagreement over consideration of Surety Builder's demand that the school board retract a previously issued press release.

Discussion at the June 4 board meeting revealed Board President John Dahlberg and Board Members Lew Benckendorf and Al Olsen favoring further efforts to conciliate Surety Builders; while Ned Hill, Marvin Wiggins, and Bob Slater

were united in insisting that the school board has "gone the extra mile" and should stand pat on the clarification which Jack Kaufman had rejected earlier. (See WNR May 31 issue). The only board member who did not take a stand on the issue was Olga Redfield who refrained from entering the discussion.

The discussion arose from Lew Benckendorf's recommendations that the board prepare a second clarification that would be accepted by Surety Builders as a "retraction". A motion by Bob Slater to table the matter until the July meeting precipitated the spirited discussion. The discussion ended in unanimous agreement to table the question until an adjourned meeting to be held Mon., June 18.

At the same meeting the Board received next year's tentative budget estimates for study. The budget will be considered and presumably adopted, at the June 18 meeting.

A request from Msgr. Blanchette of the Joliet Diocese for use of the Woodridge gym for church services was discussed. The Board agreed in principle but recognized that the Prince of Peace Lutheran Church has a prior right to the gym on a "first come, first served" basis. Mrs. Crane, superintendent of schools, Turn to page two

## PLAN TO ANNEX INDUSTRIAL SITE

The village board has directed the attorney to prepare an ordinance which would annex an area west beginning at the south east corner of Woodridge Woods and extending across Route 53 to include the area where the Woodridge Sewer and Water Co. has its sewage treatment plant. Woodridge Woods is the area at the west end of Everglade where the '61 4th of July picnic was held.

The area across Route 53 that is to be annexed has been zoned for industry. President Roberts said that the board hoped this would be the start of a light industrial center which would help with the taxes and provide employment.

## Woodridge To Pay Police

Woodridge patrolmen are to be paid \$50 per month retroactive to May 1, 1962. The annual clothing allowance of \$25 is to be discontinued.

Because of situations in which the police answering service has not been workable, Officer Szczepaniak and Fire Captain Henry Wilgus discussed an arrangement for using the fire alarm. This is to be a very temporary situation.

A major real estate developer is planning a 2,000-home, \$40,000,000 community development north of Woodridge.

The development, Winston Park Estates is to be built on 560 acres on Route 53 between the Meadows development south of Lisle and Woodridge.

Ground-breaking is expected before Aug. 1. Model homes are to be completed by the end of '62. First move-ins are expected by June, '63.

Plans call for prices to range from \$18,000 to \$21,000.

Present plans call for building Winston Park Estates around a recreation center announced Joshua Muss, a director of the corporation. This center, he said, will include a recreation building, swimming pool, and tennis courts.

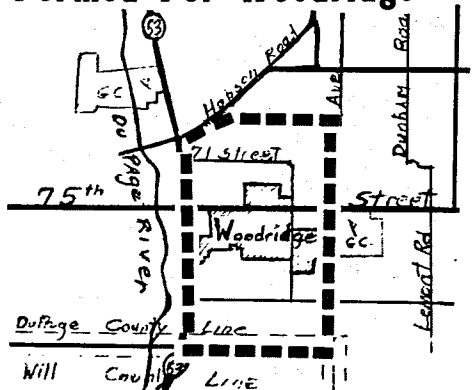

The developer, Winston-Muss Corp., is now developing Winston Park Northwest in Palatine, 807 units, and Winston Park in Melrose Park, 868 units.

Completion of this 2,000-home development will bring to 5,000 the number of homes built in the Chicago metropolitan area by the Winston-Muss Corp.

## Annexation Requested

At the June 7 village board meeting President William Roberts read a letter from Joshua Muss of Winston-Muss Corp. stating their intent to develop the area for residential purposes and to request annexation to the village of Woodridge. The village board has met with the developer and will meet again to discuss final arrangements.

## New Catholic Parish Formed For Woodridge

The broken line in the map above indicates the boundary of the new parish.

St. Scholastica's in Woodridge is one of three new parishes formed in the diocese of Joliet. The announcement was made through the Chancery office by Bishop Martin D. McNamara.

