Public Hearing On BOCA Tonight

A public hearing will be included as part of tonight's regular village board meeting, Thurs., Feb. 7. The purpose of this hearing will be to take testimony

Heavy Fines Levied Against Two Motorists

Pleas of guilty to multiple charges resulted in heavy fines for 2 motorists in magistrate court sessions here Jan. 28 and 29, according to Chief of Police Joel Kagann.

A Mokena, Ill., resident, arrested Dec. 8 and charged with driving under the influence and driving on the wrong side of the road, pleaded guilty to the latter charge before Magistrate Walter Larson and was fined \$200 and costs, \$100 of which was suspended. Upon the motion of the defendant's attorney, the "influence" charge was changed to reckless driving to which the defendant also pleaded guilty and was fined \$200 and costs.

A Downers Grove motorist arrested Jan. 5 on multiple traffic charges failed to appear in court at the scheduled time causing forfeiture of his bond. Upon being advised in court the following day of the possible penalties for each offense, the defendant waived a jury trial and pleaded guilty on all counts. He was assessed \$200 and costs for driving under the influence, \$200 and costs for obstructing traffic on a highway and \$300 and costs for driving without a license. The latter fine was levied after it was learned that the defendant had once served 80 days in jail on a similar charge. State law provides for a penalty of up to \$1,000 and 1 year in jail for 2nd and subsequent offenses on the charge of driving without a license.

St. Scholastica Smoker

St. Scholastica Men's club will hold a smoker, open to everyone in the community, Feb. 13, starting at 8 p.m., in the lower class room of the school.

There will be refreshments and door prizes. Tickets can be purchased from any member.

This will take the place of the regular meeting.

on the proposed adoption of the B. O. C. A. building code. B. O. C. A. is the abbreviated form of Building Officials Conference of America, a non-profit municipal service organization of public officials who regulate construction through building codes. This building code differs from many others in that it is not determined by village officials but by this organization.

In communities with individual building codes there is usually specified a certain type of material to be used, such as lath and plaster because it is fireproof. B. O. C. A. would specify a fireproof wall listing several types of wall material which they have tested and given their approval. In other words this code requires certain performance of materials used in construction, not one particular material.

If at all possible there will be a representative of B. O. C. A. at the hearing to explain in detail just what the adoption of this building code would mean to Woodridge. Even in the absence of this representative there will be discussion and explanation. Action on this is expected to be taken at a subsequent village board meeting.

April Election To Fill Four School Board Seats

The election of candidates for the board of education of district 68 is scheduled for Apr. 13.

Positions to be filled are the 3 year terms of board President John Dahlberg, Robert Slater and Alfred Olsen which will expire in April.

Also to be elected is a candidate to fill the 1 year unexpired term caused by the resignation of Marvin Wiggins from the board. Charles Smeeth was recently appointed in Wiggins' place and will serve until the election.

Nominating petitions require the signatures of at least 50 eligible voters or 10% of the voters residing within the district and are to be filed with Mrs. Olga Redfield, secretary of the board of education. The first day for filing is Feb. 27 and the final day, Mar. 23. Petitions may be obtained from Mrs. L. Nedjl at Woodridge school.

Citizens' Action Party, Independents Name Slates

By Maureen Grummel

With the organization of two groups and the possibility of a third, one of the most significant changes in the political history of Woodridge is being made.

CAP Introduces Candidates

At this time the Citizens' Action Party has chosen to release the biographies of its candidates. Although the Woodridge Independents have not chosen to do so now, it is certain they will do so in the future.

Shortly after the election for police magistrate, the Woodridge Better Government Party distributed a circular announcing its intention to form. To date the WNR has received no word of this group, but their announcement seemed to expedite the official naming of the two parties which were at that time and are now organized. These two groups seeking to run candidates in the April 16 election are the Citizens' Action Party and the Woodridge Independents.

The Citizens' Action Party has not only revealed their slate but have also drafted a platform which in part reads, "It is our belief that sound relations with the building community, progressive direction toward a community center and fiscal responsibility will attract the business community. Real interest will then be shown in a shopping-center and the establishment of light industry. Of greater importance, these programs will make our village a better place in which to live."

