

It Was Fun

Editorial

Those of us in Woodridge who were still lamenting over the demise of the 4th of July picnic this year had a pleasant surprise last Saturday. The "Fun Fair" sponsored by the Woodridge Mothers Club turned out to be a picnic for the people of Woodridge. The Fair was well planned and it was obvious that those who attended were well rewarded. The proceeds from the Fair are to be used to buy needed items for the Woodridge school, such as library books.

We congratulate the members of the Mothers Club for a job well done and hope that they will make the Fair an annual event.

Left: Sharon Ford, Westridge Dr., wears a continual smile as the Mother's Club clown while selling gaily colored balloons and pin-wheels at the Fun Fair last Saturday. As usual, kids love a clown, and Sharon was constantly surrounded.
Below: Ruth Vondrasek, wearing a feathered hat, awards a cake to a petite winner in the cake walk. The cakes, baked by members, added a tasty touch to Saturday night meals of Fun Fair cake walk winners.

Board Stalls Plan Commission Appointments

After lengthy discussion at the Oct. 17 village board meeting regarding the appointment of Richard Roman, 7621 Sprucewood, to fill one of four plan commission vacancies, the matter was again tabled. Although the board acted upon the resignation of Roman from his post as deputy building

inspector, they did not approve Mayor William Roberts appointment of Roman to the plan commission. One vacancy has existed on the plan commission for some time. The other three resignations were submitted to be effective immediately after the signing of the Winston-Muss agreement.

No More President

Woodridge Now Has Mayor

William Roberts, at the Oct. 17 village board meeting expressed his desire that the office of president of the village of Woodridge hereafter be referred to as "mayor". "It is an expedience as far as reference to the state statutes is concerned," he said, "since the office of president is referred to as mayor therein."

Senate bill 232, approved May 29, 1961, has been signed into law by Governor Otto Kerner. The bill, an amendment to the Illinois Municipal code, states, "The president of a village or incorporated town may be referred to as mayor of such village or incorporated town." Since it is a permissive bill, each village or town may designate which title they will use.

The amendment has no effect on the structure of the village government, Attorney James McClure explained.

200 At School Open House

Over 200 parents crowded Woodridge school Oct. 14 when the Mothers Club sponsored the annual open house. After the regular business meeting, teachers were present in their rooms to talk to parents and explain what the children were to learn during the school year. Work done by the children was displayed.

During the meeting in the all-purpose room, School Principal Lad Vraney gave a favorable progress report and indicated that he felt that the children were aware of world affairs.

Refreshments prepared and served by 1st grade mothers were available in the hall after the parents and teachers returned from the classrooms. Mrs. Dot Provo, on behalf of the Mothers Club, expressed appreciation for their help.

Membership chairman, Mrs. Ginger Swierbinski, reported that 51 new Mothers club members joined the night of the open house, giving a total of 91 members to date. The membership drive has been extended to Nov. 10 since members have been actively engaged in Fun Fair projects.

Turn To Page 2

The five junior trustees (Trustee Leon Werch did not arrive until 9 p.m.) indicated that although they recognize Roman is well qualified to fill the vacancy since he is a registered professional engineer in the state of Illinois, they said that they had recommended Charles Cronin, who has experience that they feel would be of value to the plan commission, over three months ago. They said that they would not consider Roman alone for an appointment, but would only consider all four appointments in a "package". Mayor Roberts said that he had considered only Roman for appointment at this time. They said that they felt that Mayor Roberts had gone back on his word to them on a "package" arrangement and that they would not consider just Roman's appointment.

