

Predicts Reduction In No. Of School Districts

The school board of district #68 has released a paper received from Roy DeShane, county superintendent of schools, in which he predicts that there will be a reduction in the number of school districts in the county to insure a more uniform educational opportunity. The paper, entitled "Reflections of a county superintendent" is printed in full below.

"The education of an individual is a continuing process. From the time he is born until he dies, all manner of experiences provide learning situations. Formal education, or schooling, should and does provide an important component of the over-all educational process. It would naturally follow that a more coordinated program probably would be produced if one agency planned the entire school program from grades K thru 12. In DuPage County, however, the K-12 program in the public schools is planned and administered in each community by two different agencies; one, the elementary Boards of Education providing the K-8 programs and a second board providing the 9-12 program. In addition to the educational advantage in programming by one agency there are ample evidences that the K-12 program is more efficient; that an equivalent program can be secured with less cost, or a superior program can be furnished at the same cost.

Although there are, no doubt, several reasons why no unit districts (K-12) exist in DuPage County, the most persuasive and perhaps the most compelling one is that the bonding power limitation of a school district precludes the building of both elementary and high schools in a rapidly growing area. Therefore, we are served by the dual district system. Various degrees of cooperation exist in different areas of the county between the elementary and high school districts ranging from little recognition of the problem, through joint meetings of Boards, and/or faculties, to the joint employment of Superintendents (and other professional staff).

Turn to page 3

LARSON ELECTED MAGISTRATE

Seated at the "bench" is Woodridge's newly-elected police magistrate. Police Magistrate Walter Larson, 3003 Forest Glen, stated that as he promised the people during his campaign, he will conduct an honest court. The "bench", only a small portion of which is pictured, is the contribution of the Woodridge police department. The police donated the lumber and Sergeant Jerry Szczepaniak constructed it with an assist from Horace Thoresen, Woodridge building commissioner.

Voters Approve Second Downers Grove High School

The Downers Grove high school district voters approved a second high school for district 99 Sat., Nov. 17. The school is to be on the 48-acre site at the southwest corner of 63rd and Dunham. The voters approved almost 2 to 1 the issuance of

\$4,050,000 in bonds to finance the structure. This figure also includes equipment.

The second proposition for \$450,000 for swimming pools was defeated by a total of, unofficial returns, 4,220 (no) to 3,573 (yes). However, in four of the nine precincts in the district (Woodridge included) the swimming pools were favored.

The vote in the Woodridge precinct on the high school was 337 (yes) and 104 (no). The pool vote in Woodridge was 238 (yes) and 194 (no).

The total vote, 7,854, was 2,245 greater than the turnout for election to decide on the purchase of the site last Feb. 17.

A spokesman for the school board estimates that the passage of the referendum will bring a tax increase of about 90¢ per \$1,000 equalized assessed valuation beginning with 1963 taxes payable in 1964.

Also approved in a Nov. 17 referendum was the construction of a second high school for Hinsdale. This school is to be constructed at 75th st. and Clarendon Hills rd.

Moulds Comments on Barn Issue

By Maureen Grummel

In an effort to provide more information on the controversial barn issue, the WNR contacted Richard Moulds, president of the board of trustees of the Lisle fire protection district to ascertain what function he or the district would have in this issue.

Mr. Moulds assures us that his duty is to provide fire protection to Woodridge as well as the rest of the Lisle fire protection district. Woodridge, he claims, is only a small part of this district, and in his opinion has more than adequate fire protection. He bases his opinion on the fact that a fire truck, supplied by the district, is stationed in the village. However, he says, if the people of Woodridge feel that they neither want nor need the

Turn to page 3

Record 425 Vote

Despite rain and cold weather, a record 425 voters cast their ballots for police magistrate in the special election Sat., Nov. 17.

Former village trustee, Walter Larson, was elected to the judicial post by a majority of 53 votes, garnering 181 of 417 good ballots. Eight were defective or objected to.

Cecil McBride received 128 votes, and Maurice Hennessey, 98. There were 10 write-ins: William Woody received 4; Mrs. Faye Hoffman, 2; Edward Mabrey, 2; Arthur Thuerk, 1; and Richard Marushak, 1.

Larson resigned as trustee at a special board meeting Nov. 20 and took the magistrate oath of office in Wheaton the following day. His tenure extends to April, 1965, filling the unexpired term of former magistrate Douglas Weikel, who was elected in April, 1961. Twice the office has been filled since then through special elections. Arthur Berg was elected July 22, 1961, and resigned Nov. 15, 1961. Bruce Wolfe served from April 17 to Sept. 1 of this year.

McGrath Submits Resignation

In contacting Joe McGrath, plan commission chairman, for a report on further developments on the status of the final plat for Woodridge Woods no. 2, the WNR learned that McGrath had submitted his resignation to Village President William Roberts. McGrath said he was resigning effective Nov. 15 for health reasons.

McGrath has served on the plan commission since it was formed in March of 1960. He also was a village trustee from May, 1961, to April, 1962.

When contacted President Roberts said McGrath's resignation was not yet accepted pending further discussion with him.

In commenting on the Nov. 12 meeting between the plan commission and Surety Development Corp. to discuss the plan commission's disapproval of the final plat for Woodridge Woods no. 2, President Roberts said that Surety agreed at that time to submit a new plat and specifications for the unit.