The candidates on this slate who are seeking two year trustee terms are Marvin Wiggins and Walter Hansen. The four year terms are sought by David Callahan, Ed Redmond and James Kinser. Faye Hoffman is running for village clerk, which is a two year term in this election.

The Woodridge Independents have not as yet drafted a platform. However, a spokesman for the party, Robert Murphy, declared that they will make no promises of "pie in the sky" or any other campaign promises that they cannot live up to. He feels that the incumbent trustees have done a good job in the past and will continue to do their best in the future. They have announced their slate as follows: for village clerk, a two year term, Shirley Manges; for 2 year trustee terms, William Woody, Jr. and Robert H. Murphy, and for four year terms Robert Manges, Albert J. Zettler, Jr. and Ralph H. Kennell.

James Kinser

James Kinser, 41, and his wife Ramona have resided at 7658 Deerfield since August, 1961. Their four children are Bridget, Paula, Danny and Jamie. Jim spent his military service in the Army Air Corp. He is presently employed by the New York Central Transport Division. In addition to as much hunting and fishing as possible, his outside activities include working with the WNR in advertising sales and production, and being treasurer of the N. Y. C. credit union.

Walter Hansen

Walter Hansen, 30, and his wife June's family consists of twin boys Michael and Joseph, another son Ricky and a daughter Catherine. They have resided at 2530 Crabtree since October, 1961. Hansen attended Tuley high school in Chicago and is now employed by B. & A. Electric Co. His military service lasted four years in an air force flight crew during the Korean campaign.

Edward Redmond

Ed, Carolyn, Susan and Julie Redmond have lived at 7631 Catalpa since Nov. 1961. Ed received a bachelor of arts degree from Beloit and is now employed as an English teacher at Downers Grove

"Hot Time" Planned At Mardi Gras

By Ramona Kinser

Does "fat Tuesday" conjure up pictures of parades, elaborate floats, music, masks and masquerade balls? Hardly. But mention Mardi gras, and these things immediately spring to mind. Yet "fat Tuesday" is a literal translation of the French "Mardi gras" and derives its name from the fat ox traditionally led in parades during the festival that takes place the day before Ash Wednesday.

Originated in Europe and still held in such cities as Paris, Nice and Rome, the custom affords the public one last chance at merry making before Lent begins. The first American Mardi gras was staged in Mobile, Ala., in 1831. New Orleans became the scene of a Shrove Tuesday carnival in 1837 and has, over the years, become famous for its annual gala. One of the features of the event is the crowning of King Rex, who reigns throughout the festivities and is presented a key to the city by the mayor.

Woodridge-ites are to be treated to the fun of Mardi gras Feb. 23. Being the Sat. before Shrove Tuesday, the date is a little early, to be sure, but it should prove no less enjoyable. The setting for this pre-

Mothers Club Fashion Show February 13

The Woodridge School Mothers club will have their regular meeting Feb. 19 at 8 p.m. in the school gym.

Lois Swenson, who is associated with Merle Norman, will give a cosmetics demonstration. As part of her program, she will demonstrate her product on one or two women from the audience. There will also be favors.

The Fashion show, to be given Feb. 13 at 8 p.m. also at Woodridge school, will have "Paris in the Spring" as its theme. "Two Sisters" of Western Springs will furnish ladies' fashions.

Children who will be modeling clothes from Peterson's children's shop in Downers Grove are: Beth Woodin, Danny O'Connor, Mary Ann DiFrancesco, Jeffrey Mueller, Shelley Miller, Laurie Slater and Linda Benckendorf. Mrs. Marge Groth and Mrs. Chenzie Narducci have been in charge of arrangements, with Mrs. Ginger Swierbinski, Mrs. Geane Modersohn and Mrs. Mary Ann DiFrancesco as committee heads.

Narrating will be done by Mrs. Dorothy Salisbury.

Proceeds will go toward paying for the new window drapes for the school.

There will be door prizes and refreshments.

Tickets may be purchased from Mothers club members or by calling Wo-9-4375.

