## Rummage Sale

by Nan Davis

It's that time of year again; call it what you may, an Easter sprucing up or spring cleaning. You cannot evade the issue. But you can let the St. Scholastica Women's Society help you in eliminating one of your biggest problems... what to do with your discarded relics and outgrown clothing!

The answer being simply, a Rummage Sale! Therefore, the St. Scholastica Women's Society is sponsoring one on Sat., Mar. 21, at the St. Scholastica school, Crabtree and Janes rd., from 10 a. m. to 5 p. m.

This sale not only provides a means for eliminating what you might feel is a problem to you but, on the other hand,

## Surety Acts To Remove Shopping Restriction

In a letter to residents of unit 3, Woodridge, Surety Builders has advised that their attorneys are taking the appropriate legal action in court to remove the restriction prohibiting a shopping center on the southwest corner of Janes ave. and 75th st. The area was zoned B-3 (business) by the village. However, covenants on the land were drawn in such a way as to restrict the proposed business development. The letter says, "... certain restrictions concerning this property were improperly drawn and must be reformed by a court."

At the Mar. 12 meeting of the village board, the trustees discussed the situation. Except for Trustee Leon Werch, who was absent because of illness, the board expressed the opinion that they had looked favorably on Surety's request for B-3 zoning for the north side of 75th st. and in the past had often indicated they would look unfavorably at the prospects of shopping on both sides of 75th st. The board voted to send a letter to Surety to remind them of the board's position that

## Mrs. Percy Here Tuesday

An open house for Mrs. Charles H. Percy, to which everyone is invited, will be held at the Woodridge school at 8 p. m., Mar. 24, climaxing a day of Republican campaign activity in the Woodridge area.

Mrs. Percy, wife of the candidate for the Republican gubernatorial nomination, will be in the area on that date speaking at scheduled engagements.

The public is invited to Woodridge Country Club at 9 a. m. when Mrs. Percy will be introduced to local supporters by Senator Harris W. Fawell of Naperville. At 10:30 a. m., she will speak at a coffee at the home of Mr. and Mrs. Robert Hegg on Smith rd. in Lisle and at 11:30 will address a group at the home of Mr. and Mrs. John Case on Bauer rd. in Naperville. At 1 p. m. Mrs. Percy will be guest of honor at Cress Creek Country Club at a fund raising luncheon and fashion show during which Lakeside Vogue of Four Lakes will present the latest fashions in casual and formal wear. Donations are \$4.00 per person and tickets may be obtained by calling Mrs. Douglas Foss at EL 5-3164

## Oral Polio Vaccine To Be Given Sunday in Woodridge

### Jimmy Wong Visits Woodridge

Jimmy Wong, who owns those two popular Chinese restaurants in Chicago, was invited for a German home-cooked dinner at the Frank Schneider's, 2920 Everglade. Jimmy Wong is a good friend of Charles Schneider, Frank's brother; and on several occasions has invited Louise and her friends to the restaurant.

On one of these occasions the above picture was taken. Left to right: Mrs. Hilda Engler, Mrs. Barb Russo, Charles Schneider, Mrs. Louise Schneider, Mrs. Marge Callahan and Don Booker, and standing, Jimmy Wong.

### Vaccine Available In School

**WHO:** Everyone over the age of six weeks - children and adults.  
**WHAT:** Sabin Oral Sunday.  
**WHEN:** Sun., Mar. 22, from 1 to 5 p. m.  
**WHERE:** St. Scholastica school, Janes rd. and Crabtree.  
**WHY:** To prevent polio.  
**HOW:** By drinking a slightly sweet liquid vaccine from a paper cup.  
**COST:** 50 cents per dose - donation.

The opportunity for all residents in DuPage county to immunize themselves and their loved ones against polio is being offered Sunday by members of the DuPage county medical society, DuPage pharmaceutical association and the DuPage county health department.

"This is the first time our organizations have had the opportunity to band together in such an exciting and worthwhile effort," said Dr. Dorothy Lynch of West Chicago, committee chairman of the mass immunization project.

"We of the medical community," she emphasized, "are already aware of the importance of preventive measures in combating disease. It is especially gratifying to us to have the community respond so readily in this massive program."

Al Plesnar, Westmont, president of the pharmaceutical association, concurs with Dr. Lynch. With Dr. Charles A. Lang, director of the county health department and other physicians, pharmacists, nurses and volunteers in every DuPage community, they hope by this massive effort to wipe out every possible trace of the polio virus here.

