Woodridge-ites are being called on to face the music this Saturday evening - music provided for dancing by Jim Volpe's orchestra!

Seek County-Wide Uniform Building Code

DuPage county officials sought to chalk-up another first in local government Jan. 10, when representatives of the county board of supervisors met with 30 mayors and village presidents from the county's incorporated municipalities.

Discussed was the drafting and adoption of a countywide uniform residential building code.

The meeting was called by county board chairman, Paul J. Ronske, who explained that the Suburban Building Officials conference had been studying adoption of a uniform code by six Illinois counties surrounding metropolitan Chicago, plus Lake county, Ind., for five years.

"The group's too big. We don't get anywhere. We believe the time has come for DuPage county to take action," Ronske stated.

The County Chairman believes DuPage is a good place to start because "every municipality and the county have good residential codes with high standards. . . While our codes vary, there isn't that much basic difference. The bulk of the variations are in minor categories."

Ronske added, "the trimming of excessive requirements in both the county's code and those of some municipalities will result in a savings for the home-buyers."

Ronske explained that the materials

It is a well known fact that the occasion is the 3rd annual dance sponsored by the Woodridge Police Association at Lisle's V. F. W. hall, Rt. 53 and Warrenville rd. What may not be known is that Jim Volpe, who is a new resident of the village, enjoys a show business career dating back to 1946 when he was for 2 years featured vocalist with the Tommy Tucker band. Jim, who doubles on bass, also has worked in supper clubs and night clubs, with orchestras led by Dan Bellock, Art Ford, Griff Williams and Don Baker.

Though he has had his own orchestra on an on and off basis for years, he organized his present group just before filling a very successful 2 year engagement at the Villa Venice. While there, they cut an album for the Sandray label called "Gino", which featured an authentic Venetian gondolier singing such Italian favorites as "Non Di Menti Car" and "Arrivederci Roma".

The Villa was followed by a month long stint at Willowbrook Country club, after which Jim and his orchestra took to the road. They played an exhausting schedule of 21 one-nighters in as many days throughout Illinois, Indiana, Michigan and Missouri.

Jim made his entertainment world debut at the age of 8 playing Stephen Foster in a grammar school production of "Show Boat". From then on he says he was smitten. While at Crane Technical high school, he studied music, sang in the choir, played in the band and appeared in plays and musicals at every opportunity.

After graduation he attended Chicago Music college.

Besides composing songs, some of which have been published, Jim has also led a group called the "Monograms", who

Prince of Peace Receives \$2,000 Gift

The Rev. Herbert B. Carlmark (center), pastor of Our Saviour's Lutheran church, looks on as Walter Henk (left) accepts \$2,000 gift from William Trump, the church's treasurer.

Sun., Jan. 13, the members of Our Saviour's Lutheran Church, 815 S. Washington, Naperville, presented a gift of \$2,000 to the members of Prince of Peace Lutheran Church, Woodridge.

Pastor Herbert B. Carlmark and Treasurer William Trump of Our Saviour's made the presentation to Walter Henk, 7618 Westview, Woodridge. Henk is president of the board of trustees.

When the Prince of Peace congregation was organized late in 1961, a number of Woodridge area families who were members of Our Saviour's became charter members of the newly organized Woodridge area church. At that time it was proposed that \$2,000 be set aside out of the 1962 budget at Our Saviour's to be given to Prince of Peace to use for a permanent fixture in its proposed church building.

Name New Mothers Club President

The Mothers club held its regular monthly meeting Jan. 15 in the Woodridge school gym with Mr. John D. McCauley, Director of Health Education of DuPage county presenting a talk on "Why Sex Education"? A movie entitled "It's Fun To Be A Girl" was also shown and a question

and answer period followed.

New officers were introduced during the business meeting. Mrs. Dorothy Provo was introduced as president to replace Genevieve Gray, who is moving out of state. Mrs. Ruth Vondrasek was appointed to fill Mrs. Provo's position as vice-president and Mrs. Dorie Keller assumed Mrs. Lorraine Larson's duties as recording secretary.

Project Chairman Mrs. Barbara Bonk announced that the school board had voted to give the Mothers club \$230 from the Kaufman fund which is to be added to the Mothers club \$300. This money will be used to purchase vinyl plastic drapes for 10 of the classrooms. The colors of the drapes will be chosen to fit each individual classroom.