Dog Licenses Available

The village clerk, Mrs. Eleanor Murphy, announces that dog licenses are for sale at the village hall during Wednesdays, 1 p.m. to 4:30 p.m., and Saturday mornings, 10 a.m. to 1 p.m. Licenses will also be available on Feb. 11, 12, 14 and 15 from 7:30 p.m. to 9 p.m. The fee is \$2 for males, \$3 for spaded females and \$5 for unspaded females. Every dog over 6 months old is required to be licensed. At the time of purchase the owner must have a rabies certificate showing proof of inoculation within the past year.

Circus Planned For Woodridge

An announcement made at the police association dance revealed the organization's plans to bring a circus to Woodridge Thurs., June 13. Elephants, clowns, trapeze artists, bare-back riders, animal acts and possibly a cat act will be among the attractions featured in two performances, one at 4 and the other at 8 p.m.

The circus will be presented under the "big top", a tent 140' x 80', which will be erected at a site as yet undetermined. It will provide seating for approximately 5,000 spectators.

Representatives from Projects Associates, Appleton, Wisc., are presently in the village working on preparations for the circus. They are in need of the services of 2 or 3 people able to work full time for several weeks. Additional information may be obtained by calling John Bodin, 968-1686.

Begin Baseball Registration

The Woodridge Athletic Association, organizers of the boys' baseball program has announced that registration for this summer's baseball will be held Feb. 16 and 23 in the village hall basement, 2909 Forest Glen Parkway, from 10 a.m. to 1 p.m. Boys ages 7-15 are eligible. Applications are now available at the village hall during office hours. A parent's signature is necessary on the registration blank and the registration procedure will be facilitated if the blank is procured in advance of the registration date and signed when the boy brings it for registration.

Scouts Have Skating Party

Woodridge boy scouts, troop 109, had a skating party Jan. 19 at Morton Arboretum. Hot chocolate saved the day which was a cold and snowy one. Accompanying the scouts were Scoutmaster H. Witt and Assistant Scoutmaster J. Shroka.

TO THE EDITOR

Community Center Unnecessary?

Dear Sir:

There is so much concern about the need for a community center. What is a community center? The purpose of a community center is to provide facilities for the village that cannot be performed in the home--fire protection equipment, police protection equipment, village offices and facilities combined for efficiency and recreational facilities. The first four of these are being taken care of in the best way possible at this time. Such big ideas we have for such a small village. As for recreational facilities these can be and are performed, in the best way possible, in the home under direct parental supervision. What is not taken care of in the home is undoubtedly being taken care of in the schools. After all, what are we paying taxes for but to provide more efficient classrooms, more elaborate swimming pools and gymnasiums for our schools. Our children spend most of their day in this most expensive and modern type of surroundings than their parents before them ever did, and with so many more activities available.

Those people who are deeply concerned and feel there is a need for additional facilities, and who are not just "yapping" for action on the part of the village, are to be commended for what they are already doing -- opening up their homes for our children. If we as individuals would spend some more of our time with our children instead of most of our time on our own activities, perhaps we would not need to be so eager for a community center in which to send them.

Mrs. Carole Berg

A Plea For Help

Dear Editor,

It is interesting to note in your editorial that you put the blame for lack of youth activities on the absence of a community center. No matter how large the building would be, it would still take a lot more of those "free men" that you mentioned to accomplish these activities.

After three years the WAA is still operating short of "free men". A community center is not necessary to give our children something to do. We have already invested in a building that is more than adequate for any youth program. One "free man" is using the school gym to give some of our youth a chance to play basketball, but he has no help. The school gym was also used for teen dances. This was discontinued because of lack of help and cooperation from the parents of these children.

I am merely pointing out that a building for youth activities is available---"free men" aren't!!!

The amount of people who show an active interest in our village board meetings is also lacking. A phone-booth could be rented to accommodate the audience. A building is only a symbol. It takes active people to make a government.

If the people in our village are truly interested in youth activities, come help the WAA. If they are interested in a better government, attend village board meetings and offer your help - but - let's not attribute the blame for lack of anything to the fact that we have no community center!

Sincerely,

Robert Arnouil

One of two Woodridge motorists involved in an auto accident Jan. 22 at Woodridge dr. and Crabtree ave. was given a summons for travelling too fast for conditions, reports Police Chief Joel Kagann. Damages to both cars were estimated at \$400.