St. Scholastica's parish formed from the existing parish of St. Joan of Arc, Lisle, will have the following boundaries. North - Hobson Road from Route 53 up to a point east where the extension of 67th St. would join Hobson Rd., then the extension of this imaginary 67th St. to Woodward Ave. East - Woodward Ave. and/or its extension south. South - DuPage-Will County line. West - Route 53.

The other two parishes are St. John Vianney's in the Lockport area and St. Mark's in the Wheaton area. The addition of these three parishes brings to 23 the number of parishes established since the foundation of the Joliet diocese in 1949. Pastor Appointed Turn to page two

## Today Is Flag Day

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

## Police News

A previously unlisted hit and run incident involving a parked car being struck by an unknown vehicle was reported by the public protection committee as having occurred May 4, between 10 and 12 p. m.

Woodridge police also handled a violation of the village ordinance requiring a vehicle sticker on June 2, and the following day the case of a three year old child bitten on the face by a dog.

## Office Hours Set For Public Works Dept.

Effective June 21, the Woodridge public works department will hold office hours on Tuesdays and Fridays at the village hall, 2909 Forest Glen from 7 - 9 p. m. This is to benefit anyone desiring permits for trucks over the load limit and anyone having complaints or suggestions. Al Lee, assistant superintendent of public works said that the permits for over-the-load limit trucks will not be issued at any other time.

## Teen Group Meets Stars

A group of Woodridge teens, including several members of the Teen Club, met popular WLS disc jockey Dick Biondi and recording stars Claude King and Larry Finnegan in a special dance session for teens at the Lisle VFW, Sun., June 3.

The young people danced to records and the music of a teen-age quintet called the "Maybees." Susan Przybylski and Tony Narducci won albums of the Theme from Ben Casey and one dollar each as first prize in a twisting contest.

Disc jockey Biondi promised a donation of records to the Woodridge Teen Club.

## Lutheran Girls Confirmed June 10

On Sunday June 10, Odette Leach and Jane Hague were confirmed as members of the Prince of Peace Lutheran Church. Fifteen adults were also received into the Church membership. The Board of Administration was host at a reception for the new members at 3 p. m. on Sun. at the home of the Arnold Youngs.

A hamburger fry is planned for June 17 at 4:30 p. m. at the Ingmar Eggen home, 7608 Catalpa.

V. B. S. will be held July 9-20 at the Woodridge school. Registration blanks may be obtained from Pastor Swanson, 2735 - 75th st., on June 21 and 22.

**School Board** Cont from page one was asked to seek to work out a satisfactory arrangement. The use of the Goodrich gym was a possibility discussed.

In other actions, the school board -

- Authorized expenditures of \$300 for trees and shrubs for use by the Garden Club in landscaping the Woodridge school.
- Accepted the building committee's report that cost of the Goodrich addition will be increased as much as \$1,000 by extra reinforcement of the floor slab necessitated by a thick layer of black dirt discovered several feet below the surface.
- Approved a change order substituting a less expensive type of blackboard for the type specified in the base contract for the Woodridge addition, at a savings of \$450.
- Agreed to turn delinquent book rental accounts over to the school attorney for such action as he may deem appropriate.
- Approved an 8 point recommendation from the Teachers Curriculum Committee, (See article, page 3).

## Appoint Pastor For St. Scholastica Parish

The Rev. John Kloepfer has been appointed pastor of the newly established parish of St. Scholastica, Woodridge.

Father Kloepfer was born in Evanston and educated in the schools of Joliet - St. Patrick's grammar school, Joliet Catholic High school, and Joliet Junior College. It was 1943 when he entered the U. S. Air Force and was assigned as a radar-navigator. He flew 31 missions in his two years in the Air Force and received the Distinguished Flying Cross and Air Medal.

After the war, Father Kloepfer attended the University of Michigan and St. Ambrose College in Davenport, Iowa where he received a bachelor's degree in philosophy.

In 1949 he entered the Theological college of the Catholic University of America and also did graduate work in sociology there until 1953. He was then ordained by Bishop McNamara and assigned as assistant to St. Patrick's parish, Joliet. In 1958 he was assigned chaplain at the Illinois State Diagnostic Center in Joliet. In February of this year he was appointed assistant to St. Jude parish, Joliet.