The deadline for all pepsi "plus" caps was announced as Feb. 15. The caps can be delivered to Mrs. Barbara Bonk, Mrs. Ruth Vondrasek, or Mrs. Faylene York.

The next meeting will be held Feb. 19 in the Woodridge school gym with Mrs. Faye Hoffman presenting a program, "Which Road to Beauty."

Police to Sponsor Boy Scouts

The Woodridge Boy Scouts Troop 109 are proud to announce their new sponsor, the Woodridge police department. With their aid, guidance and interest the boy scout committee expects to be able to achieve more goals and to have more activities. The committee expressed their firm belief that if Woodridge had more interested groups and individuals, it would be a place of respect and pride for its citizens. The boy scouts and the committee extend their sincere thanks to the police department for their support and interest.

Kagann Attends Police Conference

Chief Joel Kagann attended the mid-year conference of the Illinois Police Chiefs' Ass'n. in Springfield Jan. 20 and 21. Under discussion were laws pending in the legislature for 1963 as well as a report on the proposed criminal code change.

Vehicle licenses are now on sale in the village hall, 2909 Forest Glen pkwy. The sticker is \$5 per year for passenger vehicles and may be purchased by mail or in person from the village clerk Wed., 1 to 4:30 p. m. and Sat. 10 a. m. to 1 p. m. The clerk will also be at the hall from 7:30 to 9:30 p. m. Mon., Feb. 11, through Fri., Feb. 15, to allow for any last minute purchases of the vehicle license. The chief reminds village auto owners that enforcement will begin Feb. 16.

Woodridge police arrested a Downers Grove resident Jan. 6 for driving without a driver's license, driving while under the influence of intoxicating liquor and obstructing traffic on the highway. Because he was unable to post \$1,000 bond, the motorist was taken to the county jail by DuPage Constable Doyle Steck. Case was continued to Jan. 28.

In the 2 week period between Jan. 1 and 16 police are reported to have issued 4 tickets for speeding, 2 for stop sign vi-

Wiggins Resigns School Post to Campaign

In submitting his resignation to the school board, Marvin Wiggins asked that his resignation as a school board member be accepted as of Jan. 7, '63. He states that though he has a strong attachment for school functions and programs, the aims of the Citizens Action Party are such that he has agreed to take an active role in the party. A four-man committee, under the chairmanship of Olga Redfield, will consider a possible successor to Wiggins. They are to have a recommendation for the board at the Jan. 21 meeting.

cond) meeting, the main objective of the club is safety. Until they have learned safety in every form while handling a rifle, they won't be permitted to do actual firing.

This safety will be stressed at every meeting along with work on position, sight-picture "dry-firing", proper care and cleaning of rifles, range procedures and possibly classes on ballistics. By the time the boys have familiarized themselves with these procedures, warmer weather will be here and actual firing on an outdoor range will begin.

When the group is organized and the groundwork is established, they will apply for a charter from the National Rifle association in Washington, D. C. This organization has been promoting firearm safety and civilian marksmanship since the 1800's.

Through the N. R. A. medals and certificates of merit will be awarded for pro-

"Come to the Mardi Gras"

"Mardi Gras" will be the theme of the Woodridge Firemen's Association 3rd Annual Benefit dance. Costumes are encouraged, but all are welcome in costume or not. Masks will be given to all at the door. The dance is scheduled for Feb. 23 at the Alexander Bradley American Legion Post #80, behind Downers Market, Downers Grove. A donation of \$1 per person is requested, and the proceeds will be used to purchase needed equipment for the Woodridge fire department.

The firemen will be selling tickets door to door within the week.

Police Dance Saturday

Saturday, Jan. 26, is the 3rd Annual Woodridge Police Association dance. Fun begins at 8:30 p. m. at the Lisle V. F. W. Post, Rt. 53 and Warrenville rd. Tickets are available at the police station, 2909 Forest Glen or at the dance. Tickets cost \$1.25 each. There will be refreshments, door prizes and a special surprise attraction. Proceeds from the dance will be used to buy necessary equipment for the Police department.

"Woodridge can't afford to have a community center" is a comment we have heard more than once from people we feel have little faith in what the people of this community can do if given the opportunity. Thomas Jefferson, with all his brilliance and great confidence in the future of the Republic, thought it would take a thousand years to settle the West. He underestimated what free men can accomplish, given the opportunity to create for themselves.