Police also handled an accident for county police at 75th st. and rt. 53 involving two vehicles. The autos, one driven by a student from North Central college, Naperville, and the other by a Lombard resident, incurred damages totalling \$350.

Sgt. Jerry Szczepaniak and Patrolmen Ed Arndt, Art Boyles, Ed Renna and John White helped Lisle police effect the arrest Jan. 21 of 2 men who assaulted Lisle Police Officer Schultz in Reidy's tavern, Maple ave. and rt. 53 in the neighboring village. Downers Grove and county police were also at the scene.

The chief also reports handling an auto accident Jan. 19 involving property damage at 76th and Woodview; a complaint about profane language over the telephone;

3 stray dogs; an auto stuck in a ditch and one in a snow drift; a disturbance call; a complaint about leaking water in the 2600 block of 75th st., followed by another report of a broken water main in the same location and a larceny complaint.

Police issued 3 speeding tickets, 2 parking tickets and 1 for driving too fast for conditions and another for a dog running at large without a license.

Village Vehicle Sticker Deadline February 15

The deadline for vehicle registration is Feb. 15. The village clerk's office has established special hours for the villagers' convenience, Feb. 11, 12, 14 & 15, Mon., Tues., Thurs., and Fri., evenings from 7:30 to 9 p.m. The regular hours are: Wednesdays, 1-4:30 p.m. and Saturday mornings, 10 a.m. - 1 p.m. at 2909 Forest Glen parkway.

David Callahan
David Callahan, 35, and his wife Margaret began their residence at 7734 Westview in August of 1959. The couple's three children are Kathy, Mary and David. Callahan attended Kent State university and is a world war II navy veteran. He is now employed as a diesel truck sales engineer but his other activities include teaching CCD classes and the St. Scholastica men's group.

Faye Hoffman
Faye Hoffman, 22, resides with her husband Jay and their son at 2913 Crabtree since November 1961. She did undergraduate work at Southern Illinois University as a pre-law major. She was a legal secretary for three years and is a qualified court reporter. She served as a clerk for the Woodridge police force and participated in the Library play. Prior to her residence in Woodridge she served as clerk for police magistrate's court in Steger, Illinois.

Marvin Wiggins
Marvin Wiggins, 37, moved to Woodridge in August of 1959. He and his wife Carolyn and their four children, Bruce, Marilyn, Keith and Kenneth reside at 3017 Crabtree.
Marvin received a bachelor of science degree from the American Institute of Technology and is now employed in the electronics division of Argonne National Laboratory. He holds the title of associate engineer.
He was a member of a 6-man navy team installing radio communication nets in the Pacific during WW II.
Marvin was one of the founders of the Village Baptist church and is currently active on the park advisory committee. Until resigning recently to devote his efforts to C. A. P., Marvin served for almost two years on the school district #68 board of education.

Lenten merriment will be the Alexander Bradley American Legion hall, 4000 Saratoga ave., Downers Grove, (1 block north of the Downers Market on Ogden ave.), where the Woodridge fire department is sponsoring its 3rd annual dance.
Ladies of the Firemen's Auxiliary are busy readying masks which they will present to everyone at the dance, whether they arrive in costume or not. They are also planning a procession, and the crowning event, of course, will be the coronation of a king and queen of the ball. Dance music will be played by Stan Mack and his orchestra again this year. While the auxiliary is not planning to serve sandwiches, they will supply potato chips, pretzels and pop corn for nibbling. At one point during the evening balloons will be released containing descriptions of prizes for the lucky captors.
Tickets may be purchased from the firemen or at the dance at \$1 per person. It sounds like fun! Why don't you plan to go?

The D. G. H. S. varsity basketball team has been doing quite well in its past few games. Downers claimed a victory over LaGrange, 66-57. Then Maine East was defeated with the score being 59-55. However, Downers lost to York, 63-60.
In wrestling, D. G. H. S. won a victory over Hinsdale, 29-8, and then again over York, 31-12. The Trojans lost to Arlington 22-17, and to Maine East, 24-12.
Booster night will be held on Feb. 9 at 7 p.m. Downers will compete with Riverside-Brookfield in basketball on the D.G. court. A week from Friday, Hinsdale will play Downers on the D. G. H. S. court at 7 p.m. In wrestling, Downers will visit Glenbard West on the latter's mats at 1:45 p.m. Feb. 9. This will be the last Varsity and Frosh-Soph meet. On Feb. 12 the last wrestling meet of the season will be at Morton East where the Frosh will wrestle in a Quadrangular beginning at 2 p.m.

