

SUBDIVISON POPULATION OVER 2000

Pony League Champions

Pictured above is the Woodridge Space-O-Rama baseball team which won the Lisle Pony League championship for 1962. Back row: Coach Tom Przybylski, Jim Montello, Robert Arnouil, Bill Barkauski, Danny Arnouil, Russell Simonsen, and Manager Joe Rende. Front row: Coach Edward Bynowski, Phil Bynowski, Larry Sarlo, Doug Gulbrandsen, Larry Ortman and Jesse Sanchez.

Average Family Has 2.3 Children

Statistics released by the Deputy Village Clerk, Elaine Mielen, indicate that the population of Woodridge (including the unincorporated area) as of July 1, stands at 2021. This total includes 452 families and 1062 children.

From the data compiled from the census cards, Mrs. Mielen was able to come up with some other interesting information. The average age of the Woodridge husband is 33, and his wife's average age is 30. Of the 1062 children, which includes 8 sets of twins, 92 are of high school age, 453 are of grade school age and 489 are of pre-school age. The average number of children per family is 2.3, including 36 families that do not have any children living with them at present.

Other statistics reveal that the average husband and wife have at least a high school education, and at least one or the other is active in at least one community or church activity.

Information concerning the various occupations of the husbands is being compiled and will be released as soon as it is tabulated.

Mrs. Mielen was recently appointed deputy village clerk for the purpose of bringing the census of the subdivision up to date. The original census was conducted in 1960 by various community organizations.

Mrs. Mielen has been busy contacting all the families that have moved to Woodridge since the last census was taken, and she now has brought the records up to date as of July 1 of this year. She points out that although the figures released are substantially correct, some of the census data used in compiling information is over two years old and, no doubt, some changes that would affect the figures released are not recorded.

Methodists Begin Services In Woodridge

The Methodist Friends and Neighbors of Woodridge will hold their next planning meeting and devotional service in the basement of the Woodridge village hall, 2909 Forest Glen, Sun., Aug. 19 at 7 p. m.

A visiting minister will conduct the service. Refreshments will be served after the services are completed. Persons interested in attending this meeting are welcome.

This is the third meeting of the Methodist Church group. Services are to be held every two weeks and a visiting minister will conduct each one. A permanent minister will be appointed by Oct. 1, and plans are being made now for his arrival.

Serving on the Methodist Church of Woodridge committee are: Mr. and Mrs. Robert Jackson, Mr. and Mrs. Herbert Gulbrandsen, Mr. and Mrs. James Provo, Mr. and Mrs. Charles Pope, Mr. and Mrs. Lewis Benckendorf, Mr. and Mrs. Robert Rice and Mr. and Mrs. Alfred Schirmacher.

Aug. 24 Deadline Set For School Enrollment

All students of school district 68, both Woodridge and Goodrich Schools, are to register before Aug. 24. Registration will be held at Woodridge School Mondays thru Fridays from 9 a. m. to 12 p. m. through Aug. 24. All students, new and those previously enrolled last year, are to register. Book rentals will be due and payable at the time of registration, and a list of school supplies to be purchased at local stores will be furnished. Milk and insurance (both optional) may be paid for at the same time.

Police To Crack Down On Licenses

Chief Joel Kagann reports that the Woodridge department is starting a concentrated crack-down on persons driving vehicles lacking village licenses and those having dogs without license.

Violators will be subject to arrest and fines up to \$200 for lack of vehicle sticker; fines of not less than \$25, nor more than \$100, if in violation of Illinois state rabies control ordinance requiring annual rabies inoculation of dogs over 6 months of age not confined at all times; and fines of not less than \$5 nor more than \$200 for violation of terms of village dog ordinance (lack of license or running at large).

Licenses may be obtained from the village clerk between 1 and 4:30 p. m. Wednesdays and 9:30 and 12:30 p. m. Saturdays at the village hall. The cost of a vehicle license is \$5 per year. Residents who moved into the village after July 1 or persons applying for stickers for autos purchased after that date may procure them at half the yearly cost. A veterinarian-administered rabies inoculation is necessary before a dog license is applied for. The fee for a license is \$2 for male dogs; \$3 for spayed females; \$5 for unsterilized females.