It is our opinion that Woodridge can't afford not to have a community center for at least two good reasons. First, various attempts to provide needed youth activities have been severely hampered by the lack of facilities; secondly, the present village hall (which is rented) is now inadequate for a community of this size. In addition, if land isn't set aside shortly upon which to build these facilities, the village may find itself without suitable land near the heart of the present community.

Of course, to acquire the necessary land and to build adequate facilities will cost money, but probably not as much as some of the local "prophets of doom" would have us believe. Until a thorough study of the cost is made, the "we can't afford" attitude is a poor excuse for inaction.

Then there are the optimists who are waiting for some paternalistic benefactor to provide these facilities for us. If this happens, fine! However, the need for facilities exists NOW!

Paris in the Spring Fashion Show Theme

"Paris in the Spring" is the theme of a fashion show to be presented by the Woodridge Mothers club Feb. 13 at 8 p. m. in the Woodridge school gym.

"Two Sisters" of Western Springs will provide fashions for the models who will be Mrs. Dorie Keller, Mrs. Grace Kennell, Mrs. Mary Lou Hartfield, Mrs. Ruth Vondrasek, Mrs. Delores Zuccaro, Mrs. Mary Ann Przybylski, Mrs. Sally Watson, Mrs. Jean Ortman, Mrs. Maxine Anders, Mrs. Evelyn Arnouil, Mrs. Barbara Lentz, Mrs. Arlyle Roberts and Mrs. Shirley Manges. Dorothy Salisbury will be the commentator.

"Peterson" of Downers Grove will also be represented with children's fashions.

Committee heads are Mrs. Ginger Swierbinski, decorating; Mrs. Geane Modersohn, refreshments; Mrs. Mary Ann Di Francesco, tickets; and Mrs. Peggy Wehman and Mrs. Barbara Blecher, posters. Tickets are \$1.

Groveside Gardens Hosts Garden Club Meeting

The Garden Club's Jan. 10 meeting was held at Groveside Gardens. The club was the guest of Evelyn and Ed Breed, owners of the greenhouse.

The program included a tour of the greenhouse and helpful hints on how to plant and propagate seeds.

Refreshments were served after the program.

Census Takers Needed

Applications are now being accepted by the village clerk, Eleanor Murphy, for interviewers in the special federal census which will be conducted in the village beginning Monday, February 4. Prospective interviewers must be citizens of the United States, at least 18 years of age and able to work full time for an estimated two to three days. They will be paid at the rate of 6¢ for each properly recorded name and should be able to record 200 names a day.

The special federal census is being taken to enable the village to obtain additional Motor Fuel Tax revenue. This tax on gasoline is distributed by the State on a basis of population figures from the last federal census. Because of the rapid growth in population in Woodridge since the 1960 census, the special census is expected to increase revenue more than four times. Results of the census may also be used to obtain additional services from the utilities who supply the village.

Applications are available at Mrs. Murphy's home, 7620 Catalpa avenue, WO-9-6585, and must be completed and returned before Saturday, February 2.

Marionette Show Jan 26

A marionette show is planned for the scouts and brownies in the area. The show will be Jan. 26 at 2:30 p. m. at the Lisle V. F. W., Rt. 53 and Warrenville Rd., Lisle. Tickets, 50¢ each, can be purchased at the door.

TO THE EDITOR

Dear Residents of the Newly Annexed Area:

I deeply regret that I did not somehow find the time, in spite of the Christmas rush, to send each of you a letter informing you of the annexation of your area and welcoming you to the village of Woodridge. This was clearly the clerk's responsibility and not that of any other village official.

Now that this glaring neglect has been in the public spotlight, it is impossible to offer you the spontaneous welcome which should, at least, have preceded the request for payment of a vehicle tax!

I hope this letter will serve as an apology and as an assurance that our failure to put it in writing does not mean we are not happy to have you join us--we are. As a friend of mine from your area pointed out, there are probably as many active, community-minded people in this one section of Woodridge as there are in the entire rest of the village! Woodridge will surely benefit from your becoming part of it. And we hope in time you, too, will feel it was a wise decision.

The president, the board of trustees, the other village officials and all the people of Woodridge join me in sending you a very warm welcome and many good wishes for a cooperative, productive future together.

Eleanor Murphy
Village Clerk

P. S. All regular village board meetings are open to the public and are held on the first Thursday of every month at 8 p. m. in the village hall, 2909 Forest Glen pkwy. Notice of special board meetings (which are also public) will be posted on the bulletin board outside the village hall. You are invited to attend and to contribute your opinions.

