

## Library Opening Delayed

The Woodridge Library opening will be postponed for a few weeks due to difficulty in obtaining volunteer help. Also, the bookshelves are not yet completed, and the committee cannot continue their work until these shelves are ready.

Anyone wishing to serve as a librarian should call WO 8-0241 or WO 8-1489.

## Kennel Decision Expected Jan. 20

After months of delays, a decision in the Kennel vs. Wiggins law suit is expected to be handed down by Judge Bert Rathje next Monday.

The suit was filed last Aug. by Ralph Kennel, a former Woodridge trustee, and concerns village meeting places, trustee salaries and the disputed appointment of attorney James E. McClure.

Judge Rathje has attempted to arrive at a settlement acceptable to both parties but when an impasse was reached he announced that he would issue a decree in the case.

## Officials To Meet On Rte. 53 Site

State Representative William A. Redmond (D), Bensenville, has taken copies of petitions signed by some 7,000 Downers residents protesting the highway 53 route to Gov. Otto Kerner.

Redmond said the upshot of his conference with Gov. Kerner was the scheduling of a meeting in the near future with state and highway officials to discuss the problem.

Redmond said he would do all he could to persuade officials to have the highway moved west of Downers.

The time and place of the meeting has not as yet been firmly set; but, in attendance will be Rep. Redmond, Director of Public Works & Buildings Francis S. Lorenz, Highway Dept. Consulting Firm Representative Alfred C. Benesch and J. H. Dinkheller, Highway Dept. District engineer.

Woodridge officials have expressed concern about any attempt to move the proposed highway closer to Woodridge.

## Auto Sticker Deadline Feb. 18

Mrs. Hoffman will also conduct business in her home, 2913 Crabtree, Mon., Tues., and Wed. from 7 to 9 p.m.

Mrs. Hoffman is still accepting resumes for the positions of deputy clerk and census clerk.

## Science Club Hears Lecture

A lecture on comets given by the secretary of the Astronomy Club of Argonne National Laboratory was enjoyed by the Woodridge Science Club in December.

Russell Schavey, head of the Woodridge group explained that the lecture included a detailed history of comets ranging from old wives' tales that they resulted from the anger of the gods through more modern explanations since the development of high power telescopes that a comet is a nucleus of matter and collection of dust loosely held together by gravitational force. An interesting side note of the lecture, according to Schavey, was the fact that from 10 to 20 new comets are discovered each year by amateur astronomers.

## Tough Sledding

The thoroughness of the Public Works Department in clearing village streets was responsible for this scene of dejection. While adults were enjoying the good driving conditions, these young boys, ready to try out their snow equipment, mourned the loss of the favorite hill.

## Murphy Named To School Board

Robert Murphy, 7620 Catalpa, was appointed to the school board of district 68. He was appointed to fill the vacancy created by the resignation of Ned Hill who is moving to California. Murphy is

## Kagann Reports Year's Progress

According to Chief Joel A. Kagann, the following programs have been put into effect during the past year in the Woodridge Police Dept.

1. Entering into an agreement with the Westmont Police Dept. to provide 24 hr. radio-telephone service. This was done at the same amount of money that was being paid using private operators in Woodridge but not providing 24 hr. radio service. Under the new system the police vehicles have immediate radio contact with the station in Westmont.

2. Sending 11 officers to a 40 hr. Basic Training School conducted by the DuPage Police Training Academy in Downers Grove.

3. Sending 3 officers to a 40 hr. school in Juvenile procedure conducted by the University of Ill. Police Training Division in Wheaton.

4. Sending 4 officers to a short course in Radio Operating Procedure conducted by the University of Ill. Police Training Division in Oak Brook.

5. Addition of a part time officer to bring the part time force to 4.

6. Addition of 4 new men to bring the Reserve staff to a strength of 6.

7. Providing new summer uniforms to

## Blood Mobile Explained

The Mount Sinai Blood Mobile, to be sponsored here by the Woodridge Womans Club May 23, is an arm of the Mount Sinai Medical Research Foundation Blood Center in Chicago. It was made possible in 1960 through a gift of Samuel G. Rautbord, and is being used to expand the community service of the Blood Center by making blood collection facilities more easily available to interested groups.

