

Board Votes To Oppose Car Lot

The Woodridge village board voted Nov. 7 to accept the plan commission's recommendation regarding the rezoning request for part of the Ocenas property at 75th st., 300 feet east of Janes ave. The plan commission recommended

Other Board News

NEW VILLAGE HALL

Trustee Walter Hansen, chairman of the special studies committee, reported at the Nov. 7 village board meeting that the board will present preliminary drawings for a new village hall at the next regular meeting. It was reported that the board has been meeting with architects.

LIBRARY BOOKS

During the village board meeting on Nov. 7, a tense situation resulted from a discussion on library books--their being moved and removed from the village hall without authorization. Albert Zettler, 2615 Crabtree, asked if there weren't some way to protect these books and all the work that has gone into cataloging them so that the village library could be set up. Village Clerk Faye Hoffman asked if this was not a case of private books taking up public space.

Limited facilities for village business and the necessity to lock some areas have presented a problem in traffic control. The board deferred action to determine the cost and means of putting Chief Kagann's materials and equipment under lock and key.

The Nov. 7 village board meeting was adjourned to Wed., Nov. 13 at 8 p. m.

STREET LIGHTING

Street lighting was discussed again. To be determined is: how much light; where to put it; and how much the village can afford for operation and maintenance. The primary consideration is for Surety's new areas and W-M Corp.'s development. The cost of installation in these new areas is to be borne by the developers, but the village will then be responsible for cost of operation and maintenance. In response to a question from the floor which was opened at the end of the meeting, Trustee Walter Hansen said that a referendum would be necessary to install street lights in the old areas.

JUDICIAL CHANGES

Judicial changes and how they will affect Woodridge were commented on by Mayor William Roberts at the Nov. 7 village board meeting. He said there have been meetings and a great deal of work has gone into attempting to implement the changes required by the passage of the "blue Ballot" Illinois Judicial reform.

Thus far, he said, there have been no real developments. However, until the deadline for effecting the changes, Jan. 1, 1964, Judge Lester Reiff will continue to hold court in Woodridge the 1st and 3rd Saturdays. He said that there has been agreement on standard tickets and standard rules on fines.

It is expected that only communities with adequate court facilities will have a court. Discussed also was the possible loss in revenue to the village from fines. This could have a significant effect on village finances, commented Mayor Roberts.

Loss of "home rule" for municipalities, loss of revenue, loss of time of police personnel who will have to travel to court, etc., are some of the stumbling blocks to implementing the new legislation.

Turn To Page 2

Permits Issued

Woodridge Building Commissioner Horace Thoresen reports the following building permits issued for the month of October: Surety Builders - 6 homes; Winston Hills - 7 homes and 11 garages.

that the village file an objection with the county board of supervisors.

October 31 the DuPage county zoning board of appeals heard a request for a change for this property from county R-2 (single family residence) to county B-4 (the county's least restrictive business zoning).

Dependent upon the county's rezoning of this property is a lease to Steven Goldberg, 7537 Woodridge, to establish a used car lot.

The board directed that the attorney prepare an objection for the village on the basis of the rezoning not being in the best interests of the village and the fact that this business development would necessitate establishing a septic system on land which has questionable properties for such a system.

The DuPage county zoning board of appeals is expected to make a recommendation on the petition to rezone at the regularly scheduled meeting the last Thursday of November. The county board of supervisors will then rule on the petition.

Ramchargers Slate Dance

The Ramcharges auto club will hold a Thanksgiving teen dance on Nov. 23 from 7-11:30 p. m. at the Woodridge school gym. Tickets are 75¢ each or \$1.25 a couple and may be purchased from any club member or at the door.

Italian beef sandwiches and soft drinks will be sold. One of the highlights of the evening will be a twist contest.

The boys stated that if the dance is a success, they will be held regularly. The money will be used to finance another trip to the Indianapolis drag races next year and the boys hope to be able to enter their own car.

Every six months an election of officers is held the new officers are: president, Jerry Gulding; vice-president, Jim Smith; secretary, Clem Castaldo; treasurer, Rich Dusek; sergeant at arms (Muffler) Wolf Seuling.