Dear Name Withheld,

You are confused! The term "in group" was originated not by the village board but by a challenging party. It was meant and has been used in an insulting manner--not an arrogant one. The many, many people who work for the betterment of Woodridge could not agree with you more--it is kid's stuff--and that's exactly why no one has wasted the energy to defend that which needs no defense.

Sincerely,

Barbara and Bruce Lentz

P.S. If you are that basically honest thinking man referred to in your letter, why didn't you sign your name--so we could all vote for you?!

By Sheila Jarsonbeck

"What would you like to see included in the platform of the various candidates in the coming April village election?" This question was asked of 30 Woodridge-ites, both men and women, chosen at random in a recent WNR poll.

Of the 30 interviewed, 15 made no statement. The reasons were: I haven't studied it enough, I'm not familiar with village politics, I can make no suggestions or I don't care to answer. One person said he had so many problems that he didn't have time to think about politics. One declined to participate for several reasons which he didn't care to state.

The responses of the fifteen answering the question were varied but fit into definite categories.

Three wanted to see something done about a civic building which would house the fire and police departments, village hall and room for youth activities.

Four others wanted to see better government. One thought each issue, as it develops, should be weighed against the past for the improvement of the village. Another wanted to see the various platforms summarized side by side. One individual thought there should be more "openness" and fewer statements of "we're not ready to disclose this", while another stated he was tired of promises and wanted proof that plans promised during the campaign would come into being and not simply fade away after the campaign.

Three of those answering the question wanted something to be done about the shopping center.

Two wanted some assurance of the preservation and expansion of the park areas and improvements made on them.

One party stated he would like to see some stimulation to get people to buy homes because "growth is good". The shopping center, organizations and churches would result from this growth. He thought perhaps a committee should be formed to meet with Mr. Kaufman to create this stimulation and sell more homes.

Many answering were informed; others commented like one gentlemen, "I really don't follow politics, and I should be ashamed because I like to see good government".

One man queried, "Aren't we still a part of Downers Grove?". Learning that we are not, he became quite interested.

ATTENTION:

If any women are interested in entering the WAA women's ping pong tournament, they can do so by calling Mrs. Nancy Thoren at WO-9-4055 before Jan. 31.

There will be a meeting of the eighth grade mothers Thurs. Jan 31, at 2 P. M. in the library room at Woodridge school. To be discussed is the one-day Spring-field trip for eighth graders.

BIG YEAR FOR BUSY BROWNIES

BY FERN LEE

The above pictures have been selected to show the various activities of the Woodridge Brownie troops. Investiture of new Brownies was held Nov. 13 at the school gym. At this time the new members received 1 yr. and 2nd year pins.

Also on this date, an old flag was given to the Brownie troops by the Woodridge school to be folded and burned as is our American custom.

One of their projects was making Christmas gifts for their parents. Mrs.

Jeanne McNeill's troop 701 and Mrs. Barbara Cooling's troop No. 133 made Christmas boxes, which they decorated with macaroni and sprayed for the mothers, and made key chains for the fathers. Mrs. Betty Oakes' troop 157 made Christmas center pieces. During this time the Brownies practiced Christmas carols which

they sang Dec. 20. At this time two hay wagons were made up by Al Lee, Jim Daugherty and Ollie Krueger. The troop leaders and the Brownies appreciated all those who donated their time and efforts to make the caroling a success. There was a Christmas party held at the homes of the troop leaders after the caroling during which gifts were exchanged and refreshments served.

All three Woodridge brownie troops need sponsors. Any organization interested should contact Mrs. Oakes, WO 9-0438; Mrs. Cooling, WO 9-3027 or Mrs. McNeill, WO 8-3397.

One immediate need is for parade size flags. Perhaps some individual or organization has an extra or one that now is receiving infrequent use. The brownies can not only put it to good but frequent and important use.

marksman, marksman, sharpshooter, expert rifleman and the highest award, distinguished rifleman. When one boy asked what had to be done to get this highest award, Mr. White answered, "Everything except stand on your head. I filled a waste basket trying to get that medal."

