

## Ping-Pong Entry Deadline Feb. 6

The deadline for entering the WAA men's singles ping pong tournament is Thurs., Feb. 6. Anyone interested in signing up should call John Narducci at Wo 9-5163. The entry fee is \$1. Play will begin Feb. 15.

## High School District Reaffirms Split Campus Trial

Whether Downers Grove's second high school will continue as a freshman-sophomore unit or become a completely separate four-year school will only be determined after a trial of the split campus plan.

The board of education, district 99,

reaffirmed this decision at its meeting Monday night, Jan. 20. The initial action was taken in September, 1962, and publicized prior to the vote on a second high school the following November. The building is now under construction and slated for opening this coming fall.

School board members urged that the initial operation of the new unit now become a factor in considering the current need for an educational rate increase. A referendum for an increase from 76% to 97% is being submitted to voters Feb. 15.

The panel emphasized that the rate increase is needed regardless of how the space is used. Major reasons are: increasing enrollments; maintenance of the teacher salary schedule at a competitive level with other school districts in the area; inflation; and operation of the second school.

"The final decision has not been made as to how the new school will ultimately operate," the board statement reads.

"This will only be determined following careful evaluation of the 2-2 plan in relation to the 4-4 operation.

"By spring of 1967--or earlier--the decision will be made to continue this operation or go to two separate four-year schools. The evaluation is to find out by actual experience what is best educationally for the young people of the community."

(The 2-2 plan means all freshmen and sophomores in the new school, juniors and seniors in the present building; 4-4 means two separate four-year schools.)