The Blood Mobile truck is a complete unit with full equipment and a normal operating staff of 12 people. Without cost to the sponsoring organization, a drawing may be scheduled by any group of 65 or more donors. This number of signed donors is necessary in order for the Womans Club to provide the advantages of the blood bank to Woodridge.

The first blood bank at Mount Sinai Hospital was established in 1945 to supply blood needs of hospital patients. In 1947, available funds enabled the research program to be expanded. In connection with research on blood, the Blood Center was started in 1951. Larger facilities required expansion and in 1958, through the generosity of Charles Hyman, property was acquired for the new center known as the Charles Hyman Blood Center of the Mount Sinai Medical Research Foundation. WHAT IS IT?

The center is a nonprofit organization dedicated to engage in research in blood, to service patients with blood and blood products needed in diagnosis, treatment and prevention of disease, to expand community blood donor facilities and blood protection plans, and to provide education in these fields.

The blood bank works in this way: By giving a pint of your blood, you are taking out blood "insurance" for the time when you or a member of your family might need a transfusion. The "premium" of one pint of blood insures your family for one year, and the transfusion may be received anywhere that the need for blood might take place in the U.S.

### DONOR EXAMINATION

Each donor is pre-screened by careful health questionnaire. Donors not disqualified on this preliminary questioning are given a blood test to determine the hemoglobin (to make sure the donor is not anemic). A person showing evidence of anemia cannot give blood at this time.

Donors are individually and privately examined by a physician; an additional history is taken with particular regard to potentially transmissible diseases such as malaria, hepatitis, allergies, etc.

Interested individuals may attend the meeting scheduled for Jan 21 at 8 p.m. at the village hall to obtain additional information regarding the Blood Mobile. Those wishing to sign as a donor may call Hester Thuerk, WO 8-7181.

## School System Topic Of WMC Meeting

The Woodridge Mothers Club will hold its regular monthly meeting, Tues., Jan. 21 at 8 p.m. in the Woodridge school gym. This will be an open meeting; fathers, mothers and friends are all invited to hear the important topic of the evening: "Our School System and How It Operates."

The meeting will be opened with presentation of the colors by Girl Scout Troop #281. Speakers will be: Mr. Thomas Tousignant, supt. of schools, Mr. Lad Vransy, Woodridge school principal, Mr. Don Driver, Goodrich school principal and Mr. John Dahlberg, president of the school board of dist. 68.

The subjects for discussion will be the reading, social studies, science and arithmetic programs of our school system. There will be a question and answer period following. Refreshments, furnished by the mothers of the students in Miss Demos' and Miss Rathjes' classrooms, will be served at the close of the meeting.

## Fire Auxiliary Says "Thanks"

The Fireman's Auxiliary would like to thank the Cub Scouts and all who contributed to the Christmas box for the Lincoln-Dixon Children's homes. An enormous box of gifts (too large for the women to handle) was delivered to the home and several members went along to visit.

Not to be out-done by their wives, the firemen displayed their Christmas spirit by presenting eight baskets of food and four turkeys to needy families in Woodridge and Lisle. The fire department sends a special thanks to the Auxiliary for their help in the preparation and delivery of these baskets.

At present the Auxiliary is working on plans for a fund raising project to earn money with which to purchase major equipment needed for the fire department.

## Surety Pleased With Local Salesmen

In a recent interview the WNR learned that Jack Kaufman of Surety Builders is extremely pleased with progress by Woodridge residents on the Surety sales staff.

"Using Woodridge residents to sell our new homes has been a very successful

## Sacred Heart Registration Open

Sacred Heart Academy began preparing for its thirty-eighth year by beginning Freshmen registrations on Sat., Jan. 11. Registration forms may be called for in person; they may be obtained by mail or phone. All eighth grade girls who plan to graduate from any accredited private, parochial, or public school are eligible for admission. Interested students are encouraged to register early because the number of students who can be accepted is limited.