Other Police News

The village board instructed its attorney to draw up an ordinance creating a police reserve force at the Aug. 2 board meeting. Applications for the reserve force are available at the police station in the village hall. Any vacancies in the part-time paid force will be filled by men from the reserves, who will be trained, classified and required to patrol a nominal number of hours per week. Reserves will work without pay and will supplement the regular part-time force.

Police ticketed motorists for the following infractions between July 19 and 28: 4 speeding violations, 3 stop sign violations, 3 license plate violations, 2 moving violations, 2 for lack of license plates, 1 for expired license and 1 for loud mufflers.

A dog bite that occurred July 9 was reported to Woodridge police July 31. Darrell Walis, 13, of 7633 Woodridge dr., Turn to page 2

Curfew Proposed Special Hearing Set For Aug 14

The village board has been considering a curfew ordinance for Woodridge. The village attorney was directed to prepare a draft of such an ordinance for the August board meeting.

The attorney, Douglas Comstock, read the draft at the Aug. 3 meeting.

Some of the stipulations as proposed are: That all those under 18 years old have to be off the streets or out of public places after 10:30 p. m. unless accompanied by parent, guardian or person responsible for the child. Exempted are those lawfully employed. It would also be unlawful for the adult responsible to allow the child to violate the curfew. Proposed is that the police inform the parent and detain the child until the child is called for. The proposed fine is not less than \$1 nor more than \$5.

It was decided that a public hearing should be held to give anyone interested an opportunity to express their opinions. See page 2 for the notice of the meeting.

Bikes To Be Licensed

Bikes in Woodridge are to be licensed. The fee has been set at 50¢ and applica-

Village To Consider Purchase Of Street Sweeper

A street sweeper for Woodridge is to be considered for rental with option to purchase for \$350. The rental fee would be \$175 now and \$175 by Dec. 1. This piece of equipment is presently for sale by Naperville Truck Sales.

The village board directed that Al Zettler, purchasing agent, enter into an agreement provided that the village attorney considered the contract acceptable.

A motion to purchase a grass cutter was rescinded. The motion had come up at the July 5 village board meeting.

Police To Use Radar

It is expected that in about four weeks the Woodridge police department will be using radar. The village board approved expenditure of \$25 per month for a 90 day period for the rental of radar equipment.

Radar signs are to be posted, and Chief Kagann is to receive his radar license.

tions will be available from the police department. The license period is from Oct. 1 to Sept. 30 of each year.

Police News

Cont from page 1

was bitten on the right thigh by a dog owned by his cousin J. Pinto, 553 Laverne, Northlake.

Nancy Kostner, 7, was cut on the left foot July 20, while walking barefoot in her backyard at 2834 Crabtree. She was given first aid by Mrs. Emily Szczepaniak and taken by police to the Lisle Medical center for treatment. Four stitches were required to close the wound.

Ron Biesterfeld, superintendent of West Suburban Heating Co., reported a case of vandalism on July 24. He found a window broken in a company trailer parked on Janes rd. near the Surety construction barn. Damage was estimated at \$50.

In a fall off a bicycle July 26, on Woodridge dr. near Forest Glen pkwy., Joyce Berry, 11, suffered a possible fractured wrist. Chief Kagann and Officer Wankowski took the girl to her home at 7632 Walnut where her parents said they would consult a physician.

COURT NEWS

In court August 1 at the village hall Police Magistrate Bruce Wolfe heard the following cases: Operation of truck without vehicle safety sticker resulting in a fine of \$20 and \$5 in court costs; lack of Illinois plates resulting in a \$20 fine and \$5 court costs. In these two cases \$25 bonds were forfeit. Magistrate Wolfe explained that court convenes at 7:30 p. m. and if the defendant does not appear in court by 8:30 p. m. and has not contacted Wolfe to make other arrangements, the defendant is presumed guilty and the bond is forfeit.