Surety Plat Again Delayed

Trustee Marvin Wiggins moved that the plat for the Country Club addition (Surety Builder's unit #5) re-submitted to the board be considered a replacement plat and be referred back to the plan commission as changes had been made and the covenants were not attached for their study. Mayor Roberts indicated that the board had had the covenants for sometime and he added that it was the board's prerogative to make the decision on the final approval of the plat, since the changes made by Surety were at the suggestion of the board. He said that the extra step was unnecessary and meant an added delay. After a short recess, Wiggins changed his motion to read that the plat be "transmitted to the

Turn To Page 2

POLICE DANCE Saturday

JOIN the mobs of goblins and witches (they'll keep you in stitches) at the 4th Annual Woodridge Police Association Dance this Saturday at the Laborers Union Hall, Ogden at Cass in Westmont.

Music will be provided by Jim Volpe and his orchestra. Volpe, a local resident, is now well known to villagers. He provided music at the last Police Association Dance in January.

Prizes will be awarded for the best costumes and the kitchen and cloak room will be manned by Boy Scouts under adult supervision.

Tickets may be purchased at the door.

Ground Breaking This Saturday

Ground will be broken Sat., Oct. 26, for construction of five model homes in Winston Hills, a \$40 million community to be developed in Woodridge, it was announced by Joshua A. Muss, vice president and director of Winston-Muss Corp.

Participating in the groundbreaking will be William Roberts, mayor of Woodridge; Marvin Wiggins, Ed Redmond, Leon Werch, Walter Hansen, Jim Kinser and Dave Callahan, village board members; Mrs. Faye Hoffman, village clerk;

and Thomas Church, chairman of the plan commission.

The new 1,850-home community will rise on a 565-acre tract recently annexed to Woodridge. Among the features of the development will be a swimming club with an olympic-size pool, recreation building, tennis courts and a meeting hall. A shopping center is planned.

The Winston Hills area of Woodridge will offer homes in the \$18,500-\$23,500 price range, with 375 to be built in the first two years, Muss said. Model homes are expected to be open for public inspection in February.

Opening of Winston Hills makes Winston-Muss Corp. the Chicago area's largest home builder, Muss said. Other Winston-Muss communities are Winston Park in Melrose Park; Winston Park Northwest in Palatine and Lake County Gardens in Waukegan.

Shell Purchases Site

Shell Oil Company has purchased the property located on the southwest corner of Rt. 53 and 75th st. This property, formerly owned by Siebert Trucking Service, is being graded. However, when contacted, a representative of Shell Oil Co. stated that there are no immediate plans for a service station.

Decision Delayed

The Oct. 18 hearing of the civil suit brought against the six Woodridge trustees by Ralph Kennell was held in chambers of Judge Bert Rathje. The rendering of a decision was not made at this time as Mayor Roberts could not be present, but the decision is expected Oct. 26.

53 Permits Issued This Quarter

A report submitted by Building Commissioner Horace Thoresen and read at the Oct. 17 village board meeting, stated that 38 permits for homes were issued by the village of Woodridge in July, August and September, and 15 garage permits were issued for the same period.

O'Connell Appointed To School Board

Nancy O'Connell

At the Oct. 14 meeting of the board of education of district 68, Mrs. Nancy O'Connell was appointed to the vacancy created by the resignation of Arthur Thuerk on Sept. 23. She will serve the appointed position until the April election.

Mrs. O'Connell and her husband, Gene, live at 2936 Westridge, Woodridge, and have two boys, ages 4 and 6.

Mrs. O'Connell received a B. A. degree in English from the University of Illinois in 1956 and has been involved in advisory council activities as well as having been a WNR reporter covering the school board sessions.

She said that she is honored to have been chosen and is pleased that she can render a civic service to the community in this way since it is her opinion that "a good educational system is the strength in the backbone of today's and tomorrow's America."

Village Board News

Con't from page 1

plan commission for review," so that it would minimize the delay. The review would not necessitate a formal meeting of the plan commission. The motion carried.