The doors of Sacred Heart Academy are always open to visitors but Sat. and Sun. afternoons are best for incoming freshmen and their parents to tour the building. Bus service is available for girls from Naperville, Lisle, Woodridge, Downers Grove, Hinsdale, Glen Ellyn, Villa Park, Lombard, Elmhurst, Westmont, Clarendon Hills and the surrounding environs.

Sacred Heart Academy in Lisle, Ill., is fully accredited by the North Central Association of Secondary Schools and Colleges and affiliated with the University of Illinois as well as the Catholic University of America.

policy," said Kaufman. "I refer not only to the point of view of my company, but also from the view of the residents themselves, both financially and as a means of learning a new type of work. This is an educational experience for a young man and allows him to earn and learn at the same time without endangering his income from his full time work."

Further discussion with the Surety officer pointed out the fact that other men who have received this real estate sales training course are now sales managers for major Chicago development companies. One ex-Surety trainee is now a top sales executive for one of the largest house manufacturing firms in the United States.

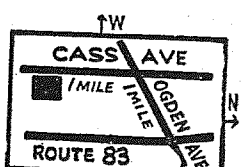

Requirements for this type of work are: A social personality (enjoy meeting and talking to people), Ambition (have an extremely strong desire to succeed), An open mind(willing to learn new methods and ideas), Have a late model car and be available week-ends and evenings.

Kaufman went on to state that it is too bad that so few Woodridge residents have responded to recent ads for part-time sales help. He said, "I suppose many Woodridge-ites don't recognize that they can be successful as new house salesmen because they can speak truthfully from their own experience. Since our new models and new "Highlands" section have received such excellent acceptance by the public, we must expand our sales force and so will soon be forced to look in neighboring communities."

**Tattle Tales**

By Mary Catherine Himes

The holidays are over and we do hope everyone enjoyed the dinners, parties, visits with relatives and the many other holiday pleasures.

A big Get Well to all the children in the village who have had, or now have, the chicken pox. It seems that little bug upset a few holiday plans but there's always next year.

Belated congratulations to the John Sabins and the Walter Baaskes on their new arrivals;

John and Carol Sabin, 7818 Deerfield, welcomed a daughter, Linda Marie, born on Nov. 26 at Resurrection hospital. Linda weighed 7 lbs. 6 oz.

Maternal grandparents are Mr. and Mrs. W. T. Robacki of Franklin Park.

Paternal grandparents are Mr. and Mrs. Robert Sabin of Clearwater, Fla.

The Sabins also have a son Michael who is 3 years old.

Peter Stephen Baaske, son of Joanne and Walter Baaske, 7622 Sprucewood, arrived on Dec. 7 at Holy Cross hospital. Peter weighed 9 lbs 7 oz. at birth. His future playmates included his two sisters Roberta 7 and Carrie 5 and brother Walter III 6 years old.

The maternal grandparents are Mr. and Mrs. Peter S. Rominski of Oak Lawn.

The paternal grandparents are Mr. and Mrs. Walter Baaske, Sr. also of Oak Lawn.

Jerry and Emily Szczepaniak, 2819 Crabtree, announce the arrival of their daughter, Lynn Marie, on Jan 6 at Hinsdale hospital. Lynn weighed 8 lbs. 10 oz.

Waiting at home for their new sister are Raymond 7, Jerry 5, Debra 3 and Mike 2.

Birthday congratulations to Carrie Baaske, 7622 Sprucewood, who was 5 years old on Jan 14. A party for family and friends was enjoyed by all.

Our sympathy is extended to Ray Veverka, 7656 Butternut, a member of our original police force, on the death of his father, Thomas J. of Berwyn.

Gregg William Smale, son of Bette and Bill Smale, 7819 Deerfield was baptized on Dec. 15 at the Methodist Church. Barry Aufmann, 7627 Catalpa was the sponsor.

**Boy Scout News**

If you attend a meeting of Woodridge Boy Scout Troop 109 you will find a very well disciplined group of boys. The patrols are participating in a contest and will receive points for being in uniform, obeying the patrol leader, and being quiet when others are speaking. In March, the patrol with the most points will be treated to a bowling party.

