Sign Lot 21 Option

The village has signed an option contract with Surety Builders for lot 21. This is the 2 acre lot on the corner of 75th pl. and Woodridge drive (the WAA baseball field). This is the site the board

is considering for the village hall. The price set in the contract is \$16,000. Trustee Marvin Wiggins said at the Mar. 5 meeting that he would like to make it clear that this contract does not obligate the village to buy the property and does not incur a penalty if the purchase isn't made.

Nancy O'Connell Wins Literary Award

Mrs. Nancy O'Connell won two awards in the creative writing contest sponsored by the Illinois Federation of Women's Clubs. Out of 42 entries, Mrs. O'Connell was judged as tied for third place in serious poetry, class 2 division, and as

second in the essay category, class 2. Mrs. O'Connell has long been active in the Woodridge community and is at present a member of the school board, district 68. She is also familiar to WNR readers for her past work with this paper.

G.O. Percy Campaign

Mrs. Percy To Speak Here

The first of a series of coffees held to promote the open house at the Woodridge school gym Mar. 24 for the "Percy for Governor" campaign and featuring Mrs. Charles Percy as guest speaker was held Mar. 4 at the home of Mr. and Mrs.

Richard Miller, 7530 Walnut. Tom Church and Bill Woody, co-chairmen of the Percy campaign in Woodridge explained that highlights of the evening included a speech by Michael Linz, Lisle township clerk and co-chairman of the DuPage county Percy for Governor committee, and a film showing the qualifications and beliefs of Charles Percy, Republican candidate for the gubernatorial nomination in the State.

Water Companies Negotiating

That Woodridge will have just one sewer and water company is a possibility. There have been negotiations between Lisle Utility Co. (Winston-Muss) and the Woodridge Sewer and Water Co. Lisle Utility had a certificate of convenience from the Illinois Commerce Commission to provide water to the Winston Hills area prior to their annexation to Woodridge. No finalized arrangements had been made for sewerage. The hearing before the I. C. C. for a certificate for Lisle Utility to provide sewage collection and treatment for the Winston Hills area has been continued to January of 1965.

Because the Woodridge Sewer and Water Co. has an exclusive franchise for sewer and water facilities for the village, the annexation of Winston-Muss presented the possibility of a lawsuit against the village. The annexation agreement was written with the intent and consent of the Winston-Muss Corp. to bear all costs resulting from such a suit.

Attorney James McClure has been attempting to establish an escrow agreement with Winston-Muss to protect the village in such an event and has advised the board not to forego the protection of the escrow.

Scholarship Competition Begins

All 1965 graduates of Downers Grove Community high school who wish to enter the 1964-65 National Merit Scholarship competition should register now with their counselors, Leon E. Pogue, guidance director, announced recently.

The National Merit Scholarship qualifying test will be given in the school at

8 a. m., Sat., Mar. 14, 1964.

Students who will complete secondary school in 1965 and enter college in the same calendar year are eligible for scholarship consideration in the 1964-65

merit program.

To receive consideration, the student must take the test when it is offered in his school. Participating students pay a \$1.25 fee when they register with their counselors.

