6 PAGES ★ 10 CENTS

## 8th Graders Tested

All eighth graders of the Woodridge School are to be tested by Downers Grove High School at 9 a.m. Feb. 13. These tests are to take most of the morning and the results will help in the placement of the child in the various classes next September.

## H.S. Vote Saturday

DATE: February 15  
PLACE: Woodridge School  
TIME: 9 a.m. until 7 p.m.

To vote in the referendum, you must be a registered voter and have lived in Illinois for at least 1 year, in the county 90 days, and in the High School district 30 days.

## Mothers To Hear Chuck Bill

The next regular monthly meeting of the Woodridge Mothers Club will be held in the school gym, Tues., Feb. 18 at 8 p.m. The entire community is invited to attend and enjoy a special presentation by Chuck Bill, Farm Director of WBKB.

Chuck will narrate his own 1-1/2 hour Russian movie, "10 Days behind The Iron Curtain" which was filmed during his recent Russian trip taken in company with 29 agricultural men from the mid-west.

Troop 109 Woodridge Boy Scouts are scheduled to present the colors at this meeting. Refreshments will be provided by the mothers of the 2nd and 3rd grades.

The Mothers Club extends thanks to Ros Kolody, near the school, for assistance in helping to organize the Eye and Ear tests that were given in school Jan. 23-24.

And a vote of thanks too, to the 8th grade girls who prepare the hot chocolate for the shivering patrol boys.

"Francis the Talking Mule" a movie shown Feb. 1, was such a success, the Mothers Club is planning others in the future. Profit was approximately \$80.

The special projects committee met Mon., Feb. 3, with a salesman from Visual Craft and ordered draperies for the additional 10 rooms of the school. They should be installed in 5 to 6 weeks. About \$100 worth of books for the library have been received so far.

As of Feb. 1, the membership totaled 135. Anyone wishing information about joining the organization may do so by calling Mrs. Swierbinski, WO 8-1523.

### What Next?

## Supplies By Automation

The age of the machines has reached into the elementary schools at both Goodrich and Woodridge. A school supply vending machine has been placed in the hall. Five cent pencils, 25¢ ball point pens and 10¢ and 25¢ tablets are available for the convenience of students as well as teachers. The paper is a good quality ruled loose leaf suitable for intermediate and upper grade use. Children in the primary grades (1-2) will continue using the primary paper and pencils issued by the school. The vending machine is not to be used during school hours unless absolutely necessary. Profits from the sale of school supplies will be put in the student activity fund.

## Garden Club Notes

On Jan. 9, the Woodridge Garden Club met at the home of Mr. & Mrs. Stan Ladniak, 7624 Walnut. Art Hacker of Sylvan Green Nursery in Belmont gave an interesting and informative talk on what can be done in the yard at this time of year. Members also asked many questions on gardening.

On Feb. 13, the Woodridge Garden Club will meet at the home of Mrs. Mary Davison, 7611 Larchwood Drive.

## Village Engineer Contract Cancelled

The village board acted to terminate the contract of the village engineer, Consoer & Townsend, Feb. 6. This action was taken because of the conflict of interests. Consoer and Townsend are the engineers for Winston-Muss Corp.

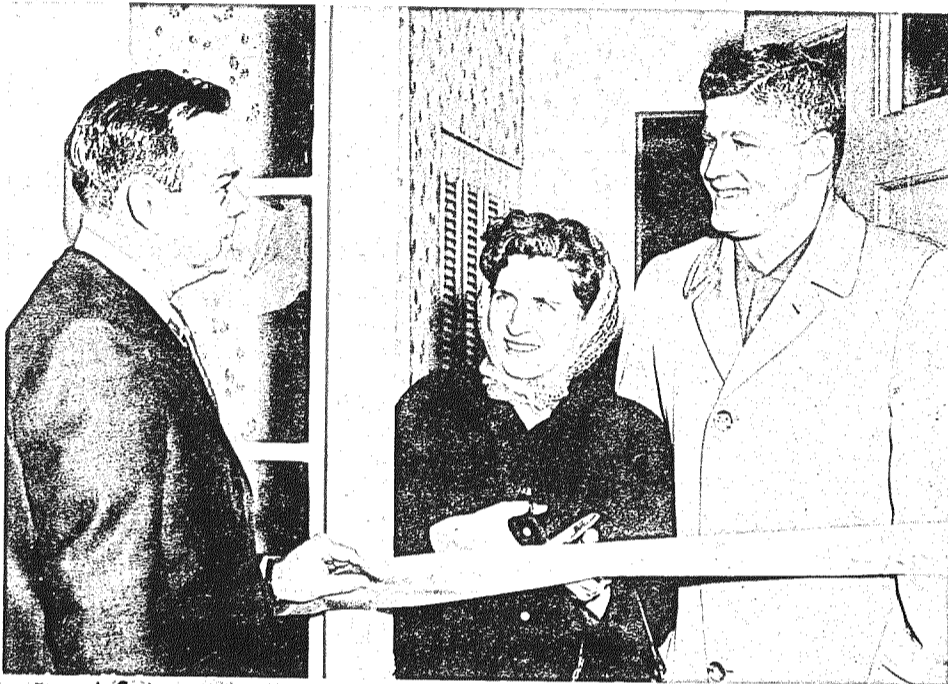

Mrs. Collette Marushak has been appointed deputy census clerk by Village Clerk Faye Hoffman.