Propose Name Change For Jonquil

Jonquil Lane south, Jonquil lane north and Jonquil court (not a court but a bend in the road) are to have a change of name. Delivery people,

Woodridge Girl Honored

Jane Hague

Jane Hague, 2943 Crabtree, is another Downers Grove high school National Honor Society winner from Woodridge. She is a member of the Future Teachers of America, Drama Club, Girls Chorus, and the A Capella choir.

Although Jane has a scrapbook on space, her main interest is in speech therapy and she hopes to attend Augustana college in Rock Island, Ill.

PRINCE OF PEACE
LUTHERAN CHURCH LCA

Following the recent Lutheran Church site dedication ceremony, participants paused, then posed for our photographer. Standing (l. to r.) are: John Dacy; Larry Lundstrom; Walt Henk, Site Service Chairman; Don Russel; John Cunningham; and Pastor John E. Swanson. (WNR-photo-by-Bob.Sievert)

Roop Appointed New Baptist Pastor

Rev. Donald E. Roop, new pastor of the Woodridge Baptist Church, has come here from the First Baptist Church in Warsaw, near Winona Lake, Indiana.

Mr. Roop is a graduate of Moody Bible Institute, Gordon College, where he received his AB in Theology; and Winona Lake School of Theology where he received his MA in Theology. He has also attended Grace College, Grace Seminary and Indiana University.

He has had pastorates in Ohio, Mass., Maine and Florida. He built the Church in Pompano, Florida. He has also taught school in the 7th, 8th and 9th grades.

Mr. Roop's family consists of his wife and four children, Elsie age 12 Bill 10, Timothy 8 and Betty who is

6. He speaks of this as his hobby. He loves to go camping with them on vacations and other trips. He also loves photography, especially taking pictures of his family.

REV. DONALD E. ROOP

Democrats Discuss Plans

Thirty members of the Regular Democratic Organization of Lisle Township held their first regular fall meeting, at Henrich's Hall on Front Street, Thurs. evening Oct. 24, 1963.

The meeting was conducted by Walker Gamble, the new Chairman. Minutes of the last meeting were read and reports by various committees made. Chairman Gamble delayed appointing any new committees at this time. Plans were discussed for securing Judges for all Precincts for the April Primary and Committeemen to run for all vacancies.

Joseph Tumpach, Democratic County Chairman, made a surprise call and received a big hand after a 30 minute talk on the Republican Machine of DuPage County. He spoke on the many unfair practices allowed when you have a continuous party in power. His last remark was "Lisle should be one of the first Townships of DuPage County to break the stranglehold!" The next regular meeting will be on Nov. 21.

Arboretum Library Opens

Opening to the general public Monday was the new Sterling Morton Library of the Morton Arboretum, Lisle. The building was completed last month, a gift to the arboretum from Preston Owsley Morton in memory of her husband, Sterling.

The library will be open weekdays from 1 to 4:30 p. m., Saturdays from 9 a. m. to 4:30 p. m., and Monday evenings from 7 to 9:30 p. m.

utilities, the post office and the state have had difficulty in finding addresses on these streets. This subject has come up for discussion before at village meetings, and Trustee David Callahan commented that he'd had only one telephone call concerning the village's attempt to correct the situation.

The board has deferred action on this to allow any further comment that might be forthcoming.

The plan proposed by Trustee Callahan, chairman of the public protection committee, is to name Jonquil court that segment from Westview to Everglade. The segment from Everglade to the south and east would be named Jonquil Lane.

N. Illinois Gas Completes Pipeline

Work has been completed on Northern Illinois Gas company's new Lisle-to-Crestwood natural gas pipeline.

Crews of the Contracting and Materials company, Evanston, completed the main pipeline and tunnel construction last week.

C. J. Gauthier, vice president of operations said as many as 280 men made up the main line crews during peak construction period this summer, with about 35 men working on the underground tunnel passing under the Chicago Sanitary and Ship Canal.

Gas is flowing through the line, which begins near Lisle and travels 30 miles before reaching Crestwood in Chicago's southern suburbs. The new gas supply will augment a major north-south distribution main that the firm uses to serve southern suburbs.