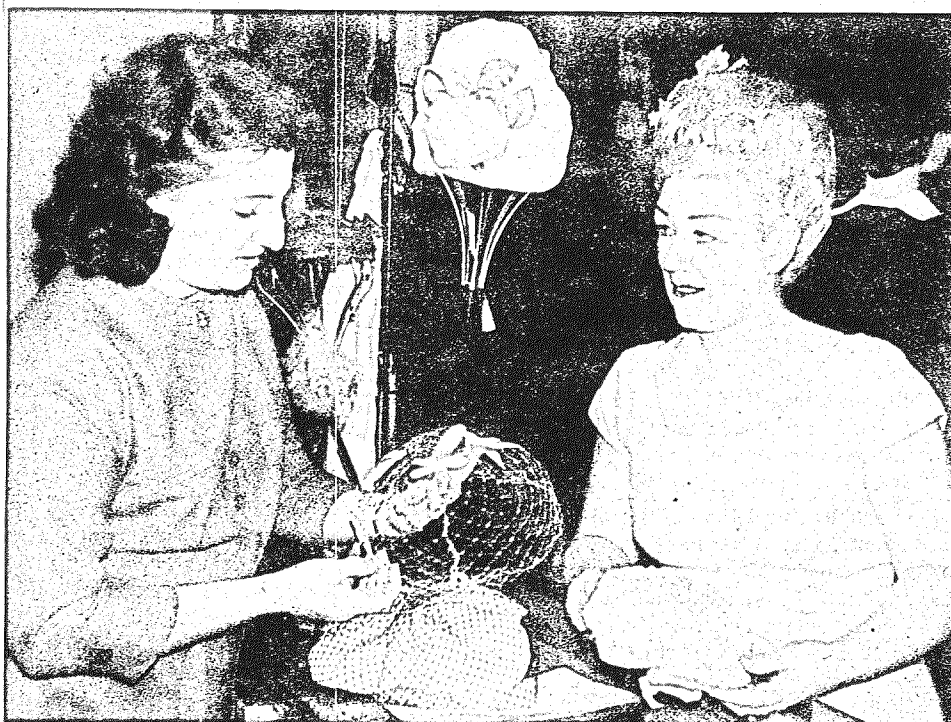

Awards in the merit program are granted on the basis of intellectual merit, but student financial needs determine the amount of individual stipends. The stipends are renewable each year without further testing.

A student's performance on the qualifying test also provides him with information that is useful in career planning or in selecting courses in high school and college, Leon Pogue stated.

After the test, each participating student receives a Handbook for Merit Program Participants, prepared by Science Research Associates, the testing agency. The Handbook is designed to help students understand their individual test results, to make comparisons with scores of high school students across the country, and to use this information in making educa-

"Prelude To Spring"

Mothers Club Vice President Ruth Vondrasek and Mrs. Ethel Demp of the "Fashion Center", Westmont, discuss spring bonnets. "Prelude to Spring" featuring hats will be presented by Mrs. Demp at the Mar. 17 meeting of the Woodridge Mothers Club.

"PRELUDE TO SPRING"

With Easter and spring just around the corner, a woman's fancy turns to bonnets. With this in mind, "Prelude to Spring" is being presented at the Woodridge Mothers Club by Mrs. Ethel Demp of the Fashion Center located at 26 No. Cass in Westmont.

Mrs. Demp will show the ladies how to make flowered, veiled and straw braided hats and perhaps give us some ideas for our Easter and spring bonnets.

"Prelude to Spring" will be presented during the regular monthly meeting at 8 p. m., Tues., Mar. 17, at the Woodridge school gym. Girl Scout troop #133 will present the colors. All fathers are urged to encourage mother to attend this wonderful program.

Board Plans Law Prohibiting "Junks"

The village board is considering an ordinance prohibiting the storage of trailers, trucks, car or truck bodies or unlicensed automobiles within the village. The fine proposed in the ordinance, now under consideration, is not less than \$50 nor more than \$300. However, the proposed ordinance states that the fine is not to be levied if within 15 days, the vehicle or parts are removed. The board deferred the ordinance to the public protection committee to allow time for further consideration by the trustees and comment from the citizens.

The constitutionality of the ordinance was discussed. Attorney James McClure said the village has the authority to pass this type of law.

SSWS Plans Rummage Sale

Co-chairmen Mrs. Charles Rush and Mrs. Thomas Walton and their committee are busy preparing for a pre-Easter rummage sale sponsored by the St. Scholastica Women's Society Sat., Mar. 21.

Hours for the sale are from 10 a. m. to 5 p. m. and will be held in the St. Scholastica school, Crabtree and Janes rd.

Anyone having donations for the sale is asked to contact Mrs. Rush, 964-0861, or Mrs. Walton, 964-2567, for pickup before Mar. 18.

Judge Renders Trial Decision

★ ★ ★ ★

The long awaited decision in the civil suit filed against the Woodridge village trustees by Ralph Kennell early last July was issued last week.

The decision had been delayed numerous times while Judge Bert Rathje attempted to effect a compromise between the parties.

In count I of the suit, the plaintiff (Kennell) had asked that a writ of mandamus be issued directing the trustees to hold all official meetings of the board in a place sufficient to accommodate all citizens of the village who desired to attend these meetings. Since the trustees voluntarily agreed to hold their meetings in a larger meeting place since the filing of the suit, the plaintiff dropped this count since it had been rendered moot.

In count II the plaintiff asked that the court declare null and void an ordinance passed by the board providing for compensation for themselves during their respective terms of office. The court ruled that the adopted salary ordinance was valid, but no trustee could receive compensation under this ordinance during his present term of office.