Other duties have included part-time worker for Catholic Charities and Home Bureau, and until this week, director of the Peter Claver Center in Joliet.

## Boy Scouts' Picnic

The Boy Scouts' second annual picnic was held on Sunday, June 3.

Races were held for all the children. A special event of the afternoon was the Pine Wood Derby at which time the boys raced cars, which they had built themselves, on a runway 31 feet long, made by their fathers. First prize of a baseball glove went to Peter Barker. Second prize, a baseball bat, was won by Scott Benckendorf. Bobby Burns won a league ball for the best looking car. During the afternoon the fathers and mothers played a softball game.

The boy scouts have a vegetable garden on Janes rd., by the V. F. W. Post and are planning to sell the vegetables this summer.

## Volunteers Complete Work On School Landscaping

The landscaping at Woodridge School is the result of the work of many volunteers. The seventh and eighth graders removed stones, and Don Miller, Bob Towner and Mr. Haines, school custodian, disked, graded and seeded the front area of the school.

Marvin Wiggins, school board member, located a nursery closing out at reasonable prices and contacted officers of the Woodridge Garden Club who were enthusiastic about planning and doing the landscaping. Money to do so was authorized by the school board, and Al Olsen, chairman of the building and grounds committee, appointed Wiggins as the school board representative to the Garden Club.

Bob Wendt, Mrs. Flo Benckendorf, Marie Di Francesco, garden club members, and Richard Marusha selected 145 evergreens, trees and shrubs for under \$110.

Rev. John Kloepfer

# Graue Mill Opened May 12

The Old Graue Mill and Museum in Hinsdale, a summer attraction for thousands of visitors, began its twelfth season May 12.

Illinois' only operating grist mill is located on Salt Creek in the Fullersburg Forest Preserve. The entrance is on York rd. just north of Ogden. - about 18 miles from Chicago's Loop.

The mill was built by Fred Graue and William Asche, both of Hanover, Germany, and was operated continuously by three generations of the Graue family from 1852 to the turn of the century when it was closed in favor of more modern methods. During the '30's the mill was restored and in 1950 was re-opened as a public museum.

The immense wooden water wheel turns lazily in the millrace as it did a hundred years ago.

Experienced millers are in daily attendance at the mill to explain and demonstrate this ancient method of grinding grain, and stone-ground cornmeal may be purchased as a souvenir. The original buhr millstones, imported from France, are still in use.

The three-story brick building is constructed with brick formed from the clay from Graue's farm. The stone for the

foundation and trim came from a limestone quarry near Lemont, Ill. The timber also came from the Lemont area. Hand-hewn posts, girders and joists are mortised together and secured by wooden pegs instead of nails.

Exhibited on the second floor are mainly farm and home implements, a small collection of firearms of the Civil War period and early toys.

The third floor has an early American kitchen and sitting-room and a Victorian parlor and bedroom. One of the main attractions of the third floor is an old "country store", its shelves realistically stocked with merchandise of a bygone era.

Graue Mill will be open daily until late October. Hours are from 1:30 - 8:30 p. m. Monday through Saturday, and from 11:30 a. m. - 8:30 p. m. on Sundays and holidays.

A fee of 25¢ for adults and 10¢ for children is charged for admission. The admission fees along with membership fees and donations are used for maintenance of the mill. The DuPage Graue Mill Corp. was formed in 1950 as a "not for profit" organization, with the purpose of maintaining and operating the mill as an historical museum.

Admission is free to school and other special groups provided they have reservations in advance. For group reservations, call Faculty 3-9882, or write Old Graue Mill, P. O. Box 293, Hinsdale, Ill.

To subscribe, contact the WNR, Bob Bonk, circulation manager at Wo9-6491.