W-M Also Awaits Board Action

Joshua Muss, representing Winston Hills, asked for approval of the engineering drawings on their unit #1 so that they could begin construction. Trustee James Kinser asked Thomas Church, chairman of the plan commission, if this could be given immediate attention since the weather might hold for only a couple of weeks. Church said that the plan commission was short of people and was therefore handicapped. He said that although he realized Winston Hills needed immediate approval to take advantage of the remaining good weather, Surety Builders had the same problem and their plat had been in for consideration before that of the engineering plans of Winston Hills.

Trustee Kinser stated that action must be taken quickly to fill the plan commission vacancies.

Present Report

It was reported by Trustee Walter Hansen that the trustees had interviewed 5 architects regarding plans for a municipal building.

Other Board Action

In other action, the board unanimously passed a resolution submitted by Police Chief Joel Kagann that for valuable services rendered, Carl Mastny of Fashion Cleaners, be appointed an honorary member of the Woodridge Police department. Mastny will be presented with a plaque at the policemen's dance this Saturday.

The board authorized the village clerk to purchase 1500 vehicle sticker decals from Colortone @ 4 1/2¢ each.

On the recommendation of Trustee Werch, finance committee chairman, George C. Reckard, a certified public accountant, Salem, Ill., was unanimously appointed to audit the village books for the fiscal year ending 1963. Reckard is the CPA who audited the village books last year.

Mayor Roberts read a letter dated Aug. 5 from Ed and Gloria Watson, 7649 Woodridge, expressing their appreciation to the village, the police department and others involved for their time and efforts.

"Let me explain again sir, when I put my arm out like this I'm signaling for a left turn."

STATE AID ANNOUNCED

Certified amended claims for state aid due to school districts in the 1962-63 school year total \$6,979,555.82 in DuPage county, according to an announcement by Ray Page, state superintendent of public instruction.

Goodrich and Woodridge schools received \$80,289.20.

Trustee Marvin Wiggins requested that a copy of the letter from Mayor Roberts to himself and the trustees regarding the attempted censure of Wiggins by Mayor Roberts and a copy of the call of the special meeting held Oct. 7 be made a part of the minutes of that meeting so that the real story be out in the open and that there be proof of the call since he (Wiggins) felt it was illegal.

Roberts had stated to the WNR earlier that his "position is firm that Mr. Wiggins will not be a member of any committee until such time as he can prove his intent to help develop Woodridge, rather than restrict its planned growth, without antagonism and prejudice."

James McClure, attorney, was authorized by the trustees to draw up the escrows required by the annexation agreement at the Oct. 7 special board meeting.

The Chicago Title and Trust Company will be asked to act as escrowee with the Downers Grove National Bank as alternate escrowee.

Mother Was An Eye Dropper

Cathy Warner and Debbie Rojic fondly show off motherless kittens. The neighborhood children helped supply mother love to the three furry orphans.

This is the story of three little kittens who lost not their mittens - but their mother. To be more exact, the mother cat deserted them after they were born.

The only immediately available way to save the kittens' lives was to substitute

an eye-dropper. Mrs. Dona Fail, 7624 Westview Ln., did just that. She brought the kittens home and with all the necessary patience saved three of the original four black angora kittens. The fourth was too weak to survive.

Mail Soon

It is not too soon to begin mailing parcel post Christmas packages to other countries, according to the U.S. Postal bulletin.

"Taking into consideration the normal length of time in transit," the Bulletin states, "customs inspection, and other

formalities that parcels may be subjected to in the countries of destination, surface and air parcels mailed not later than the following dates should normally reach the addresses before Christmas.

SURFACE PARCELS:

Nov. 1 --Africa and Near East; Nov. 10--Europe, South and Central America and

AIR PARCELS:

Dec. 10--Far East, Near East, Africa, South and Central America and Dec. 15--Europe."

Drapes for the principal's office have been ordered. They will be half drapes that will afford Mr. Vraney privacy in the office while still allowing light to enter the room. Material with a cream background and the school colors (brown and gold) in a modern design has been chosen.

Planned for the next month's meeting is a program on mental health. This will be an open meeting... fathers are invited to attend.