VFW Votes To Disband

V. F. W. Post #4739 of Woodridge voted to surrender its charter Nov. 18. The vote of 10 members could have kept the organization alive. Post Commander Clifford "Bud" Guernsey said he is asking that the charter be put in suspension so that it might be withdrawn at a future date.

"Disinterest by all" made disbanding necessary, lamented Guernsey. He charged there is much apathy in the community and called it a "disgrace to the village that we lost the V. F. W."

Guernsey pointed out that many undisclosed as well as publicized good works were accomplished by the post. Books, properties and monies of the disbanded group will revert to the national organization.

About 30 members are reported to be joining the Lisle V. F. W.

Woodridge V. F. W. history begins early in 1961. In the early months of that year charter members were sought. Fifty were needed. The charter was soon obtained, and the post was officially named the Woodridge Memorial V. F. W. Post 4739. The temporary officers while the post was being organized were: Steve Nikonchuk, commander; John Russo, senior vice-commander and Bud Guernsey adjutant.

Preparing For Mistletoe Mart

Admiring one of the many gifts that will be available at St. Scholastica Women's Society "Mistletoe Mart" are left to right: Mrs. Betty Schreck, Mrs. Elaine Kujawa, Mrs. Florence McCarthy, Mrs. Hanny Ross and Mrs. Pat Bertrand.

"Mistletoe Mart" will be the theme for the bazaar given by St. Scholastica Women's Society, Woodridge, Dec. 1 and 2 from 2 to 7 p.m., in the schools at Crabtree and Janes rd.

Santa will be there both days as well as a clown. Proceeds will be used to benefit St. Scholastica parish. Everyone in the community is welcome to attend. Refreshments will be served.

Committee chairmen are: Mrs. Florence McCarthy, advertising and posters; Mrs. Marylin Reinhardt, fish pond; Mrs. Hanny Ross, decorations; Mrs. Marge

Dreveny, cake walk; Mrs. Pat White, raffle table; Mrs. Anna Beth Campana, fancy work; Mrs. Dot Bath, parcel post; Mrs. Betty Schreck, toy booth; Mrs. Mary O'Conner, Christmas booth; Mrs. Vernie Campise, candy; Mrs. Alice Aubele, refreshments; and Mrs. Pat Boyna, religious articles.

The officers of the women's society are Mrs. Marie DiDonna, president; Mrs. Emily Szczepaniak vice president; Mrs. Mary Subat, secretary; Mrs. Viola Faulhaber, treasurer; and Mrs. Pat Bertrand and Mrs. Elaine Kujawa, co-chairmen, ways and means.

EDITORIAL

"Conformity is sweeping the country. And while more and more people want to get seats in the grandstand, fewer and fewer want to sweat it out down on the field.

We have always had our share of free-loaders in this country. But only in the past quarter century, it seems to me, has non-involvement become an accepted way of life. For when we were poor, we had to sweat it out. We couldn't afford detachment from the life and fate of our country. And one of the great dangers of affluence is that it permits such detachment.

What has happened to us, I think, is that we have changed from an exporting country to an importing country. The United States of America was once the greatest exporter of ideas of individual dignity, responsibility and freedom. We created and sold the idea of government of the people, by the people and for the people--an idea that is still being bought today. We exported the idea of freedom of worship... the idea of an unfettered press... the idea that those who are taxed should be represented...

It is hard to find a basic idea that America has exported since you and I were young. We have, I think, bought in the bazaars of Asia Minor the idea that an honest man is either a fool or a liar. From our most mortal enemy we have bought the idea of a strong government for weak people.

It is easy to prove that Nathan Hale, Patrick Henry, Paul Revere, George Washington, Benjamin Franklin and almost anyone else you care to include among our national heroes were squares--by simply thinking what they might have said had they not been squares.

Nathan Hale: Me spy on those British! Are you trying to be funny? Do you know what they do with the spies they catch? I'll give you a newsflash, chum. They hang them!

Paul Revere: What do you mean--me ride through every Middlesex village and town? And in the middle of the night yet. Why pick on me? Am I the only man in Boston with a horse?

Patrick Henry: Sure, I'm for liberty. First, last and always. But we've got to be a little realistic. We're a pretty small outfit. If we start pushing the British around, someone is going to get hurt.

George Washington: Gentlemen, I am honored. But I do wish you would try someone else. Let's say General Gates. I'm just getting things organized at Mount Vernon. Also you might say I had already served my time. Against the French you know.

Benjamin Franklin: What we really need as ambassador to France is a young man. I'm 70 years old! It's time a new generation took over.

The forces of conformity are still strong. Too many of us are still sitting it out instead of sweating it out. Too many of us haven't got the guts to stand up straight and dare to be square. Because the opposite of square is round, and being round is so much simpler. Responsibilities and problems roll off nice and easy. And we can just roll down the path, without any bumps, being careful to stay in the middle, because that's where the most comfortable ruts are.

Too many of us know the short cuts, and too few know or care where the path leads. Too few of us dare to leave the path, because the path is always the easy way, the way most people go. But there is no path to the future, no path to greatness, no path to progress... No path to outer space or to inner satisfaction."

The above statement was made by Charles H. Brower, a prominent advertising executive. It is reprinted in part here because we feel his message has relevance to a situation that has existed in Woodridge for sometime.

Mothers Club To Buy Shades For School

In Nov. the Woodridge Mothers club held their regular monthly meeting in the school gym with 54 members present.

It was decided by the group that the next project would be the purchase of shades for all the classroom windows. The money for these shades will come from various fund raising projects.