Individuals and families are encouraged to go Sunday. No delays in passing through the lines are anticipated. A card will be presented which will state that the vaccine has been given once on Mar. 22 and must be repeated again on May 17 for complete immunity.

A donation of 50 cents per dose is asked, but the vaccine is available to all regardless of ability to pay, the sponsors stress.

There will be no repeat, nor oppor-

## Notice

It is recommended that anyone who is planning to take the oral polio vaccine in DuPage county's program this spring do not take measles or smallpox vaccine during the period from Mar. 1 to June 17.

Whichever vaccine is taken second will not be effective. Further information may be obtained by calling your own doctor.

strong foundation for our village to rise upon. Our only desire is to see that sound policies are developed in all phases of village government with no other political ambitions than those of individual homeowners and taxpayers.

The last eleven months have been a trial for all of us, but it would appear that our village can now move ahead with dignity."

## Village Trustees Issue Trial Statement

Trustee Dave Callahan, on behalf of the five junior Woodridge village trustees, issued the following statement to the WNR concerning the recent decision handed down in the Kennell suit:

"We are very pleased with the outcome of the Kennell vs. Wiggins, et al, suit recently disposed of in DuPage county circuit court. There was never any doubt in our minds as to the outcome of this case.

We asked shortly after our election for cooperation and offered the same to the mayor, department heads and all the citizens of the village. We again ask at this time for your support and hope that these frivolous harassment suits are at an end. These suits have cost all the citizens of Woodridge considerable time, money, and embarrassment. We would ask those responsible for the latest suit to reconsider their action for the good of the village. We are growing and believe that we will continue to grow and our wants and needs will be on the increase year by year. Business and industry must be encouraged to locate in our community in order to lessen the tax load on the homeowner. Smart businessmen avoid locating in an area where political instability exists regardless of the cause.

The board with cooperation has at last been able to help form a well rounded plan commission, hire a new village engineer, embark on street light programs in all newly developed areas, and have begun preliminary plans to establish methods of enforcement of our subdivision control ordinance and building codes.

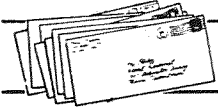

We will continue to ask for constructive criticism on any and all matters concerning our village directly or indirectly. We are attempting to build a

TO THE EDITOR

Dear Editor:

I would like to take this opportunity to comment on the letter written by Mrs. Wilgus in the Mar. 12 issue.

There are some parts of this letter which leave me somewhat in the dark, to name one, "That there are people in this village who would deny a man the right to work and live where he chooses". This sounds like a lot of garbage to me, but if it is true, I suggest that the attorney general be called at once to conduct an investigation.

Mrs. Wilgus also refers to "Risky Spending" and "Increased Tax Hardships". I think it is safe to assume that reference is made to the proposed new village hall and civic center, and if so, let's review this "risky spending". The new village hall and civic center would sever the remaining ties between the government and the developer in that there will be no need to rent facilities from him. It's about time the village stands on its own feet. The new civic center would give to the village an air of stability. It would provide adequate office space for administrative personnel. It would provide proper storage for the fire and police vehicles. Our police officers would not have to endure the embarrassment of bringing traffic violators into a dumpy basement courtroom. In other words, it would give the village some self respect and something to be proud of... for a change. Last but not least, it would provide an auditorium with ample seating capacity for those poor souls who have been screaming that they can't get into the board meetings.

Risky spending? No, I would say it is more like an investment in the future of the village... our future for as long as we live here.

Very truly yours,  
John T. White

Dear Editor:

I believe that a large majority of the taxpayers of high school district 99 are willing to give financial support to a high quality school system. Consequently, I interpret the defeat of the recent referendum as a vote of no confidence in the high school board on the part of many voters.

I reject the notion that the referendum was defeated solely because the board failed to communicate. I believe many voters wish to express their views about what constitutes "quality" in a school system.

I believe the board of education must solicit the views of the people, listen to these views respectfully, and satisfy legitimate grievances. Only in this way can the board reflect the views of the community and regain the support of the majority.

In future letters, before the school board election on Apr. 11, I intend to express my views on the following subjects:

1. The obligations of the school board to provide high quality education and avoid deficit financing,
2. The question of whether or not the two high schools should both be operated as four year schools,
3. The present policies of the school board which I believe should be reviewed.

I sincerely hope that these letters will give the voters a basis for deciding whether or not to support me as a candidate for the high school board.