Norbert Wankowski was hired as village mechanic to fill the vacancy created by the resignation of Art Boyles

who is moving.

Trustee James Kinser requested a concentration of efforts on the part of all officials in strengthening the building inspection program and establishing an electrical commission. He again asked for the appointment of a man he feels is extremely well qualified to act as a building inspector. Kinser commented that, "Every home going up in Woodridge is either a rose or a scar, and we don't want anymore scars."

## The First In Winston Hills

cut the symbolic ribbon for the grand opening of Winston Hills, new Winston-Muss Corp. community in southwest suburban Woodridge, as James A. Blaesser, left, sales manager, looks on. The Kanes, now of Lyons, Ill., are the first home buyers in the planned 1,850 home community, and "reserved" a

submitting a \$100 deposit. They'll move into a three-bedroom, Dearborn model ranch-style home at 6422 Bradley Dr. in the community this spring. February 1-2 weekend opening drew an estimated 7,500 visitors, Blaesser said. Five model homes are on display daily on Illinois Route 53, Woodridge.

## Co-chairmen

Rudy Sabatino, left, and Phil Zuccaro, co-chairmen of the St. Scholastica's membership drive are anticipating a big year for St. Scholastica's Mens Club

## Men's Club Begins Member Drive

The St. Scholastica Men's Club, which was organized in August, 1963, with a membership of 56, now has 52 paid-up members. At the time the club was formed, there were approximately 255 Catholic families in the parish, now there are approximately 300. Cognizant of the

situation, the club has decided to conduct an all-out membership drive.

Phil Zuccaro and Rudy Sabatino, co-chairmen of the drive, explained that while it is not necessary for members to attend every meeting, to belong is very important. Refreshments are provided at every meeting and usually a smoker is held every other month. Dues are only \$1 a year.

For further details contact Phil Zuccaro, 3031 Jonquil, WO 8-2765.

## St. Scholastica Bids Opened

The bids of the new St. Scholastica School and temporary church have been opened and the contracts are to be awarded this week. Low bidder for the general construction is Contemporary Builders of Glen Ellyn; low electrical bid came from Stonehouse Electric Co. of Joliet; the low plumbing, heating and ventilating bidder was Lenert Plumbing and Heating of Naperville. Construction is scheduled to begin as soon as the weather permits. Ground-breaking ceremonies will be held in the very near future. There will be an announcement on this shortly.

## Police News

Drinking and driving are a combination that can only cause disaster on the highway, Joel A. Kagann, Chief of Police, warned Woodridge residents today.

"Drinking drivers were a known contributing factor in over 10 per cent of all fatal accidents in Illinois during 1962," he noted.

A driver does not have to be drunk to be under the influence of alcohol, Kagann noted. A small amount of alcohol is

Turn To Page 2

### Here We Go Again!

## Village Board Orders Building Permit Holdup

The village board at the Feb. 6 meeting ordered that building permits be held up for Surety Builders, Winston-Muss and Stade Construction until road bonds and specifications are submitted to the board or filed with the village clerk. (Bonds or escrow payments are a form of insurance that protects the village should a developer default in his commitments for improvements, that is, the roads, sewers, curbs, etc.)

## Commission Accomplished

Last Thursday's village board meeting was the scene of the swearing in of four members of the Woodridge Plan Commission. Because of the possibility of complications, etc., in the interpretation of expiration of terms of office, Thomas Church, the only remaining member and chairman of the previous commission was asked to resign. He did so under protest because of lack of legal interpretation. He was then re-appointed as a member of the commission for three years. The appointments to the commission made in January were then reaffirmed and length of terms stipulated. Robert Waters, 2820 Everglade, was appointed for a two year term, Charles Cronin, 2934 Everglade, for a one year term and Rev. John Siple, 2629 75th st. for a one year term. Previously appointed in January but not reaffirmed was the appointment of Richard Roman who declined because of other activities.

## No Decree Yet

The long expected decree in the civil suit, Kennell vs. the village trustees, had not been issued as late Saturday afternoon according to Judge Bert Rathje who heard the case. He did say he expected that a decree would be issued very soon. The many delays are the result of attempts by the Judge to effect a compromise that would be acceptable to all and would allow for the peaceful resolution of political difficulties.

## Plan Area Oral Vaccination

Village Clerk Faye Hoffman has announced that definite plans have been made for the Sabin Oral Polio vaccination program in Woodridge on Mar. 22 and May 17. St. Scholastica has offered their school for the distribution site. Woodridge Chief of Police Joel Kagann's brother Aaron will be the pharmacist and Chief Kagann is attempting to obtain the services of a doctor. If no doctor is available, the county health department will provide one. Several Woodridge nurses have offered to help.