# Teachers And Curriculum Committee Recommendations

Following are the recommendations of the teachers and curriculum committee of the District 68 school board:

- To hire as many classroom teachers as necessary. To pay those teachers as well as we can, so that we may be able to hire a reasonable number of experienced teachers. We do not recommend a greater number of special teachers beyond what we have unless it is shown in the most positive way that we can afford them.
- That the superintendent work out a schedule to give all teachers a lunch break. If possible, the schedule should allow some teachers special time to work with both the slow and the fast pupils.
- To provide, if possible, a "spare room". This room would be used for science and other special training. We believe in such a room, even at the price of slight overcrowding in other rooms.
- To consider a physical education program schedule that has fewer but longer sessions under direct supervision of Mr. Wolf. We believe Mr. Wolf's equipment and playground requests, as presented to the board, reasonable. We recommend that we proceed along these lines.
- We recommend that possible donations to the school district be used for capital investment only. We believe the library enclosure and library books should top the list for possible use of such moneys.
- In the event of a major library enclosure at the Woodridge school, we recommend a branch library at Goodrich. We suggest a library night, under parent supervision, every Friday evening at Woodridge for all the children of the district. This night is to be for reference work, i. e. books are not to be checked out in the evening.
- We further recommend, in the winter months, that the school encourage a youth night for the district children who are in the 6, 7 and 8 grades. This night to be sponsored by a citizen group or groups. The school should try to have one of its own representatives in attendance for each night. Rules to be a joint effort of the school and sponsoring organization. We suggest that the rental fee for such nights be waived.
- The teachers and curriculum committee takes note that book rental fees are unpopular in many circles. However, such rental fees always seem to be the case as a financial "must" in districts that have little industry. We believe the time has come to collect outstanding fees by one or more of those means that has been suggested to us.

## County Vet Issues

### Warning On Rabies

"Rabies is becoming increasingly prevalent in Illinois and poses more of a danger than people realize," said Dr. H. S. Brundage, DuPage county veterinarian and chief rabies control officer.

"People do not have to take my word for it," Dr. H. S. Brundage said. "They need only read from the April, 1962, Health Messenger from Springfield, from which I quote:

"During 1961 there were 163 confirmed cases of animal rabies reported, compared to 84 cases in 1960 and 60 cases in 1959.

"Animals involved in the 1961 confirmed cases of rabies were 95 skunks, 28 cattle, 13 dogs, 11 cats, 11 foxes, one horse, one goat, one muskrat, one badger, and one squirrel.

"The Public Health Department distributed 826 Pasteur treatments, consisting of 14 doses each, during 1961. The Pasteur treatment is used for the prevention of rabies in man when known exposure is suspected if the involved animal cannot be caught and examined.

"Vaccination is the biological barrier between domestic animals and the large reservoir of rabies in wild life. Public health officials stress the urgent need for general and continuing vaccination of pets.

"The need for our rabies prevention program cannot be overstressed. Almost all of our good people realize this, and they are cooperating beautifully. This we sincerely appreciate. If the small fraction of one per cent of our folks who think themselves bigger than the law were half as cognizant of the dangers as the rest of our folks, our troubles would be almost non-existent."

# Teen talk

by Barbara Arnouil

The Senior prom was the talk of the school for quite a while -- It is a pretty big event so I can imagine why! Most of the kids who I talked to said they went to the Sand Dunes the following day. The only one from Woodridge that went, that isn't a Senior is Nancy Bryant. She said she had a real nice time.

Dick Biondi was at the dance at the V. F. W. hall a couple of Sundays ago. Tony Narducci and Susie Przybylski were in the "twist" contest, and won, naturally! (Clem was one of the judges so maybe that helped).

The Teen Club decided to go to a Sox's baseball game next time they go somewhere, which should be fun - for the boys anyway.

Eric Simonson who was attending school in Dakota (N. or S.) is now home. I thought I could write that he was surprised to find that he now lived in Woodridge but he already knew. DARN!!!

The D. G. high school graduation will be June 14, as will the Woodridge 8th grade graduation.