Village Con't from page 1

STICKERS ORDERED

Village Clerk Faye Hoffman reported that both dog tags and vehicle stickers have been ordered. The dog tags are brass and in the shape of the head of a dog. She requested appropriate action by the board to make it possible to replace lost or damaged tags for an equitable fee.

FINANCE

In village financial matters: Trustee Leon Werch, chairman of the finance committee, pointed out the \$776 for labor for street repairs as being an example of costs to come in the future. The board approved the potential expenditure for an additional phone for outgoing calls for the police department to prevent a tie-up of the police line. An updating of the franchise between the village and Illinois Bell Telephone might result in additional lines free to the village and consequently no cost for this extra police line. The board also approved a pay increase of \$25 per month for Police Chief Joel Kagann.

NEW SPEED ZONE

Action of the village board approved Chief Kagann's recommendation to create a 20 mph speed zone on Janes ave. from 75th st. to the village limits on the south. Chief Kagann pointed out the number of children using this road on the way to and from school and the increased traffic from unit 4.

Men are not what they think they are, but what they think - they are.

Sacred Heart Holds College Night

Sacred Heart Academy in Lisle held its first College Night, part of a student pre-college counseling program, Tues., Oct. 29, from 7:30 to 10:00 p.m. Representatives from various colleges and universities in the Midwest discussed with the students and their parents the

advantages and opportunities their schools had to offer.

Colleges and Representatives were: Briar Cliff College, Sioux City, Iowa, Mrs. Kit Kehtz, Mrs. Carol Keziel, Mrs. Miriam Davis, Barry Masser; Oak Park Hospital, Oak Park, Illinois, Sister Mary Giselle and Miss Irene Allison; St. Xavier College, Chicago, Dennis M. Eagan; Mount Mary College, Milwaukee, Wisconsin, Geraldine Sullivan; De Paul University, Chicago, Muriel Cooney; Mundelein College, Chicago, Miss Susan Greefe; Marycrest College, Davenport, Iowa, Miss Sharon Morrissey; Rosary College, River Forest, Illinois, Sister Mary Tobias, O. P., Sister Mary Anselm, O. P.; College of St. Francis, Joliet, Illinois, Miss Mary Ann Meyers, Marilyn Beales; Loyola University, Chicago, Dr. Paul von Ebers; St. Mary-of-the-Woods, St. Mary-of-the-Woods, Indiana, Miss Janice Ems; Mount Mercy College, Cedar Rapids, Iowa, Miss Kathleen Miles, Marian Nolan; Marquette University, Milwaukee, Wisconsin, John R. Dunn.

Police News

Chief Joel A. Kagann was appointed Chairman of the Nominating Committee of the West Suburban Chiefs of Police Association at their regular meeting Nov. 6. Four other members were appointed at the same time by the Association which takes in 3 counties.

At a conference on new judicial procedure held Nov. 5 at the Wheaton Court House attended by Mayor Wm. T. Roberts and Chief of Police Joel A. Kagann, The Honorable Melvin Abrahamson, Chief Judge of Judicial Circuit 18, advised that for the present a Magistrate will be sitting in the Woodridge courtroom.

The conference, which was called for mayors, village attorneys and chiefs of police, was conducted by Judge Abrahamson who outlined some of the changes in procedure which will occur on Jan. 1, 1964.

On Nov. 12, Chief Joel A. Kagann, Police Clerk Frances Furio and Patrolman George Zima will attend a 1 day seminar on radio operating procedure conducted by the University of Illinois, Police Training Division. The school will be held at the Illinois Tollway Administration Building in Oak Brook.

On the same date, Patrolmen Gerald Timko and James Novello will attend a 1 day seminar conducted by the West Suburban Juvenile Officers Assoc. at Memorial Park in Bellwood, Ill.

MONTHLY POLICE REPORT FOR OCT.