In count III the plaintiff asked that Douglas F. Comstock be declared village attorney to continue in that capacity until he resigns or until his successor had been duly appointed. The plaintiff contended that the power to appoint the village attorney was lodged in the village president (mayor) and that the board of trustees did not have the power to dismiss Comstock or to appoint James McClure as attorney.

The court denied the plaintiff's request, pointing out that the village does not have an ordinance establishing the office of village attorney. The court did recognize the power of the village president to appoint a village attorney, with consent of the board, when such ordinance does exist; however, in the absence of such an ordinance, the court said the board could secure counsel to advise and represent them. This means the board can retain James McClure as long as they pass a resolution to employ him for each time his services are required.

New Hospital For Area

The Downers Grove Area Hospital Association, Inc., has announced that Bethany Brethren hospital, Chicago, has accepted the Association's invitation to be the sponsoring agent for a hospital to be built in the Downers Grove area.

After an examination of several possible locations, the general area north of Downers Grove and south of the East-West Tollway appeared to offer the greatest opportunity for ease of transportation and access for both physicians and patients.

With these suggestions in mind, the trustees have purchased an option to buy a twenty-one acre plot of ground at 38th st. and Highland ave.

The architectural firm of Schmidt, Garden and Erikson has been employed to draw preliminary plans for a general hospital of 150 beds, expandable to 300 beds when the need is demonstrated. They estimate the cost for the initial 150 bed hospital would be approximately \$4,500,000.

It is anticipated that the new hospital will include all components of modern hospital procedures including complete ancillary services.

Gordon Bunge said, "the planning and success of this new hospital will require not only the experience of Bethany hospital personnel but also the support and cooperation of doctors in the area and the insights of community leadership."

The trustees commented they are looking forward to working with the hos-

pital planning council of Chicago, a community board of governors, local doctors, and other health agencies as a program to meet the medical needs of the area.

Baseball Registration

Baseball registration will be at 2:30 p. m. on Mar. 21 and Mar. 28 at the village hall. Boys that cannot register on these days may register with their respective managers this week. Registration fee is \$2 for all children. The baseball season will run from May 19 through Aug. 9.

tional and vocational plans. Thus, Pogue said, students can learn more about their educational strengths and weaknesses, whether or not they plan to attend college.

In addition to the awards made by the National Merit Scholarship Corporation, about 175 business corporations, foundations, colleges, professional associations, unions, trusts, and individuals give scholarships through the merit program. A considerable number of other scholarship agencies utilize the services of NMSC in awarding their scholarships.

NMSC was established in 1955 through grants from the Ford Foundation grant to extend the merit program through 1970. It was announced in 1962.

In the period 1956-63, about 7,500 students have received Merit Scholarship awards and thousands of other high-scoring students have been assisted in obtaining financial aid from other sources.

TO THE EDITOR

Dear Editor,

I would like to tell "name withheld" that buying a house in an area not of your choosing just ain't done in America, and not even in Woodridge.

I've been wondering too. Who are these "truly responsible citizens" who would deny a man's right to work or live where he chooses, or who would deny a citizen the use of government service as a protector and referee?

What kind of citizens are these who answer a difference of opinion with charges of harassment and chaos and charges of instigation by invidious persons disloyal to the village?

These same charges were leveled when many of us were convinced the zoning agreement and not the annexation was a dangerous path for Woodridge. Well we lost the fight but won the battle when we discovered the new zoning laws were about to benefit a member of this group who consider themselves so loyal to Woodridge. (I refer to the proposed car lot which was not approved.)

Let's go back a little to the raise of salaries for board members. The "loyal citizens" were all for it. Any objections to increasing already burdensome tax programs was called grandstanding.

Now we have a new salary for another member of this "loyal group" who has served but a short time in comparison to other Woodridge folks who have served their village long and well without pay.

We are threatened by the determined efforts of this "loyal group" to get even. Stop building at any cost. Lose permit fees and fling unfounded accusations. We are further threatened by efforts to commit Woodridge to risky spending in order to keep political campaign promises, without thought to the hardships that will be caused by increased taxes.

And to steal a phrase from nameless, I and perhaps others have wondered why these people always try to cast doubt and suspicion on the motives of anyone who questions or disagrees.

Yes, I agree an illness exists in our village and until we can root it out, "bravo" to the Woodridge people who stand up and fight and refuse to be coerced by foolish accusations, and three cheers to the WNR... if they'll print this.

Lisle Savings Plans Expansion

Lisle Savings and Loan Association has purchased the adjacent lot north of its present office building, Chester S. Penn, president, revealed this week.