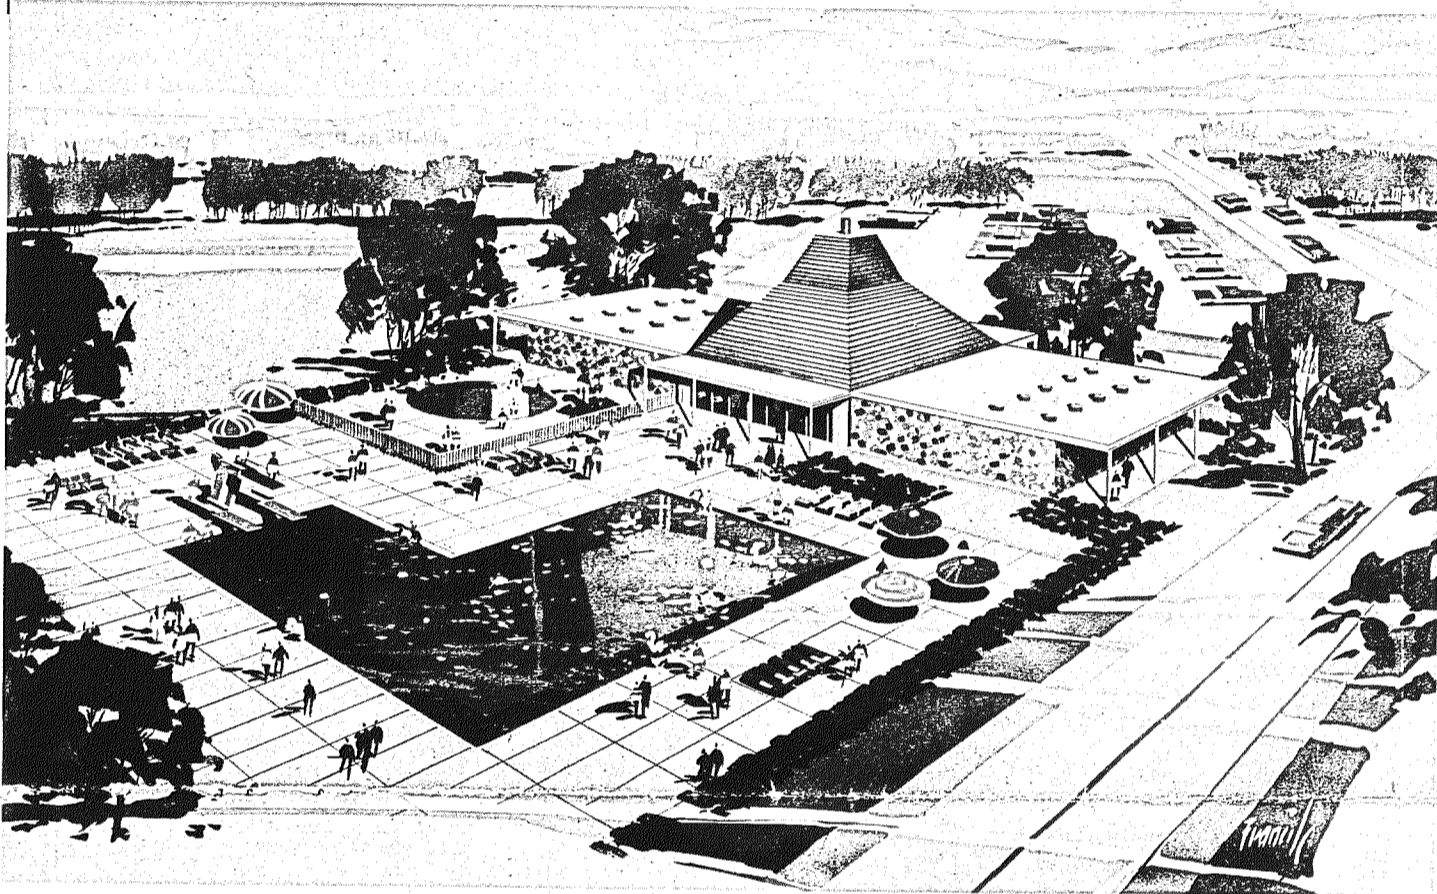

In discussing the program, board members frankly admitted they could see advantages and disadvantages of both types of operation. But they agreed that the trial of the split-campus plan should provide actual data for a careful, factual evaluation. One important aspect will be cost of operation.

Information has already been requested from three other school systems which follow the split-campus plan and favor it. These include Lyons Township, Blue Island, Waukegan.

School officials here pointed out that initially the 2-2 plan is more advantageous academically in that the present instructional program can continue in both buildings at less cost. This means advanced classes in science, math, foreign language, and English can be offered accelerated students. And young people who wish to learn special skills in shop training will be able to use equip-

## Winston Hills Swim Club Planned

Pictured above is the artist's conception of the swimming club planned for Winston Hills, Woodridge. This recreation facility, planned by Winston-Muss Corp. for purchasers of homes in Winston Hills, will include an Olympic-size pool, a separate pool for toddlers, recreation building and a meeting hall.

## Winston Hills Opening Feb. 1

Winston-Muss Corporation, the Chicago area's largest home builder, will open its newest community, Winston Hills in Woodridge, Saturday, Feb. 1.

Five model homes, ranging in price from \$18,500 to \$23,500, will be opened for inspection at 9 a. m., and will be open daily from 9 a. m., said Joshua A. Muss, vice president in charge of Chicago area operations for Winston-Muss.

The homes are the Adams, a spacious, mid-level ranch; the Bennington, a three-bedroom, 2-1/2 bath split-level; the Concord, a 2,100 square-foot gallery ranch, also with three bedrooms and three baths; the Dearborn, a three-bedroom ranch with a 12x18-foot, step-down family room

dining area; and the Essex, a three-bedroom ranch style home with an unusual "open Atrium" exterior entry and a dramatic entry foyer with a 9-1/2 foot high ceiling.

All Winston Hills homes feature spacious closets; garages with extra storage area; built-in ovens and ranges, dishwashers and disposers; maintenance-free brick and aluminum siding; and owner's choice of interior colors. Each model is offered with a choice of three exterior styles.

Located just south of Lisle in Woodridge, on Illinois Route 53, Winston Hills is set on a 565-acre site in rolling, wooded DuPage county countryside, 34 minutes from the Loop. The area is served by the Northwestern and Burlington commuter lines, and by the East-West tollway and Eisenhower Expressway.

Winston-Muss plans to build 375 Winston Hills homes this year, Muss said. Eventually, the \$40 million community will be comprised of 1,850 homes.

Muss said a feature of the community will be a private swimming club, with an Olympic-size pool and a community center-recreation building. The immediate area also offers recreational facilities outstanding in the Chicago area, Muss said, including four golf courses, Four Lakes Recreation Center, and the Morton Ar-

## Telephone Book Delivery Next Week

The 1964 Woodridge telephone book, published again this year by the WNR, will be distributed to subscribers next week. A door to door delivery of the books is planned. Anyone wishing additional copies of the directory can obtain them at a cost of 50¢ each by calling Bob Bonk, Circulation Manager at WO 9-6491.

## Paper Drive Saturday

The next Boy Scout paper drive will be Sat., Feb. 1. Have your scrap papers bundled and tied with suitable cord and at curbside by 9 a. m.

## Baptists Dedicate New Site

Left to right: Rev. Donald Roop, daughter, Elsie, Mrs. Mary Roop holding their youngest, Betty, and sons, Tim and Bill.

Mist and intermittent drizzle failed to dampen the spirits of those attending the site dedication of the Village Baptist Church Jan. 19. Erected on the site on 75th st. east of Janes ave. is the sign pictured above. The pastor and his family are shown above posing for the picture after the ceremony.

This is the second purchase of property by the members of the church. The first purchase was the property and home at 7654 Woodview in June, 1960 from Surety Builders. Services have been held there since July of 1960. Plans are to

use this house just for a parsonage after the new church is built. The Village Baptist Church was the first church to be organized in Woodridge (Nov. 15, 1959) and in selecting a church site on 75th st. is the fourth church to have interests in property on 75th st. St. Scholastica Roman Catholic Church has temporary arrangements for a convent and rectory. The permanent site, however, is on Janes ave., south of 75th st. Prince of Peace Lutheran Church has a parsonage on the south side of 75th st. and has dedicated a site on the north side of 75th st.

