

## Zoning Board Approves Change For Woodridge Woods Area

The village zoning board of appeals has approved a petition by Al Kaufman of Surety Development Corp. to rezone from R-1 to R-2, 10.683 acres of land adjacent to the west end of Everglade ave. In the same action they denied the petitioner's request to change from M-1 to M-2 the zoning of 15 acres of industrial property on the west side of route 53. Both parcels were recently annexed to the village.

An explanation of the zoning board's decisions was set forth in a letter to the village board, which has the final voice in all appeals. Denial of the industrial zone change from restricted to general manufacturing was recommended to permit screening of industry interested in locating in the village. The appeals board felt the village government would lose that prerogative under a new classification.

Approval of the R-2 designation was based on the surrounding area, keeping a semblance of total area planning," and upon Village President William T. Roberts' testimony that the builder had been informed to situate buildings on lots in such manner as to assure property owner's ability to attach a one-car garage and maintain size of side yard as stated in present zoning ordinance, or that the property owner sign a waiver acknowledging inability to expand because of the position of house on lot.

Robert Dreveny, chairman of the zoning appeals board, said in an interview with the WNR that it was true the residential area under appeal is immediately adjacent to sections of Woodridge zoned R-1. (Units 1 and 2 are R-1, platted with the county prior to incorporation; units 3 and 4 are R-2. With an R-1 zoning, lots must have a minimum frontage of 90' and a minimum square footage of 12,000, providing for 3 lots per acre. R-2 lot frontages must be a minimum of 66' with 8,500 sq. ft. minimums, or 5 lots per acre.)

## Search For Lost Child Successful

A 19 month old girl was the object of a widespread, 2-hour search Sat., Sept. 15, before she was found unharmed near the Girl Scout camp at 71st St.

Mrs. Merlynn Olsen of rural route 1, Naperville (near 71st and Hawthorne), called Woodridge police at 3:05 p. m. to report her daughter, Sissy, missing. Because the area was under county jurisdiction, Woodridge police, arriving first at the scene, notified the sheriff's office.

Sheriff Springhorn and his deputies conducted the search with the aid of Naperville, Westmont and Woodridge police, Woodridge and Lisle fire departments, and a troop of Boy Scouts from Naperville. Searchers used 2 walkie-talkies brought by Chief Klaren of the Westmont police department.

Boy scouts found Sissy after she had been missing for 6 hours.

## Firemen To Renovate Old Fire Engine For Woodridge

BY RAMONA KINSER

Something new-or rather old- has been added to the Woodridge fire department. A 1934 Dodge fire engine with 750 gal. capacity water tank and pump, obtained from the Clarendon Heights fire department, brings to three the vehicles at the disposal of Woodridge firemen.

Captain Henry Wilgus first saw the

veteran engine parked outside the nearby suburb's station and expressed interest in its potential as an auxiliary pumper. A large rural area is covered by the Woodridge branch of the Lisle Fire Protection District, and firemen fear an inadequate water supply. This supplement to the 800 gal. capacity fire truck already in use would assure ample water for an average fire.

Clarendon Heights had entered into negotiations to sell the engine to a golf course for sprinkling purposes, but fire officials, upon hearing the beneficial use to which Wilgus' men would put the vehicle, offered it to the village for a token fee of \$1.

The Captain estimates the cost of rendering the truck operable to be about \$150, none of which will be paid by taxpayers. Firemen have already begun renovation in their spare time, making a new drive shaft and completely rewiring the machine. Welding of the tank is the next step.

## 3 Candidates File For Nov. 17 Magistrate Election

Maurice A. Hennessey

Three individuals have filed petitions of candidacy for the office of the police magistrate of the village of Woodridge. The election has been set for Nov. 17. The candidates' autobiographies are listed in alphabetical order. The candidates are: Maurice A. Hennessey, Walter S. Larson and Cecil F. McBride.

Maurice A. Hennessey, 2937 Crabtree, is the father of four, three boys and one girl. He is 32 and was born in Chicago, Ill. Hennessey graduated from Hyde Park high school, Chicago. He served 4 1/2 years in the U. S. Marine Corps. He is employed by the sanitary district of Chicago. His statement follows:

"I believe a police magistrate court is designed to be and should be operated inexpensively and with a minimum of legal technicalities.

"I also feel it is very important for a magistrate to maintain an awareness and understanding of the problems facing the people of his community in regard to law enforcement."