Station Complaints - 1 auto accident, 6 stray dogs, 2 dog bites, 3 lost children, 2 disturbance calls, 4 juvenile complaints, 7 malicious mischief, 2 family fights, 2 suspicious persons, 25 miscellaneous, 1 fire call; Major Crimes - 1 burglary, 1 assault, 3 larceny; Misc. - 2 prowler calls, 7 injured persons; Arrests - 1 traffic, 1 misdemeanor; Tickets - 2 ordinance violations, 24 traffic; Total Mileage Traveled - 2,791 miles; Hours Worked - 586. 9 Cases were disposed of in Court and \$83.00 was received in fines.

Tattle Tales

by Marian Cotey
and Nan Davis

Looks as though Woodridge has entered the holiday season in full swing. Not only did the adults have their Halloween dance, but something was done for the teenagers as well. The youngsters enjoyed their tricks or treating despite the rain. All of Woodridge enjoyed the occasion as it should be. Now with the "Turkey Trot" coming up we are nearing Thanksgiving, a day that should be just that. We, the people of Woodridge, must admit that despite our differences we too have much to be thankful for. Then, before we know it, December will be upon us and brings to mind the S. S. W. S. Mistletoe Mart on the 7th and 8th. As we can see, the holiday season brings forth much enthusiasm to everyone. Incidentally, there are only 34 more shopping days left till Christmas.

Our get well wishes to Mr. Eugene Okonski, 7621 Westview; Joanie Stevert, who had a tonsilectomy at Edward hospital and to Bill Miller who is hospitalized at Edward with bronchial pneumonia.

Combined birthday wishes to Diane DiFrancesco on her 17th birthday on Nov 7 and to Rene Goulding who was 18 on Nov. 9. Both celebrated at a dinner given by Diane's mother, Mrs. Ray DiFrancesco. Later in the evening coffee and cake were enjoyed by family and friends.

Mr. and Mrs. DiFrancesco were also weekend guests of Rays' business associate and wife Mr. and Mrs. John Smudey, South Bend, Ind. During their stay they attended the wedding of Patricia Ann Smudey.

Weekend guests of Mr. and Mrs. Gene O'Connell, 2936 Westridge Dr., were Nancy's parents, Mr. and Mrs. Don Utley, from New Kensington, Pa.

Our deepest sympathy to Mr. and Mrs. Vance Modersohn, 2928 Forest Glen on the death of Geane's mother, Mrs. Swearingen of New Mexico.

Congratulations to Mr. and Mrs. Edward Leach, 7640 Woodridge Dr. on the arrival of a baby girl born on Nov. 6 at Edward hospital.

Women's Club Notes

Final plans for the card party sponsored by the Woodridge Woman's Club to be held Nov. 15 at the Woodridge school were made at their regular meeting.

Participation in the Community Improvement Program, sponsored by the General Federation of Women's Clubs in cooperation with The Sears-Roebuck Foundation is also planned, according to the president, Mrs. Hester Thuerk.

The purpose of the Community Improvement Program is to provide information, inspiration and incentives for every federation woman's club to join with cooperative forces in the community to improve its economic, social and cultural conditions.

Prizes totaling \$70,000 are offered in the competition, including a top national prize of \$10,000. Five cash prizes are offered in each state. The first prize winners in the states then compete for 10 national prizes.

Edward Hospital and You

by Eugene D. Morris, Administrator.

The first column of this series gave you some idea of the accommodations which we offer our patients at Edward hospital. This week I would like to tell you of the many services available. A hospital is rated by the number of services offered, and the quality of them. I might mention that Edward hospital is fully accredited by the Joint Commission on the Accreditation of Hospitals. We are a member of the American Hospital Assn., and the Illinois Hospital Assn. The hospital is also licensed by the State of Illinois, Dept. of Public Health.

The surgical suite at Edward consists of two major operating rooms, one minor surgery room, one cystoscopic and one fracture room. Equipment includes a Cardioscope, Pacemaker and Defibrillator. The Cardioscope is an ingenious device which, when attached to the surgical patient, gives a constant and visual reading of the action of the heart. The anesthetist watches the small screen throughout the procedure. Should any irregularity appear she calls this to the attention of the surgeon. He then decides whether to proceed with surgery or not. The Cardioscope will warn of a cardiac arrest as much as ten minutes BEFORE it occurs.