## Lutherans Exceed Fund Goal

Mr. Walter Henk, Organizational Chairman of the "Arise and Build" fund program of Prince of Peace Lutheran Church, LCA, Woodridge, announced at the 9:30 a. m. Worship Service Sunday, Jan. 26, that the advance building fund goal of \$14,000 has been exceeded. \$15,966 was pledged for a two year period by the members of the Church for a Church building.

A final report and evaluation of the fund program was presented by Mr. Alfred Klimesz, Program Director of the Lutheran Laymen's Movement for Stewardship of the Lutheran Church in America. He commended the people for their fine response to the program and thanked everyone for their hospitality during his two and one half week stay.

Mr. Klimesz also announced the members of the Commitments Progress Committee: Mr. Bernard Carter, Chairman; Mr. John Dacy and Mr. Walter Henk,

## Big Hassle For Small Gain

The village board's decision to approve Surety Builders' plat for unit 6 (including the annexation of land) last week apparently brings to an end the bitter nine month struggle between the five Citizens Action Party trustees and Surety Builders over the public land issue. In the end Surety got what it wanted: the annexation of additional property and approval of the plats for two more units. For its efforts, the village got the deeds and bills for back taxes on a two acre, almost unusable, tract of land along the Crabtree creek.

The CAP trustees based much of their election campaigning on promises to deal effectively with developers, particularly in obtaining public land.

With Winston-Muss they were successful in this matter, but with Surety they have not been, despite the fact that last week the village was for the first time in an advantageous position to deal with Surety.

The available land for public use is rapidly diminishing. Unless the village board is able to negotiate favorably with Surety or plans definite action to obtain land for future use, the village will soon find that there is no suitable land left about which to negotiate.

At a village meeting last May Albert Kaufman of Surety said he was prepared to give the village an acre of land south of the proposed shopping center site. We hope he will now reconsider his offer.

## Another Nuisance

One of the many responsibilities a newspaper has, to any community it serves, is to be on constant guard against blight or any unsightly conditions that exist which detract from the community. Last Spring we publicized the junk car problem that existed because we felt that this problem, if not checked, would be detrimental to our property values.

The latest problem to develop, ironically enough, is caused by some of the newspapers serving the area. It is not uncommon of those who drive through Woodridge each morning on the way to work to see newspapers of all sizes and descriptions littering the lawns and streets or laying behind bushes or stacked in a pile along the village creek.

The main offenders seem to be the weekly publications of our neighboring villages that are delivered door to door (or supposed to be). While we respect their right to deliver these publications here, we wish they would respect our right to have a clean village. If enough citizens concerned with this problem drop a note or telephone these publications, this unsightly situation will no doubt be remedied.

## H.S. Board

Con't From Page 1

ment already available in the present school. This includes graphic arts (printing), auto mechanics, and so on.

Duplication of these facilities in the new building would be costly. Further, the general feeling is that other instructional equipment (such as a metal shop, woodshop, etc.) should be provided in the new school. This would give students added opportunity to learn new skills and in some cases might pave the way for future vocations. Such courses at the freshman-sophomore level are exploratory in nature.

With the two schools operating as one unit, the same department heads will supervise instruction. This provides close coordination of the program and an operational savings since additional supervisory personnel will not be needed.

While the split-campus plan will increase the number of pupils being bussed, a preliminary study indicates that no additional buses will be needed and that scheduling should not be too difficult. Careful consideration will be given to the safety aspect of students in laying out the bus routes.

On the athletic side of the picture, the board noted that with the 2-2 plan the same coaching staff can handle both schools since there will be only one varsity team for each sport, junior varsity, and so on. If the buildings operated as four-year units with teams for each school, obviously the athletic staff would have to be increased.

The administration pointed out that to date no application has been filed for membership in another conference for the new school. By the time a new school's team begins actual play in a league, approximately a year to 18 months has elapsed from the time an application was filed.