Target shooting, as explained to the reporter attending the meeting, is a science, not merely trying to hit a tin can in a field. It is an accomplishment requiring brain power and common sense. Because of the equipment used, horseplay cannot be tolerated. Information about the club can be obtained from Mr. Jack White, 964-0809, or Mr. Keith Porter, 964-0368. Mr. White, rifle club advisor and supervisor, is a reserve officer of the Woodridge police department and a qualified National Rifle association instructor. Assisting Mr. White is Mr. Keith Porter, a collector of firearms.

The next meeting is scheduled for next Tuesday night. To impress the instructors, begin by calling these firearms rifles--not guns.

He wants to spend more time at home at 7634 Deerfield with his wife, Marilyn, and their children Janet, 7, Jimmie, 5, Julie, 4, and Jennifer, 3 mos. It was while Jim was touring with his combo that his wife and youngest daughter starred in their own kind of vehicle - a hospital elevator - where Jennifer was born a month prematurely.

Jim hopes to see a good turnout at the dance, where, he points out, requests will be welcome. He and the members of the orchestra will do their best to make the evening enjoyable.

Youth Activity Groups Report Growth

The following is a report on the activities of that still nameless group of adult advisors described in the Dec. 27 issue of the WNR and a further description of the organization as it now stands.

As was announced in the aforementioned edition, five sub-organizations were formed. The most successful of these is the rifle and marksmanship club which had excellent attendance at its first meeting.

The science club met, and despite the relatively small size of the group, a plan was evolved to give Woodridge a full-fledged weather station recording twenty-four hours a day. The equipment will be constructed from that donated by Packard Instrument of Downers Grove. After this, construction of a telescope seems to show much promise. There are many other side projects, also.

The model club as yet has no members, and all those young people interested in any phase of gas powered airplanes, trains or boats are urged to contact Mr. Frank Campana, 2635 Forest Glen, 969-0451.

The amateur radio club is off to a slow but encouraging start, and future plans and activities will be announced as they develop.

The exhibition drill team has been formed and has begun training, but many more members are needed to fill out the roster before the full range of maneuvers can be taught. Size here is a factor and at this time the height limit is between 5'3" and 6'0".

As a statement of policy, the adult advisors feel that no political ties should

be permitted within the parent organization as this is not for the advancement of anyone's political desires but for the young people of our village.

Funds to subsidize the groups are at this time non-existent and not needed. It is hoped that there will be no need for an appeal for this in the future. There is no intention to "compete" with any organization now in existence, only to supplement, and it is hoped that this courtesy will be extended all around. Conflicts may exist at first, but in the future, meetings will be held to two nights a week. Please contact one of the advisors if such a conflict exists. Prince Of Peace

The Prince of Peace Lutheran Church women held their annual meeting on Wed., Jan. 16. They adopted the new constitution for L.C.W. in the Lutheran Church in America. Officers were elected for a 2 year term. They are: Mrs. Ruth Lung, president; Mrs. Eleanor Carter, vice president; Mrs. Lora Henk, secretary; Mrs. Olga Redfield, treasurer; Mrs. Bobbie Munsterman, program chairman; Mrs. Charlene Cooper, service chairman; and Mrs. Marcia Eggen, membership chairman.

The youth of Prince of Peace will meet Sun., Jan 27, 7 p.m. at the parsonage for devotions, song fest and group games. These will be conducted by the young people. There will be a short business meeting at which time the youth will select a steering committee which will plan the programs and activities until August and will serve as the nominating committee for the election of officers.

Sunday, Feb. 3, at 10:45 a.m. the church school will see a short film strip introducing the work of the Lutheran Church in the world, "A New Language for Kim Po." It is the story of a Korean refugee boy who learns about unknown friends in America through clothes, food and medicines reaching the troubled victims of war and flood.

Village Baptist

Sunday, Jan. 27 will conclude the "Deeper Life" meetings with psychologist R. Richard Searle. The previous meetings have been a success with many gaining a deeper insight into their own lives and life's relationship to God.

Village Methodist

Methodist Church services will be continued as before Sunday at 11 a.m. at Goodrich school.

Gray Family Leaving Woodridge

BY PEG MILLER

When at the end of this month, Ron and Gene Gray leave Woodridge, they will leave behind them many friends and co-workers.

The Grays moved to Woodridge from Western Springs Dec. of 1960 and have made their home at 7639 Walnut Ave. They have been active members of the community, and always have given freely of their time whenever they could be of service.

Ron has accepted the position of estimating analyst with Bendix Aviation in South Bend, Indiana. Though the Grays are sorry to leave Woodridge, it will be "going home" for them. They met in South Bend, went to school at Indiana University and both of them grew up in that area. Ron's family still lives in South Bend.