Grove Players Announce Plays

The Grove Players of Downers Grove have selected three plays to be presented during their 1963-64 season.

"Meet a Body," a mystery, to be directed by Paul Bowers, will be presented Nov. 29 & 30. A drama, "Late Love," will be presented Jan. 25 & 26 and will also be directed by Bowers. "Twin Beds," a comedy, which will be directed by Robert Thompson, is scheduled for May 17 & 18.

Tickets for the season are \$3.50 and may be purchased from club members.

By Marie Di Francesco

Fall is apple time, and sometimes a generous friend will give you so many you run out of ideas for using them. When I got the lunch box cookie recipe from Jan Krause, 3002 76th st., she was making apple butter to use her excess supply of apples. It sounded like a good recipe to share with you.

SPICED APPLE BUTTER

- 16 cups thick apple pulp
- 1 cup vinegar
- 8 cups sugar
- 4 tsp. cinnamon

Core and slice apples but do not peel. Add only enough water to cook apples until soft. Press through fine sieve and measure. Combine all ingredients. Cook at a slow boil til mixture remains in smooth mass when a little is cooled (about 1 1/2 hours). During cooking, stir frequently to prevent burning. Pour into sterilized jars and seal while hot.

New members to the WNR staff include Wallace and LaVerne Dillon, Ed and Gloria Watson.

Wallace Dillon is associated with the *Kiwanis* magazine on the editorial staff. Gloria is an active La Leche League member.

---ABOUT OUR CHURCHES---
Village Baptist

The Rev. Donald E. Roop, a pastoral candidate, spoke on Sun., Oct. 13. He and his family (four children, ages 5-12) are from Winona Lake, Ind. He has been pastor of four churches and helped build a church in Florida.

The Sunday school meets every Sunday from 9:45 - 10:45 in the church building, 7654 Woodview, and at the Ralph Demmin's home, 3022 Crabtree. Children ages 2-5 meet at the Demmins. Mrs. LaVerne Tucker is in charge of the nursery group (ages 2-3) and Sandy Carpenter and Mrs. Phyllis Brame teach the beginners (ages 4-5).

Mrs. Charlotte Harwell and Mrs. Jean Berson teach the primary children (ages 6-9) and Mrs. Joyce Muniak and Mrs. Jack Moxley lead the juniors (ages 10-12). The junior high and high school youngsters are under the leadership of Mrs. Anne Rico. The adult Sunday school class is taught by Mr. Carl Sarlo and Mr. Wallace Akers.

A "sip and sing" party was held Oct. 13 after the evening services at the home of the Ralph Demmins. All 21 present had fun singing and eating plus a few games.

The junior high and high school young people had fun Saturday night Oct. 12 at a Progressive Party. The appetizer and juice were served at Mrs. Anne Ricos at 7 p.m. This was followed by a tossed salad at Bonnie and Wanda Bartons. Then the main course of spaghetti and meatballs plus rolls was enjoyed at Ken and Johnny Tuckers. Mr. and Mrs. Jack Collins provided the finishing touch with apple and pumpkin pie. A good time of fellowship followed the delicious meal.

The Sunday school class is planning a hay ride in November. The young people are also invited to a Halloween party with Ambassadors on Oct. 26 at the home of Mr. and Mrs. Jack Collins, 3020 Everglade.

Democracy is something deeper than Liberty; it is Responsibility.

Prince Of Peace

On Sun., Oct. 27, the Mary unit of the Prince of Peace Lutheran Church women will serve "Coffee and..." after the morning worship service. This has become a monthly tradition at Prince of Peace with the two units of the women alternating months. This affords people the opportunity to get better acquainted and lets the ladies display their culinary arts.