Prior to the program, a short skit entitled "Nobody Here But Us Turkeys" was presented by Mrs. Barbara Blecher, Mrs. Ruth Vondrasek, Mrs. Peggy Wehman and Mrs. Joan McGovern. Mrs. Nancy Roach served as announcer.

The program for the evening was presented by Mrs. White of Tollgate Nursery who talked about gourmet cooking, herbs, etc. and special hints for the holiday season.

Membership co-chairman, Mrs. Ruth Vondrasek, announced that the membership drive had ended that evening and there were now 102 members. Miss Peters' room won the \$5 prize for having the most mothers join the club.

The next meeting will be Dec. 18. The club will forego their regular meeting so that the first four grades of Woodridge school may present their Christmas program.

Wiggins' Letter Under Advisement

President Bill Roberts informed the WNR that no formal action has been taken yet on the letter the board received from Marvin Wiggins concerning removal of the Crabtree barn. He said the letter is still under advisement.

Wiggins' letter to the board, dated Oct. 30, 1962, stated his case for the removal of the barn and the development of village-owned municipal facilities.

Clerk Changes Hours

Village clerk, Mrs. Eleanor Murphy, announces a change in Saturday office hours at the village hall, 2909 Forest Glen.

The new hours will be 10 a. m. to 1 p. m. effective immediately. Wednesday hours remain the same, 1 to 4:30 p. m.

The clerk also advises that she is available for village business every afternoon in her home. She requests that calls be made only between the hours of 1 and 4:30 p. m. Her number is Wo 9-6585.

OPINIONS of the PEOPLE

By Ramona Kinser

An impartial poll of residents of the Jonquil-Everglade unincorporated area was conducted by the WNR to obtain their views on possible involuntary absorption into the village. Forty-nine homes comprise the area recently encircled by village property with the annexation of 40 acres of farmland to the south. Formerly owned by Donald Anderson, the land was purchased by Stade Construction Co., LaGrange, and is slated for development and construction of about 100 homes.

Attempts were made to contact each of the 49 homes, but proved fruitless in 11 cases. Questioning was confined to the man of the house, except in 2 cases. When he could not be reached, the wife expressed her husband's opinion.

Three basic questions were asked. They and a breakdown of responses follow:

1) Because of the encirclement of the Everglade-Jonquil unincorporated area by the recent annexation of Anderson's farm, it is possible for the village board to pass an ordinance annexing your area. Are you in favor of such an ordinance?
24 - No; 7 Yes; 5 Mixed feelings (Yes and No)

2 - Undecided: Total - 38

2) Why or why not?

At least 14 persons were of the opinion that the village has nothing to offer that residents of the unincorporated area are not already getting, (police and fire protection, etc.) except additional taxes. Vehement dissent was revealed in replies such as: "I wanted no part of Woodridge from the beginning." "I would rather sell the house." "For heaven's sake - No!" or "I couldn't care less about the village." Some accused the village government of incompetence and others resented the way the village was incorporated.

It was evident that many were attracted to the area originally because it was under county jurisdiction. Others were dismayed when they learned that "because of a lawyer's mistake in laying out the original plat" they were not in the village. These same persons disliked being blamed by their village neighbors for not being part of Woodridge.

POLICE NEWS

First Aid By Grandmother Saves Boy

A 3 year old boy's life was saved because of his grandmother's knowledge of first aid, reports Police Chief Joel Kagann.

Arthur Boyles IV, 7637 Larchwood, suffered a severed neck artery when he fell onto a glass fish bowl Nov. 22. His grandmother, Mrs. Mary E. Widman of Evanston, applied pressure to stop the flow of blood while police rushed the child to Edward hospital, Naperville. Seven stitches were required to close the deep wound. Doctors told Mrs. Widman, a Red Cross first aid instructor, that her quick action undoubtedly saved the boy.

Because of this incident, Chief Kagann expressed concern that some women might be unfamiliar with first aid methods and discussed the possibility of Mrs. Widman conducting a course in basic first aid for women of the community. Anyone interested in attending such classes is asked to contact the police department.

A Columbus, Ohio, resident was arrested Nov. 22 for operating an out of state truck without Illinois plates. His bond was set at \$600 at the request of Secretary of State Carpentier's office. The amount of bond was equal to cost of the license plates in the event the driver failed to appear at the hearing scheduled Nov. 23 before Police Magistrate Walter Larson.

Two autos were involved in an accident at 75th st. and Larchwood ln., Nov. 21. The first car, reportedly making an un-signalized left turn into the intersection, was hit by the second auto, which was attempting to pass. Both men, Hinsdale and Downers Grove residents, were given summonses to appear in police magistrate court Nov. 23.

A Downers Grove motorist was charged with speeding, failure to obey police and disobeying a stop sign. He was apprehended after a chase that started at

Where answers were affirmative, the most often repeated reason was a desire to have a voice in the government and the right to vote. To share in the protection offered by the village was another reason given for approval of an annexation ordinance.

One man felt that whether the residents of the area wanted to admit it or not, they were part of the village and that they were being selfish to avoid the responsibilities inherent with belonging to a village as well as avoiding the taxes necessary to provide services to the village.

3) If the village board does not pass an ordinance in sufficient time (that time being Jan. 16) to make you eligible to vote in the April 16 election, would you voluntarily annex in order to obtain this right?