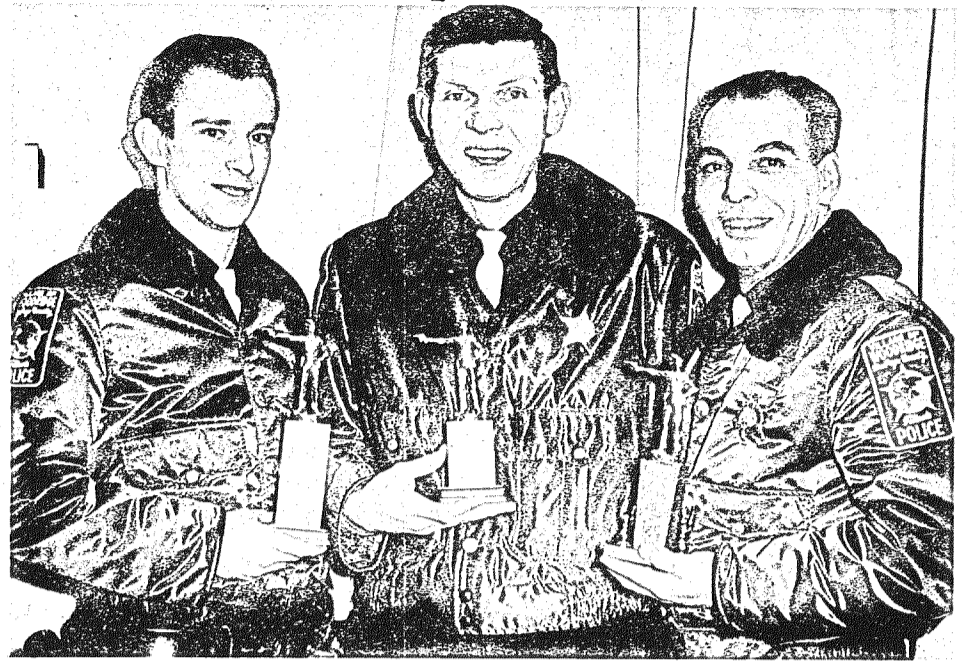

## 200 Attend Parents' Night At Academy

More than two hundred parents of students enjoyed an interesting evening on Wed., Jan 15. The special program consisted of a general session held in the Sacred Heart Academy auditorium. It was conducted by Sister Rosemary, principal, who after welcoming the parents, formally introduced each faculty member and included the following information in her "state of the Academy" address: enrollment; credentials; affiliations; national, state and local memberships in professional organizations; balance in staff educational background, which includes a Ph.D. and six M.A.'s; improvements completed and those which are projected for the future; and most important of all - the new building program.

After this opening general session, questions from the floor manifested parental interest in: school trips, dances, buses, textbooks, study hours, and dismissals. This question and answer period was followed by a short social hour during which the seniors served refreshments.

Then, the school bell rang and all the parents disappeared either into the study hall or the conservatory for the class they had selected. In the study hall, Sister Mary Joella conducted a typical high school social studies class. The parents learned all about the disputed election of 1876. During this same period in the conservatory, Sister Mary Electa was teaching her student-parents how to sing. At 10:15 p.m. the school bell announced the end of classes and the parents returned home, tired, but happy that they had the opportunity to see what goes on in a typical high school these days. More sessions are planned in the future.

## Sharpshooters?

Left to right: Officer George Zima, Sgt. Jerry Szczepaniak and Officer James Novello

Woodridge Police Dept. brought home four of thirteen trophies from the year long "Three-Town Match Assn." shoots, which were held at the Inter-State Police Range in Oakbrook, Ill. These trophies were earned by shooting with the .38 Cal. revolver, the NRA Standard Courses of Slow, Time, and Rapid Fire. 1963 was the first year that the Woodridge Police Dept. entered these competitions. Although the team ended up in last place, the men were really in there trying. The Individual Trophies were awarded to Officer Gerald Timko, "1st Place Tyro", and Sgt. Jerome Szczepaniak, "3rd Place Tyro". Officer Edward Arndt received the "Last Place" award. Much time and effort went into the "Most Improved Shooter" award which was received by Officer James Novello. Once again, congratulations to these Officers who have shown their merit in still another phase of Police work, and to use an old quote: "Wait 'til next year".

## Catholic Population Reaches 250,000

Due to the industrial growth of the Joliet area and the continued rush to the suburbs, the Roman Catholic diocese of Joliet reached the quarter million mark in 1963. This is an increase of 9,921 over 1962 in the number of Catholics living in the 7 counties that comprise the diocese of Joliet. Catholics form just less than one-third of the population of the area.

Immaculate Conception parish, Elmhurst, is first again in total population with 6,152. St. Patrick's of Joliet is second with 6,000. Others in the "top ten" are: Visitation, Elmhurst, 5,900; Sacred Heart, Lombard, 5,895; St. Alexander, Villa Park, 5,809; St. Pius X, Lombard, 5,684; St. Joseph, Downers

Grove, 5,630; St. John, Villa Park, 5,600; St. Petronille, Glen Ellyn, 5,517; and the Cathedral of St. Raymond and St. Anthony of Joliet with 5,500 each.

St. Anthony of Joliet is back in the "top ten" along with a new-comer, St. John of Villa Park. The foundation of new parishes, from older ones, accounts for the yearly shift in many parish populations.

There are 162 diocesan priests, an increase of 8 over 1962, and 257 religious priests working in the diocese. There are 134 Brothers and 1107 Sisters in the diocese.

A few excerpts from the diocesan statistics show that in 1963 there were 699 converts received into the Church; 1,500 marriages and 155' deaths.

## H.S. Board Passes Tax Abatement Levy

A tax abatement levy which will reduce the amount paid by District 99 taxpayers this year on construction of the new high school, was passed Monday night Jan. 20 by the Downers Grove High school board of education.