School will not convene on Feb. 12 as it is Lincoln's birthday.
F. N. A. (Future Nurses of America) will hold their Father-Daughter Night on Feb. 19 at 7:30 p.m. in the cafeteria.

IT'S ELEMENTARY
WOODRIDGE SCHOOL

by Amy Hill

The students and faculty of Woodridge school send a get well message to Miss Peters, the seventh grade teacher. Recently Miss Peters has been very ill.
In Mrs. Miley's first grade room the children have a courtesy club and have words of courtesy written on green keys. They have also made Valentine mailboxes for the soon coming Valentine's Day.
Mrs. Woodin's 4th grade has been making relief maps of South America out of salt and water.
Mrs. Bryan's eighth grade is making a series of reports on different phases of communism.
The eighth grade recently went on a field trip to Lizzadro museum of lapidary art in Elmhurst. They had a wonderful time viewing a marvelous display of gems and stones from all parts of the world. The eighth graders came home loaded with rings, necklaces and samples which are on sale at the museum.

This Guy "Phils" The Bill

If ever Woodridge needs a public relations man, there is a most likely prospect for the job in Phil Amoruso, 2932 Everglade.
Phil, who is a warehouse supervisor for Certified Grocers and before joining them in Nov. spent 14 years in similar work with Jewel Tea Co., is really a born salesman. Gracious, likeable Phil is above all sincere, and these traits have made him a real success in promoting Woodridge.
Phil accomplishes this task by pointing out Woodridge's valuable market to merchants in surrounding areas. He has almost made a hobby of selling ad space in various Woodridge publications. He first gained experience in this venture working on a church dance program when he and his family lived in Chicago.
After the Amoruso family, which includes Phil, his wife Isabelle and Susan, 11, Phillip, 8, Janet, 5, and Tom, 3, moved to Woodridge in Oct. of '59, Phil became treasurer of the Woodridge

Childhood Views Of People In The News

Can You Guess Who ?

1. 2. 3. 4.

By Ramona Kinser
"O, you must have been a beautiful baby,"
Are the lyrics they wrote to a song.
Take one look at these pictures and maybe
We'll prove that the words are not wrong.

The children you see are now grown-up--

Active and well known here you'll
discover---

So read through the clues and then bone
up;

What answers are you able to uncover?

1.

Quick as a flash, he's a picture in action
Working with costs, he's good at subtraction

He's been around twice, a particular post
Endeavoring to find the things we need
most.

2.

He grew up to like good times and a party;
About a certain science he's really a
smarty.

While he is no track star he does like to
run,

And there've been some races he even
has won.

3.

This gal's the type who'd make an emcee
hilarious,

Friendly and helpful and very gregarious.
While she is no heiress, she once did get
rich;

She works with a group--

You have to guess which.

4.

This lady's interest is what most mothers
need

To persuade naughty children their wishes
to heed

And her name--her surname-- is so apt,
it's a chance, sir,

To marshal your wits and dash off an
answer.

To have fun while guessing is something
we wish you;

The answers to these riddles will be
published next issue.

Athletic Association. He then sold ads for the directories distributed by the association at its dances in 1961 and 1962. In the summer of '61 he began ad sales for the WNR and recently worked with other members of the staff on a most formidable project - the soon-to-be-released WNR telephone directory.

Phil is a member of the St. Scholastica Men's Society and (you guessed it!) is currently selling ads for the parish's May dance program.

Phil has proved his boundless diligence before when he was graduated from Northwestern university after 8 years of night classes on the Chicago campus.

TEACHER TAKEN TO HOSPITAL

Miss Elaine Peters, 7th grade teacher at Woodridge school, was taken by ambulance to Edward hospital, Naperville, when she became ill in her classroom Jan. 24.