John Tucker's Raven patrol won a knot tying contest at the last troop meeting.

The scouts, under the direction of Mr. Przybylski, are painting signs to attach to the sides of the truck during paper drives.

**Girl Scouts**

Troop 281 Girl Scouts, Andrea Wilgus, Ranae Stroud, Betty Nees, and Gail Wankowski will do the flag ceremony for the Woodridge Women's Club on Tuesday evening, Jan. 21, 1964.

**New Court System Gets Under Way**

In Illinois jurisprudence, Jan. 1, 1964, will be noted as a starting date - as the day when the old court system which was established in 1848 and re-affirmed in 1870 was abandoned; and when a new, modern court system was put into use.

The people of the state adopted the new plan in November, 1962, when they approved a judicial amendment to the Illinois constitution.

To lawyers, the big changes are such things as the unified trial court and increased authority for the supervision of judges and the number of cases they hear.

To most of the rest of us, however, the big change lies in the disappearance of the justice of the peace and the police magistrate from the judicial scene.

**FOUR MONTHS WORK**

The changes in court procedure are so numerous that Chief Judge Mel Abrahamson presided over four months of intensive work by DuPage's judges before being appointed to the second district Appellate court and leaving the DuPage circuit.

Replacing him as chief judge is Bert E. Rathje of Wheaton.

Circuit Judge William Atten becomes head of the general division. Associate Judge William L. Guild becomes head of the probate and county divisions, and Associate Judge Philip F. Locke becomes head of the magistrates' division.

**ONE TRIAL COURT**

The new court change is important to

lawyers because all cases now will be filed in circuit court. In times past, there have been several trial courts--- circuit, county, probate, justice, and magistrate.

There are other points, having to do with the procedures of the courts, which are important to lawyers but which need not concern the layman.

To the 10 million of us Illinoisans who are not lawyers, the big question is: Will it be any rougher on me if I'm picked up for speeding?

**YES AND NO**

Yes - because what happens after the motorist is stopped by a police officer is different from what it has been.

Yes - because he may have to appear in court at a time that is inconvenient.

No - because he will not necessarily be hailed before a judge who is friendly to the police.

Now Judge Locke, not the police, will decide what magistrate will hear the case. This can only mean that the motorist may expect a better break if he decides to tell his story to the judge.

Initially, Locke has assigned local magistrates to hold court in 19 locations about the county, but these assignments may be changed - by Locke.

Woodridge court sessions will be held in the Lisle Village hall, 4740 Main at 10 a.m. every first and third Saturday with Judge Lester Reiff presiding.

As you read this, kindly say a little prayer for your dear ol' sister school's basketball team. Because, probably, we are now being stamped into the worst defeat ever. We are playing Gower!

But as for our last game with Cass, I'll give you three guesses. The score was 26-30. At least, we have an unbroken record. I think we all have a feeling that we might have at least tied them, had it not been for too many personal fouls on a certain player, namely Tom Rietz. The score, oddly enough, was very close.

We are now pleased to announce that Goodrich School is the proud new owner of a ping-pong table. With practice games at noon for the 6th, 7th and 8th grades, we are preparing for the tournament which will be held near the end of winter.

**Police News**

Station complaints received by the Woodridge Police Department during the first 2 weeks of January include: 3 prowler calls; 1 injury; 3 dog complaints; 1 complaint of boys throwing snowballs; stolen Christmas decorations; a stolen car report; a family fight; phone calls being made, but when the party answers the telephone, no one speaks; newspapers being stolen; a red wagon was found in the ditch and is being held at the station; 1 complaint that a tenant moved out of a house without notice as required by the lease.

REGULAR & WHIPPED CREAM PIES

WE'LL BE LOOKING FOR YOU  
AT TOWN LIQUORS ON MAIN STREET

The day was bright, clear and cold and thousands of fans sat shivering in Wrigley field in 12 degree temperatures. They wore layer upon layer of clothing to ward off frost bite, and stamped their feet and beat their arms as the cold insidiously crept in. Some fans resorted to a liquid stimulant to aid the circulation of the blood. There was only one thing which would make these people suffer so ---and that one thing was occurring. Their Bears were playing at home in a World Championship Game for the first time in 17 years. The Bears had played brilliantly throughout the 1963 regular season to win the right to represent the West in the title game. Allie Sherman had brought his Giants and Yelbertson Abraham Tittle to the Windy City to represent the East.