20 - No; 11 Yes; 6 Undecided;
1 - Couldn't answer; Total 38

The consensus here seemed to be that annexation was inevitable, but they would do nothing to hasten the day. When and if annexation came, however, many admitted, they would "make the best of it".

One man said he didn't care who the village officials were. Another opined that they were "just a minority - what difference would our vote make?" A feeling that "it didn't affect them until (if ever) they were in the village" was apparent. One man stated that if forcibly annexed he would in turn become interested in village politics and attempt to get answers he was never able to get before.

The one person who couldn't answer remarked that "being forced into something against one's will does not provide a proper emotional basis for discussion." His sentiment was echoed by yet another who said force was contrary to a very basic principle of American life.

The majority who said yes to voluntary annexation stipulated they would have to be sure they were to be forcibly annexed anyway. In that event they would be willing to petition in time to win the right to vote. Only one person hoped the area would be forced into the village. His reason? "I don't think enough people have changed their minds."

75th and Larchwood and ended at 83rd and Janes.

Between Nov. 8 and 18 police are reported to have issued 6 tickets for speeding and 2 for stop sign violations.

Chief Kagann lists the following incidents as investigated by Woodridge police:

Three missing persons reports - One, a 6 year old boy, was located at the home of a friend; the second, a 3 year old girl, was found in her home and the third, a 15 year old youth, was found resting in a police station on Chicago's north side after having walked from the village.

Two injuries - A Catalpa resident injured his hand while disarming a .50 caliber machine gun shell for the police department and a 9 month old girl caught her finger in a door cutting an artery. Both were taken by police to Edward hospital for first aid.

A Woodridge dr. resident reported that his auto parked in front of his home was struck by a building contractor's truck.

Malicious mischief in the form of large nails placed head down on his driveway and around sewer covers was reported by a Jonquil man.

Police also handled calls involving theft of a wallet, suspicious auto, a 7 year old boy scratched by a dog, several windows waxed by vandals and cruelty to birds.

Police Magistrate Walter Larson, who was sworn in Nov. 21 by the DuPage county clerk will preside at the next court session 7:30 p. m. Mon., Dec. 3. Present plans call for court to convene every Monday at that time thereafter.

Use Christmas Seals

Predicts Reduction

cont'd. from page 1

One advantage of the unit organization not previously mentioned, is the preferential State support program which favors the K-12 district. The maximum effect of this preferential support program could be an increased amount of state support equal to what a 41 cent rate would produce in the district. Although educators have for a long time urged the legislature to reward cooperating elementary and high school districts, the first formula for such aid was established by the 72nd General Assembly (1961). It is now possible for a dual system composed of an elementary district and an over-lying high school district which have exactly the same boundaries and jointly employ a Superintendent, to receive, in addition to support normally available from the State common school fund, an amount equal to one-half the excess support the community would have qualified for as a Unit District.

In the Lisle area, Districts 70 and 109 have qualified for this new support and in the prior claims filed this fall the additional aid amounted to \$25,195.68 with \$18,644.80 for District 70 and \$6,550.88 for District 109.

Other areas have inquired about the extent of this available benefit should the areas qualify. Some examples follow:

In the York High School District #88 area the excess support, based on prior claims filed in October 1962, would have been \$353,959.62. The high school would have claimed \$99,108.69 and the elementary (a consolidation of Districts 3, 4, 45, 46, and 48) would have claimed \$254,421.33 of this excess.

In the Bensenville area:

Increased support for:
 Fenton High School District #100 \$ 30,458.00
 Elementary (consolidation of Districts #2-7) 64,723.26
 \$ 95,181.26

In the Lake Park area:

Lake Park High School District #108 \$ 15,564.34
 Elementary (consolidation of Districts 10, 11, 12, 13, and 20) 46,693.02
 \$ 62,257.36

In the West Chicago area:

West Chicago High School District #94 \$ 7,523.85
 Elementary (consolidation of Districts 25, 26, 27, 34, and 33) 20,342.26
 \$ 27,866.11

It should be recalled that these excess amounts are only half of the excess a unit district would receive over that received by an area under the dual system.

It is a conviction of your County Superintendent of Schools that the school districts of DuPage County will be unit districts some time in the future. Educational improvement will require it. Perhaps ten to sixteen units, each having administrative and supervisory staffs equal to the most complete ones we now enjoy in our largest districts, will insure more uniform educational opportunity throughout the county. (Ed. note: at present there are apprx. 44 school districts in the county.)

Consolidation of elementary districts, with detachments and annexations following, to produce elementary boundaries coinciding with high school boundaries are logical intermediate steps which would reduce reorganization problems when and if some of the formidable obstacles of the present are removed."

Barn Issue

cont'd. from page 1

truck, it can be returned to Lisle, and the village will be considered adequately protected.

Moulds informs us that there is on file in his office a contract, entered into by the village of Woodridge and the Lisle fire protection district which states that the Lisle fire protection district would provide a fire truck if the village could provide housing for it. The barn on Crabtree was designated by the village for the housing of the fire truck. This contract was drawn up at the suggestion of the village of Woodridge, not at the suggestion

of the Lisle fire protection district, he commented.

Concerning a new fire house furnished by the district there is only a remote possibility. Moulds claims that before he and the other two board members would even begin to consider a referendum, a petition with signatures from the entire district would have to be presented. Even if such a petition were presented the board would have to be satisfied that there is a definite need for a new building before they would put the bond issue to a referendum, because as he says, the referendum alone would cost the district money.