## FLAG

Continued from page one

The first flags created in the American colonies were designed by Benjamin Franklin in 1747 for military companies organized to resist threatened French and Spanish attacks. With the pre-Revolutionary controversies with Great Britain, the rattlesnake, pinetree, and other flags with defiant mottoes made their appearance. When Gen. Washington assumed command of the colonial forces at Cambridge, Jan. 2, 1766, the "Grand Union" flag, consisting of 13 red and white stripes with a British union jack in a blue canton, was raised. This flag was generally used by the Revolutionary forces until Aug. 2, 1777, when a hurriedly improvised flag with 13 red and white stripes and 13 white stars on a blue canton was raised over Fort Stanwix at Rome, N. Y., upon the approach of a British force. The new flag had been authorized by the Continental Congress in the resolution of June 14, 1777. With the admission of Vt., Ky., and subsequent states additional stars and stripes were incorporated until Congress on Apr. 4, 1818, restored the original 13 stripes and decreed that each state should be represented by one star.

# DuPage County Fair To Be July 26 To 29

With less than two months remaining before opening day of the four day DuPage County Fair July 26, members of the Fair Association executive board are finding many matters demanding their attention and time.

Meeting in regular monthly session on the fair grounds May 1, the directors approved reports from the building and grounds committees concerning progress of expansion programs to keep pace with growing attendance at and participation in this annual event.

Preparatory to the erection of still another aluminum building on the grounds, leveling and grading is being done. Improved parking facilities and added space for displays will be completed before the fair opens.

According to President, Arnold Oestmann of Westmont, the newest of the fair buildings will be a science exhibit building to house electrical displays, handicraft and science exhibits.

Future plans call for an athletic field to be developed at the north end of the midway.

The DuPage County Fair Association qualifies and receives money from the Fair and Exposition Fund. These funds derived from pari-mutuel betting, not tax money, are used by the state for building improvements at the county level, Oestmann explained. "These funds enable us to expand our facilities as our fair grows. Although this is basically a 4-H and youth fair, we feel that all the people of our county benefit for these are permanent buildings and used on a year-around basis"

Fair Manager Don Miller reported that the exhibitors are seeking choice space in the main exhibit building at this early date and much interest has already been shown in the queen contest, when on opening night at the fair, a DuPage County Fair Queen will be chosen to reign over the fair.

Each Queen candidate will be sponsored by some business, organization or industry. Entry fee is \$10 and blanks are available from Manager Miller, Route #1 Green Road, Naperville. Telephone EL5 2956.

Contestants must be single, 17 to 22 years of age, non-professional models and will be judged on the basis of beauty, poise and personality.

**Tattle Tales** Sue Towner

Following the final Mothers Club meeting of the year, our social minded Forest Glen gals gave a surprise birthday party for Dorie Keller, at the home of Ginger Swierbinski. Others attending were: LaVerne Bryant, Betty Wolfe, Laverne Tucker, Geane Modersohn, Mary Lou Hartfield, and Ethel Ashcraft. Shirley Miller, who was ill and unable to attend, was presented the remains of the "liquid" refreshment the next day. (For medicinal purposes, of course!) Dorie's only comment was "thanks gals, for the lovely surprise." The same group also got together for a going away party for Dee Anderson, whose husband has been transferred.

Two of the community's more enterprising residents have turned a hobby into something more profitable. Pat Golden, of Sprucewood, and Dorothy Gwiazdowski, of Catalpa, hand paint figurines and wall plaques. Recently they began "showing" them to friends and neighbors on a party basis.

Since we don't have a "believe it or not!" column, this next item will have to go here!! The Harwell family of Crabtree has been boasting a kitten that "barks". I haven't seen it myself, so take it for what its worth.

June 2 found the Fred Vallarta family, 2640 Forest Glen, rushing to O'Hare Field in the early afternoon. With a late start the Vallartas could only hope they wouldn't miss the arrival of the afternoon flight from the west coast. After a few frantic moments they learned that the flight had been cancelled.

Delayed for just a few hours was the first family reunion of Mrs. Charlene Vallarta's family in the year since her sister, Mrs. Delos Kittoe and family moved to Hawthorne, California. Mrs. Caroljean Kittoe and baby daughter, Susan, were able to make arrangements for a flight arriving just a few hours later.

Typical of jet-age travel - she spent more time at the airport than that required for the flight itself.

The other family members attending were Mr. and Mrs. Philip Bardell, sister and brother-in-law, and Mr. and Mrs. W. R. Kerlin, parents, all of Freeport,

Illinois. Mrs. Vallarta's brother and sister-in-law, Mr. and Mrs. Cobil Kerlin and baby daughter, Kelly, also were on hand for this week-end reunion.