The Lutheran Church women are also sponsoring a Halloween Couples party Fri., Nov. 1, at the Roger Thoren's, 2707 Forest Glen pkwy., Woodridge. The evening of fun begins at 6:30 p.m. with a pot-luck supper. Costumes are optional. Members of the arrangements committee are: Mrs. Shirley Oldenburg, chairman; Mrs. Pat Nottellmann, Mrs. Mary Hartfield, Mrs. Gene Arndt, Mrs. Clara Lundstrom, Mrs. Janice Stewart and Mrs. Jo Cunningham.

The Prince of Peace Luther League is holding a Square Dance on Sat., Nov. 2 at 8 p.m. at the Woodridge school. They have invited three other Luther Leagues to be present. All teenagers are invited. A free-will offering will be received.

Sun., Nov. 3, at 3 p.m. Prince of Peace Lutheran Church will dedicate the property which will be the future church site on the north side of 75th st. between Walnut ave. and Larchwood ln. The sign will also be erected at that time. Coffee and cake will be served after the ground dedication at the Lutheran parsonage, 2735 75th st. Mr. Walter Henk is chairman of this event.

Methodist

"Woodridge Methodist Church" was recently approved by the congregation as the official name of the church.

The Methodist Youth Fellowship held an election of officers. The senior MYF group, under the leadership of Mr. and Mrs. Irvin Cobb, elected Doug Gulbrandson president; Bob Manges, Jr., vice-president; Connie Bartz, secretary and Mike McPherson, treasurer.

The junior MYF group, under the leadership of Mr. and Mrs. Richard Trondsen, elected Steve Gulbrandson president; Scott Benckendorf, secretary and Larry Manges, treasurer.

There will be a meeting of the Sunday school teachers Oct. 24 at 8 p.m. at the parsonage.

The Junior and Senior M. Y. F. groups will "trick or treat" this Sunday from 7-9 p.m. for contributions for the Lake Bluff Orphanage.

NOTICE

Mrs. Earl Hartman will accept calls for contributions to the Goodwill Industries. She may be contacted at 969-5658.

JOLIET
DIAGNOSTIC CENTER

The newest addition to the juvenile correctional system in Illinois is the Reception and Diagnostic Center in Joliet which provides short-term detention for observation and study of boys referred by the courts.

After clinical appraisal, recommendations for proper placement of the boys in rehabilitation programs are presented to the Illinois Youth Commission.

The recent development of reception and diagnostic centers, workshops of the behavioral sciences, came about after studies resulted in the conclusion that it was useless to attempt rehabilitation of juveniles without first gaining a basic knowledge of their behavior and how to alter deviate behavior and also that children merely sentenced to detention homes, on the most part, would eventually have future difficulty with police.

One of the main purposes of the R & D Center is to help the boy himself find the desire and then the means to become a contributing member of the community.

It is for this reason that the program has great flexibility as each boy has individual behavior patterns and needs.

Individuals at the center are evaluated in the following areas: social, psychological, in certain cases psychiatric, medical, dental, religious, vocational-educational, group living and physical education.

It is after a complete analysis by a highly qualified and trained staff that recommendations are given to the IYC which might include a return of the boy to the community under the guidance of a parole officer or placement in one of the IYC camps, among others.

It is through such programs that rehabilitation of so-called juvenile delinquents will be completed before they are lost to the community as habitual offenders.

Street Repairs Near Completion

According to Jack Trask, commissioner of public works, the department is now ready to finish the street repairs but is in need of a roller for the black topping to complete the job.

A sum of \$200 was approved by the board at the Oct. 17 village board meeting for the purchase of the roller.

For a new insertion or to correct or change your listing in the Woodridge telephone directory, fill out the following and either send to Mr. Nick Lung, 7671 Walnut, or give to any WNR staff member.

4 H News

by Willard Bredfield Jr.