Cordially,  
John Hanson

or Mrs. William R. Schadeberg at EL 5-3511.

After luncheon, Mrs. Percy will speak at a coffee at the home of Mrs. Richard Price in Longwood and will proceed to still another coffee at the Tony Castagnoli home on Hobson rd. Dinner will then be held at Willoway Manor for the Executive Campaign Committee and their wives, after which Mrs. Percy will speak at the open house in Woodridge.

The Percy for Governor Committee hopes that many local residents will attend the Woodridge function, during which they can learn about and discuss the views of "Chuck" Percy.

Members of the Woodridge committee are: Thomas A. Church and William L. Woody, Jr., chairman, Gene O'Connell, George Brigel, James Van E. Yates, Joseph Witek, Albert J. Zettler, Jr., Robert H. Murphy, Arthur Thurek, Jr., and Edward Goluch.

The first two coffees were hosted by Mr. and Mrs. Richard Miller and Mr. and Mrs. Robert Anderson. The committee was very pleased with the interest shown.

If there is anyone who has not yet been contacted about one of these coffees and wishes to attend, they may phone Mr. Church, 964-1493, or Mr. Woody, Wo 8-6540.

Editorial

The Woodridge village board is currently considering an ordinance which would prohibit the storage of trailers, trucks, car or truck bodies or unlicensed automobiles within the village. The number of these unsightly problem vehicles existing in the community is increasing. In a survey made last weekend, the WNR found 57 of these vehicles (including 5 trucks) cluttering up the subdivision. In last year's WNR survey there were 41.

Anytime an ordinance like the one proposed is brought up for consideration, there are the usual outcries about individual rights being violated (from those who own these vehicles), and according to some members of the board, this time has been no exception. We agree that the individual must constantly be on guard to protect his rights; but we do not think an individual should be allowed to take unfair advantage of these rights by detracting from an entire community.

It's unfortunate that an ordinance of this nature should even have to be considered by the board. No doubt many of the owners of these vehicles are planning to repair or remove them as soon as it is practical to do so. The law should certainly not be used to harass the owners in these cases. However, in our survey this year we noted that over 20 of the vehicles counted were also in last year's survey. The owners of these 20 vehicles are apparently in no hurry or unable to correct this situation.

Passing a law may not be the solution to this growing problem, but until someone comes up with a more effective way to make people more considerate of their neighbors, a law is probably the only solution.

tunity to "make-up" the immunization except through private physicians after May 17.

Those who have had a full series of Salk vaccine are urged by the physicians to take the Sabin Trivalent series now to insure their complete protection.

Salk vaccine, it is pointed out, cannot of itself provide a barrier against an epidemic of polio. While it prevents the individual from developing paralysis, it does not block the growth of the virus that can be passed on to another who may not be immunized.

The Sabin vaccine not only protects the individual but prevents spread of polio virus to others.

Nearly 300 million persons all over the world have now taken the Sabin vaccine without ill effects.

The National Institute of Health licensed this Trivalent (three-in-one) vaccine on June 25, 1963. The advantages of this latest weapon against polio are obvious - only two feedings are necessary for maximum immunity, and the recipient begins to develop immunity very shortly after taking the first dose.

Since the vaccine follows the natural path of the wild virus into the body, a person taking it not only secures personal immunity, but is less likely to carry the dreaded virus to another.

For this reason, it is recommended that all ages - children and adults - take

the oral vaccine.

The availability of Salk vaccine was an exciting milestone in the conquest of polio back in 1955. It greatly reduced the number of people crippled by that disease. However, it was recognized that the injection by needle and the need for repeated boosters were handicaps.

Other researchers, before Dr. Albert Sabin, were working on the development of a live oral polio vaccine.

Meanwhile, the Lederle Laboratories were directing their efforts to a three-in-one or trivalent vaccine.

By 1961 the National Institute of Health licensed Dr. Sabin's three separate live strains. These must be taken three times, six weeks apart.

The Lederle trivalent oral vaccine is an out-growth of all this development and combines the work of Dr. Sabin, the other researchers and the drug laboratory. The result: a blending of all three polio virus strains into one promising long-lasting immunity.

"It is with confidence we encourage all residents to drink their polio vaccine on Sabin Oral Sundays," said Dr. Lynch, "We hope no one will stay home."

by Mary J. Clark

Woodridge School

Greetings! We did it! At last we did it! We beat Goodrich in the last game of the season! I don't know the exact score, but I believe it was in the neighborhood of 36-17.