**STORK NOTES:**

A new baby boy for Joe and Marie McGrath, of Westview Lane. Paul was born June 5th and warmly welcomed by his two brothers.

**Lutheran Church News**

Mrs. Edna Anderson of Grace Lutheran Church, LaGrange, spoke to 16 women of the Prince of Peace Lutheran Church on Tues., June 5, at 8 p.m. in the home of the Fred Vallartas, 2640 Forest Glen Pkwy. Devotions were given by Mrs. Jean Gray. Mrs. Anderson will be on the Board of the Illinois Synod of the United Lutheran Church Women, and is also the Education Chairman of the A. L. C. W. at Grace Lutheran Church. Mrs. Anderson gave a rundown of the structure of the A. L. C. W. and suggested several Service Projects for the group to consider. A question and answer period followed.

Coffee cake and coffee were furnished by members of the Steering, i.e., Peg Miller, Ruth Lung, Charlene Vallarta, Janet Swanson, Olga Redfield and Marcia Eggen. An olive green cloth with a blue pitcher filled with peonies was used as table decoration.

At the July 17 meeting a portion of the A. L. C. W. constitution will be read followed by a program and plans for the August salad luncheon will be discussed.

**ORDINANCE** Continued from page one

son - members of the Woodridge plan and zoning commissions.

Five persons, Trustees, Ronald Gray and Robert Murphy; zoning enforcement officer, John Trask; Robert Anderson, a member of the zoning board of appeals; and a WNR reporter, attended this hearing.

Only one point was raised for discussion. Widths of minor and cul-de-sac streets are to be changed from minimum 60 feet as specified on page 14 section VIII of the ordinance to 66 feet minimums. The lesser width was said to be a typographical error.

**Tell Them You Saw Their Ad In The WNR**

**DuPage County Assessed Property Valuations**

The total assessed valuation of real and personal property in DuPage county soared to the figure of \$1,228,329,354 in 1961 -- a whopping increase of \$66.8 million over 1960.

These were the figures released this week by Clarence C. Schmoldt, chairman of the county board of review.

The increase in valuation is good news to the country's various taxing bodies as tax bills are computed by multiplying the tax rate by the valuation. This means that if the assessed valuation is up, some taxing districts will be able to lower their rates and still collect enough funds to meet their budgets.

Except in those areas where industry has moved in, the increase in valuation will not result in relief for the individual taxpayers, however.

The board of review's figures include railroad and capital stock as well as real estate and personal property assessments.

Most homes in DuPage county are assessed at 55 per cent of the actual cash value. Railroads claim they are assessed at 100 per cent of cash value and have filed tax objections in the county court.

A breakdown of the nine township's total assessed valuation for 1960 compared with 1961 is as follows:

TOWNSHIP	1960 Valuations	1961 Valuations	Increase
Addison	\$ 141,430,314	\$ 153,920,177	\$12,489,863
Bloomington	56,620,900	63,721,808	7,100,908
Wayne	18,529,456	19,521,120	991,664
Winfield	62,363,372	64,718,901	2,355,529
Milton	188,346,290	198,776,452	10,430,162
York	339,070,515	353,950,636	14,880,121
Downers Grove	246,906,992	255,175,274	8,268,282
Lisle	70,561,074	77,612,328	7,051,254
Naperville	37,688,287	40,932,658	3,244,371
<b>Total</b>	<b>\$1,161,517,200</b>	<b>\$1,228,329,354</b>	<b>\$66,812,154</b>

# DGHS Journal

By Rick Brickwell

June 14 and I guess that the big news really is the coming of the last day of school tomorrow. I think that June 15 is a big day though for another reason. It is the day that Steve Petersen leaves for Copenhagen, Denmark, where he will be staying during the summer. Steve will be living with the Hans Alkjaer family. The trip is part of the American Field Service's summer foreign exchange program. He will return August 25.

The sophomore class sponsored a dance called "Polynesian Paradise." Entertainment, Hawaiian food and tropical atmosphere were featured in this, the last dance of the '61-62 school year.