Nature creates merit, and fortune brings it into play - Rochefoucauld

Strength of mind is exercise, not rest - Pope

School To Collect Clothing

School district #68 will participate in the Illinois bundle days program, approved by the state department of education, Nov. 26 to 30.

Citizens are urged to contribute good wearable clothing that is outgrown but not worn out. Both summer and winter shoes and garments are requested for children and adults in America's needy areas.

Clothing may be delivered in person or sent to school with the children.

Boy Scouts Hold "Funeree"

Seventeen Woodridge boy scouts and two leaders spent their most recent over-nighter in beautiful Rocky Glen forest preserve. They departed at 8 a. m. Saturday morning and returned at 2 p. m. Sunday afternoon. The over-nighter was referred to as a funeree, because despite the adverse weather the boys played football and had a thoroughly enjoyable time.

Perhaps one of the reasons that this particular over-nighter was so enjoyable is that Rocky Glen is said to be one of the most beautiful forest preserves in Illinois. It is not too well known because of its location. It is just south of Argonne National Laboratories off of Cass ave.

The park has about two hundred acres of beautiful scenery including a small waterfall and a two hundred foot cliff with stone stairs to the bottom. It abounds in every form of wild life known to inhabit the state of Illinois including deer. The habitation of deer is confirmed quite readily by the boy scouts who spotted a seven point white stag buck on both days of their over-nighter at Rocky Glen.

Election of new committeemen will be held at the next committee meeting Dec. 2, at Mr. Joe Shroka's home, 3021 Everglade. All interested people are cordially invited to attend.

The troop received their colors on Wed., Nov. 21. We would like to thank the Woodridge Sewer and Water Co., Surety Builders and Mr. Slater for their contributions toward purchase of the colors. The proceeds from the square dance were a big help also.

VFW cont'd. from page 1

In March, 1961, Bud Guernsey was elected the post's first commander. The other officers elected at that time were: Steve Nikonchuk, senior vice-commander; Haley Lloyd, junior vice commander; Tom Przybylski, quartermaster; John Vandeleur, adjutant; Joseph Adorjan, surgeon and Steve Radasevich, chaplain.

In May of 1961 the Womens Auxiliary was formed.

The end of the year '61 found many V. F. W. members working hard at remodeling the farm house on Janes rd. which was rented that fall from Surety on a monthly basis. Early this fall, 1962, this rental arrangement was terminated.

The year '62 saw an impressive installation ceremony for newly elected officers of the V. F. W. and the Auxiliary at Woodridge school April 15.

One of the outstanding events of '62 for the V. F. W. and the community was the 4th of July picnic which the V. F. W. co-sponsored with the W. A. A. Some of the activities the V. F. W. and Women's Auxiliary participated in are: presentation of a flag to the village, placing of CAUTION CHILDREN PLAYING signs, sponsoring a boy scout troop, sponsoring brownies and numerous activities for the post, dances, etc.

The optimist is one who expects his dreams of home ownership, college-trained children, retirement income and travel to come true. A growing savings account at LISLE SAVINGS is the optimist's answer.

Lisle, Illinois

4-H Achievement Awards Presented

By Willard Bredfield Jr.

The Woodridge "Topnotchers" held its second annual Achievement Night, Nov. 13. Talks were given by George Nees on forestry, Betty Nees on flowers and Willard Bredfield, Jr., on electricity. A piano solo was given by Linda Weills. The "Share-the-Fun" skit was also given.

Then awards were handed out. First year members received a bronze pin and achievement certificate. They are Susan Amoroso, Sharon Haan, Frank Mabrey, Lawrence Quinn, Mary Vandeleur, Linda Weills and Margaret Weills. Second year members received a seal to put on their certificate. They are Nancy Dubs, Amy Hill, Mary Linne Kraut, Betty Nees, George Nees, Judy Redfield, Sherry Redfield, Shifra Werch and Marlene Zuccaro. Third year members received a silver pin and a third year seal. These two are Willard Bredfield, Jr. and Carl Finkbeiner. There were five county and state project honor members who received a certificate from the county and from the state. These five are Willard Bredfield, Jr., Nancy Dubs, Amy Hill, Betty Nees and George Nees. Four of these people received state pins. Willard Bredfield, Jr. received a 4-H jacket from the state of Illinois. There were three county medal winners, Amy Hill for beautification of home grounds, George Nees and Willard Bredfield, Jr., for electricity.

Leaders awards were then given out to Linda Weills, Margaret Weills, Amy Hill and Willard Bredfield, Jr. The girls received 4-H necklaces and the boy received 4-H cuff links and tie clip. A box of candy was given to Mrs. Bredfield to show the club's appreciation for what she has done.

Leaders and officers from Lacey 4-H club were also present. The meeting closed and refreshments were served. Next meeting will be Dec. 11 in the Woodridge school gym at 7 p. m.

Oratorio Society To Give "Messiah"

The Downers Grove Oratorio Society is presenting Handel's "Messiah" Sun., Dec. 2, at the Downers Grove First Methodist church at 3:30 p. m. The choral group will be accompanied by orchestra and pipe organ.

Woodridge participants in the performance of this 18th century choral work are Mrs. Don Russell of Forest Glen, Mrs. Richard Trondsen of 76th st., and Mrs. Richard Miller and Mrs. Ronald Gray of Walnut.