The purchase will provide the savings institution with an additional 4,500 square feet of vacant property. This new acquisition coupled with the lot south of its building will provide ample land for its intermediate and long range expansion plans for better and more convenient customer service. Immediate plans call for the grading of this property to provide parking facilities.

"We have the utmost confidence in the orderly progress, growth and expansion of the Lisle area and the Main st. business district," Penn concluded.

Arboretum Classes

Registrations are now being accepted for the spring classes, lectures and tours at the Morton Arboretum. Advance registration is essential for all courses.

Places in each group will be assigned in the order in which registrations are received by Mrs. Verne E. Jones, registrar. She may be contacted for further information by calling 969-5682 Mondays through Fridays, 9 a. m. to noon and 1 to 5 p. m. The office is closed on Saturdays and Sundays.

Classes offered include: natural science, spring phase, spring wild flowers at home, nature photography, care, maintenance and culture of trees, design workshop, shrubs and evergreens, birds, gardening, and propagation. Two field trips are scheduled.

MINISTRONE

(Latin meaning, "to hand out")

This is a thick staple soup, the monks kept it to give to travelers. This is a favorite on St. Joseph's Day, March 19. It is served with various shaped breads to represent various religious symbols.

Set out a small skillet. Heat to boiling in a large saucepan 6 cups of water.

Meanwhile, wash thoroughly and discard imperfect beans from 1 1/4 cups of pea (navy) beans.

Gradually add beans so boiling will not stop. Simmer 2 min. and remove from heat. Set aside to soak 1 hour. Add to beans 1/4 lb. salt pork.

Return to heat and simmer 1 hr., stirring once or twice.

Meanwhile, heat in skillet until onion and garlic are slightly browned and set aside: 3 Tbls. olive oil

- 1 small onion (chopped)
- 1 clove of garlic (chopped)

Wash, cut into 1/2" slices and set aside: 2 stalks of celery
2 small carrots (scraped)
2 large potatoes (washed and pared)

Wash 1/4 head of cabbage (shred finely). Add:

- 1 cup of peas
- 1 cup of string beans
- 1 cup of kidney beans
- 1 cup of fana (dried green beans)

Add all vegetables and onion-garlic mixture to beans with:

- 1 Tbls. chopped parsley
- 1 tsp. salt
- 1 tsp. pepper
- 1 can tomato paste
- 1 can of water

Pour in slowly 1 qt. hot water.

Simmer about 1 hr., until beans are tender.

Home made noodles are added to thicken the soup, or cooked rice. Serve hot, sprinkle with grated Parmesan cheese.

"The Funny Easter Egg"
Once there was a 9 foot egg in my Easter basket.

Just then the egg opened. There was a bird 1 inch tall came out. "Peep peep," it said. It was a magic bird and the bird talked. The bird said, "I am magic." The boy said, "I wish I was a king." Suddenly he lived in a castle with an army of soldiers. There was guards all over the place. Soon it was time for bed. So he wished he was home so he could go to bed and the bird died in two weeks. And that was the last that was ever seen of the talking bird.

"The Magic Easter Egg"

Once upon a time, a mother hen laid six baby ducks. But there was something wrong. The sixth egg did not hatch. It was an Easter egg. One day an Easter bunny saw it. He picked it up and put it in his basket. He walked and walked along the street. Soon he saw a prettier Easter egg. He took the other egg out and threw it down. But he did not know that it was magic. Suddenly it hatched. A little space man came out. It said, "I am Easter egg space man. Who threw me? Whoever did, I will destroy." So the bunny turned into the Easter egg. Oh no, the bunny turned into a chicken. Oh no, but whatever happened, I cannot tell that. The End.

Edward Hospital

The installation of a radioisotope laboratory at Edward hospital will be completed shortly. When opened, another new service will be available to the community. The laboratory will be located in the area formerly used as the visitor's lounge in the old building. Remodeling of the room is now in progress.

Dr. Felipe A. Serna, Edward hospital pathologist, will be in charge of the new facility.

The Edward hospital medical staff were treated to a prelude of the new poison control center equipment and files at their February meeting. Dr. Arthur Smid, head of the poison control center, and Eugene D. Morris, administrator, explained how the center will operate on a 24-hour per day, seven day per week basis. Exhibited at the meeting were the index card files containing several thousand reference cards showing the toxic ingredients in various products. Also, the new poison control cart was exhibited, containing reference material which lists all known poisons and their antidotes. The cart is also stocked with many antidotes and necessary supplies used in treating poison cases. Both carts are mobile, and may be moved to any part of the hospital in a matter of minutes.