Members unanimously adopted a resolution directing the abatement of \$112,755 on the 1963 levy for the Building Bond fund. Normally this money would have been collected from taxpayers to meet the current interest payment.

But, instead of property owners meeting the full cost, they benefit from the Board's plan of investing proceeds from the Building bond issue not needed immediately to meet construction and equipment costs. The money received in interest from the invested funds will be allocated to meet part of the bond payment with the balance coming from local taxes.

School officials pointed out that this had been the plan last March, when the \$4,050,000 bond issue for building and equipping the new school was sold. The abatement will keep the estimated cost of the issue in line with the projected figure.

Supt. Glenn E. Pickrel told members that construction of the new school at 63rd and Dunham is proceeding on schedule. Concrete for the gym floor is being poured and almost finished. Brick work is now underway. The school is slated for completion in the late summer. It is to open officially in September.

Members approved the Superintendent's recommendation that Rockwell Manufacturing Co. be awarded a contract for 12 Aetna Drivotrainer units for use in the Driver Education program. The \$20,713 total includes 12 Drivotrainer cars with recorder equipped with instant reader, projector and synchronizer, 16 colored films plus a projection screen and frame, and the installation of the equipment, Pickrel said that the layout for the room at the new high school has been completed and the conduit installed.

Six areas of policy ranging from Sabbatical Leave to Married Students were adopted as submitted, by a Board policy committee which included Mrs. Mary

Soddy and Roy Crone Grade school board members took similar action last week (except for the item on married students.)

Policy on "Student Marriages or Other Related Problems" simply directs the Administration to prepare regulations which arise from such situations. It also specifies that failure of a student to comply with these regulations shall be cause for suspension or expulsion from school. The regulations were included with the policy submission and received board approval. Details will be released later.

The Sabbatical Leave policy provides that the Superintendent may grant such a leave for a period of "at least four months but not in excess of one school term for resident study, research, travel, or other purposes designed to improve the school system to a member of the teaching, supervisory, or administrative staff who has had six years of contractual service in the district."

It also specifies that no more than two staff members will be granted such a leave during the year. Supt. Pickrel pointed out that he did not feel the board could extend this leave to more than two because of the financial situation. The policy, in line with the School Code, provides that a teacher on Sabbatical Leave shall be paid her salary less the amount of the substitute's pay or one-half the basic salary -- whichever is greater.

A change in Board policy covering retirement of School Employees makes retirement mandatory at the age of 65. Previously the board permitted a staff member to continue after the age of 65 on recommendation for continued service on a temporary basis from the Superintendent. The new policy takes effect Sept. 1965.

The panel also reviewed a letter from Charles J. Kaleta outlining plans for a 269-apartment complex north of the Ogden ave. shopping center from Forest ave. to the Legion field and high school ball diamond. A hearing is scheduled before the County board. The local school board felt the project should not pose any particular problems at the high school level.

## Police News

Monday, Jan. 6, was the date of the Woodridge Police Assn. meeting. The main topic of this meeting was the annual election of Association Officers. Chief Kagann acted as Chairman. After the usual nominations and votes, here's the way it ended up. President, Edward Arndt; 1st Vice President, John Loomis; 2nd Vice President, Gerald Timko; Secretary Francis Furio; Treasurer, Alma Thorensen; and Sergeant at Arms, Keith Porter. Congratulations to all these new Officers.

Just a reminder, the deadline for Illinois Vehicle licenses and Woodridge Vehicle licenses is February 15, 1964.

## Cub Scouts

Boy Scouts of America will celebrate the 54th birthday of Scouting in February. February 7-13, Boy Scout Week, will be uniform days. Cubs will wear their uniforms to school and other affairs. Cub Scouts will attend their own religious institutions with their families on Feb. 9. On Feb. 23, Pack #104 of Woodridge will hold its annual Blue and Gold Dinner in place of the monthly pack meeting. Dens are already busy preparing for it. Parents of Cubbers are asked to complete their reservations as soon as possible and return them to the Den Mother, so that final plans may be completed for the Blue and Gold Dinner.

Welcome! Frances Furio, new den mother for Den 6. We would also like to express our appreciation and thanks to Louise Schnieder and Diane Vicencie, den mothers, who have worked so hard but have found it necessary to give up their dens. Any boys 8-10 interested in becoming a Cub Scout should contact Cubmaster-Bill Blecher at WO 9-6472. There is always a need for Den Mothers.

## Erlenborn 1st On Ballot

Veteran legislator John N. Erlenborn received first place on the Republican ballot for U. S. Representative in the 14th Congressional District when he appeared first at the Secretary of State's office in Springfield early Monday morning.

Filing for Congress opened January 20. The last day to file nominating petitions is January 27. Erlenborn's district includes DuPage and Will Counties.

Erlenborn issued a statement thanking volunteer workers and Republican precinct committeemen in the two counties for their help in filling more than 500 petitions.