Other cases heard were: a truck following too closely--\$5 fine and \$5 court costs; speeding--\$10 fine and \$5 court costs; lack of vehicle license--\$5 fine and \$5 court costs; disobeying stop sign--\$5 fine and \$9 court costs; speeding--\$10 fine and \$9 court costs; disobeying stop sign--\$5 fine and \$5 costs; lack of rear license plate--case dismissed; lack of name and address on truck--\$5 fine and \$5 court costs and speeding--\$10 fine and \$5 court costs.

The same day, Trustee Ronald Gray of 7639 Walnut reported that his daughter's bicycle, which was left at the ball field, was missing a front wheel and fender.

Police were called to an accident at 1:45 p. m., July 30, on 75th pl. and Woodridge dr. when a truck driven by John G. Bradley, Jr., 4617 Forrest ave., Downers Grove, backed into an auto driven by Mrs. Jane Olsen, 2641 Hobson rd., causing approximately \$100 damage.

Tues., July 31, Police Magistrate Bruce Wolfe called the fire department to a fire in a home under construction at 7549 Walnut. Investigation showed the basement window broken into, entrance gained, and the fire apparently started in the kitchen by children playing with matches and lighter fluid.

4-H News

By Willard Bredfield, Jr.

The July 24 meeting was held at the Myers home. We discussed the fair to make sure everybody understood about getting their projects to the fair. Talks given that night were by Liliane Myers and Nancy Dubs on flowers, Mary Vandeleur on photography, Amy Hill on wasps, Linda Weills on horses, David Redfield on handicraft, and Willard Bredfield, Jr. on electricity.

On July 21 we had a picnic at the home of Mr. and Mrs. Quinn. We played ball and horseshoes. We also spent some time looking at Larry's ponies. Hot dogs, potato chips, and Kool-aid was the meal for the day. Everyone seemed to enjoy themselves. A thank-you note was sent to the Quinns from the club.

Seventeen members exhibited in the DuPage County Fair and did extremely well.

THE ONE FINE CAR IN ITS FIELD

Woodridge-ite Has Unusual Hobby

Model T Ford owned by Bob Bush (insert) pictured at the 1961 State Fair where he was presented with an honorary antique license plate NO. 121.

By Ramona Kinser

A rose is a rose is a rose, but one auto is not just like any other, especially when it's a 38 year old shiny Model T Ford in tip top shape.

The Robert Bushes of 2645 Forest Glen Pkwy. have become accustomed to the stares and curiosity their antique car evokes, though it caused embarrassment when they first acquired the car 5 years ago. Since most people genuinely appreciate the tender loving care required to keep the ancient car in peak condition, Mary and Bob Bush face none of the "get a horse" attitude of by-gone days.

Now in the family for 10 years, the Model T was first purchased from a Ford dealer by Mary's brother-in-law ("as a joke," says Bob), who rarely drove it, though he kept the car for 5 years. Bob doesn't say what he paid his relative for the auto, but back in '24, a new coupe, with electric starter, generator and electric lights listed for \$525. Henry Ford's assembly lines produced 1,991,519

Model T's, all black and devoid of fancy accessories, that year, and the company made 100 million dollars, a tidy sum for the mid-twenties. \$800 is what Bob Bush estimates such a car would bring on the open market today, but he has seen them advertised for \$1,000 in "Hemming's Motor News," the antique auto owner's monthly guide to parts, equipment and events.

In this push-button age, can you imagine manually operating a windshield wiper? (Literally, one wiper on the driver's side.) Considered an innovation in 1925, drivers previously removed traces of the elements by leaning out the door and using a cloth!

This is only one small difference. In the Bushes' Model T there are 3 floor pedals—one for gears (forward is high; backward, low; and somewhere in between is neutral), one for reverse, and one for the brakes. The accelerator is on the steering column where the gear stick is now located in cars with standard transmissions. On the opposite side is a stick that actuates the spark. (On new cars this is where the turn indicator is located.)

There is also a hand crank, which

from 1909 (Model T's first production year), to 1913 was the only way to start the car. But in 1919 the electric starter appeared as optional equipment. Between 1919 and 1927, the last year for Model T's, a magnetic needle made it possible to operate the auto without taxing the battery once the generator produced enough of its own "juice".