In the event of a cardiac arrest, the Pacemaker is brought into immediate use. This machine, which can be used internally or externally, will force the heart to beat through a timed, electrical impulse. It will automatically "shock" the heart back into action each time it fails to beat by itself. This unit can be used for an indefinite period when necessary. The Defibrillator is used when the heart "runs away", or defibrillates. This machine will abruptly stop the heart from beating. In most cases it will resume beating at a normal pace, by itself. If, after several attempts, it fails to do so, the Pacemaker is then utilized.

The Cardioscope, Pacemaker, and Defibrillator, represent an investment of nearly \$3,000. The patient is never charged for use of any or all units. The cost of completely equipping one major operating room is approximately \$30,000. Our surgical suite represents an investment of more than \$200,000. At Edward hospital we average about 200 surgical procedures each month. About 40% of these are major cases. About the only cases we do not feel we are equipped to handle are open heart and brain surgery, although we have done the latter on an emergency basis.

It looks as though I am out of space already. My next column (in three weeks) will be about our "Heirport" - the obstetrical dept. at Edward hospital. Please let me know if you have any questions or comments about this column or the hospital. I want to make these visits as interesting as possible. You can be a big help by indicating what would be of most interest to you.

PEANUT - BUTTER MUFFINS

Mothers, here is a new "twist" in making muffins, thanks to Mrs. A. D. Ambrogio. Tops with all who have a "sweet tooth".

- 2 cups sifted all-purpose flour
- 1/2 cup sugar
- 2 1/2 teas. baking powder
- 1/2 teas. salt
- 1/2 cup chunk style peanut butter
- 2 Tab. butter or margarine
- 2 well beaten eggs
- 3/4 cup milk
- 1/4 cup currant jelly, melted
- 1/3 cup finely chopped peanuts, toasted.

Sift together dry ingredients. Cut in peanut butter and butter till mixture resembles coarse crumbs. Add eggs and milk, all at once, stirring just till flour is moistened.

Grease 2 inch muffin pans or line with paper bake cups; fill 2/3 full. Bake in hot oven (400 degrees) 15 to 17 minutes or till done.

Immediately brush tops of muffins with melted jelly; dip tops in peanuts. Serve warm. Makes 20 small muffins. Tops are shiny from jelly glaze, crunchy with peanuts. They taste even better than they look.

For a new insertion or to correct or change your listing in the Woodridge telephone directory, fill out the following and either send to Mr. Nick Lung, 7671 Walnut, or give to any WNR staff member.

The final two weeks of the high school football season sounded the death knoll for the Downers Grove varsity. After a fine beginning, the Trojans had high hopes for the top spot in the West Suburban Conference. Their peak was reached in an early tie with a powerful LaGrange eleven, eventual champions. However, in games on the last two Saturdays against Hinsdale and York of Elmhurst, the Trojans wound up on the short end of the score and boosters with title aspirations had to be content with a 4-2-1 record and a fourth place finish. One of the members of the varsity confides that the purple-and-white indeed had the horses to win, but for some reason morale was low the last two weeks. This led to some difficulties during practice sessions, and perhaps the keen edge of fitness and readiness which distinguishes a winner from a loser was missing during the final competition.

The Trojans had All-Star laurels reaped on 5 of their teammates, as selected by the Conference Coaches. Mickey Smith, end, Bill Mittlefehldt, tackle, Jim Gustafson, guard, Al Kitlica, center and John Lounibos, halfback, were the players so honored. Smith, Gustafson, and Mittlefehldt were named to the team for the second straight year. All 5 D.G. All-Stars are Seniors, and will have to be replaced next year.

Our congratulations to the Lisle Lions, who became the first team in the history of the school to win an unshared Fox Valley Conference title. The Lions whipped Lemont 33-32 to bring their winning record to 4-1.