Miss Peters, who lives at 529 Wesley, Wheaton, was released from the hospital Jan. 30 following treatment for a stomach disorder. She expected to return to school Feb. 4.

Board Ponders Snow Plow Breakdown

At an emergency village board meeting Sun., Jan. 27, it was decided that new equipment for snow plowing must be considered. It seems that the truck and plow now owned by the village is in such poor condition that it is not worth repairing. There have been a number of repairs made on the machine, enough to warrant investigating the possibility of purchasing new equipment. However, this presents somewhat of a problem since the cost of such equipment would undoubtedly exceed the immediate cash available.

After some discussion it was agreed that the only way such a purchase could be made would be by a lease purchase plan. If this cannot be accomplished, there will of course remain the need for another piece of equipment which will probably result in the purchase of a used truck and plow. The motion of trustee Werch to instruct the Superintendent of Public Works Trask and Purchasing Agent Sievert to look into both these alternatives was voted unanimously affirmative.

One possible reason for the mechanical failure of the truck is its abuse in operation. To have gained the longest possible service from the truck would have meant operating it at a very low rate of speed, about 5 m.p.h. In many instances it was seen in motion at about 20 to 30 m.p.h. All trustees were instructed by president Roberts to report to Mr. Trask in the future any such abuses of the truck or plow.

WAA To Elect Officers Feb. 12

Elections for the coming year's officers in the Woodridge Athletic Association will be held at 8 p.m., Feb. 12 at the home of Robert Arnouil, 2935 75th Street. Positions to be filled include president, secretary, treasurer and three trustees (2 year terms.) Anyone in the area may run for these offices if they are interested.

For the information of Woodridge newcomers, the Woodridge Athletic Association has strived to live up to its purpose: aiding in the development of children in the area by providing a program of social, mental and physical activities. It has also provided various activities for adults.

Some of the advantages offered through the WAA efforts are boys' baseball, girls' softball and men's softball. A baseball parade opened the season last year on May 20. A baseball diamond with a sodded infield and bleachers offers summer entertainment for both children and adults. Interested Woodridge children attend summer handicraft classes. In the winter, the Association's efforts make available an ice rink for Woodridge skaters. Ping-pong tournaments for men, women and young people have continued to thrive through the WAA sponsorship.

Community citizens who would enjoy providing these advantages may participate if they desire. Come to the elections Feb. 12.

Crowd Packs 3rd Police Dance

This scene shows a portion of the dancers twirling to the music at the police association's Jan. 26th dance.

Also enjoying the festivities are (l. to r.) Joseph Wurth, Lisle chief of police, and his wife, Agnes; Mrs. Pat Allen; R. G. Kuta and his wife, Miriam, of Glen Ellyn; Mrs. Ann Gamble; Paul M. Allen, Lisle trustee, and Walker Gamble, Lisle businessman.

Police suspected 250 persons of helping themselves to a good time Jan. 26, but despite the fact that a full contingent of "plain-clothes" officers was on the scene at Lisle's VFW hall, no arrests were made, nor were charges lodged against the score who walked off with prizes.

In fact, members of the police association sponsoring its 3rd annual dance that evening looked on approvingly as Jim Volpe's orchestra triggered the evening's dancing that lasted 'til 1 a.m. Jim flashed a "star" of his own when his 17 year old niece, Carole Volpe, made her debut singing with the band.

A squad that included Mrs. Alma Thor-
esen and George Nees was on duty in the

kitchen preparing and serving a variety of sandwiches, while four of the oldest members of Boy Scout troop 109 made up a "youth bureau" that was stationed on check-room detail. Donations amounting to \$39 went to the troop.

An all points bulletin was issued after the police association board of directors met with officers Jan. 28 announcing the association's pleasure at the dance turnout and profit of \$500, to be used for police officers' needs. Another item on the report covers plans to return to the tradition of holding the annual affairs in October beginning this year. Oct. 26 is the date set for the Halloween dance.

CAP Presents Platform To Public:

The Citizens' Action Party has been created for the purpose of establishing sound, progressive and fiscally responsible government. To this end, we offer you, the citizens of Woodridge, our platform.