If it sounds like it takes an engineer to operate an old automobile, Bob Bush qualifies. A hoisting engineer for Great Lakes Plumbing and Heating in Chicago, Bob's job gave him experience tinkering with machines. He has rewired the Model T, put on new head lamps, muffler, tail pipes, flooring, and installed one window, thoroughly cleaned the interior and repainted the exterior.

At the state fair, and other meets, cars are judged in various classifications, but all must be restored or complete as original. No extraneous equipment is allowed—shiny chrome and fancy gadgets look good, but will disqualify an antique car if not part of the original. Before competing, the Bushes must remove their rear view mirror and manual windshield wiper or risk demerits.

To qualify as an antique, a car must have been built during the model year 1925 or before, except Model T's, which are accepted through 1927.

The Bushes belong to the Model T Club, an international organization with about 1,700 members, and they are among the enthusiasts who enjoy their antique cars. They drive it often and though it can whip up to 40 mph., they usually cruise at about 30 or 35.

Some owners, seeking awards with a vengeance, never drive their vehicles. Bob and Mary recall one car that was shipped to a meet cellophane-wrapped! No such fanatics are the Bushes. They plan to drive to the Mendota, Ill., fair, Sept. 1, but they'll have fun (dressed in appropriate Roaring '20's garb) as well as compete.

Someone I know well recently acquired a 1930 Model A Ford, badly in need of restoration, and my advice to him is, "Get busy, Mr. Kinser!"

St. Scholastica News

Father John Kloepfer reminds parishioners that Aug. 15 is the feast of the Assumption of the Blessed Virgin Mary and is a holy day of obligation for Catholics. The 2nd meeting of the women of St. Scholastica Parish was held on Tues., July 24, at the Convent, 2747 75th pl.; committees chosen at the previous meeting reported on their progress in obtaining furnishings for the convent.

A linen shower was held July 25 at the home of Mrs. Leonard Pfaff, 8204 Janes rd. Parishioners, Mesdames Arnold Faulhaber, Matt Herman, John Subat, and Pfaff, invited about 26 of their relatives and friends to the shower. Guests brought blankets, spreads, pillows, towels and even non-linen articles.

Their gifts and many others were on display at the convent Aug. 2 for guests of the pantry shower to view. Approximately 60 women brought bags of food-stuffs, detergents, and other useful household goods to the shower.

They were also able to inspect the new range and refrigerator, which had just been delivered and the canister-type vacuum cleaner obtained with S & H stamp books donated by parishioners.

The ladies were treated to a delicious assortment of hors d'oeuvres, relishes, sweets, coffee and punch, prepared and served by a group of ladies under Chairman Mrs. Emily Szczepaniak.

A meeting is being held at 8 p. m. tonight in the convent for all who are interested in the Confraternity of Christian Doctrine program in the parish. Even those without previous C. C. D. experience are invited.

There will be C. C. D. classes for public school students of both grammar and high school, and teachers, "helpers" and "fishers" are needed.

Training on the diocesan level will be available to prospective teachers at Maryknoll Seminary, route 53 near Roosevelt rd.

Registration for school is still open. Enrollment in the first 3 grades may be done at the rectory, 2623 W. 75th pl.

ODD & ENDS By M. T. Wiggins

Even a homeowner occasionally has a leisure day. Well, at least a morning or afternoon. What to do, what to see? Some of the forest preserves might be just the thing for the entire family. Other preserves may be more to the liking of selected family members. Eleven of the twenty-three DuPage county forest preserves are in a cluster, close to Woodridge.

Listed (by the county number as well as name), they are:

Number 18 - Pioneer Park
This preserve is probably the best known to Woodridge residents. It has parking, some cleared area, and is traversed by the DuPage river. Chief attraction is family and group picnics.