Excitement among profootball fans is at a fever pitch with the upcoming Packer-Bear clash at Wrigley Field on Sunday. As we go to press we don't know the results of the November 10th games, but odds are that the two teams

---ABOUT OUR CHURCHES---

Methodist

Beginning Nov. 17, the Senior Choir, under the direction of Mrs. Carol Davison, will sing at the regular Sunday worship services. Choir rehearsal will be held every Thurs. at 8 p. m. at the Trondsens, 2932 - 76th st.

The Woodridge Methodist Church has been invited to the 75th homecoming celebration of the Kedzie Avenue Methodist Church on Nov. 17 at 4 p. m. Bishop Brashares will deliver the sermon and Dr. Billman, along with Pastor Seinwerth, will participate in the worship service. The famous Greig Chorus has been invited to sing.

There will be an old-fashioned song-fest at the conclusion of the service and a dinner served by the WSCS.

Please contact the pastor for transportation arrangements. Both junior and senior youth groups are planning to attend.

On Nov. 22 the junior and senior

will be deadlocked for first place in the Western division as they line up for the opening kickoff.

Tickets for the match are impossible to come by. My company, which annually acquires a bloc of 200 tickets for the Bear-Packer game, sold out within two hours after the notice of ticket availability was posted on the bulletin board. In two other instances, we learned of salesmen whose "job" it is to entertain customers at all Bear home games. For this game, however, the company boxes have been mysteriously appropriated by some great white father higher up the organization chart.

The Santa Fe Railroad, in a fit of originality uncommon to their kind, has announced that it is making up a special train on the morning of the game. The train will choo down to Galesburg, Illinois, there to discharge its passengers. The passengers will be herded to the local custer hotel, where they will watch the game via television and the somber tones of Red Grange. For this seat on the 50 yard plus 100 mile line, for an afternoon buffet prepared by the hotel, and for round-trip transportation, each fan will be assessed ten dollars. A seat in the east stands at Wrigley Field, when you can get it, costs four dollars.

Dick Trondsen

youth groups will visit the Jewish Synagogue at Elgin. Rides will be provided for the youth groups. This will be an hour program beginning at 8:15 p. m. followed by refreshments. Everyone is invited to attend. Contact the parsonage for further information.

A pot-luck supper and film program is planned for Sunday evening Nov. 24, at Goodrich school. Supper will be served at 5:30 and films will be shown at 7:00. One film, entitled "The Big Idea" is about an American way of life that had a far reaching effect on a communistic visitor. This film will feature the Swift and Co. Omaha Chorus.

A Trustee meeting will be held Nov. 19 at 8 p. m. at the parsonage. The Sermon for Nov. 17 is entitled "Twentieth Century Mission."

Prince of Peace

Commitment Sunday will be Nov. 17 at Prince of Peace Lutheran Church, Woodridge. Each family in the congregation will be contacted to make a pledge to the work of the Church for current expenses and benevolence for 1964. On Sunday morning, during the 9:30 Worship Service, the 16 men who will be calling in the homes will be commissioned.

Wednesday, Nov. 20, the Ruth Unit of the Lutheran Church Women will meet at Shirley Oldenburg's, 2756 Forest Glen Pkwy., at 9:30 a. m. The Mary Unit will meet on the same day at 8 p. m. at Bobbie Munsterman's, 7815 Westview Ln. The Ruth Unit is presently working on a devotional book for the Prince of Peace Lutheran Church School for the Advent season which begins on Dec. 1. Each Church School family will receive a booklet and an Advent log in which to put four candles for each week of Advent. The logs received by the children last year can still be used this year.

Village Baptist

The Women's Missionary Fellowship met on Tuesday, Nov. 12 at Anne Rico's 2819 Forest Glen pkwy. Christine Giraldo from Wheaton spoke and showed slides on her missionary experiences in Peru, South America. Refreshments were served after her talk.

A singspiration was held Sunday night, Nov. 9 after the 7 p. m. service at Ralph and Lois Demins at 3022 Crabtree. Everyone joined in the singing and a game or so afterwards.

The Primary Church, which met for the first time on Nov. 3 had fifteen present. More seats were available in the sanctuary for the adults. More children are encouraged to come.

Rev. Donald E. Roop, the new paster is living at 7654 Woodview. The phone number is 964-0221. He is there most days of the week.