On Oct. 8, our 4-H meeting was held at Mary Vandeleur's house. The business for this meeting was discussing Achievement Night and picking committees. The window display committee was picked. Willard Bredfield, Jr. is chairman and his members are Amy Hill and Linda Weills. Mary Vandeleur was made music appreciation chairman. Her members are Betty Nees, Connie Bartz, Amy Hill, George Nees and Willard Bredfield, Jr. George Nees is chairman of Share-the-Fun and his members are Frank Mabrey, Mary Lou Zerbe and Mary Linne Kraut. John Finkbeiner is now a member of our club. He was voted in by the members. We decided that we would buy presents for our Christmas party. The limit is 50¢ to \$1.

After the meeting our Halloween party was held. A good time was had by all. Eleven prospective members were present. The next meeting is Nov. 12 at 7:30 p. m. in the Woodridge school gym. This is our Achievement Night.

School Officials Talk To Community Club

The Goodrich Community Club continued its trend toward combination pot-luck supper and interesting program meetings on Oct. 23.

Thomas Tousignant, Superintendent of schools, Don Driver, principal of Goodrich school and Lad Vransy, principal of Woodridge school, spoke to the group on curriculum in the schools. John Dahlberg, president of the board of education of district 68, discussed past and future history of the school board.

School Improves Insurance Coverage

The district 68 board of education, after a comprehensive study of school insurance needs, has awarded the school insurance coverage to Nat Weinfeld and Everette Brown, both of whom have made presentations to the board in the past weeks. The new insurance will give the district more coverage for the insurance dollar.

Scout News

Everyone had a gala time at the Father-Son cookout of the Woodridge cub scout pack 104 on Oct. 12. There were approximately 24 cubs with their fathers present at Pioneer park. The first event of the day was an obstacle course. The boys did a frontward roll, a backward roll, and running frontward roll, climbed through a box, ran over five tires, jumped a hurdle and climbed a rope. The fathers then followed in their son's footsteps, though with less agility. The cubs were then required to walk on a length of rope stretched out on the ground without stepping off. The fathers were then required to run it. A tug of war was held but no one won due to the fact that the rope broke. Then fires were started and a host of mouth watering meals were cooked. After dinner, all participated in a hike through the park after which the tired but happy group broke camp and headed for home.

At the Oct. 29 pack meeting, new cubs will be inducted as bobcats, and there will be graduation into boy scouts for some.

Among other activities for November, a tour through the telephone company in Downers Grove is planned.

COURT OF HONOR TROOP 109

Woodridge Boy Scout troop 109 will have a parents' night "Court of Honor" on Oct. 24 at 7:30 p. m. in the Woodridge school gym. Several boys will receive awards and refreshments will be served.

VFW Post Praised

The Woodridge Veterans of Foreign Wars, Post 4739, was honored at their Oct. 11 meeting by the attendance of the DuPage County Council Commander, George Carmen and his Sr. Vice-Commander, J. Lammie. Commander Carmen praised the Woodridge Post for their efforts in maintaining an organized post and for proper exercise of protocol at meetings.

Woodridge Post Commander Joseph Vymetal said it was reported and discussed during the meeting that many veterans do not have their discharge papers in order. He explained that this condition can be seriously embarrassing to the veterans or their loved ones, and that when applying for service-connected medical care in V. A. hospitals or applying for membership in the V. F. W., having discharge papers in order is as important as having documents representing ownership of home, car, business, etc.

There are 2 types of discharge documents. One is the discharge certificate and the other is classified as separation papers. The latter sets forth health, state-side and foreign duty (not including conduct in service) and can be classified as a "point-maker" on civil service jobs which are available and can be checked on the post office bulletin board. When applying for civil service work in U. S. governmental agencies, whether it be a veteran or wife of a deceased veteran, points are added to the examination on producing proper discharge papers. It is important that these papers be photographed and the originals placed for safe-keeping with your other valuable papers.