Walter S. Larson

Chief Joel Kagann reports that eight applications for service in the Woodridge police reserve unit are presently under investigation. Four have been reviewed by the public protection committee and final approval has been delayed pending fingerprint and reference checks. Appointments are anticipated by the next village board meeting.

Tentative plans for the unit call for officers to attend a 26-week course consisting of one 4-hour class per week on subjects pertaining to law enforcement. These annual sessions, conducted by the far west suburban police academy, would be in addition to a 9-week F. B. I. course.

The Clarendon Hills police department turned down a request to provide an answering service for Woodridge police.

## Woodridge Garden Club Begins Third Year

The first meeting of the 1962-1963 Woodridge Garden Club was held at the home of Mr. and Mrs. Ray DiFrancesco Sept. 14. Mr. Art Hacker of Sylvan Green Nursery presented a talk on fall planting and yard care. Mrs. Mary Ellen Rice and Mrs. Nan Davis were the co-hostesses for the evening and served at a table attractively arranged by Mrs. DiFrancesco.

The next meeting of the Woodridge Garden Club will be held at 8 p. m., Thurs., Oct. 11, at the home of Mr. and Mrs. Stan Ladniak, 7624 Walnut. Everyone is asked to bring their own assortment of dried weeds and vases or containers in which to make their own fall arrangements. This is a workshop type of meeting.

Dues will be collected at this meeting. They are \$2 per year for a family membership. Officers this year are President Mrs. Lois Demmin; Vice President, Mrs. Marie DiFrancesco; Treasurer, Mrs. Mary Hill; and Secretary, Nancy Wendt.

## Oak View Breaks Ground For Shop Center In Oct.

Ground breaking for the Oak View area shopping center is planned for the first week in October. The 6 acre shopping center site at Route 53 and Maple Ave. was annexed to Lisle and rezoned for business in July of this year climaxing 3 years of on again - off again negotiations.

Plans call for a 30,000 square foot single roof shopping center of colonial design with accommodations for 150 cars.

National Tea Co. is to be one of the tenants in this center with a pharmacy and service stores and shops.

Walter S. Larson, 3003 Forest Glen, age-35, is married to Lorraine, and they have two children, Dan, 13, and Jan, 9. He graduated from East Aurora high school. Larson has been a resident of the area for his entire life except for two years in the armed services. He is employed by Citizens Utility as water superintendent and sewer plant manager of Westbury and Fernway subdivisions. He helped organize South Park fire department in 1952 and was cubmaster in the village of Oswego in 1955. The pack had 93 boys.

Larson is one of the original trustees of the village of Woodridge and one of the original organizers and first captain of the Woodridge fire department. His statement follows:

"As a trustee I am familiar with Village ordinances. Having worked as a policeman in Glen Ellyn, I am familiar with the laws of the state relating to motor vehicles and criminal offenses.

"If elected, I will conduct the office of Police Magistrate in an honest and fair manner, employing common sense in the interpretation of the law."

Cecil F. McBride

Cecil F. McBride, 32, resides at 2713 Forest Glen with his wife, Lorraine, daughter, Dorothy, and son, William. The McBrides moved here from Maywood in June, 1960. He is employed as systems manager by D. K. Mfg. Co. of Chicago and Batavia.

His youth was spent in Nebraska where he was born. After service in the U. S. Army, he attended Nebraska State and the University of Nebraska where he majored in zoology and chemistry. He taught for 2 1/2 years before coming to

## Mock Bridal Shower Planned For Oct. 19

The third mock 'bridal' shower, sponsored by the Ladies Auxiliary, Post 4739, will be held Oct. 19 at 8 p. m. in the Woodridge school gym.

Tickets are on sale now at \$1 each and may be purchased from any Auxiliary member or by phoning Mrs. Christine Castaldo, Wo 9-4081, Mrs. Olga Barkauski, Wo 8-3416 or Mrs. Lois Reid, Wo 8-7724.

The winner must be present, and refreshments will be served. Friends are invited to attend.

## Receives First Bicycle License

Larry Manges of 7528 Walnut was first in a block-long line of youngsters who assembled at Woodridge school by 9 a. m. Sept. 29 for bicycle licensing and inspection. He is shown with Police Chief Joel Kagann, Officer Ed Arndt and Horace Thorsen who tested several hundred children for more than three hours on their riding ability and knowledge of signals.