1. We will build a Community Center. Our village needs proper facilities to house its protection agencies and its governmental activities. We need space for recreational activities for our youth. We must accomplish these things now-- keeping in mind that the cost of land rises rapidly in a growing community.
2. We believe in realistic relations with the building community. Developers must be encouraged to build in Woodridge. However, they should know that we are conscious of future tax costs and will enforce sound land dev-

elopment and building ordinances. Those desiring annexation will know that we feel fair compensation should be received for this privilege.

3. We will actively work toward the lowering of fire insurance rates. We pay too much for fire insurance. The writing of a fire ordinance and proper direction could bring a saving of between \$7 and \$7.50 a year per family.

It is our belief that sound relations with the building community, progressive direction toward a community center and fiscal responsibility will attract the business community. Real interest will then be shown in a shopping center and the establishment of light industry. Of greater importance, these programs will make our village a better place in which to live.

STATE SALES TAX DEDUCTION TABLE

The internal revenue service has made public a table itemizing allowed sales tax deductions.

The deductions have increased each year since the IRS released its first sales tax chart in 1960.

If a taxpayer claims more than the table states, he can file for a greater deduction, according to Eugene C. Coyle, director of the IRS office here.

However, the taxpayer may have to substantiate all his sales tax purchases, Coyle said.

Village Methodist

Preparations are in the final stages for the Methodist Church of Woodridge Sunday School. Classes will begin Sunday morning, Feb. 19, at 9:30 a.m. Teachers are: Mrs. Faylene York, Miss Judy Provo, assistant; Miss Harriet Colette, Mrs. Jacqueline Pope, assistant; Mrs. Florence Benckendorf, Mrs. Mildred Gulbrandsen, Mr. Herbert Gulbrandsen, Douglas Gulbrandsen, assistant, Mrs. Natalie Conaty, superintendent.

Beginning Sunday, Feb. 19, a nursery will also be available during worship services, held at 11 o'clock.

The Methodist Church of Woodridge is temporarily located in the Goodrich School at Hwy. 53 and Hobson rd. Plans for a permanent location are now in progress. The church does not have a formal name, (example: Faith Methodist of Lisle), for this cannot be voted on until they have their charter. They hope that with a continued increase in membership that this will be available by Easter.

They wish to extend a warm welcome to all and to invite those without a church home to worship with them.

Rev. J. T. Siple, interim pastor; Mrs. Natalie Conaty, Sunday School Superintendent; Mr. James Blatchley, chairman, Board of Trustees; Mr. Charles Pope, secretary and trustee; Mr. Herbert Gulbrandsen, treasurer and trustee; Mr. James Provo, Trustee; Mr. Donald Burk, Trustee; Mr. Edward Conaty, Trustee; Mr. Marvin Bailey, Trustee; Mr. Al Shirmacher, Lay Leader; Mr. Louis Benckendorf, chairman of ushers; Mr. Robert Rice, chairman of missions.

Prince Of Peace

At the annual meeting of the Prince of Peace Lutheran Church these men were elected to the Church Council: Walter Henk, vice-president; Roger Thoren, secretary; Richard Marushak, treasurer; Earle Brown, Bernard Carter, Ingmar Eggen, Nick Lung, Richard Miller, Victor Oldenburg, Donald Russell, Fred Vallarta

and Robert Wendt. Pastor John E. Swanson is the president of the congregation by virtue of his office.

Also, by adopting a new constitution at the annual meeting, Prince of Peace became a member congregation of the Lutheran Church in America.

The Prince of Peace Lutheran Church Women held their monthly meeting Tues. Feb. 5. A panel discussed "Persons of Special Need."

The Junior Choir meets Saturdays at 11 a.m. at the parsonage, 2735 75th St. This choir is for children in the third grade and older.

The Senior Choir will begin rehearsal again Thurs., Feb. 14, at the Russell's 2952 Forest Glen. Anyone interested in singing in an adult choir is invited to participate.

St. Scholastica

Regular Communion Sunday for all members of the Men's club will be Feb. 10, at 8 a.m. mass.

St. Scholastica Womens Society held their monthly meeting on Jan. 22. Colored slides of Paris were shown with Charles Boyer as narrator. Hanny Ross also gave a demonstration with artificial flowers.