Mrs. Hoffman went on to explain that the actual cost to the county of the vaccine is 50¢ per person and that donations are accepted. However, the vaccine is given free to anyone unable to donate.

## Victim Of Fall

Mr. Irvin Cobb, 7641 Larchwood, was seriously injured last week when he fell from an electrical utility pole on which he was working.

Mr. Cobb underwent surgery Friday for a broken pelvis, multiple fractures and broken bones in the arms and legs, a spinal injury and possible internal injuries. He will be in traction for eight weeks and in the hospital for four or five months.

Mr. Cobb is in the Community hospital in LaGrange.

enough to impair reaction time causing mistakes behind the wheel. "One mistake can take the life of an innocent person", he added.

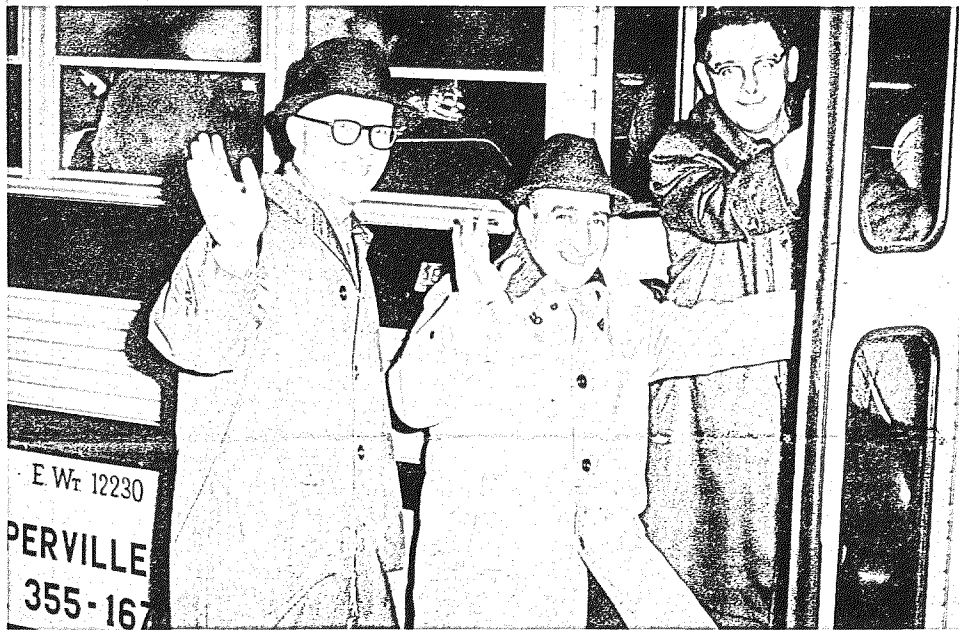

Kagann said a normal driver's chances of having an accident are increased with each additional drink taken within a given time period. The effect of alcohol as it enters the body is to first depress the area of higher functions in the brain, including judgment, social restraint and others; second, the motor function, re-

action time and vision; and third balance, coordination and sensory perception.

He noted that the criminal charge is Driving While Under the Influence of Intoxicating Beverages. "Under the influence" means that due to drinking alcohol a person has lost some of the clearness of mind and self control that he would otherwise possess.

"One drink can place a driver "Under the Influence."

## "ALL ABOARD"

Boarding the bus for the hockey game Jan. 24 are left to right, John O'Connor, John Narducci and Grey Boyna. The Hawks tied Montreal for a thrilling event which was sponsored by the Mens Club of St. Scholastica.

## Believe It Or Not! Willard's Wins 3

By Al Zettler

Last night, in one of the most spectacular evenings of an already exciting schedule, Willard's Hardware made the first move of a planned aggressive program. With a rare exhibition of skill, cold steel nerve and confidence, Willard's Hardware proceeded to win three games, and a point for series from Carl's Cleaners. Team Capt. and anchor man Al Raymond displayed calm efficiency in wrapping up each game, by adding to a solid base established by the uncanny accuracy of his teammates, Ken Middleton, Bill Woody and Al Zettler. One of the exceptional highlights of the evening was a very professional 7-9 pickup by this reporter, who calmly accepted the accolades of his teammates by vaulting the bench on his return from the firing line.

When questioned at the end of the evening Willard's Hardware stated that the

team has been slow in making their move, only because their strategy calls for instilling a false sense of confidence in the six teams who at present are ahead of Willard's in the team standings. They also went on record as stating that George's Dairy (The Bad Guys) should keep a sharp lookout over their shoulders.

Bill Roberts, honorary team member, was questioned as to his feelings on this fine team accomplishment. His reply was "BEER FRAME!!!"

## "Your Chief Says"

It is against the law to park within 15 ft. of a fire hydrant or a sidewalk, in front of a public or private driveway, on a cross-walk, within 20 ft. of a cross-walk, at an intersection, within 30 ft. upon the approach of any traffic control device, within 20 ft. of a driveway entrance of any fire station.