It was stressed that the primary purpose of the Edward hospital poison control center is to act as a source of

Congratulations to:

Wilbur and Phyllis Ames, 7830 Sprucewood, on the birth of their fourth child, Anthony Raymond, born Feb. 28 at Edward hospital, weighing 7 lbs. 9 ozs. Denise 5, Steven 3, and Daniel 20 mos. were at home to welcome their new brother. Mrs. Ava Morgan of Chicago is the paternal grandmother and the maternal grandmother is Mrs. Dorothy Stalkamp of Monroeville, Ohio.

Friends and neighbors of Joanne and Wally Baaske, 7622 Sprucewood, bid them a fond adieu last week. Because of a job transfer the Baaske's, including their four children - Roberta, Wally, Carrie and Peter, will be living in Sunnydale, California. We hope they enjoy the lovely sunshine.

I have heard tell that when some of the Woodridge residents first moved in there was a slight problem with stray cows. Now this is very understandable as this land was farmland before the homes were built. Well, it seems the cows are still not sure where they belong as they were wandering around the Everglade ave. area last week. I imagine the kids thought it was great, but the lawns and shrubs will probably never be the same.

Welcome to Richard and Rida Kay who have recently moved to 2926 Everglade from Clarendon Hills. The Kay's have two sons, Richard Jr. 6 and Scott 5. We hope you enjoy your new home and new village.

Bob Bonk, 7612 Catalpa, is taking a 15 week course at supervisory school at Western Electric one day a week. How does it feel to be back at the books again Bob?

Joyce and Bernie Diaz and children of Willow ave. recently returned from a week-end trip to Danville, Illinois. Get well to:

Marge Groth of Sprucewood who is hospitalized. Hope you get home soon. Glad to see Dee Stelling of Catalpa

back on her feet after a fall in her basement.

Welcome to Woodridge: Samuel George and Gertrude Dando, James Franklin and Ann L. White, and Walter Howard and Frances E. Stuker.

Welcome to Woodridge move-ins Richard Francis and Eleanor Machnikowski; Gordon E. and Barbara A. Babbitt; Richard James and Joan L. George; Robert Joseph and Catherine Bertels; Robert and Alfreda Svoboda; Steve and Gertrude Trapp.

Repr. Redmond Explains Primary

State Representative William R. Redmond, at a special meeting of the Lisle regular Democratic organization on Feb. 27, explained the voting procedures for the Apr. 14 primary election. According to Redmond, candidates will be nominated by party convention rather than primary election. Delegates to each party's convention will be elected in the Apr. 14 primary. Two delegates will be elected from each of the 59 House districts which existed under the 1955 reapportionment law.

Party conventions will be held in Springfield on June 1. Each party must nominate the same number of candidates as the other party. The number must be not more than 118; but if agreement could be reached, 100 could be picked from each party. Each of the two delegates from a district will be entitled to cast the following number of votes in the convention. One half the number of votes cast for his party's house candidate or candidates in the 1962 general election.

A special ballot, orange in color, will be used for the House election at the November general election. These ballots will be deposited in special orange ballot boxes. The ballots will be approximately 30 inches in length if each party nominates 118 candidates, but slightly shorter if the parties agree on fewer than 118.

The House ballots will not be counted in the precinct polling places but will be transported to centralized counting stations. Representatives of each party will guard the ballot boxes while they are being transported to central counting stations.

The meeting was at the home of Walker Gamble.

American Girls Better Dressed Than French, Says Paris Star!

French actress Dominique Minot doesn't believe that Parisian women dress better than American girls. The actress, who plays an important role in support of Cary Grant and Audrey Hepburn in "Charade," now at the TIVOLI THEATRE, says that French women are chic when they can afford to frequent the salons of Givenchy, Chanel and other expensive couturiers. "However, American working girls who wear ready-made clothes are much better dressed than French girls with the same amount of money to spend," she contends.

---ABOUT OUR CHURCHES---

Methodist

On Sun., Mar. 15, Rev. John Siple will deliver his final sermon of the Lenten series entitled "Jesus Concerning Organized Industry." Mrs. Shirley Manges will be nursery mother for this Sunday.

On Palm Sunday, Mar. 22, new members will be received into the Church. This will include the youngsters who have been attending the membership preparation class. A fellowship hour will follow the worship service with coffee, punch and cookies served.