Number 22 - Willowbrook
Willowbrook is not a zoo. The kids, however, enjoy it every bit as much. Walk to the outdoor cages to the rear. Deer, talking crows, and many small animals are housed there. If you are lucky, the indoor housing may also be open. Nearly all the animals, for one reason or another, are unprepared for the life in the wilds. Perhaps a broken wing has been set and is "on the mend". Perhaps a sharp object has been removed from a paw, and the animal still limps. Or perhaps the animal needs careful care after lead poisoning. Most animals "get well" and are released. Residents of DuPage bring wounded wild animals to Willowbrook, knowing that they will receive good care there by the resident caretaker.

There are short nature trails at Willowbrook, also, and other facilities are planned. You are welcome anytime during the day - but twilight and later visits disturb the animals unduly.

Number 16 - Goodrich Woods
An old pioneer cabin sits on this site. Relatively undeveloped.

Number 15 - Hinterlong Bird Sanctuary
Yes, Virginia, there is a Hinterlong Bird Sanctuary. There is even a sign, exactly seven-tenths of a mile from the corner of 79th st. and Greene rd. But it takes a pair of sharp eyes to find it! The sanctuary is completely wild; no roads, trails, or paths. For the serious bird lover only.

Number 6 - Burlington Park
The least known of the family-type preserves, but one of the nicest. Features two large sandboxes, one equipped with sand. West DuPage river may be reached by way of two cleared lanes through the woods. Families with very young children prefer this preserve. *Save map - will be continued in next edition.*

Craft Classes Underway
This is the second year for the W. A. A. sponsored girls' handicraft classes. An enrollment of 45 girls between the ages of 7 and 12 attest to the popularity of these classes.

Some projects already completed this year are copper tooled pictures and gravel mosaic candle holders. The girls made mosaic tile bracelets last Friday. Other projects planned are metal etching and jewelry boxes.

The two hour classes are held each Friday morning at the village hall. Aiding the girls in their interesting projects are the Mesdames Carol Berg, Chenzie Narducci, Arlyle Roberts, Rose Olesky, Lorraine Larson, Eunice Lee, Shirley Manges, Jean Ortman, Dorothy Salisbury and Barbara Lentz.

Recreation Areas

No Known Thalidomide In DuPage County

Thalidomide, the tranquilizer blamed for an increased number of birth deformities in Europe, has not been used in DuPage county according to DuPage medical officials.

Both Dr. Charles Lang, director of the DuPage county health department and Dr. Richard Matthies, president of the DuPage County Medical Society, have said that to their knowledge there has been no distribution of the drug in this county.

Dr. Lang said that the American Medical Association's code of ethics states that experimental drugs cannot be given to patients without their foreknowledge and consent. This would leave little likelihood that someone has received the drug without knowing it, he added.

Dr. Lang explained that the birth defect, believed brought on by thalidomide, is called phocomelia. He said that the malformation affecting the limbs has always been known to exist. He added that of 5000 births in DuPage each year only about 50 or 60 are victims of congenital defects of any type. Of these only one a year "at the most" have phocomelia.

Dr. Franklin D. Yoder, director of the Illinois Department of Public Health said the drug was supplied to 45 Chicago-area physicians and 31 down state doctors.

D.G. Answering Service Sought By Woodridge

Efforts are being made to have the Downers Grove police department provide an answering service for the Woodridge police force. A fee of \$50 has been discussed for this service. This is the same amount now being paid a Woodridge police officer for the responsibility of providing an answering service.

As the Woodridge village board approved the plan, all that is necessary is the approval of the Downers Grove mayor and council.

Little League sponsors are: Cards, Carl's Fashion Cleaners; Cubs, Egizio Chevrolet; Yanks, Rochkes Pharmacy; and the Braves, 500 Tire and Supply Co.

Woodridge's first shutout of the season was pitched by Chester Johnson of the Cards, who fanned thirteen as his teammates walked all over the Yanks 14-0. Muchowski had the only Yankee hit in that game.

The July 22 game between the two top teams, the Yanks and Cubs, was also a good close game. The final score was 4-3 with Anderson of the Yanks getting the victory.

Teen talk

by Barbara Arnouil

Summer school is over now... and it's almost time for school again - you just can't win! At least school gives you something to do though. I think it's something crummy, but it's something!