Your New Teachers

Meet Mr. David Suchan, the sixth grade mathematics teacher. This is Mr. Suchan's first year at Woodridge. Although he taught for five years in Tulsa, Oklahoma. Born in Cicero, Mr. Suchan studied engineering at De Paul University. Later he attended and received his degree at the University of Tulsa. It was while studying at the University there that Mr. Suchan met and married Barbara. They now live in Westchester with their three lovely children, Phillip, Susan and the baby, Nancy, who is four years old.

Woodworking in his home is Mr. Suchan's hobby but "for pure sitting pleasure, I enjoy reading and listening to music."

With automation and space travel in newspapers and on television, we now have an opportunity to present mathematics to the children in an interesting light. What we have to convince the children of is that some one has to design the rockets, some one had to program the computers. At the bottom of all these new career opportunities is a good understanding of arithmetic and mathematics.

Mr. Suchan wants the children to discover the meaning, order and logic of our numerical system. He tries to encourage the growth of desirable attitudes and work habits in arithmetic. His pet peeve: spoon-fed arithmetic.

IT'S ELEMENTARY WOODRIDGE SCHOOL

by Mary Jane Clark

It was announced to our eighth grade class that a one day field trip to Springfield was being planned for the end of the school year. This field trip has been customary with each eighth grade throughout the history of Woodridge school. We were asked to think of ways to earn money and one of them is the car wash every Saturday from about 10:30 a.m. and will probably last all day. The fee is \$1 per car and \$1.25 for station wagons.

As for the lower grades, Miss Nyberg's class is working on a project. In it, they pretend to be pioneers going cross country on a wagon train. It sounds like fun.

Mr. Jones' room is working on a history time chart which includes the dates of the voyages of Vasco da Gama and Columbus.

We are doing an art poster contest in which we draw foods for health. We should get in some pretty good ones.

Police To Sponsor Halloween Dance

For the 2nd year, the Woodridge Police Association is sponsoring the Halloween night activities for the youth of the village on the 31st.

At 6:30 p.m. a parade will begin at Woodridge and Crabtree ave. and continue north on Woodridge drv. to the "burning of the witch" across from the village hall. Costume prizes will be awarded and there will be "treats" for all.

A teenage Halloween dance for 8th graders and up, also sponsored by the Woodridge Police, will be held at the Woodridge school gym from 7:30 to 10 p.m. There will be games, refreshments, dancing and additional costume prizes awarded.

Anyone who wishes to volunteer to help prepare for the dance or for chaperoning, contact Chief Joel Kagann or the Woodridge Police Department.

Doing business without advertising is like winking at a girl in the dark. You know what you are doing, but nobody else does.

Tattle Tales

by Marian Cotey
and Nan Davis

Welcome back to our reporter, Nan Davis, 2941 Westridge. John and Nan took the three boys to Pennsylvania where Nan was macon of honor at her sister's wedding. She wore a beautiful persimmon gown.

The pantry shower for the sisters of St. Scholastica at Woodridge school on Oct. 13 was a huge success. The mothers entertained the nuns and served cake and coffee. All report a good time.

It was a surprise party on Oct. 19 at the home of Roman and Fran Lins of 7667 Walnut. The party was given in honor of Barbara and Bob Bell who are forsaking Woodridge for Toledo where Bob will be transferred at the end of the month. We are sorry to see them leave but wish them luck in their new home....

A farewell too from the WNR..... we haven't forgotten that Barb Bell was one of the gals who three years ago went out to sell subscriptions to the Woodridge News Review. At that time the WNR existed only in the imaginations and hopes of many that a volunteer community newspaper could happen in Woodridge. Thanks again, Barb, for your confidence in us.

While Reino Nikilla was trekking out to Tulsa, Oklahoma, on business, Wife Betty took the children out to Hamilton, Ohio, to visit their maternal grandparents. The Nikilla's live at 7652 Woodridge.

Ed and June Crowley of 7843 Catalpa, are currently entertaining her mother, Mrs. Robert Bentley of Lake Wappapello, Missouri.

ATTENTION OPERA LOVERS!!!