The results of the elections for next year's senior class officers are in. President is Will Radell, vice president is Larry Lekovich, Jane Vancil is treasurer, and Anne Poling is secretary.

DGHS yearbook, *Cauldron*, will be out June 6 (June 5 for seniors). This then facilitates the Senior *Cauldron*-Signing Supper on the evening of the 5th.

The members of the 1962-63 Pom Pom squad have been chosen. They are: Diane Andrews, Jenny Bast, Ann Gail Foote, Jeanne Gentile, Ann Gibson, Ruth Hahn, Sue Kepler, Mody Meyer, Ann Mitchell, Pat Norris, Studie Roach, Carol Rossi, Barb Stary, Trudy Yerges, Joyce Wackenhut, and Wissy Zahour. Alternates are Dawn Allen and Jo Anne Korb.

This is the way the final standings look in baseball:

VARSITY

## Girl Scout Leaders Invested

Brownie and girl scout leaders and committee members of the Lisle - Woodridge area were recognized at an investiture ceremony May 9. The leaders were presented with girl scout pins, and refreshments were served after the ceremony.

Flo Benckendorf and Jean McNeil, brownie leaders, and Betty Mahoney and Bonnie Rojic completed a 3-day day camp training session at Maple Grove, Downers Grove.

Flo Benckendorf also took a course in overnight camping and site training.

May 19 brownie troop 133 went to the Lisle Burlington railroad depot to plant an area there as part of their service project. Because of the debris they were unable to complete their service project.

A cook-out was held on May 24 as an end-of-the-year party for Den 5 - Emily Szczepaniak, den mother; and brownie troupe 133 - Flo Benckendorf, leader.

LET US KNOW.....

If anyone elopes, dies, gets married, has guests, goes away, has a party, has a baby, has a fire, is ill, has an operation, has an accident, receives an award, makes a speech, holds a meeting, or takes part in any other event. That's news - we want it!

Just phone Wo8-1548 or Wo8-5790, write The Woodridge News Review, or drop your items off at 7630 Westview.

THE CHICAGO MOTOR CLUB CAUTIONS ALL DRIVERS TO BE EXTRA ALERT FOR CHILDREN DURING SUMMER MONTHS! BE ESPECIALLY ALERT IN PLAY AND RESIDENTIAL AREAS!

## Geraldine Nyberg Married In Naperville

On Saturday, June 2 at 5 p. m. in Our Saviour Lutheran Church, Naperville, Miss Geraldine Louise Nyberg, daughter of Mr. & Mrs. Robert Nyberg, 2553 Forest Glen Pkwy., was united in marriage to Mr. Dale Lowell Randall of Villa Park, son of Mr. & Mrs. James Randall, New Hampton, Iowa. The Rev. John E. Swanson, pastor of Prince of Peace Lutheran Church officiated at the ceremony. Mrs. Genevieve Gray sang two selections, "O Perfect Love" and "O Lord, Most Holy". White flowers were used on the altar.

The bride was given in marriage by her father. Her Chantilly-lace gown over net was fashioned with a sweetheart neckline, full skirt with a train and long sleeves that tapered to points. A Butterfly headpiece held her nylon tulle veil and she carried a bouquet of white roses.

The maid of honor, Miss Delores Groebner, was attired in pink sata peau dress designed with a bell shaped shirt adorned with matching bows, scooped neck and elbow length sleeves. Her headpiece was a single rose of matching color with a circular veil. Miss Dianne Nyberg and Miss Doris Nyberg, sisters of the bride, were bridesmaids; their gowns and headpieces of blue and lavender, respectively, were identical to the maid of honor. The attendants carried bouquets of pink carnations.

The groom's brother, Albert Randall, was best man. Robert and Gary Nyberg, brothers of the bride were groomsmen. Barry Benecke and Wayne Nyberg, brother of the bride, were ushers.

100 people attended the open house

Mrs. Dale Randall

and buffet dinner held following the ceremony at the home of the bride's parents. The cake table was covered with a white

and silver cloth, and the bouquets of the attendants were placed around the wedding cake, which was decorated with pink roses. Phyllis and Linda Nyberg assisted at the reception.