For the first time the society is selling tickets instead of taking a collection. A season ticket covering both the "Messiah" and Mendelsohn's "Elijah" to be performed the last Sunday in April costs \$2. Students (8th grade through high school) pay 75¢ and younger children will be admitted free of charge. Single admissions at the door are \$1.50 and 50¢ for students. Season tickets are available at Soukup's Furniture store, Curtiss st., Downers Grove, or at the door Dec. 2.

The Downers Grove Oratorio Society is in its fourth year.

Change of Pace

WNR Circulation Manager Bob Bonk has initiated a new system of billing for newspaper subscription renewals. In the past subscription renewals were handled by a personal call by either the circulation manager or by a member of the staff.

Subscription renewal cards will now be mailed to subscribers at the time their subscription expires.

The number of subscriptions has grown so that a personal visit to everyone is no longer possible.

Hankinson's A Landmark

Others have come and gone, but Hankinson Lumber & Supply Co. of Lisle rightfully claims the distinction of being the first and oldest building material supplier under original family management on Ogden ave. between Chicago and Aurora.

Brothers Nathan, Harry and Julius Hankinson moved the business into its present headquarters in 1932 from a location it had occupied for 3 years across the street. The old style lumber yard underwent remodeling last year and now boasts an appealing redwood and glass front.

Surviving his brothers, "J. T.", as Julius Hankinson prefers to be called, is president of the building center where you can negotiate for new construction, room additions, remodeling or garages besides purchase all the supplies necessary for a do-it-yourself job.

Radio is J. T.'s consuming interest and goes back to the 3 years he spent as a staff announcer with WMRO, Aurora, from '42 to '45. Before that, in 1940, he did the announcing for Ken Griffin's radio show that broadcast from Naperville. Hankinson was one of the originators in 1948 of citizen band and now holds a franchise to distribute a particular make of ham radio equipment. He says his home, car and business are all "wired for sound". Even his delivery trucks are radio-dispatched.

Also interested in community service, Hankinson was the first chief of police of Lisle and one of the original trustees when Lisle was incorporated about six years ago. He is presently a member of the Lisle township board of auditors, precinct committeeman and assistant chairman of Lisle civil defense.

Hankinson's family includes his wife, Bertha, and 2 daughters, Lee, 13, and Melody, who is married and has 2 children.

A Coincidence?

Both Joel Kagann, Woodridge chief of police, and Ramona Kinser, WNR police reporter, have German shepherd police dogs named Duchess.

The dogs are about the same age. However, Chief Kagann's Duchess is a toy shepherd.

D.G.H.S Journal

By Lynn Hondlik

The students of D. G. H. S. were tested on Nov. 19-21 for scholastic achievement. These tests are given during the second quarter. Freshmen, sophomores and seniors are given the ITED, Iowa Test of Educational Development, juniors, the Illinois Aptitude Tests.

On Nov. 25, the band held a Community Concert in the high school auditorium.

In the coming weeks the basketball team will play at LaGrange, on Nov. 30 at 7 p. m. On the D. G. court, Oak Park will compete on Dec. 1 and on Dec. 7, Glenbard West will play here. The first game for each contest will begin at 7 p. m.

In wrestling, the Trojans competed at West Aurora, on Nov. 21, at 7 p. m. Naperville will wrestle DG on our mats at 1 p. m., Dec. 1.

On Dec. 5, the Booster Fall Sports Dinner will be held at DGHS in the cafeteria, and a program will be presented in the auditorium.

Dec. 8 is the date of the Junior Dance, "Winter Whisper", to be held in the Girl's gym. Tickets will be on sale, as usual, by juniors in the cafeteria and hallways at \$1.50. The dance begins at 8:30 p. m. and continues until 11:30 p. m.

IT'S ELEMENTARY WOODRIDGE SCHOOL

by Amy Hill

This column has competition in Mrs. Fagan's first grade. They have started their own newspaper called the "Newsbox". Mrs. Miley's room is decorated with a big long bookworm to encourage outside reading by her pupils.

It seems like the seasons have changed in Mrs. Fleckenstein's room. The children have made their own flower pots and have little plants growing.

Christmas presents are in the making in Mrs. Woodin's room.

"Let's Trade" is a new game of fun in Mrs. Michel's room. Each student brings a small item to trade with his friends.

On November 29 the eye testing of the children will begin and their weights and heights will be recorded.

Tattle Tales

by CAROLYN REDMOND

GET WELLS TO:

Helen Carpenter, 7624 Catalpa, just returned home after a short stay in the hospital.

Delores Durkin, 2545 Crabtree, recuperating from recent surgery.

Horace Thoresen, 7627 Westview, our building commissioner, has been hospitalized for surgery.

Phyllis Brame, 2951 Jonquil at this writing is still in the hospital.

The Shirmachers of Willow have a college pal who now lives and teaches in Tanganyika, E. Africa. Ladies take note - "We get most of our groceries in town, - a 17 mile trip - but there is no such thing as a super market. You have to go to a green grocer for fruits and vegetables, the butcher for meat, the provision store for any canned goods or packaged goods, to the bakery for bread, the dairy for milk and cream - so it goes." This adds a new wrinkle to the "shopping center" lament.

Richard Joseph Himes, Jr., son of Mary Catherine and Dick Himes was christened Sun., Nov. 11. There were many well wishers at the celebration afterward. Dick's brother and sister-in-law, James and Frances Himes are young Richard's Godparents.

THANKSGIVING VACATIONS!