The Teen Club postponed the hayride because the same Saturday they intended going, there was a "going away" party for Lilliane and Mike Myers. The party was given by Sandy Carpenter and Bonnie Barton. Across the street, Wanda Barton was having a party for Linda Myers. They both were lots of fun! The Myers are moving first to California and then later on to Okinawa.

Gail Kostner and Diane DiFrancesco were in Chicago part of the summer and Roberta Paulinec, who lives in Chicago, was out in Woodridge for about a week.

Phil Byl left for Wisconsin last week, and I think he'll be gone two weeks.

Larry Sarlo also went away for two weeks, but I don't know where he went.

Shirley Hollowell has been at camp all summer. She's a counselor or something like that.

Oh, Gloria Harwell got brave and got about a foot of hair cut off. I think it's real cute.

Well, so long!

Tattle Tales

Sue Towner

Welcome home to, Don and Joan Jeffrey, who spent their vacation in Florida - - - to Dick and Marge Martin recently returned from Virginia, where Marge has relatives - - - and to Mary Ann Dopp, unfortunately not returning from a vacation, but from a four month stay in the hospital. It's nice to have you around again, Mary Ann!

Fireman C. McBride has been on the sick list.

The women of Catalpa ave. have been quite busy lately with showers of all sorts. On Thursday, July 26, Elaine Mielen was hostess at a bridal shower for Sharon Carpenter. Sharon became the bride of Bob Egger on Friday evening, July 27. It was a kitchen gadget shower and I'm sure Sharon will have many uses for all her gifts. Those invited were: Joan McGovern, Evelyn Mullins, Peggy Bailey, Pat Boyna, Ann Boyna, Eleanor Murphy, Carolyn Redmond, Mary Catherine Himes, Dee Stelling, Marilyn Kemp, Helen Carpenter, Sue Aufmann, Pat Vanik and, of course, the hostess and Guest of Honor.

A lovely decorated cake was served, and a good time was had by all.

On Friday afternoon, July 27, Mary Catherine Himes and Sue Aufmann co-hosted a surprise baby shower for little Cynthia Oldenburg. It was even more of a surprise for Fran, Cindy's Mother, as the guests all came to her house, loaded down with gifts and refreshments.

Marathon Station Delayed

In a direct interview with area Marathon representative, it was learned that no building is planned this year for the Marathon station in Woodridge. The agent said that a lessee for the station has not been decided on either. He attributes the hold up to recent consolidations by the company which have created some difficulties which must be resolved before more can be done.

In addition Marathon's new station in Downers at Fairview and 47th still has no lessee.

Those participating were, Marge Sullivan, Dee Stelling, Carolyn Redmond, Bonnie Rojic, Norma Schirmacher, Gwenn Rakunas, Elaine Mielen and Eleanor Murphy. We are certain Cindy will be among the 10 best dressed babies on Catalpa.

Sue Geils, whose expected baby is due in mid-August, was guest of honor at a shower given by Jean Martin of 2849 Crabtree, July 25. Florence Zgak, Ann Rakus, Charlene Cooper, Millie Mersheimer and Emily Szczepaniak helped surprise Sue, while Betty Phillips and Betty Martin, who were unable to attend, sent their gifts for the baby. Husbands and children joined the fun later in the evening.

STORK NOTES

A third daughter for Tom and Louise Church of 7662 Deerfield made her debut at Hinsdale hospital July 24. Karen Sue, who weighed 7 lbs. 2 ozs, joins sisters Christine, 6, and Linda, 2.

The Meaning of THE CROSS

No event in human history has been interpreted in as many different ways as the death of Christ. And yet there is no reason for these various "interpretations."

The Bible's statements on the death of Christ do need interpreting as much as they need reading. Several passages from the Bible will illustrate:

"Christ died for our sins". - "God commendeth His love toward us in that, while we were yet sinners, Christ died for us." - "Christ died for the ungodly."

"Behold the Lamb of God which taketh away the sin of the world." - "The blood of Jesus Christ, His Son, cleanseth us from all sin."