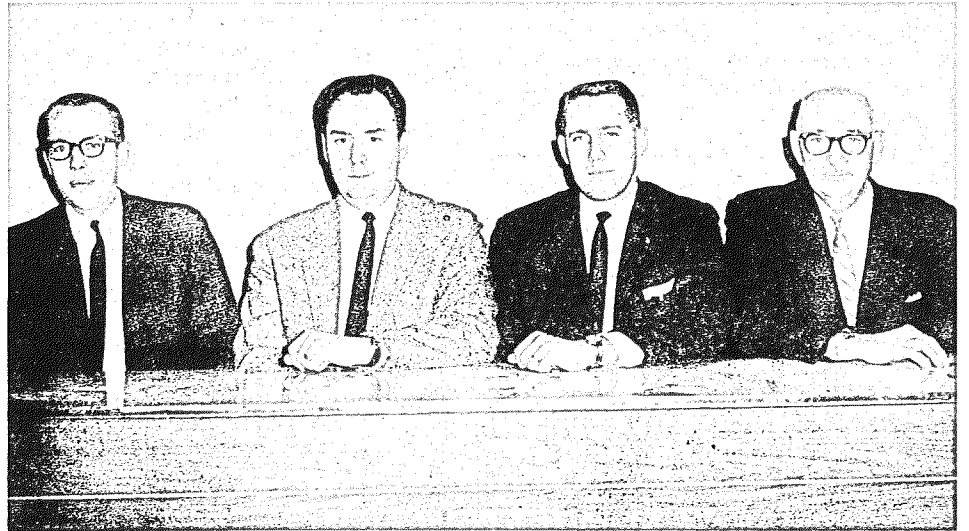

Dear Editor:

For quite some time we have been thinking about the naming of the park area on 71st street. At the time of the President's assassination it was suggested that it be named the "John F. Kennedy Memorial Park." At that time we also thought this would be a wonderful tribute to our late president, but in the past few months it has become so common to name things for him that we feel the gesture has lost some of the significance originally intended.

We would like to see the people of Woodridge given a chance to submit possible names for their park. A suggestion is "Woodridge Hills" (a combination of Woodridge and Winston Hills). But how about hearing from others?

Mr. and Mrs. Charles Pope

## "Good Education Depends On Referendum"-Manning

Speaking on behalf of the Board of Education, Downers Grove Community High School District 99, Winston M. Manning, president released this statement in relation to Saturday's Educational rate referendum:

"Our Community High School (District 99) cannot continue a good educational program if it is to live within its present income.

"The Administration and the Board are economy-minded. This is borne out by the excellence of the program which has been provided at a cost per pupil far below the average for the area (to be exact, next to the bottom for DuPage County high schools.)

"Unfortunately, current income per pupil is less than even this sub-average figure. Moreover, we cannot avoid an increase in operating costs when we open the new high school.

"We have examined the various ways of slashing costs. We can only live within our current income by cutting quality drastically. No supporter of good education would like the results of such a cut.

"The school district has levied the present maximum tax rate for several years. There is no alternative to an increase in this rate if we are to maintain an adequate educational program and operate within our income. Your "YES" vote is needed on February 15th."

## Q&A On H.S. Referendum

Background information on the Educational Rate referendum scheduled for Saturday, Feb. 15, in Downers Grove Community High School District 99 is being released this week by the Citizens Committee and the Board of Education.

Aimed at providing residents with all the facts, this series of Questions and Answers covers pertinent points. Citizens who have other questions or who want supplementary information are urged to call the Board office at WO 8-5454.

### 1. WHY IS THE EDUCATIONAL RATE INCREASE NEEDED?

Because school funds will no longer stretch to meet the cost of educating more boys and girls -- maintaining the present teacher salary schedule and staying competitive in the teacher salary market -- operating the second high school. The budget indicates an expected deficit of about \$100,000 at the end of this school year; an additional \$190,000 at the end of the 1964-65 year or a total estimated deficit of approximately \$290,000.

### 2. WHAT IS THE PRESENT EDUCATIONAL RATE LIMIT AND WHAT IS THE PROPOSED INCREASE?

The present limit is .76% per \$100 valuation. This means 76¢ per \$100 valuation. This is only 11¢ above the minimum granted by law without referendum. The Board is asking for a 21¢ increase which would give a new ceiling of 97¢. The law provides for increases in steps not to exceed 21¢ up to a maximum of \$1.60.

### 3. WHY DOES THE HIGH SCHOOL DISTRICT NEED MORE FUNDS NOW?

---Because all costs have increased since 1958 when the .76¢ rate was authorized. Compare your own budget for that year with your current expenses. Hair cuts cost more; railway fares are up; auto repairs are higher, etc. This same situation affects schools. Instructional supplies, library materials, and other equipment all take more of the tax dollar.