Among Ron's activities here were village trustee, where he served on the public protection and finance committees, and church work. He and Gene were charter members of Prince of Peace Lutheran church, where he served as a deacon, taught Sunday school and directed the choir.

Gene has also been busy in the church, helping with Lutheran Church Women, directing both the junior and senior choirs and working on the Christmas programs and Bible school.

She was a Republican election judge, sang in the Downers Grove Oratorio Society and has been a member of the Library committee.

Last year Gene served as recording secretary of the Woodridge School Mothers Club and this year has been president of the organization.

The Grays have two children, Claudia, 11, and Ronnie, 12. Their new address in South Bend will be 1166 Altgeld.

Mothers Club presented a vase to Genevieve Gray as a going away gift and the executive committee presented her with the traditional president's bracelet.

Lynn and John Trask, 3000 Forest Glen, have Lynn's parents, Mr. and Mrs. R. B. Mauritzen, as house guests for a week.

Donald Russell, 2952 Forest Glen, has returned from a week in Texas where he attended a records conference for the immigration department.

Gary and Betty Olson of Forest Glen entertained at a holiday reception for their daughter and son-in-law, Sandy and Jay De Groot, who were married in Chicago, August 13, 1962.

In the big girl birthday department we have Mrs. LaVerne Tucker, who was ?? years old. She's not going to tell. Mrs. Ethel Ashcraft's home, 2929 75th st. was the scene of this party. Mrs. Dorie Keller, Mrs. LaVerne Bryant, Mrs. Marylou Hartfield, Mrs. Geane Modersohn, Mrs. Ginger Swierbinski, Mrs. Shirley Miller, Mrs. Francis Furio and Mrs. Evelyn Arnouil were the party girls.

Hope Tommy Gwiazdowski of Catalpa is feeling much better. He is home after a short stay in Bob Roberts hospital for eye surgery.

Get well - get well to all you youngsters with chicken pox. I think you're trying to form a club at the rate this thing is going around the village.

Anne and Robert Buchal, 2939 Jonquil, had a baby girl. Elizabeth Ellen was born Jan. 2 at Hinsdale hospital. She weighed 9# 4-1/2 oz. The Buchals have one other child, Jamie, who is three.

Mr. and Mrs. E. R. Stroud, 7621 Woodridge, adopted a baby girl. Sonia Ruth was born Jan. 1 and weighed 6# 14 oz. Sonia has a big sister RaNae, who is 12.

Thanks to the gals who collected for C/P. They marched around for a week with icicles on their noses, it was so cold.

Belated but nonetheless hearty congratulations to proud parents John and Marilyn Stachowiak on the Nov. 14 birth of their new baby. Five pound 5 oz. Jean, who debuted at Loretto hospital, joins sisters, Brigitte, 4, Barbara, 3, and brother, Robert John, 2.

Mr. and Mrs. Robert N. Lincoln of 7625 Sprucewood enjoyed a visit to Sarasota Jungle Gardens during their recent vacation on Florida's Lower West Coast. The visitors mingled with flamingos and other rare wildfowl from every continent roaming freely in these world famous Gardens.

Timmy Adorjan, 7707 Butternut ct., has recently been a star on TV and has had his picture in the Sun-Times. Timmy, who has been active in a judo class for handicapped children, appeared on several TV programs demonstrating the effectiveness of this class which is just for youngsters who are deaf, blind or mentally handicapped. Cerebral Palsy Week was the occasion for the daily newspapers and TV stations to show some of the work done for these children particularly by dedicated volunteers.

D.G.H.S Journal

By Lynn Hondlik

While the Christmas vacation elapsed the Varsity Trojans competed in many basketball games. Downers was defeated when they played Riverside-Brookfield, 72-66. At the West Proviso Tournament, the Trojans won over West Proviso, 69-58, but they lost to Highland Park, 54-59. Downers defeated Hinsdale, 72-65, on January 11.

In wrestling the past weeks, the Varsity Trojans dumped Carl Sandburg, 23-18. In the Prospect Tournament, DGHS took third place out of the eight competing schools. Naperville took first place, and Rockford East filled the second place opening. When the D.G. grapplers wrestled R.B., the Trojans had a victory, 21-16. At the Hinsdale Quadrangular, Downers Grove took the 1st place trophy with 97 points, while Morton West trailed behind with 94 points. Third place was filled by Hinsdale, and Glenbard West brought up 4th place. 31-12 was the final score when D.G. defeated York.