The newlyweds left for a trip to southern Florida and after a two-week stay will be at home at 407 Marshall st., Bensenville, Ill.

## A Tribute To Room Mothers

Summer vacation has arrived, and now seems an opportune time to say a few words of tribute to those women who, during the past school semester, served "above and beyond the call of duty". We refer, of course, to the room mothers. There is a voluntary duty which requires them to furnish refreshments, serve, arrange games, and generally supervise all of the class parties during the school year.

Previously, room mothers had furnished refreshments at their own expense, usually by baking cupcakes or cookies, or if fortunate, obtaining the aid of mothers of children in "their" class.

This year a different and probably more fair, arrangement was devised. Each child was asked to bring 25¢ at the beginning of the semester. All of the money went into a common fund. Refreshments were purchased with this money for all the parties during the year except the Christmas party, which is sponsored by the teachers. Cup-cakes or donuts and ice cream were provided for the lower grades, while 7th and 8th had cokes and potato chips. Room mothers still served and conducted games.

Other duties may consist of driving and chaperoning "their" class on field trips, if possible. These trips include dairy tours, visits to milk farms, Chicago Museums, the Aquarium, Graue Mill, etc.

The biggest burden befalls the eighth grade room mothers, who during the semester must conduct various fund raising projects to finance the class trip to Springfield. They also accompany the students and teacher on this trip.

In spite of the effort and time involved, most of the women feel it is a very rewarding task. Every mother should try it, at least once!

## Obituaries

Mae Frances Cooling, mother of Richard Cooling, 7706 Butternut, died May 24.

His father, Arthur A. Cooling, succumbed to a prolonged illness April 16. Both interments were at All Saints Cemetery. Their survivors living in the area are their son, Richard, daughter-in-law, Barbara and grandchildren, Donald, Gail and Allan.

## DuPage Dental Survey

Inci-dentially a dental survey of 1457 boys, girls, and adults in DuPage County has just been completed by the University of Illinois Cooperative Extension Service and the DuPage County Health Department.

Approximately 200 people attended a meeting held at the Lombard Community Center May 3 to hear the results of the survey.

Perry J. Sandell, director of the American Dental Association's Bureau of Dental Health Education, the main speaker, interpreted the results of the survey and gave information concerning dental health.

Some of the interesting facts brought out in the survey were 41% of the 1457 have soft drinks and sweets with their meals. 84% have them between meals and 29% before going to bed. Only 3.2% brush their teeth after the use of soft drinks, and only 6.8% after eating snacks. 36% brush their teeth on arising and before going to bed. The next highest percentage was 14% who brush their teeth on arising, after meals and before going to bed.

There seemed to be little indication of a pattern of consistent brushing of the teeth after eating.

Additional meetings are planned for several areas of the County, at which time dental health information will be brought to 4-H Club members and other interested youth.

## Low Interest Rate On Bonds For New D.G. High School

The \$125,000 bond issue offered by Downers Grove High School District 99 to finance purchase of its second site was sold Mar. 12 by the board of education for the unusually low interest rate of 2.47%. The buyer was Harris Trust and Savings Bank, Chicago. Proceeds from the bond sale, approved by the voters Feb. 17, by a margin of more than 3-1, will be used to buy a 48 acre site at the southwest corner of 63rd and Dunham.

Plans for the district's second high school are on the drawing boards. When detailed plans are ready the proposition will be submitted to voters at a building referendum.

## Sports Corner

By Mike Kasterin

### Standings as of 6/3/62

Yankees	3-1	.750
Braves	3-2	.600
Cubs	2-2	.500
Cards	1-2	.333
Sox	1-3	.250

The highlight of the week's activity was a no-hitter thrown against the Sox on Sunday, June 3. The Braves' Bobby Burns, Rod Windscott, and Mike Hill combined to register the second no-hitter in Woodridge baseball history.

Jim Montello, 7655 Walnut, pitched the first no-hit game in Woodridge baseball history on Aug. 11, 1961. On this day the Yankees with Montello on the mound shut out the Cubs six to nothing.

### Line Score:

		R.	H.	E.	
Braves	004	213	10	6	1
Sox	010	200	3	0	4

WP Burns LP Brigell