---Teacher salaries have risen as the district has increased its scale in order to stay competitive in the market for qualified instructors. Most citizens have also received salary increases in this period. The U.S. Dept. of Labor reports the average take-home pay of Downers Grove families increased from \$7,600 to \$10,200.

---Student enrollment has soared. In 1957 the high school had some 2,000 boys and girls; this year the number exceeds 2,800. Continued yearly increases are foreseen as the bumper crop of grade school youngsters reaches high school age.

### 4. IF THE DISTRICT DID NOT HAVE A SECOND HIGH SCHOOL, WOULD THE EDUCATIONAL RATE INCREASE STILL BE NEEDED?

YES. Expenditures exceeded income during the 1962-63 academic year. This was before the new building was started. But teacher and administrative costs for a 2-school operation are estimated to be only slightly more than for one school. Major additional costs for operating the second building are heat, light, custodial service.

### 5. WHEN DID THE SCHOOL BOARD REALIZE AN EDUCATIONAL RATE WAS NECESSARY?

For the past couple years it has been evident that the Board would have to ask the community for additional financial support for the education of its young people. At the 1958 referendum, it was estimated that the 11¢ increase would last about two years. Careful budgeting and a watchful eye on expenditures helped to delay the request for a higher rate until this year. But for the past two years, it has been evident that more income per student would soon be needed. Almost all operating costs have increased, especially salaries. Even so, the District 99 salary scale is no more than the average for the area.

### 6. HOW LONG WILL THIS EDUCATIONAL RATE INCREASE LAST?

The estimate is about five years. This depends on various factors, such as rapidity of community growth, increases in assessed valuation, the teacher salary market, inflation.

### 7. HOW DOES THE DGHS SALARY SCALE COMPARE WITH OTHER HIGH SCHOOL DISTRICTS IN THE AREA?

The high school teacher salary schedule is at approximately the same level

as other high school districts in Du Page County. The DGHS starting salary for a new teacher with a bachelor's degree is \$5,200; for a new teacher with a master's degree, \$5,616. The range for other districts in the county starts at \$5,050 (Naperville) to \$5,400 (Hinsdale, York Fenton) for a beginning teacher with a bachelor's degree; for a master's degree teacher, \$5,508 (West Chicago) to \$5,830 (Fenton.)

### 8. WHAT DOES THE EDUCATIONAL FUND TAX PROVIDE?

This meets instructional costs of educating the community's boys and girls. Approximately 80% goes for teacher salaries. The Educational Fund tax is the largest of the five taxes which make up the school tax dollar.

### 9. HOW DOES THE DGHS EDUCATIONAL FUND RATE COMPARE WITH OTHER HIGH SCHOOL DISTRICTS IN DU PAGE COUNTY?

Third from the lowest. Naperville and West Chicago have 75¢ rates, 1¢ less than Downers Grove. But both receive more income from their lower rates than District 99 because of higher assessed valuation per pupil. (The per-pupil valuation is determined by dividing the number of pupils enrolled into the district's total valuation). A 1962 State Report shows Naperville as having \$84,605 behind each pupil; West Chicago \$89,233; Downers Grove, \$67,355.

## The Lighter Side

### A Shaggy Rug Story

It was a busy Saturday morning for Mrs. "X". Not only did she have the neighbor children to tend but she had also promised to make popcorn for the Mother's Club kiddie Matinee. And she wanted to get in some extra curricular typing along with her regular household chores. Who could have known the bizarre circumstances that were to take place before the day was over.

The first thing she did was straighten up the living room and toss the scatter rugs out on the front porch for a good shaking after the floors were dusted.

But (and now the plot thickens) when she went to retrieve them, she discovered to her bafflement, that they were gone.

Mrs. "X" looked all around the yard (and in a few of the neighbors yards) but found no shaggy rugs lying about. Then she phoned the neighbors asking if they had seen any suspicious characters sneaking around.

No one saw a thing. It began to look as though a thief had gotten away without a trace.

What a dastardly deed, thought Mrs. "X" and promptly called the police. After taking notes and checking for clues, the police left with the promise of a thorough investigation into the matter.

Shortly after lunch Mr. "Y" (an honorary member of Mother's Club) stopped by to pick up the popcorn for the movie. Mrs. "X" reminded him not to forget the old blankets she was donating to cover the skylight in the gym during the movie.

"Oh, I got them", Mr. "Y", assured her patiently, "I found them on the front steps earlier in the day and have already hung them up!!!"

So remember ladies. The moral of the story is: Don't leave your shaggy rugs lying on the porch or they may be took before they're shook.

## Green Thumb Day Feb. 20

"Green Thumb Day" will be Thurs., Feb. 20 at Morton Arboretum, Lisle, on the east side of Route 53. The program is designed to give homeowners the necessary information to maintain and improve the surroundings of their homes.

This annual meeting is sponsored by the University of Illinois College of Agriculture cooperating with the DuPage County Extension Service, and everyone is personally invited. Reservations are not necessary.