## TO THE EDITOR

### Tax Referendum

Dear Editor:

I think we all agree there is nothing more valuable to us, as Americans and as residents of Woodridge, than our children. We have now just deprived the children of Woodridge the best education possible.

The defeat of the recent referendum may mean that our children will receive a second-rate education because of inadequate funds.

I believe there were two factors that contributed to the defeat of the referendum. First, the open meeting presented by the school board, was a spectacle of passing the buck and hoorahs for small prayers. Because of poor planning and lack of preparation pertinent questions put to the board were not satisfactorily answered.

Secondly, the uninformed residents of Woodridge failed to realize that the average assessment per home designated for schools, would pay for one child's education for only three months! Certainly we value the future of our children at a greater cost than an extra twenty dollars. If you don't, God save your children.

What's in store for us now? The district has already cut many corners because of lack of funds. How many more corners will be cut and thereby sacrificing good educational opportunities?

I recently examined a sixth grade mathematics book currently used in this school district. This book is outdated and not suitable for teaching modern methods which have been used in other schools in DuPage county for the past four years.

This is one example of foolish thrift because the educational well-being of a whole generation of children in Woodridge is not being provided for because of a few dollars.

Al Schirmacher

### Hot Dog Day

Dear Sir:

We want to discuss the hot dog sale at Woodridge school. We feel it is unfair to the majority of the children and should be dropped.

The hot dog day is for children who eat their lunches in school only. The children required to go home cannot in any way take part in this.

Wouldn't it be better to have something at the school that all children could be a part of?

How can you tell a child who is eager to have hot dogs in school that he cannot because he doesn't live in the right area and has to come home?

We feel that this is a form of prejudice. These children didn't want to come home for lunch and now adding Insult to Injury, they are being punished by not being allowed to participate in hot dog day.

Having hot dogs at home on this day is not the answer. Many children will eat hot dogs at school because to them it is a treat. At home it is not the same. They will also hear "I get to stay for hot dogs and you don't". We have heard this on the lunch time now. This leads to a lot of unhappy children.

We were under the impression school and school activities were for all children not just a chosen few.

## EDITORIAL

With the rejection of the proposed increase in the school tax rate the citizens of district #68 moved one step closer to the possession of a bankrupt or inadequate elementary school system. Financial maneuvering, such as increased sale of tax anticipation warrants, can do no more than postpone the day of reckoning.

Do the majority of district #68 residents want substandard public education? We think not. The 211 to 189 rejection of the tax increase could mean that more people who were against the increase took the time to vote.

Only 1 of 4 eligible residents voted in this referendum.

The school board will no doubt ask again for our approval of the needed tax increase. The handful of people who worked hard for approval before the recent referendum will need help. More volunteers to explain the need for the increase and to help get out the vote will be needed.

Most of all we all are needed to go to the polling place and vote. As responsible citizens we can do no less.

McBride is a volunteer fireman, a first aid instructor, institutional representative to the Cub Scouts and president of the Volunteer Firemen's Association. He has said that if the police magistrate's job demanded it, he would resign such interests in favor of doing a good job as police magistrate. His statement to the WNR follows:

"I believe new people should be elected to serve this village. I am running for this reason and because I think the office should be filled by some one who exercises common sense with the benefit of the people as his aim. I am not affiliated with any group and have not made any promises. I do not believe in excessive fines or costs."

# Teen talk

It seems as though things should be duller now that winter is coming; with everyone staying close to their warm little homes but surprisingly enough it isn't so.

Larry Sarlo was sicker than I thought, he was in the hospital for about 2 weeks with influenza. He said staying there was pretty nice; just laying in bed watching T. V. all day!

Jim Montello's broken wrist is more of a handicap than it would seem. His cast goes all the way up to his shoulder!

Just recently Judy Provo and Randy Sarlo got their drivers license. Congratulations!

A while back Bill Morrison got a real sharp car. It's a white convertible, but I don't know what kind. I can't tell one car from another.

The activity bus for D.G. runs Tues., Wed. and Thursday, in case you are interested.

and the cumulative \$3 fee, which 5 men are paid when an alarm is directed to the village contingent through the L. F. P. D. will go to purchase necessary parts and equipment including hose, nozzle and axes.

The L. F. P. D. has supplied an equipped jeep which is especially good for fighting brush fires, to Woodridge. A 4 wheel drive vehicle, it enables firemen to traverse terrain ordinarily inaccessible to the big engine.