Choir rehearsal is held each Thursday at 8 p.m. at the Trondsens, 2932-76th st. Special music is being prepared for Palm Sunday and Easter Sunday. It is hoped that the new choir robes will be ready to wear by then. More seamstresses are needed. If you can help, call Mrs. Carol Davison, Wo 9-6974.

The Woman's Society of Christian Service met at the home of Mrs. Mildred Gulbrandsen Mar. 4. Mrs. Wanda Wiest, WSCS entertainment chairman, announced that plans are in progress for a square dance in April and a weiner roast in May.

One of the projects of the WSCS is selling table napkins. Members are reminded to pick up their napkins at the home of Mrs. Mary Ellen Rice, 2929 Westridge dr. Anyone interested in purchasing these napkins may call Mrs. Rice at 969-4996.

The WSCS would also like to remind everyone to save Pepsi "plus" and Patio cola caps. The caps may be deposited in boxes provided for them at the church on Sunday mornings.

The senior Methodist Youth Fellowship is making plans for a sunrise pancake and sausage breakfast Easter Sunday. MYF meets every Sunday, 7-9 p.m. --- seniors at the Klevens, 7831 Deerfield, and juniors at the Trondsens, 2932-76th st.

If you are interested in attending a Bible class, please advise the ushers as to the best time for you or contact Rev. Siple, Wo 8-4868.

St. Scholastica

On St. Patrick's Day, Mar. 17, Bishop McNamara has granted Catholics a dispensation from the Lenten fast for the day. Meat may be eaten more than once on this day.

Registration for grades one through five for St. Scholastica school will be taken on Sun., Mar. 15. Registrations will be received in the corner schoolhouse after the 8:00 Mass and the 12:30 Mass and will continue until 3:00 in the afternoon. Registration is open to anyone falling in the above grade levels. A maximum of 45 students will be accepted for each grade on a first come, first served basis. All are required to bring along a certificate of Baptism. No child registering for first grade will be accepted unless he has or will have reached his sixth year of age prior to Dec. 1, 1964. The Baptismal certificate or a birth certificate is required to insure the age of the child. This requirement is in compliance with orders received from the Diocesan School Board and no exceptions can be made. Books and uniforms are purchased by the students.

Prince-Of-Peace

The Girl Scouts and Brownies of the Woodridge troops will participate in the 9:30 a.m. worship service of Prince of Peace Lutheran Church, Woodridge, at the Woodridge school on Sun., Mar. 15. They will begin the service by leading the congregation in the Pledge of Allegiance and then give their scout oaths and laws. The senior choir will sing.

The final session of the pastor's information class will be given on Sun., Mar. 15, at the Lutheran parsonage, 2735-75th st. New members will be received at the 9:30 a.m. service on Sun., Mar. 22.

Wed., Mar. 18, will be the final mid-week service to be held at the Lutheran parsonage. At 3:45 p.m., the children's service, Pastor J. E. Swanson will direct a dialogue meditation on the theme, "He Thrusts the Final Blow." At 8 p.m. the adult service will be conducted. Pastor Swanson will speak on "Disarming Joy." The cherub choir rehearses after the children's service, and the senior choir rehearses after the adult service.

Village Baptist

Sermons for Mar. 15: 11 a.m., "What Is a Christian Like" or "Blessed Are the Poor in Spirit" from Matt. 5; 7 p.m., "The Villain in the Kingdom" or

"Use Your Talents for God" from Matt. 20.

The Ladies Missionary Society luncheon will be held at the Sweden House in Naperville on Mar. 17 at 12 noon. All ladies invited, cost will be \$1.65. Mrs. Cedarholm, wife of the general director of the Conservative Baptist Association of America, will be the speaker.

Church business meeting Mar. 15. Youth Choir each Saturday at 10 a.m.

Crusade Off To Flying Start

The Woodridge Cancer Crusade for 1964 is on the move. Ralph Wagoner, chairman, has announced that the following residents have already volunteered their services as block chairmen for the crusade: Mrs. Barbara Cooling, 7706 Butternut; Mrs. Peg Muchowski, 3 Willow ct.; Mrs. Connie Nevins, 7636 Walnut; Mrs. Norma Jean Schwindy, 2723-75th st.; Mrs. Lyn Volpe, 7630 Deerfield; and Mrs. Arlyle Roberts, 3010 Forest Glen.

The Cancer Crusade date is Apr. 12, and additional help is still needed. Anyone wishing to help out should contact Wagoner or any of the above block chairmen.