Since home television was blacked out, those who wanted to see the game had the choice of watching theatre TV or driving to the fringes of the blackout area. This reporter, along with Bill and Tom Roberts and Gene O'Connell, chose the latter. A small restaurant on Ogden Ave., the Beef Steak Inn, had erected a towering aerial to draw the game from Milwaukee, and invited their patrons to sit in. The four of us, sans long underwear, hot coffee, or field glasses, jammed into the inn with well over 100 other excited and noisy football fans.

At kickoff time, 12 noon, the breakfast dishes had been cleared away, the betting pools had been organized and completed, the National Anthem had been sung, and there was so much interference on the TV screen it looked like the blizzard of '88.

After some frenzied technical knob-turning, the picture cleared up in time to see Frank Gifford greedily clutch a Y. A. Tittle touchdown pass for an early Giant lead. The Bear fans groaned and the Giant fans, the Packer fans, and the Cardinal fans cheered and sagely nodded their heads. For the balance of the game, we had good T. V. reception, although the audio portion was drowned out by the noise from the patrons. Those who had wisely brought transistors supplied the interpretations.

Things looked black indeed when the Giants recovered a second Bear fumble and began to threaten a rout. But Del Shofner dropped a touchdown pass, and MVP Larry Morris intercepted a pass and struggled with leaden legs to within the shadow of the Giants goal. The fans reacted just as they would have in the park, with cheering, whistling, stomping, and back-slapping. At this point, the owner began to fear for his timbers and his crockery. The Bears finally tied the score, but again fell behind on a Giant 3-pointer. One of the bigger, yet controlled, cheers came from the blood-thirsty fans when Tittle limped painfully off the field with a leg injury. The half-time break provided welcome relief for those who were stranded far from the coke machines and the almost-inaccessible comfort stations.

When burly Ed O'Bradovich made his key interception in the third quarter, the Bear fans began to sense that this was a team of destiny and the Giant fans, diving for their rabbits feet and four-leaf clovers tasked over the dirty play of the Bears. The score which sent the Bears ahead brought a select brand of hysteria to the inn which is common only to Chicago fandom. However, there was still time, and Tittle relentlessly and maddeningly directed the hated Giants down the field toward the Bear goal and what would have been a winning score. It was a time for holding your breath and invoking the wrath of all heathen idols on the Giants. The final, heart stopping interception with 2 seconds to play shook the chandeliers and did, in fact, send one table and one coat rack crashing to the floor to add to the delirious pandemonium. No one seemed to mind the damage, because WE were World Champs. Giant fans desperately claimed they had played the Bears into the ground, but we proudly pointed to the score board, where winners are decided, to the score--Bears 14, Giants 10!

**Methodist**

The First Methodist Church of Western Springs, in celebrating their 75th anniversary of service in their area, have chosen to graciously bless the Woodridge Methodist Church with some very useful and needed items. These items include an electric mimeograph machine, and supplies, a 500 watt slide projector, a liberal supply of Sunday school material, and a group of cheques totaling \$225 for other needed equipment. They also provided material to make approximately 25 choir robes. Several women of the church have volunteered to make these robes. The church sends a warm thank you for their thoughtfulness.

At the Jan 8 meeting of the WSCS, Mrs. Wanda Wiest volunteered to serve as chairman of the Entertainment committee. Mrs. Shirley West and Mrs.

Norma Schirmacher will assist her. The WSCS voted to sponsor a coffee fellowship and reception of members on the last Sunday of the month following the regular worship service. The Senior Methodist Youth Fellowship will help serve at the first coffee fellowship.

Mrs. Colleen Cobb, Mrs. Rosemary Dicks and Mrs. Faylene York will serve on the nominating committee to select new officers for the coming year.