Captain Wilgus would also like to locate a 3,000 gallon (or larger) tank truck for the department. He favors one in need of work which can be purchased reasonably. Working together on such a project, he feels, gives the men added incentive to attend meetings and promotes esprit de corps. Anyone knowing of such a vehicle is asked to contact Captain Wilgus.

Captain Leonard Donnelly of the Argonne fire department, recently appointed consultant to the L. F. P. D., joined the men at the Sept. 17 regular training session. Captain Wilgus reports the consultant was well pleased with the operation of the department, saying that methods employed are most modern and the same as used at Argonne.

## \*\*\* About Our Churches \*\*\*

### Prince Of Peace

The junior choir of Prince of Peace Lutheran Church sang for the first time and the church school teachers were installed during the Sunday Worship Service Sept. 30. The teachers are: Mrs. Lora Henk, Mrs. Shirley Oldenburg, Miss Jane Hague, Mrs. Janet Swanson, Miss Phyllis Nyberg, Miss Rene Goulding, Mrs. Ruth Dacy, Miss Odette Leach, Miss Mary Carter, Mrs. Charlene Vallarta, Fred Vallarta, Mrs. Dorsie Young, Miss Dianne Nyberg, Ingmar Eggen, Mrs. Marsha Eggen and Ronald Gray. The superintendent of the church school is Richard Miller; the secretary is Mrs. Wilma Lindal and the financial secretary is Robert Nyberg.

Pastor John E. Swanson and Ronald Gray were delegates to the constituting convention of the Illinois Synod of the Lutheran Church in America held in the Pick-Congress Hotel, Chicago, Oct. 1 and 2.

The "Merger and You", a skit, was presented to the Prince of Peace Lutheran Church women Tues., Oct. 2, at 8 p.m. in the home of Mrs. Kay Scharf, 7638 Sprucewood.

Family Communion will be celebrated Sun., Oct. 7. The Pastor's Information classes will begin at 10:45 a.m., Sun., Oct. 7.

A square dance is being planned by the fellowship committee for Oct. 13 at the parsonage, 2735 -75 st.

Senior choir meets every Friday night at 8 p.m. in the home of the Donald Russells, 2952 Forest Glen.

### St. Scholastica

On Sun., Oct. 14, at the 8 a.m. Mass the St. Scholastica men's club will receive Communion in a group.

The men's club will meet together after mass in the St. Scholastica school building to discuss the general plan for the group. Coffee and rolls will be served.

St. Scholastica Women's Society held their elections on Sept. 25; officers for the coming year are: Mrs. Marie DiDonna president; Mrs. Emily Szczepaniak, vice-president; Mrs. Subat, secretary; and Mrs. Viola Faulhaber, treasurer. The next meeting will be Oct. 23, at 8 p.m. in the Janes ave. school.

### Village Baptist

Six of the church young people, Sandra Carpenter, Bonnie and Wanda Barton, Bill, Gloria and Bertha Harwell, traveled to Rockford, Illinois, Sept. 21 and 22 for the Statewide Conservative Baptist Youth Conclave. All had a good time and returned with many ideas for future activities.

The Young People are also planning trips to Chicago Oct. 11-13 for a Youth Orama at Airport Baptist Church, 5001 So. Kedville. Plans are also being made by the B. Y. F. social committee for a Halloween party at the Church.

The Adult Sunday School class and teachers met at Mr. and Mrs. John Moxleys, Everglade ave., Sept. 28 for their first monthly social. Approximately eighteen adults turned out for a fun time and a time of devotion brought by Pastor Savage. There will be another Adult Sunday School social in October.

Cookie Shine the 18th. On Sept. 25, H-Y had their Barbeque Round-up, and G. A. A. held their picnic at Hummer Park on the 26th.

Looking back a few days we saw on the agenda the Freshman Party. Sept. 29, in the boy's gym. The party was sponsored by Student Council.

Girls' Club, open to all interested DGHs girl students, will have had their meeting in the auditorium Oct. 2, at 3p.m.

Homecoming weekend is Oct. 5 and 6. The Trojans will play Arlington for the Homecoming game at 6 p.m. on Fri., Oct. 5. The dance will be held Sat. night, the 6th, from 9 to 12 p.m. The Bon-fire is at 6 p.m. on Thurs., Oct. 4.