We eighth graders held a mock election last week. We put up candidates. Each candidate had a platform, and we took votes.

Miss Peters' and Mr. Hacker's rooms are making Easter egg decorations and have made abstract collages.

Mrs. Miley's first graders are doing wind projects, making paper kites, and have a "Weather Today" project going.

Mrs. Avery's first grade has made a frogs, lizards, and insect project. They have cut out paper frogs and lizards.

Mrs. Squerby's first grade is working on Easter decorations and, from what she tells me, two of her pupils are the proud siblings of a new brother or sister.

Mrs. Michel's fourth graders have made a dinosaur mural.

By the way, we had a magazine sale recently, as most of you folks probably know by now!

We eighth graders received our high school aptitude tests today. Some were pretty good.

## How You're Protected

### Zoning Affects You

Did you decide to erect a garage and discover that the one you wanted would end up on the neighbors property? Minor as this might seem, some people have been given the right to build within one foot of their property line. They are violating a village ordinance. Certainly we can't all erect a garage that takes up every square inch of frontage, or the village wouldn't be safe from fire. Then how did they manage this? They appealed.

This is one of the most common uses of the zoning board of appeals. Appeals may also be heard to change a residential area to a business zoned area. Any variation, relating to the zoning ordinance, normally comes before the zoning board of appeals.

The zoning board of appeals is composed of seven members who, among themselves, elect a chairman of their board. Serving on the board at present are: Robert Dreveny, Jerry Keller, Robert Anderson, Robert Arnouil, Albert Raymond, Tom Tangney and Barbara Cooling. Original terms run from one to seven years and were drawn by lot. As these terms expire, the mayor, with the concurrence of the village board, appoints a citizen to the zoning board for a five year term. Thus, reappointments of members of the zoning board of appeals and half of the original board supercede all of the village officials' terms, and in this way village politics can have no place on this particular board.

Conducted by the zoning board of appeals, a public hearing, which is required for every appeal, can be likened to a civil court. Notice of public hearings is published in a newspaper of general circulation at least 15 days, and no later than 30 days, prior to that hearing. Any and all interested parties may attend this public hearing. Patterned similar to a civil court, prior to testimony either for or against the appeal in question, a "witness" must be sworn in, and duly recorded. In this manner all testimony at a public hearing is both sworn to, and immediately placed on permanent record, by the public court recorder who is present at every hearing before the zoning

board of appeals.

Upon conclusion of testimony, the public hearing is ended. Now acting as a court jury, the members of the Z.B. of A. are closeted. Testimony is examined, plats are re-examined and all matters relative to this appeal in particular, and the village in general is discussed. All members have an equal vote in all matters irrespective of their position or length of term. The conclusions, record of voting and the recommendation arrived at by the majority of the seven members is a matter of public record. Their recommendation is read, at a regular meeting, to the village board. The village board has the final word on any recommendation. They can either accept, reverse, or refer back to the Z.B. of A., any recommendation. To

date, all recommendations of appeals made to the Z.B. of A. have been accepted by the village board.

You, your neighbor, a developer, an office or department of the village all have recourse to the zoning board of appeals.

# He "Makes-up" Your WNR

by Ellie Murphy

Dick Cooling Photo by J. Bogan

If the pages of the WNR seem to be wearing a new look these days, you can credit the professional touch of Dick Cooling, WNR make-up artist, who's back in the fold after a two-year "leave of absence."

Dick is a perfectionist, partly by nature and partly, no doubt, because he's proud of his profession (he's with Robert Snyder and Associates of Chicago where he does advertising art work for magazines, newspapers, catalogs, etc.). He

gives his expert attention to the layout of each page of the paper, but his wife, Barbara, tells us he is especially meticulous about page one. She finds it a great relief when he announces every week, after a couple of hours' submersion in his basement workshop, that the front page is finally done to his satisfaction.

Dick and Barbara live at 7706 Butter-nut ct. with their three children, Donald, Gail and Alan. They were both on the WNR staff back in 1961 when he was on

the board of directors and she was a reporter. Barb has also returned to the WNR as a member of the advertising sales department.

In addition to his newspaper work, Dick has lent his talented hand to many other community projects, among them the WAA booklets, the St. Scholastica dance book and our own WNR directory. His hobbies used to include the breeding of tropical fish - in particular, Siamese fighting fish - until he found, like many another Woodridge-ite, (Woodridger? Woodridgese? Woodridgian?) that moving to the suburbs means giving up all but one hobby---yardwork!