Remember, the above are not interpretations. They are simple Bible statements. The Bible, then, leaves no one in doubt as to why Jesus died. He died to take the punishment and to remove the guilt of all the sins of all the world - so that all who accept Him by faith as their Redeemer might go free.

That, and that above all else, is the message of the Christian Church to the world today. Have you found your pardon in that Word?

Lutheran Church News

The Prince of Peace congregational picnic will be held at McDowell Woods Sun., Aug. 12 at 11 a. m. An open-air worship service will be held. Games and fellowship are planned for the afternoon.

On Tues., Aug. 14, at 8 p. m. there will be a board of administration meeting.

The first meeting of the Association of Phillip and Andrew will be held Aug. 15 at 8 p. m.

A salad luncheon is planned for the Aug. 21 meeting of the Augustana Lutheran Church Women. The luncheon will be held at 11 a. m. in the Nick Lung home, 7671 Walnut. A nursery will be provided. For further information contact Mrs. Fred Vallarta, Wo 8-3777.

Firemens Auxiliary Election

Members of the Firemen's Auxiliary elected officers for one year terms during the July 19 meeting held at the home of Mrs. Geraldine Bumbaugh, 7525 Westview Ln.

The new officers are: Mrs. Ursula Krueger, president; Mrs. Lorraine Mc Bride, secretary; Mrs. Arlene Smith, treasurer; Mrs. Lovern Goetz, ways and means chairman; and Mrs. Loretta Rumpf, publicity chairman.

The next meeting is scheduled for 8 p. m., Aug. 16, at the home of Mrs. Jean Daugherty, 7530 Westview Ln.

Youth Workday Held

Left to right: Clay Norman, Butch Murrow, Dennis Russell, Steve Russell, Brian Freeman, Johnny Tucker, Bruce Wiggins, Ken Wiggins, Marilyn Wiggins, and Pat Ledbetter. Missing from picture Judy Brougham, Loreen Brougham, Kathy Okonski, Donna Hartfield, and Karen Krause

The young people of the Village Baptist Church turned Thurs., July 26, into a youth workday. The younger children, under the direction of Mrs. Marvin Wiggins, pulled weeds, cut grass around trees, and raked the lawn of the church, after which they had ice cream and cake. Some of the teenagers of the church, under the direction of Wallace Akers, cleaned out the church garage and rearranged it for their own Sunday School room, and eventually a recreation room.

Pastor Savage said that he feels these

Hot News

Woodridge firemen put out a rubbish fire behind the buildings at the V. F. W. post on Janes rd. July 24 and on July 30, a fire that caused \$150 damage in a house under construction at Walnut and Forest Glen. A false alarm was answered at 10 a. m. July 25.

The fire department reports it is encountering trouble with children playing the streets while firemen are enroute to a call. They ask that parents remove their children from the streets when the siren sounds and caution them to stay away from the scene of a fire.

Recently children have been hampering firemen by playing with the hose and climbing on the fire truck during a fire. Further incidents will call for police action, the fire department reports.

FIRST WEDDING HELD IN WOODRIDGE

Mr. & Mrs. Robert M. Egger

The first wedding to be performed in the village of Woodridge was held in the home of the bride's parents, Mr. and Mrs. Charles H. Carpenter, 7624 Catalpa ave., at 6:30 p. m., Fri., July 27.

Sharon Joanne Carpenter and Robert M. Egger were united in marriage by the Rev. Edgar A. Cook of the First Congregational Church of Downers Grove.

The bride wore a street length frock of organdy eyelet with a taffeta underskirt and rounded neckline. Her headpiece was a white halo with a short circle veil. Her corsage was of white carnations and stephanotis. She wore a single strand of pearls which were a wedding present from the groom.

A reception immediately followed the ceremony at which time 40 friends and relatives greeted the bride and groom. Among those present were the groom's grandparents, Mr. and Mrs. Forrest

young people ought to be highly commended, as they point out that there are many young people in the village who are dedicated and willing to be useful, if only the opportunity is given them. He further stated that providing these opportunities was another goal of the church.