In football we will play Riverside-Brookfield there at noon on Oct. 13.

On Oct. 14 the Knights of Columbus will sponsor a record hop in the boys' gym.

The Earth Science Club will meet on Oct. 12 from 7:30 to 10:00.

Plans for the annual DGHs Homecoming Weekend have been announced by the Homecoming Steering Committee. The week end will begin with a pep rally, bonfire, and snake dance Thursday, Oct. 4. Fri. afternoon at 4, the parade will proceed down Main St. and will be followed by the football game beginning at 6:15 with Arlington.

BY LYNN HONDLIK

Our football season opened Sept. 14 with a defeat by Naperville. The Varsity score was quite close: 7-6, and the Frosh-Soph tied: 6-6. The following week Saturday, the 22, we won over LaGrange with the score being Varsity: 14-7, and lost the Frosh-Soph: 0-7.

The Trojans' next game will be at Downers High Fri., Sept. 28, at 6 p.m., when our opponent will be Glenbard West. (Lots of luck, team!)

Students had to work hard and get top-notch grades because P. T. A. Open House was around the corner on Monday, Oct. 1, in the high school. Parents attended the classes of their sons and daughters, according to the student's schedule, which he should have brought home for the parents' use.

"Mummer's Madness" was a program of plays, sponsored by Marjorie Wood, presented Sept. 21 by Drama Club. Entertainment included: "Trial by Jury", a one act operetta, "Singing the Blues", a Reader Theater production directed by Fredrick Moore, and a modern satire, "Sunstorm". "The Sausage Maker's Interlude" was also presented.

Many of the club picnics were held these past few weeks. Drama Club's picnic was held Sept. 15 at Gilbert Park. The Girls' Club had their Big-Little Sister

## Election Aftermath

### School Dist. Presents Financial Status

After the failure of the Sept. 15 school referendum, the following questions were asked of School Board President John Dahlberg in an effort to ascertain the financial condition of school district 68:

**QUESTION** - What is the overall financial picture of school district 68?  
**ANSWER** - The district can see extreme financial difficulty in the not too far future. The school population has increased much faster than the assessed valuation. This results in a lower income to the district to educate pupils each year.

**QUESTION** - What happens now?  
**ANSWER** - Since the \$.21 referendum failed, the budget had to be cut even further from what the board had felt was a minimum.

**QUESTION** - What changes will be shown in the budget?  
**ANSWER** - The major areas of the budget to be cut include the following:  
 \$8,000.00 teachers salaries - This means more pupils per class.  
 900.00 teaching supplies - less for teaching aids.  
 1,500.00 custodial salaries - school will not be kept up as well as possible.  
 600.00 capital outlay equipment - will not purchase science equipment board felt was necessary.

**QUESTION** - The two figures, \$347 and \$405, have been used as the cost of educating a pupil per year. What is the difference between the two figures?  
**ANSWER** - \$347 is the expenditure per pupil in the school year 1960-61 (this is the latest available published figure). \$405 is the approximate cost for the school year 1961-62.

The following items have increased the expenditure per pupil:

- A. Increase in teachers salaries to make us competitive in hiring teachers.
- B. Increase in interest on building bonds.
- C. Increase in administrative cost. Two schools versus one school.
- D. During a part of 1960-61 school year it was necessary to have double shifts. This meant a lower building and maintenance cost per pupil.

**QUESTION** - What is the 5¢ working cash fund?  
**ANSWER** - The \$.05/\$100.00 assessed valuation working cash fund tax is a tax authorized and recommended by the state to provide a cash fund from which other school funds can borrow. The working cash fund as such cannot be spent. Loans made from the fund must be repaid. The fund can be accumulated only to a legal limit at which time the tax can not be levied. This fund can be authorized by a board resolution. Such a resolution became necessary upon the failure of the \$.21 referendum.

**QUESTION** - What has happened concerning annexation to other surrounding districts?  
**ANSWER** - Nothing has happened as yet. Further meetings are scheduled. The outcome cannot even be guessed at this time.

by CAROLYN REDMOND

How youngsters love parties, from make-believe tea parties to the "can I wear my party shoes?" and "is this shirt O.K. Mom?" kind.

Marge Martin, 7 years, and Mickey Aufmann, 11, of Catalpa, celebrated their "same day birthdays" Sept. 25, by going out to dinner.