Fran and Roman Lins, 7667 Walnut, took Suzie, 4, and Alan, 6 months, to Grandma and Grandpa's home for the big day. All the way to Rochester, Pa. Although Roman is a pilot they couldn't fly, there just seemed to be too much baggage. Suzie has a wonderful surprise in store for Christmas; Fran is bringing home the doll house that she had as a little girl.

Ruth and Nick Lung of Walnut spent Thanksgiving at Grand Rapids, Mich., Nick's sister's home. However, there's more to the story! The Lungs, Ruth, Nick, Baby Nicky and dog Geraldine left the village in a Volkswagen. I'd like to have seen it. I'll bet even the Volkswagen people would like to have. Geraldine, you see, is a full grown German shepherd. Nick spent his vacation deer hunting in Howard City, Mich., going home every night to Grand Rapids.

New Library For St. Procopius

A modern 100,000-volume library is under construction for St. Procopius College, Lisle, according to the Rev. Daniel W. Kucera, O.S.B., president.

Scheduled for occupancy in September of 1963, the library is the second of several new buildings planned for the campus in the ten-year development program inaugurated a few years ago. Kohlbeck Hall,

Barbara and Bob Bell of Walnut took Bobby, 4, Patti, 6, and Jimmy, four months, to St. Louis to visit with Barbara's folks.

Well sir, speaking of visits, my mother and brother flew in from Boston recently. Ed, Suzy, Julie and I were delighted to see them and only wished they could have stayed longer.

Come to find out, it's really a little ol' world. Nan Davis of Westridge and Fran Lins of Walnut grew up in neighboring towns in Pa. Here's another one, Jean McNeill of Sprucewood and I both come from the same town in Mass. and went to the same high school. And yet another, Bobby Munsterman of Westview and Joan Smith of Catalpa upon being introduced - paused and said - "Didn't we go through nurses training together?"

Suggestion to you hunters in the village area. Please be alert and very careful. Some of our children play in the woods and fields where you hunt. Thank you.

Elaine and George Kujawa, 7709 Larchwood have had a vacation in Minn.

Margaret and Jan Czart, 2909 Everglade, and their children, Lillie, Christina, Julian and baby George had a most thankful Thanksgiving. Jan's mother, sister and brother came from Poland to make the United States their new home.

Thanks to Sears' Santa Claus' helper in a truck for being so thoughtful about delivering toys with pictures on the cartons. Hear his happy and thoughtful manner and smile make him kind of look like that favorite man.

Louise and Tom Church of Deerfield and their girls, Karen, Linda and Christy visited Tom's parents in Mobile, Ill., for a turkey leg.

STORK NOTE OR FISHY STORY

Sue Towner's black molly is a little mother. This all happened at the Towner's home on Jonquil lane.

a student residence, was completed last year.

The library will include an audio-visual auditorium seating 100, Slav cultural center, language laboratory, treasure room for rare manuscripts, museum pieces and works of art. The building will be air-conditioned throughout.

In addition to the treasure room, the library will devote a special area to one of the largest collections of Lincolniana in Illinois, consisting of approximately 6,000 modern and contemporary items, including some 2500 books, pamphlets, 1200 prints, photographs and lithographs, and clippings, letters, documents, sheet music and sculpture--all relating to Lincoln.

The collection was assembled more than 35 years ago as the alumnus-donor, living in the heart of the "Land of Lincoln," followed the Lincoln trail from Kentucky to Indiana, Illinois and Washington.

Barry Byrne and Parks of Evanston designed the building, with M. A. Lombard and Son Company as general contractor.

When completed, library services will be available to residents of the area as well as to St. Procopius students.

School Board Business

By Sheila Jarsonbeck

Residents of The Meadows subdivision with homes in district 68 have asked the school board of district 68 to consider dis-annexing their homes from the district so that they might annex to the Lisle district.

Three school board meetings were held in relation to this problem last week.

The reason for their request is that the Meadows developers have agreed to donate 7 acres of land and approximately \$100,000 for building a new school if the area in question is annexed to the Lisle district by Jan. 1, 1963. For some time the Meadows developers have been trying to precipitate this action as they want to donate a school site to just one district - Lisle. The residents of The Meadows want this school and a sufficient number have signed a petition which was taken to the county board of school trustees. A hearing was set for Nov. 26.

The problem which faced the district 68 school board was what stand to take at the Nov. 26 hearing.

The district 68 advisory council was summoned for its views. While the council was not against dis-annexation, it considered the time element unfair.

The council was formed late in October, '62, and it was stated at that time that to thoroughly study the problem would take 6 months, and to have to answer by Jan. 1, 1963, would not afford them sufficient time to study the problems completely.

With this in mind, they advised the school board to ask the county board of school trustees to defer the hearing until such time as the council has had time to study the problem thoroughly.

Many problems arise from this. Will the builder at the Meadows still be willing to donate the land and money if an answer is postponed past his deadline of Jan. 1? Will a deferral mean the petition from The Meadows is void and the people of The Meadows must wait another 12 months before they can petition again?

Will the postponement mean a heavy increase in the school population at Goodrich which would involve an expense in remodeling the sewage system or double shift in school sessions?

After long hours of deliberation and several talks with Roy DeShane, county superintendent of schools, the school board of district 68 has taken this stand: A statement of facts showing the steps that have been taken and various problems involved which have led to the hearing will be presented to the county board of school trustees with the recommendation to postpone the decision of the hearing until the advisory council can complete its study.