The program begins at 9:30 a.m. with "Getting Good Grass to Grow" which is followed by "An Everblooming Flower Garden," "Landscaping Your Home" and "Calendar of Gardening Events" at 10:10 a.m. The final session at 1:15 will be a panel and question and answer period.

## Edward Hospital and You

by Eugene D. Morris, Administrator.

A very important announcement concerning a new service will be made at the Feb. 13 meeting of the Edward Hospital Medical Staff. Our doctors will be informed that Edward Hospital has been officially designated a Poison Control Center by the Illinois Dept of Public Health. A thirty minute color film will be shown which vividly demonstrates how a Poison Control Center helps save lives. Our new poison control cart will also be shown to the doctors. This mobile cart can be quickly moved to any part of the hospital. It contains a wide variety of antidotes for most kinds of poison, and other necessary supplies. Also displayed will be an elaborate cross index file of several thousand cards listing every known poison, and the antidote for same.

The Edward Hospital Poison Control Center will serve as a ready source of information to any doctor or hospital on a 24 hour a day basis. We will also supply the necessary antidotes for treating poisoning victims to doctors and hospitals. In certain cases, where the antidote may be in such limited supply that it is not available for distribution to Poison Control Centers, we will have on file emergency telephone numbers where it may be obtained at any time of the day or night. This is particularly true of certain snake bites.

At this point, I wish to emphasize the fact that a Poison Control Center may give vital information concerning poisons and antidotes ONLY to doctors and hospitals, REMEMBER! In the case of a poisoning - CALL A DOCTOR IMMEDIATELY. He will, if he feels it necessary, prescribe emergency treatment until he arrives, or the victim has been transferred to the hospital.

If, perhaps, you have moved here from outside the area and do not have a local doctor - GET ONE. All too often we have emergencies brought to Edward

### CHERRY-O CREAM CHEESE PIE

1 crumb crust (9 inch) or  
1 baked pastry shell (9-inch)  
1 pkg (8-oz.) Cream Cheese  
1-1/3 cups (15-oz. can) sweetened condensed milk  
1/3 cup lemon juice  
1 teaspoon vanilla extract  
1 can (1-lb., 6-oz.) prepared Cherry Pie Filling (or Cherry Glaze)\*

Soften cream cheese to room temperature; whip till fluffy. Gradually add condensed milk, while continuing to beat until well blended. Add lemon juice and vanilla extract; blend well. Pour into crust. Chill 2-3 hours before garnishing top of pie with Cherry Pie Filling or Cherry Glaze\*.

\*CHERRY GLAZE. -- 1/2 cup cherry juice, 2 tbs. sugar and 2 tps. cornstarch. Cook, stirring constantly, until thickened and clear. Stir in few drops of food coloring, if desired. Add one cup (1/2 of 1-lb. can) drained, pitted, sour cherries. Cool. Garnish top of pie. Pretty as a picture!

Hospital, and we learn that this family has lived in the area for as long as two years - yet they have no doctor locally. Believe me, you are gambling with the lives of your family, and yourself, to let this important matter go by another day. No doubt you have selected the church you wish to attend. Also, your favorite grocery, drug store, gasoline station, beauty shop or barber. Isn't a doctor at least as important? I will be happy to send you a list of doctors on our medical staff from which you may choose. Don't wait.

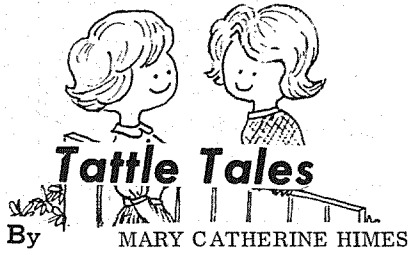

Eugene D. Morris, Adm.

**Tattle Tales**

By MARY CATHERINE HIMES

Congratulations to: Jack and Phyllis Nelson, 7701 Larchwood, on the birth of their son, Jeffrey John on Jan. 29 at Edward hospital, weighing 6 lbs 3 oz. The Nelson's have three other children, Susan 8, David 6 and Lisa 2. Maternal grandparents are Mr. and Mrs. Edward Carpenter of LaGrange. The paternal grandmother is Mrs. Marie Nelson of Lyons, Ill.

Glenda and Ronald Weissenhofer, 7637 Butternut ct. welcomed a son, Ronald Allen, on Feb. 3. Ronald weighed 9 lbs. 10 oz and was born at Christ Community Hospital, Chicago. Waiting at home to welcome their new brother are: Randy 7, Rhonda 5 and Russell 2-1/2.

Mr. & Mrs. Robert Kerr, 3001 75th st. are the parents of their first born - a boy - Robert Alan, born Jan. 30 at Community Memorial hospital, LaGrange. Robert weighed 8 lbs. 12 oz.

On Feb. 5 Lorretta Runnfeldt, 7622 Deerfield, was hostess at a baby shower in honor of Pat Vincenzo, 7629 Deerfield. Many friends and neighbors came to help Pat prepare for her expected addition. Several homemade cakes and coffee were enjoyed by all.