The Moxleys, 2914 Everglade, entertained the Braves on a cook-out at their home Sept. 15. All the boys had a well deserved treat. John is the Brave coach.

Cathy Bonk of Catalpa had a birthday a couple of weeks ago. Cathy and her partying friends went to one of the nearby forest preserves and had a wienie roast. Wish I'd been there.

Cynthia McGovern, 7628 Catalpa, was five years old Sept. 15. She took Jean Mielen and Sharon Bailey out to dinner, and then to Walgreens to pick out their surprises. Sounds like fun.

Linda Sue Geils, 2901 Crabtree, was 4 years old Sept. 16. Her parents, Ron and Sue, had friends in to help cut the cake. The cake "eater uppers" were: Jean, Earl, Dean and David Martin, Debbie and Bobby Geils, the Arthur Guschows of Bensenville and their children, Karen and Glenn and Anne Rakus.

Jennifer and Jeffrey Sauer, 7640 Catalpa, were six years old Sept. 15; big sister, Sue and Mother helped make the party a great success. The party goes - Teddy Stelling, Larry Sullivan, Linda Himes, Kim McGovern, Paul Michael Carpenter, Ricky Martin, Suzy Redmond, Paul Richard Himes, Cindy McGovern, David Sullivan and the twins' sister, Michelle. They all had a wonderful time.

Pam Chappell was four on Sept. 23, and her brother, Marc, was seven on Sept. 19. They live at 7837 S. Deerfield They had friends and relatives in for a party.

We have a big birthday girl, Jewel Tucker of Catalpa. The girls, Dee Stelling, Betty Fritz, Evelyn Mullins, Peggy Bailey, Marge Martin, Barb Bletcher and Joan Smith had a surprise coffee and cake party for Jewel at Elsie Howie's home on Catalpa. This all happened Sept. 13.

Betty and Lee Fritz of Catalpa had their son Todd christened Sept. 23. Peggy and Ron Bailey were the godparents. There was a family get-together later in the day and the boy's Grandparents, Mr. and Mrs. Thomas Fritz were among those present. Todd has an older brother Lee, who is 2.

Get well to John Vandeleur of 7830 Westview.

Mrs. James Blatchley, 3038 Everglade, is home after a marvelous stay in Va. Welcome home!

WELCOME TO THE NEWCOMERS  
Mr. and Mrs. Eugene Fisher, 2618 Jonquil, and their two children, Leonard age 9 and Edwin age 6. They come to our village from Leane, Ill.

Bob and Corlyne Chappell, 7837 So. Deerfield. They have three children, Marc, 7; Pam, 4, and Denise, 5. They made their home in Cicero previous to coming to Woodridge.

Kathryn and Daryl Doranski, 7800 Chestnut, and their eight month old daughter, Debbie. The Doranski's lived in Chicago.

Bette and Bill Smale, 7819 So. Deerfield, and their two children, Ronny, 8, and Laura, 2, came to the village from Chicago. Bette is a member of the WNR staff.

Willa and Art Ward, 7830 Catalpa. The Wards have three girls, Patty, 7, Mary Jane, 6, and Vicki, 3. They hale from Gardner, Ill.

**STORK NOTES:**

Dick and Phyllis Slater of Forest Glen are the proud parents of a baby girl, Lisa Ann, born Sept. 11. Lisa weighed 7 lbs. 8-1/2 oz. at birth. Dick and Phyllis have two other children, Jimmy, 2, and Lori, 9.

Sharon and Ken Middleton of Forest Glen have a baby girl - their first child. Her name is Kathy.

Chris and Warren Litavsky - formerly of Catalpa - now living in Kansas City have a new baby boy, Mark. Tell us is "everything up to date in Kansas City?"

Bobbie and Dick Munsterman of Westview are at home after a marvelous two week vacation in Denver. Hear "them there hills" are really a wonder to behold. Can't be jealous without showing it. Bobbie and Dick left their daughter with relatives while they vacationed. Bobbie is a WNR staff member

Rosemary Mabrey of Crabtree had a surprise baby shower the other night. Seems her card club friends from Downers Grove planned it for the evening of card club. Rosemary really knocked the props out though - she couldn't make it! All ends well, however. The next morning the girls scooted out to Rosemary's home and she had her shower.

Marilyn and Francis Treasure of Butternut have a baby boy - Terrance. He was born at Hinsdale and weighed 7 lbs. 7 oz.