Other than this, school district 68 has no comment.

167,169 Registered In DuPage County

A total of 167,169 voters were registered in DuPage county, according to Chief Deputy County Clerk Ray MacDonald. This is an increase of 6 per cent or 9,277 over two years ago, and 24 per cent or 31,991 above the 1958 election.

The Chief Deputy reports that York township has the largest number of registered voters and that York township tallied the greatest increase in registrations over 1960.

The number of registered voters in each of the county's nine townships is: Addison, (20,720); Bloomingdale, (7,755); Wayne, (1,360); Winfield, (8,809); Milton, (27,954); York, (47,728); Downers Grove, (36,654); Lisle, (11,529); Naperville, (4,660); total, 167,169.

*** About Our Churches ***

By Charlene Vallarta
Wo 8-3777

Village Baptist

Two families, Mr. and Mrs. J. Moxley and Mr. and Mrs. L. Collins, were received into membership of the church Wed., Nov. 21.

The Thanksgiving musical was a tremendous success as the church was full. Those taking part in the program were: the cherub, and junior choir, Mrs. T. Rico, Mrs. J. Phillips, Mrs. M. Wiggins, Mrs. P. Akers, Loreen and Judy Brougham, Charlene, Gloria and Bertha Harwell, Mr. R. Demmin, Mr. J. Collins, Rev. and Mrs. P. Eldridge and daughter and Rev. and Mrs. R. Savage.

The church is looking forward to its second youth day, Dec. 2. Youth day highlights the church young people with the young people providing the special music, ushering and Larry Sarlo bringing the message at 7 p. m.

St. Scholastica

The women's society received Holy Communion in a body Sun., Nov. 25, during the 8 a. m. Mass. The regular meeting of the Society was held Tues., Nov. 27, and at that time plans were discussed for the "Mistletoe Mart".

Sat., Dec. 8, is the Feast of the Immaculate Conception and a Holy day of obligation for all Catholics. Confessions will be heard Dec. 7 from 4 p. m. to 5 p. m. and from 7 - 8:30 p. m. Masses Dec. 8 will be at 6:45 a. m. and 7:30 p. m. at the Woodridge school.

Lisle Savings Mails Christmas Checks

"Checks totaling more than \$17,000.00 were mailed last week to our 1962 Christmas club members," Chester S. Renn, president of Lisle Savings and Loan Association announced. This will mean a financially worry-free Christmas to many residents of the community who will really be able to enjoy the holiday shopping.

Renn also announced that Santa Claus will again be at Lisle Savings office, 4722 Main, Sat., Dec. 15, from 10 a. m. - 3 p. m. to distribute free gifts to the children of the community. The office lobby will be decorated in the holiday motif and Christmas music will be played. Each child will have an opportunity to visit and talk with Santa.

This children's Christmas party is a tradition with Lisle Savings. Last year more than 450 children talked to Santa and received pre-Christmas gifts.

Village Methodist

Rev. J. L. Siple, interim pastor, is in charge of the worship services of the Village Methodist Church which are being held each Sunday at 11 a. m. at Goodrich school.

Mrs. E. Conaty has been elected Sunday school superintendent. Literature is now being examined for use in the Sunday school. The opening date of the Sunday school will be announced as soon as the plans are made final.

Prince Of Peace

Sunday, Dec. 2, new members will be received into the church, several young people will be confirmed and Holy Communion will be administered.

An Advent devotional program will be held for the Church School at 10:45 a. m. on Dec. 2.

The 1st Advent vesper service will be held Sun., Dec. 2 at 8 p. m. in the parsonage, 2735 - 75 St. These services will be held every Sunday evening during Advent at the parsonage and will be climaxed with the Church school Christmas program on Sun., Dec. 23, at the Woodridge school.

The Prince of Peace Lutheran Church Women will meet Tues., Dec. 4, at 8 p. m. at the parsonage. The program is the "Gift of Christmas" - telling how Christmas is celebrated in other lands. Refreshments will carry out the theme of the program.

The Associates of Phillip and Andrew will meet Dec. 5 at 7:45 p. m. at the parsonage.

HOSPITAL FOR LISLE

Construction of a two and one-half million dollar, 120 bed hospital to serve the Lisle area was announced this week.

The Arbor View Community hospital, to be about 220 by 50 feet in size, will be located immediately northeast of the Lisle Medical Center, rt. 53 and Lacey ave. It is to be a completely equipped ultra-modern general hospital, including surgery, pediatrics, obstetrics, X-ray and internal medicine. Shayman and Salk of Chicago are the architects for the hospital.

A charter as a not-for-profit corporation was issued Oct. 24 to the Arbor View hospital by secretary of state, Charles F. Carpentier. Named on the board of directors are: Dr. Fred Sinkovits of Lisle, Dr. Richard Hall of Westmont, Dr. Robert LaRue of LaGrange, Dr. Emil Mulacek of Lisle and Frank J. Belline, attorney of Chicago.

Hospital Emergency Service Explained

Woodridge emergencies have been reported when the circumstances were such that a doctor was not at Edward hospital at the time the patient was taken in for emergency care. The emergency service at Edward hospital is set up so that a doctor is always on call. The reason the hospital does not have a resident physician is that, though growing rapidly, the hospital, now a 60 bed hospital, needs 90 beds and 20 maternity beds to have a resident physician. Until that time a call ahead either to your doctor or to the hospital will assure a doctor awaiting you in the emergency room.