Happy Birthday to Jimmy Wankowski, 7654 Deerfield, who was 4 yrs. old on Feb. 2. A party for him and his relatives was held and a good time was had by all, especially the birthday boy.

Evelyn Mullins of Catalpa and Mary Ellen O'Connor of Willow took their four pre-schoolers on an outing last week. They spent the day at the Museum of Natural History and the Shedd Aquarium. A good time was had by all. Both mothers and children arrived home a bit weary but felt it was a day well spent.

It seems several villagers are down with a variety of illnesses or accidents so we will say a big

**GET WELL TO:**

**School Board Attends Conference**

Members of the district 68 school board attended the winter conference of the tri-county division of the Illinois Association of School Boards Jan. 30. The conference, held at the Sherman House in Chicago, had as its main speaker Dr. Theodore Powell, well-known educator and author of many articles in such periodicals as The Saturday Review and Teacher Education Quarterly.

Dr. Powell's subject was "Whose Values Shall We Teach?" In his talk, which dealt with the subject of moral and spiritual education in our schools, Dr. Powell pointed out that the great variety in backgrounds of school children make the application of a single moral code difficult, if not impossible. His conclusion was that the best way to teach children morality is by example.

The subject of educational TV was covered by a short film showing students receiving supplementary help from television programs which are broadcast from Chicago's WTTW and from an airplane circling above Montpelier, Ind. By Sept., 1964, four different channels will be available for schools wishing to participate. Speakers were careful to point out that educational TV does not replace classroom teachers, but acts as a valuable supplement to their teaching.

Prior to the main part of the program, board members attended discussion workshops covering a variety of subjects ranging from "Accelerated Courses for Fast Learners" to "Computers for Processing School Data."

work. At present he is in the hospital and we hope his stay will not have to be too long.

Evelyn Sievert, 2951 Forest Glen who was recently released from the hospital after surgery.

Tom Leith, 7638 Sprucewood, who will be off work for a while due to a broken finger.

Alice Aubele, 7608 Willow is down with a strep infection which we hope will be cleared up soon.

**Cub Scouts**

Cub Scouts of Woodridge Pack #104 met on Jan. 28. Final plans were discussed for the Blue and Gold Dinner to be held on Sun., Feb. 23, 3-5 p.m. at Woodridge gym. Reservations are \$1.50 per family.

A plea was made to Cub Scout fathers for volunteers to fill in the vacancies on the Pack Committee. An entertaining skit titled "Spooks in Fireland" was given by Den 3 - P. Brame, Den Mother - S. Beck, Ass't Mother - Cubs, F. Beck, D. Brame, S. Castaldo, P. Moe, H. Ross and F. Schneider. Many badges and awards were given. D. Dubs and A. Klimak graduated into Boy Scouts. L. Fisher, P. Furio, C. Jensen, R. Saunders, and R. Wilson advanced in Webelos L. Dubs, Leader. New Cub Scouts inducted were: J. Filipski, J. Kostner, M. Mabrey and T. Weddington. Refreshments were served by Dens 6 and 10. The Attendance Award was given to Den 1 and the Honor Award to Den 5. The next committee meeting will be held at the home of C. Zerbe at 7606 Woodridge Dr., on Feb. 13 at 7:30 p.m. Anyone interested is urged to attend.

**Girl Scouts**

Junior Girl Scout Troop #701 held its first Court of Awards at the Woodridge School on Jan. 21. The following badges were earned: Books, Cathy Thompson; Collector, Kathy Bonk, Kathy Bullock, Lori Slater, Virginia Mabrey; Cook, Kathy Bonk, Kathy Bullock, Virginia Mabrey; Dabbler, Kathy Bullock; Dancer, Cathy Thompson; Needlecraft, Kathy Bullock; Pen Pal, Kathy Bullock, Lori Slater; Story Teller, Lori Slater. Eighteen girls have passed the requirements for the Toymaker badge which they will receive as soon as the badges are available.

Sharon Witthuhn was invested in the troop and received her Scout pin.

We wish to thank our guests, Brownie Troop #157 for helping to entertain the mothers with songs familiar to all Scouts.

**THANK YOU**

Mr. and Mrs. James Montello, 7655 Walnut, would like to thank their friends and neighbors who were all so thoughtful at the time of the death of her father, Clement DiAugustino.

**Boy Scout News**

This month the Boy Scouts of America will celebrate their 54th anniversary.

Troop 109 will celebrate Scout Week, Feb. 7-13, by setting up a tent display on Friday and Saturday at the W. A. A. field. On Sunday they will attend church in uniform.

Woodridge Cub Pack 104 will also wear uniforms to church and are busily planning their annual Blue and Gold banquet.

While the scouts are celebrating their 54th anniversary, let's not forget another anniversary---the third birthday for Woodridge scouting. On Jan. 25, 1961, the first Woodridge Cub Scout Pack was formed. The Pack was sponsored by the Athletic Association and Surety Builders donated money for the Pack flag. The Pack started with 4 dens and has now grown to include 9 dens with approximately 60 boys. The first Cub Master was Ted Goetz with Bob Dreveny as Pack Chairman. Today William Bletcher is Cub Master and Robert Schwindy, Pack Chairman. The Pack is now sponsored by the Woodridge Police Association.