Looking forward to November, Erlenborn called on the committeemen and workers to "let there be no mistake about the Democratic party's irresponsible responsibility for the at-large election of State Representatives... This is our Republican issue for 1964... It was a brazen attempt to steal control of the legislative machinery of Illinois."

A State Representative from DuPage County, Erlenborn is one of the GOP House leaders who drafted the Republican election at-large proposal during the current special session. This legislation was introduced by State Rep. Albert Hackmeister, of Chicago, and co-sponsored by Erlenborn and 26 other Republicans.

Noting this is the fifth time his name will appear on the Republican ballot, Erlenborn commented "the excellent petition return from Republican committeemen indicates to me we're a party that's fighting mad and determined to roll up a record straight Republican vote to carry Illinois."

Erlenborn was first elected a State Representative in 1956. He was reelected in 1958, 1960 and 1962. Each time he was top vote-getter in his district.

## Gamble Calls Special Meeting

The Lisle Township Regular Democratic Organization held a special meeting Thursday evening Jan. 16, 1964, at 1009 Front st., Lisle, Ill. The meeting was called by Chairman Walker R. Gamble to discuss three important subjects.

First discussion concerned securing precinct committeemen to cover the old precincts and the two new ones, making a total of 20. With complete cooperation of all concerned it seems that Lisle Township will have a Democratic committeeman covering all precincts.

Second order of the evening concerned arranging a personal meeting between the committeemen, members of the Lisle Township Democratic Club and all the election judges for the primary of Apr. 14, 1964. This meeting will be held at Ross Bishop hall in Lisle, possibly the last Thursday evening of February dependent on securing the services of an expert speaker to cover the problems concerning the at large primary ballot. A social will follow, giving the new judges and the new committeemen a chance to become better acquainted.

Third discussion was about a Lisle Township Democratic party, to be held sometime during the summer of 1964. The members voted Chairman Gamble authority to appoint a committee to arrange this special event. It was hoped Governor Kerner, Paul Powell or some national figure could be secured for guest speaker. Members of the committee are L. Ross, C. Stratton, T. Heinrichs, C. Zenger, J. Poziombka, F. Blaneck, I. Rios, Margaret Krips, and Pat Davis.

Before closing the meeting, an open discussion was held. One most important point discussed was the unfair image given the Democratic Party by some of the press and the opposition party during the recent apportionment hassle. It should be remembered that the Republican House and Senate majority initially cre-

## Night Classes To Begin At St. Procopius

St. Procopius college in Lisle will offer evening session classes beginning Jan. 30. The courses offered during the evening session are equivalent in method, content, and credit to courses offered during the regular academic year, and may be applied toward the appropriate degrees conferred by the college.

The evening session is open to men and women who are:

Candidates for undergraduate degrees; Unclassified students wishing to take special courses or desiring intellectual enrichment without reference to a degree.

With the initiation of the new summer and evening program, part time students can complete their freshman and sopho-

## Lutheran Con't from page 1 Program Monitors.

On Behalf of the Church Council and the members of the congregation Pastor Swanson thanked Mr. Klimesz for the work he had done throughout the program. Pastor Swanson also acknowledged the work of Mrs. Dorsie Young, Program Secretary, and the various committees of the program.

As a result of the success of this program the Church Council met with Pastor Lavern C. Anderson, Regional Secretary of the Board of American Missions of the Lutheran Church in America, to begin making plans for a church building.

ated the mess by defying the plain intent of the State's Constitution that the people of Illinois be represented in the House at Springfield by legislators elected from districts approximately equal in population. Such representation was not provided in House Bill 978, a measure passed by the Republican Senate and House Republican majorities in defiance of every concept of equal representation. Governor Kerner had no choice except to veto the bill.

Governor Kerner could very well copy a phrase from President Harry Truman's famous statement of the "No good, do nothing 80th Congress", by applying it to the 73rd session of the General Assembly.

Lisle Township Democrats extend their best wishes to Jerry Ziegler upon his decision to enter the race for Congress in the fourteenth district, and their gratitude to the young Democrats of DuPage county for their excellent organization.

The testimonial dinner for State Representative William R. Redmond, at Brookwood Country Club Saturday evening was attended by a large delegation of well wishing Democrats from Lisle Township. Bill Redmond is an old friend of many residents of Lisle and vicinity who can long remember him as about the only representation our minority party has had in DuPage county for many long years. We need your help to change this unfair balance of power in DuPage county!