The WNR is proud of its face-lifting and confident that, with Dick Cooling in charge, it will be a handsome paper indeed.

Goodrich School

Before I get my head chopped off for being so forgetful, I must mention Goodrich's expected victory in the Woodridge vs. Goodrich faculty game. The score was 35-24.

Our luck must have been holding out when we played Avery Coonley, for we beat them 31-21. It would have been a little disgraceful if we hadn't won, for they haven't won a game in five years and that was from us. A return game was scheduled with Avery Coonley last Thursday, which we won 43-17.

I guess our luck ran out in the tournament with Cass, because the score was 39-24. I don't think we really expected to beat them, but it would have been a nice surprise.

I am very proud to announce that our graduation date has been changed to June 9, for those that would find it difficult to attend because of a conflicting high school graduation. Thanks a lot, Mr. Driver --- from the eighth grade.

## Volunteers For Crusade Needed

The launching of a drive to enlist 60 to 75 volunteers for door-to-door canvass work for the 1964 Cancer Crusade in Woodridge was announced this week by Ralph Wagoner, crusade chairman.

The leader of the American Cancer Society campaign here appealed for a record turnout of volunteers "to help in the many jobs that need to be done in Woodridge during April." Those who would like to serve this year are urged to call Wagoner, Wo 9-1643, or one of the block chairmen listed below:

Mrs. Leonard Abbott, Mrs. Barbara Cooling, Mrs. Fran Lins, Mrs. Peg Muchowski, Mrs. Pat Moe, Mrs. Connie Nevens, Mrs. Raymond, Mrs. Arlyle Roberts, Mrs. Norma Jean Schwindy, Mrs. Maureen Stewart, Mrs. Lyn Volpe, Mr. Joe Vymetal, or Mrs. Pat White.

"Because cancer touches each of us, either directly or indirectly," Wagoner said, "each of us must do his share to combat the disease which will eventually strike 48,000,000 now living--unless the trend is reversed."

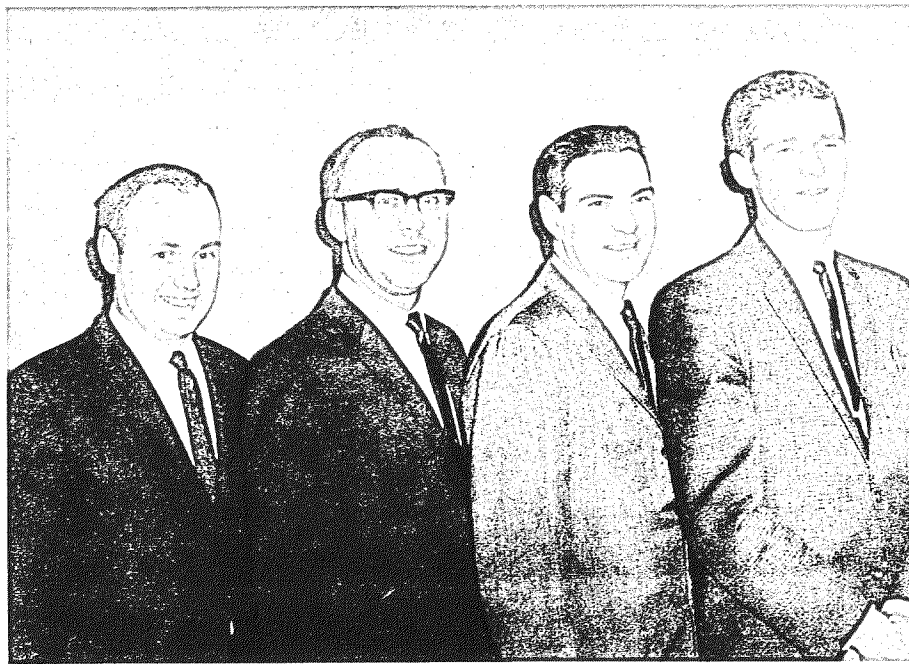

"Here in Woodridge, we can help save lives by serving as volunteers by contributing to the crusade, or by doing both. Crusade volunteers will not only ring doorbells to collect funds, but will leave at each home a life saving leaflet which tells how to protect your family from cancer. This free educational material stresses the value of annual checkups and the importance of knowing cancer's seven danger signals."