In future basketball games, Downers will compete with LaGrange, here, Jan. 25, and Glenbard West, there, Feb. 1.

D.G. wrestlers will compete with Hinsdale there, at 6:45 p.m. on Jan. 25. Then on Jan. 26, at 2 p.m., Willowbrook will visit D.G.

IT'S ELEMENTARY
WOODRIDGE SCHOOL

by Amy Hill

Congratulations to Mr. and Mrs. Touseignant from the students of Woodridge school on the arrival of their first child, Hillary Ann.

The children are again anxiously awaiting the good or bad reports from the soon coming report cards.

Mrs. Miley's room has recently been having doll and toy parades. The girls were asked to bring their favorite doll and parade through the other first grade rooms showing their dolls. On the next day the boys brought their favorite toy and also paraded into the first grade rooms.

A poignant incident about a boy, a girl and a doll occurred in relation to the toy parade. One thoughtful little boy was so concerned about a classmate who had forgotten her doll at home (she was one of the children who remains at school for lunch) that he borrowed his sister's doll so she would have something to carry.

In Mrs. Buchinger's 2nd grade the children have been drawing pictures of helpful and harmful insects, which are very cute. They also are trying to grow different kinds of plants.

Local Women to Roll at Lisle Bowl

Mrs. Joyce Schreck, 3012 Jonquil, has organized a bowling league for Woodridge women. The girls (24 in number) started bowling Jan. 21 at Lisle Bowl, Rt. 53, Lisle. The league may be increased to 30 women so an invitation is extended to those interested to stop in and watch Monday evenings at 9:30 p.m.

"Living Constitution" Presented To School

Pictured are Mrs. Emma Kunze and Mrs. Phillip Locke of the DuPage Federation of Republican Women presenting records to Mrs. Richard G. Martin, treasurer of the Countryside Republican Women's club, for distribution to the Lisle-Woodridge area. Both Woodridge and Goodrich schools received a copy of the record, a recitation of the constitution entitled, "The Living Constitution of the United States." Mrs. Martin made the presentation to Woodridge school.

Building Code

cont'd. from page 1

variations in requirements prompt higher basic cost for builders and higher purchase prices for the home-buying public.

"Seventy-five per cent of the builders work in the majority of the municipalities and the county. By demanding that these builders use a variety of similar materials we are forcing them to do their purchasing in small quantities, therefore increasing the construction cost of homes," Ronske explained.

He added "new, proven-tested, materials now on the market should be included in our residential codes."

DuPage county officials believe that a uniform code would provide greater protection for all landowners, insuring high standards for all residential developments in all parts of the county.

olations and 1 for dog running at large. In the latter case, the owner was fined \$5 and required to pay \$5 costs in magistrate court. The fine was suspended.

In the same interval the department received calls about the following: 1 stray cat, 1 missing dog, 4 stray dogs and 2 missing persons, 1 an adult, the other a 12 year old child.

Police also handled the repossession of an auto; took a 14 month old child, who had been knocked unconscious in a fall from the kitchen table, to a physician for examination; went to a home where there was no phone to inform the parents that their child was sick at school; responded to a complaint about juveniles causing a disturbance on Catalpa and investigated 3 incidents of malicious mischief at Woodridge school involving a broken storm sash, damage to the mail box and bent license plates and broken windshield wipers on the school bus as well as windshield wipers broken on the custodian's car.

The chief reports also that Sgt. Jerry Szczepaniak traveled to Florida to pick up two run-away juveniles who had partly hitchhiked and taken a bus to the southern state. The youths were traced when they made a collect telephone call home. Sgt. Szczepaniak's round trip plane fare and the youths' return trip was at the expense of parents of the youths.

ICC Hearing Postponed Again

The Illinois Commerce Commission hearing on the petition for sewer and water facilities from the Woodridge Sewer and Water Co. has been postponed.

The petitioner is requesting facilities for the recently annexed 41 acre area south of Everglade ave. known as Anderson's farm. Purchasing this land is Stade Construction Co., LaGrange, on the basis that the Woodridge Sewer and Water Co. provide facilities for the area.

The original hearing was set for Nov. 30, 1962, and was postponed to December, then to January and now has been set for Mar. 6 at 2 p.m.