## Nees Scholarship Semi-Finalist

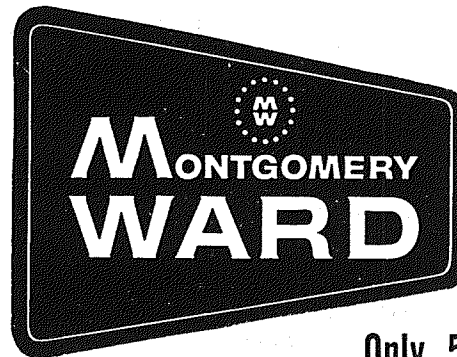

George Nees, son of Mr. and Mrs. Charles Balogh, 2807 Forest Glen pky., is among the Downers Grove high school students announced as semi-finalists in the 1964-65 state scholarship program on the basis of high school academic record and performance in competitive examination the Illinois State Scholarship Commission announced last week.

Monetary and honorary awards will be granted to qualified semi-finalists who attend approved colleges or universities within the state. The 1964-65 first-year winners will be announced in April.

Recent legislation has increased the maximum monetary award to \$750. Honorary awards are granted when financial need does not exist. In recognition of outstanding achievement, certificates of merit are given to all state scholarship winners including those who forfeit further consideration by their choice of an unapproved or out-of-state institution.

The semi-finalists represent 699 high schools and were selected from the 27,200 students who sought state scholarship consideration by taking the ACT examination Nov. 9.

Both the high school records and test scores of the 1964-65 semi-finalists are superior to any previously announced.

**Tattle Tales**

By Mary Catherine Himes

It seems that January is the birthday month at the home of William and Charlene Harwell, 2540 Crabtree. On Jan. 19, Georgia Mattox, Charlene's mother, celebrated hers. Then on Jan. 21, Darla Marie was 4 years old and on Jan. 23, Gloria celebrated her 17th birthday. Many happy returns to all of you.

Paul Himes, 7619 Catalpa, celebrated his 8th birthday on Jan. 18. Several of his neighborhood friends and some classmates helped him celebrate by playing games and enjoying cake and ice cream.

Charlene Harwell, assistant dietician at Edward hospital, enjoyed an evening out with several of her co-workers, including Mrs. Bell, the head dietician. The highlight of the evening was the music of Fred Waring and his band. A good time was had by all.

Since moving to "the country", Don and Joan Jeffrey, 2958 Jonquil Ln. N., have become more interested in "nature and wild life." To further education they spent last Saturday evening with friends at the Playboy Club. Now tell us Jeff, do you think this will revolutionize our education system?

Our sympathy to Tina and Jim Montello, 7655 Walnut, on the death of Tina's father, Clement D'Agostina, who passed away Jan. 22. Mr. D'Agostino lived in Woodridge with his daughter and son-in-law.

What seemed to be a very casual invitation for coffee turned into a very well planned surprise shower in honor of my youngest son Robert on Jan. 22. Co-hostesses at the home of Barbara Bonk, 7912 Catalpa, were Barb, Ellie Murphy, and Dee Warner. Many of my friends and neighbors were there and how it was kept a surprise is still beyond me. As Robert is our fourth son, the many lovely gifts were certainly appreciated, including the gifts especially for "the mommy".

To add to the end of a perfect afternoon one of the guests prepared a casserole dinner for our family that evening which was most appreciated.

A lovely decorated cake was served with the coffee and everyone enjoyed a very pleasant afternoon. It will certainly be a long time before my family and I forget that wonderful afternoon.

**WELCOME TO THE WORLD:**

Donald and Geraldine Klein, 2629 Jonquil Ln., welcomed a son, Dale Chris, on Jan. 19 born at Edward hospital. Awaiting Dale on his arrival home were Donna 10, Diana 3, and Don 1.

Maternal grandparents are Mr. and Mrs. Charles Knapp of Chicago.

Douglas Frederick, son of Donald and Dorothy Vath, 2620 Forest Glen pkwy., arrived at Hinsdale hospital on Jan. 13, weighing 7 lbs. 7 ozs. Douglas' brother and sisters are Donna 4, Don 3, and Dotti 2.

Maternal grandparents are Mr. Rolf Wewer of Key Largo, Florida, and Mrs. James Crowley of Downers Grove.

Paternal grandparents are Mr. and Mrs. Fred Vath of Westmont.

Johnathan Blair Russell was born on Jan. 19 at Hinsdale hospital weighing 8 lbs. 4 1/2 ozs. His family include his mother and father, Rosemary and Donald, and his 3 year old brother Charles of 2952 Forest Glen pkwy.

On Thurs., Jan. 23, Art and Willa Ward along with other faculty and 200 students of the Drama Club of Downers Grove Community High School, attended a performance of "Camelot" at the Civic Opera House.

**Catholic Contract To Be Awarded Soon**

The diocese of Joliet has opened the bids for the planned Catholic school and church to be located on Janes ave. according to Father John Kloepfer, pastor of St. Scholastica parish. He said the contract is expected to be awarded soon. Catholic church services are presently being held in the Woodridge School gym, and school for the first 4 grades is being held in 2 homes on the corner of Janes ave. and Crabtree.

**---ABOUT OUR CHURCHES---**

**St. Scholastica**

Communion Sunday for the Men's Club will be on February 9. The regular meeting for the month will be held on Tues., Feb. 11, instead of the regular Wed. evening meeting. This meeting will be a pre-Lenten smoker.