Membership preparation classes started Jan 11 and will continue each Saturday from 9:30-10 a.m. at the parsonage. Members will be taken into the church on Palm Sunday. For further information, please call the parsonage, WO 8-4868.

Methodist Youth Fellowship meets every Sunday at 7 p.m.; the Junior group at the Trondsens and the Senior group at the parsonage.

Choir rehearsal is held each Thursday at 7:45 at the Trondsens.

There will be a Trustees' meeting on Tues., Jan 21 at the parsonage.

The sermon for Jan 19 will be "Joseph, the Noblest Man in Genesis." January 19 is also Baptism Sunday.

Mrs. Pogue will be nursery mother for January 19.

**Village Baptist**

New families are attending the church each week, and some have joined in the past few weeks. Mr. Don Bernsen is the new Sunday School superintendent, and he has many new ideas and programs for the future worked out. Mrs. Rico took the young people tobogganing last Saturday evening and they all had a good time. Mrs. Roop is leading in the contest with Pastor Roop. She had 15 young people out for Training Union last Sunday at 6 p.m.

Sermon topics for Jan 19: 11 a.m. "The Beginning of Worldliness" from Gen. 13 to 19; 7 p.m. "The Beginning of Consecration" from Gen. 22.

All those in the Book of the Month Club are asked to read Genesis 25 to 40 for this week.

All choir members are asked to meet at 8:30 for practice this Wed. after prayer meeting.

Bonds have started to sell, and there seems to be a good interest in the church and community.

Now that the drab winter days of January are with us, how about a boost for sagging spirits? Nothing will delight the family more than some delicious homemade candy. The first recipe calls for lots of good, rich chocolate and is certain to be a favorite with the kids if only for its name - "Tingalings." The second recipe will help you make divinity that's truly "divine."

**TINGALINGS**

- 1 lb. sweetened chocolate
- 1-1/2 sq. unsweetened chocolate
- 4-1/2 cups cereal (corn flakes, sugar pops or your own favorite cereal)
- 1 cup salted mixed nuts

Melt chocolate (both kinds) using low flame. Add cereal and nuts, mixing well. Drop on candy platter in desired size. Cool.

**MAPLE DIVINITY**

- 2 cups maple-flavored syrup
- 1/4 teaspoon salt
- 2 egg whites
- 1/2 cup broken pecans

Butter sides of heavy saucepan. In it, cook syrup rapidly over high heat to hard-ball stage (250 degrees) without stirring. Remove from heat. At once, add salt to egg whites; beat to stiff peaks. Pour hot syrup slowly over stiff-beaten whites, beating.

**Coupons Needed**

The Helping Hand School for retarded children needs help. The parents, families and friends of these children are trying to acquire 200,000 Betty Crocker (General Mills) coupons. Upon accomplishing this, the school will be given \$1000 in cash to start a building fund.

Anyone having any coupons to donate, or wanting any further information about this project or the school itself, can call WO 8-8872 any afternoon or evening.

**"Goose" Tatum Coming To Naperville**

Basketball's most fabulous personality, Reece "Goose" Tatum, ageless Clown Prince of the Court is bringing his world-wide barnstorming champions, the Harlem Roadkings to the Fieldhouse of North Central College in Naperville on Fri., Jan. 31 at 8 p.m. when they go up against another outstanding professional quintet, the Original New York Renaissance, more universally known as the New York Rens.

With his team now is his former Globetrotter sidekick, Chuck Taylor, as well as Ramon Wilkinson, and others. And playing by his side, Tatum now has his own son, 22 year-old Reece Tatum Jr. The youngster has picked up many of his dad's tricks and is a show in himself. The two together are a riot, fans agree.

At half-time of the Roadkings-Rens game, the world famed "Ink Spots" one of American's best-known musical shows, and stars of stage, screen and radio, will put on a 30-minute concert.

Tickets are priced at \$2.50 for adults and \$2.00 for students through college age. Children under 12 are \$1.50. Tickets are on sale in Naperville at Albrecht's Drugs, Jeffries Drugs and Jan's Gift Store. In Lisle tickets are being sold at the Lisle Drug Store.