In October, 1961, Woodridge Boy Scout Troop 109 was formed under the sponsorship of VFW Post 4739 of Woodridge. The Troop started with 17 boys under the leadership of Hal Witt, Scout Master.

Joseph Shroka is the present Scout Master and this troop is also sponsored by the Woodridge Police Association.

Scouting is for all boys. If you are interested call William Bletcher, WO 9-6472 or Joseph Shroka, WO 9-4656.

### S.S.W.S. Discuss Events

The St. Scholastica Women's Society met on Tues., Jan. 28, in the school. President, Mrs. John O'Connor brought up discussions on forthcoming events of the society. Tentative plans are being made on the following: a Rummage Sale, date still open at this time; a Luncheon Fashion Show, to be held in April and a Day of Recollection for May.

Members who are interested in making this Day of Recollection may contact Mrs. Robert Slezak, Spiritual Co-Chairman, at 964-1242 for further information.

Rev. John Kloepfer, Spiritual Director, was happy to announce that bids were open on the new school and the lowest bid was considerably under the architect's

estimate.

He also spoke on the Season of Lent, stating that Lent is a time which should be marked by a renewal; and this renewal will be different for each one person, it should be a spiritual one and at the end of Lent the individual should be changed for the better.

Fr. Kloepfer urged the members and their families to attend Lenten devotions which will be held every Wednesday at 7:45 p.m. in the Convent. Also during Lent, adult talkfests will be held on Sunday evenings at 8 p.m. in the school, Crabtree and Janes Road.

The program for the evening was a demonstration in the art of applying cosmetics and was presented by the Merle Norman Studios. Mrs. George Campise was the lucky lady participating as a model in aiding the demonstrator.

## ---ABOUT OUR CHURCHES---

### Village Baptist

Sermon topic for Feb. 16 at 11 a.m. "The Language of Heaven". The young people will assist the pastor in the evening service at 7 p.m.

The Men's Fellowship will sponsor a Valentine dinner at Bit O Sweden for all the men and their wives on Sat. Feb. 15. at 7 p.m. Mr. Fred Farley and Mr. John Moxley are in charge of the program for this year, and a good turnout is expected.

### Methodist

The Women's Society of Christian service of Woodridge Methodist church will join with other churches in the area in observance of World Day of Prayer. Services will be held Fri., Feb. 14, at 8 p.m. at Faith Methodist Church in Lisle, with Prince of Peace Lutheran church and Lisle Congregational church participating.

This worldwide service, sponsored annually by the National Council of Churches, is basically the same service used by groups in approximately 150 countries and areas of the world. The service is open to all.

The Woodridge Methodist church will be represented by Mrs. John Wiest, Mrs. Lewis York, Mrs. John Siple and Mrs. Robert Manges.

Holy Communion will be celebrated on the first Sunday in Lent, Feb. 16, at the regular 11 a.m. worship service. This is also Baptism Sunday.

There will be a finance committee meeting Mon. Feb. 17 and a meeting of the trustees on Tues. Feb. 18.

Mrs. Earl Anderson is in charge of the nursery. Her helpers for the month of February are Mrs. Barry Aufmann and Mrs. John Howie.

Ushers for February are: Mr. Mer-shimer, Mr. Davison, Mr. McPherson and Mr. York.

### St. Scholastica

The Season of Lent brings with it a spirit of penance and renewal for Christians all over the world. To aid people in renewing their lives St. Scholastica Parish will have devotions each Wednesday evening at 7:45 p.m., in the Convent chapel. There will be a Bible Devotion followed by Benediction of the Blessed Sacrament.

On Sunday evenings at 8 p.m. there will be a series of talks given in the lower classroom. These will be on Christian Living. All are welcome to attend without any obligation of any kind.

### Prince Of Peace

The Prince of Peace Lutheran Church Women units will meet on Tues. and Wed. Feb. 18 and 19. The Mary Unit will meet at Mrs. Charlene Cooper's, 2842 Crabtree Ave., on Tues. at 8 p.m. The Ruth Unit will meet at Mrs. Sylvia Harrison's, 7806 Sprucewood on Wed., Feb. 19 at 9:30 a.m.

Wed., Feb. 19, Pastor John E. Swanson will begin a series of sermons at the midweek service at 8 p.m. at the Lutheran Parsonage, 2735 75th st., on the topic, "The Militant Ministry." On Wed., Feb. 26, Pastor David Danielson of St. Luke Lutheran Church, Glen Ellyn, will exchange pulpits with Pastor Swanson and give the second sermon on this general topic.

The children's midweek service continues at the Lutheran Parsonage on Wed. at 3:45 p.m. followed by Cherub Choir rehearsal. The choir, children 4-7 years of age, will sing on Sun. Feb. 16.