Confraternity of Christian Doctrine classes for children of kindergarten age are held on Saturday mornings from 10:30 a.m. to 11:30 a.m. at Mrs. Faulhaber's home, 7704 Janes ave. Anyone interested can register on Saturday mornings.

**Prince Of Peace**

At the annual congregational meeting of Prince of Peace Lutheran Church, LCA, Woodridge, on Sun. Jan. 26, a budget of \$15,700 was adopted for 1964. Officers for the Church Council were elected and reports were read by the Pastor, members of the Church Council, and auxiliary officers.

In his report, Pastor John E. Swanson pointed out how young the congregation is, both in the chronological age of the members, and in the short two years of the existence of the organized congregation. However, he said, that youth within the Church has proved to be an asset and an opportunity. This has been a big factor in what the Church has been able to do in the past year. He expressed his thanks to the members of the Church and to God who has accomplished the work of creating a new congregation.

At a special Council meeting on Thurs., Jan. 23, the Pastor was granted a weeks leave of absence, the regular day for Holy Communion, the first Sunday of the month, was canceled in lieu of Holy Communion on Ash Wednesday, Feb. 12th and Mr. Jack Heggeland was elected Financial Secretary for 1964 on recommendation from the Finance Committee. Mr. Victor Oldenburg, Chairman.

**Village Baptist**

The new choir under the direction of Mrs. Phillips sang their first number for the church last Sunday. The members of the adult choir are: Mrs. Ann Rico, Mrs. Donald Roop, Mrs. Pat Akers, Mrs. Martha Robinson, Mr. Ralph Demmin, Mr. John Moxley, Mr. Wally Akers, Mr. Fred Farley, Mr. Jack Collins, and Mr. Jerry Phillips. There is room for additional members if they can come to practice each Wed. at 8:30 p.m.

The Youth Choir will practice at 10 a.m. each Sat. at the church.

Sun. Feb. 2nd is Communion Sunday and Rev. Roop will preach on "The Blood of Christ shed for our sins".

The monthly deacons' meeting will be held at 4 p.m. on Sun. Feb. 2nd.

Church Bonds are selling well; anyone who is interested may call 964-0221 for details.

**Methodist**

The Women's Society of Christian Service will hold it's regular monthly meeting Feb. 5 at 8 p.m. at the home of Mrs. Betty Jackson, 7500 Westview. Mrs. John Martin from the Faith Methodist Church in Lisle will be the guest speaker. Mrs. Martin, former Missionary, will speak on Mission work.

The Church activities committee is planning a family social Feb. 9 at 7 p.m. at Goodrich school. There will be a sing-a-long program and refreshments. A cake auction will be held at the close of the evening.

The material for the choir robes has arrived and the eight women who volunteered to make them, plan to have them ready by Easter.

The sermon title for Sunday Feb. 2 will be "A Bouquet To The Loser."

**Continued From Page 4 School Classes**

more years by a combination of summer sessions and evening classes during the regular school year.

Registration will be held on Jan. 25 from 9 a.m. to 4 p.m. and on Jan. 28 from 1 to 4 p.m. and 7 to 9 p.m. Information may be obtained from the Registrar's office, St Procopius college, Lisle.

**Little People**  
By Ellie Murphy

There have always been a great many superstitions about the weather. One of the most interesting is connected with Ground Hog Day. The ground hog is a little animal found in the woods and, like the bear, spends the winter hibernating, that is, sleeping snugly in its burrow. When spring comes, the ground hog awakens and comes out of its hole.

People used to believe that the ground hog woke up and came out every year on February 2. If the sun is shining and he sees his shadow when he comes out, he is supposed to pop back in again and sleep for six weeks more -- a sign of a late, cold spring. If he did not see his shadow, he stayed awake and the spring would be early and mild.

Ground Hog Day is February 2. See if you can tell whether he saw his shadow or not.

Choose one player to be Mr. Groundhog and one to be the king of the elves. All of the other players are elves. Mr. Groundhog sits on a chair at one end of the room with his head hidden in his lap, so that he cannot see. Underneath the chair is a small object to represent his shadow. Mr. Groundhog is sleepy and wants to stay in his "hole" for another six weeks' snooze but the elves want spring to come right away.

The Elf king chooses an elf to steal up behind Mr. Groundhog and take his "shadow". If Mr. Groundhog hears the elf he growls and the elf has to go back and another elf will take his turn. If an elf gets away with the "shadow" he hides it behind his back. All the other elves put their hands behind their backs too and the Elf king calls out, "Come out Mr. Groundhog. Someone has stolen your shadow". Mr. Groundhog gets three guesses to name the Elf who takes his shadow. If he cannot guess, he must become an Elf and the Elf becomes Mr. Groundhog. If he guesses correctly, he takes his "shadow" and goes back to sleep and the Elves try all over again to get the "shadow".