Alice and John Aubele of 7608 Willow will attend the performance of "Faust" at the Civic Opera House in Chicago on Oct. 25. Alice wonders if any of her Woodridge neighbors share their love of opera. Maybe they can make up a party to go to the opera together in the future.

Congratulations to Carl and Dee Warner of 7630 Westview who celebrated their 10th wedding anniversary Oct. 17. They took a delightful night on the town.

Gregory and Pat Boyna, 7641 Sprucewood attended the State Board Meeting of Junior Chamber of Commerce members in Belleville, Illinois last weekend.

Bowling Green, Kentucky, was represented in Woodridge last week when Willis Duffer of that city visited Betty and Clarence Oakes of 7630 Deerfield.

The Church of Christ in Downers Grove gave a surprise baby shower at the beginning of the month for Fern Lee, 7531 Westview. Fern is infanticipating for December.

Happy birthday to two year old Richard Aubele who celebrated with a party for the children given by his mother yesterday.

Kagann Reports Concern Over Juveniles

Chief Joel Kagann reports that the juvenile problems received attention at the Houston convention of Chiefs of Police.

The juvenile problem has become an active part of all law enforcement agencies and must be recognized as such. The public can no longer sit back and feel that it can let police and or juvenile authorities handle the continually rising number of cases of juvenile misconduct.

This was the opinion expressed by Captain Gus George of the Juvenile Div., Sheriff's dept. of Houston, as he spoke at the 70th Annual Conference of

Edward Hospital and You

by Eugene D. Morris, Administrator.

This is the first of what I hope will be many columns designed to provide the people of Woodridge with a better insight into the operation of a general hospital. Of course, I will be referring to the goings on at Edward Hospital in particular. To many of the residents of Woodridge, Edward Hospital is your hospital. The Edward Hospital district includes units 1 and 2 and parts of units 3 and 4. Also included in the district is about one-half of the Suburban Estates. Those of you who are in the district contribute towards the cost of our new building through your real estate and personal property taxes. Also, as a resident of the Edward Hospital district, you pay 10% less for your room at the hospital.

For those of you who have never seen one of our rooms, let me briefly describe one. All patient rooms have a private toilet and lavatory. Every patient has the very latest, all-electric, patient operated bed. Each patient has a choice of five TV channels, three AM radio stations and one FM station. A pillow speaker at the bedside has a remote control button for changing from one TV channel to another or to AM or FM. Each patient room has individual air conditioning. Each patient has a colored telephone. There is no charge made for any of these extras.

Let's go a bit further. The west and south sides of the building are the "warm sides". The patient lying in bed in a room located on the "warm side" is faced with a wall painted in a light pastel blue. The drapes on the windows are blue. The telephone is blue, as is the drinking water glass, the ash tray, and, even the Dial soap. On the east and north side rooms, which would be considered the "cool side", the items mentioned above are a pleasant shade of pastel pink. The other items in the rooms are an antique white.

Having to go to a hospital is not just the most pleasant thing to look forward to. At Edward we have done everything possible to make your stay with us as comfortable and cheerful as can be under the circumstances. May I extend to you my personal invitation to visit Edward Hospital and take a tour of our entire facility. Individuals, groups, and organizations are most welcome. If you can call a few days ahead, I will make every endeavor to escort you through the hospital myself. The number is 355-0450. I hope you enjoyed this little visit today as much as I.

the International Assoc. of Chiefs of Police. Captain George said that things started going wrong some twenty years ago with the onset of the "progressive educational period" when social workers wanted the paddle to be taken from school teachers and youngsters to be allowed to "express themselves". At the same time, 90 percent of authority was taken from police authorities, he added.

Deploring the fact that juvenile affairs are set aside as a special province, Capt. George told his listeners that first and youthful impressions are the most lasting and that a good uniform man on the force, one who shows an interest in young people and is both friendly and firm, can go a long way toward preventing youngsters from becoming a real problem later.