Mr. and Mrs. Procopio Rico, Jr., 2819 Forest Glen, welcomed the arrival

of their first daughter, Gloria Joan (7 lb. 11 oz.) on Sept. 14 at Presbyterian-St. Luke's Hospital. The Ricos have one son, Steven Procopio, age 2.

The proud grandparents are Mr. and Mrs. Roger Hamlin and Mr. and Mrs. Procopio Rico, Sr.

Just for fun. Has anyone seen the funny little green man?

Note from D.W.

Yes, Mrs. Redmond, on the can of Green Giant green peas.

He that thinks himself the wisest is generally the greatest fool - Colton

Zoning Change Cont. from page 1

Dreveny said, however, that by surrounding area they meant the property south to 83rd st., which would in the future probably be annexed to the village. He said that the board was fully aware that most of the rest of the village would be zoned R-2, but that each appeal would be decided on its individual merits. He added that to change from one zoning to the other would give the village an unplanned look, and this was the prime deciding factor in their recommendation.

He explained that the board attempts to set no precedent but has established certain criteria as a guide to judging the merit of an appeal; such as, whether a change would affect heating, lighting, fire protection, traffic, and/or the health, welfare or morals of the community.

The board considered, Dreveny said, that 2 more homes per acre would bring in a possible 46 additional children (Woodridge's average is 2.3 children per home) to further crowd the school, but that those homes would also bring in taxes.

He said that no outside pressures were exerted or would be allowed by the board. He pointed out that the 7-man board is appointed by the village president to staggered terms of office and that 4 members, or a majority, transcend the terms of office of village officials.

school and make recommendations to the club. Mrs. Barbara Bonk and Mrs. Ruth Vondrasek will co-chair the committee, with Mesdames Grace Kennell, Bette Martin, Ellie Murphy, Elaine Mielen and Ginger Swierbinski as committee members.

Free memberships were given to Mrs. Chenzie Narducci and Mrs. Nan Davis as winners in a "get acquainted" mixer. A free membership was also given to Mrs. Mary Hill as the mother of six children in school.

Mrs. Dot Provo introduced the teachers and presented them with plants. Mrs. Marie Filipski and Mrs. Laverne Tucker received plants as door prizes presented by Mrs. Marie DeFrancisco, hospitality chairman. Mr. Tousignant thanked the Mothers Club for the help given the school.

At the next meeting scheduled for Oct. 16 an "open house" will be held following a short business session. Fathers are welcomed to this meeting and all parents are urged to attend.

Police News

Cont. from page 1

Negotiations are now underway with other departments. Meanwhile, Robert Hijek of LaGrange Park, who was appointed police communications officer by the Woodridge village board to maintain police radios, has loaned the department a base station radio. Installed in Sergeant Szczepaniak's home, the radio permits immediate relay of calls to the squad car.

The police department spent 2 days giving talks on bicycle safety to public and Catholic school children in preparation for bicycle inspection which was held Sept. 29 on Crabtree ave.

Chief Kagann said that thefts of bicycle parts have been rumored, but none have been reported to police. He has, however, discussed with School Superintendent, Thomas Tousignant, the possibility of stationing a teacher outside during lunchtime when alleged thefts have occurred.

The Chief reports the following traffic violations between Sept. 13 and 22: 8-speeding, 2-stop sign and 1-parking in a no parking zone. Two motorists were arrested on multiple charges: A Naperville resident was arrested by the police chief after a 100 mph chase and charged with speeding, reckless driving, disobeying a stop sign and loud muffler. He appeared before Judge John Cockrell in Downers Grove court Sept. 22 and was fined \$10 and \$5 for loud muffler; and \$25 and \$5 for speeding. The reckless driving charge was amended to disorderly conduct, for which the fine was \$200.

A Hinsdale resident was ticketed for an overloaded truck and spilling on the highway.

The next court session is scheduled for 7:30 p.m. Oct. 19 at the village hall with Judge R. P. Reiff presiding.

Complaints received by police include the following:

9/13/62 - A property owner on 76th st. was given a summons for burning garbage.

- A vicious dog was reported on Walnut.

-Police found a 4 year old boy, who had been reported missing for 5 hours, at Jonquil and Everglade 5 minutes after the call was received. He was returned to his home on Woodridge dr.

9/15/62 - Stray dog on Woodridge dr.

9/17/62 - The superintendent of a plumbing contractor reported the theft of an electric