Last year, Wagoner pointed out, some 88,000 men, women and children died needlessly of cancer because the disease was discovered and treated too late. Our volunteers will urge every adult in every household to get a health checkup yearly and they will also ask for a contribution to help the American Cancer Society continue its programs of research, education and service to cancer patients.

Wagoner urges that you give generously of your time and/or your talent.

## Introducing....

Left to right: Paul Quinn, George Kujawa, Ken Brundage and Bob Slezak.

St. Scholastica Men's Club introduces their board officers:

President is Paul Quinn. Paul and his wife Marie moved to Woodridge in Nov. of 1961. Paul and Marie and their two children, Shannon and Stephen, live at 7641-75th st. Paul is a sales representative for Anacona Hose Division in Chicago. When he is not presiding over the meetings, or working, he likes to tinker with model racing cars. He belongs to the DuPage Model Road Racing Club.

Vice-president George Kujawa came to Woodridge from St. Cloud, Minn., in May, 1962. George and his wife Elaine and two children, Robert and Julie, live at 7709 Larchwood. George works for the Veterans Administration in the supply service department. He likes watching the Cubs baseball team and can't wait until the summer outings at Cubs park.

Secretary Ken Brundage came to Woodridge from Chicago. Ken and his wife Blanche live at 7849 Deerfield. Ken and Blanche have no children yet, but have a police dog named Baby; and if you think it's a baby, drop around sometime

and say "hello," that is if you can get into the house. Ken is a partner in the law firm of Garr and Brundage. Ken is very athletically inclined. He played the infield with our championship team last summer. He is also looking forward to our baseball outings at Sox and Cubs park.

Last, but not forgotten, the man who holds the money for the men's club, treasurer, Bob Slezak. Bob and his wife Patricia and four children, Richard, Randall, Robert Jr., and Russell moved to Woodridge in Oct., 1961, from Berwyn. Bob is home office supervisor of the engineering department at Continental Casualty Company. Bob likes to work around the house and especially the garden part he enjoys the most.

### Italian Friday Sauce

Heat 1/4 cup of olive oil in large skillet. Add the following:  
 1 onion (chopped)  
 1 clove of garlic (remove when browned slightly)  
 2 small stalks of celery (sliced)  
 1 small green pepper (quartered or strips)  
 1 cup of fresh mushrooms  
 Sauté slowly, so vegetables are still firm, not overcooked.  
 Add:  
 1 can of tomato puree (small) or 2 cans of tomato paste.  
 About 2 cups of water.  
 Salt and pepper to taste (crushed red pepper seeds - 1/8 tsp.)  
 1 tsp. oregano or 2 sweet basil leaves.  
 Simmer together for at least 45 minutes.

Serve this sauce on Linguini or any preferred spaghetti. Canned tuna may be added or 1 cup of clams, etc. Serve with sprinkled grated cheese.

### Interested In Bus Service?

The Colonial Village civic organization is currently exploring the possibilities of obtaining Bluebird Bus commuter service between Colonial Village, Westbury, Woodridge, Downers Grove and Chicago. Initial discussions between the group and Bluebird authorities have already taken place, according to Joe Rojec, vice president of the civic group.

Rojec said Bluebird was interested in providing morning and evening service for five days a week. The proposed route would begin in Downers Grove, go to Colonial Village and Westbury, come north to Woodridge and return to Downers Grove and then proceed to downtown Chicago via Ogden ave.

Rojec also said that there was a possibility the bus would stop at the Burlington station in Downers Grove after leaving Woodridge for those who desired this service. According to the proposed time table, the morning buses would leave Woodridge at 6:30 a.m. and 7:30 a.m. The evening trip would begin in Chicago about 5:15 p.m.

He invited anyone from Woodridge who is interested to call him at 739-5567 or 739-5328 or write to the Colonial Village Civic Organization, 184 Queenswood rd., Lemont.

He also asked that those who write him give the times they are interested in.

If enough Woodridge people are interested, a meeting will probably be scheduled in Woodridge to discuss the matter further.

### Your Chief Says

Your chief has noticed numerous motorists with their village sticker taped to the window.

It is illegal to display the sticker by taping it or by taping the cellophane bag containing the sticker to the windshield.

This sticker must be permanently affixed to the lower right hand corner of the windshield and the penalty for failure to do so is a \$15 fine.

## Village Business

### Mar. 5 Meeting

The board hired White Consulting Engineers of Barrington as village engineers. The contract with Consoer Townsend and Associates was terminated because of the conflict of interests. Consoer Townsend is the engineering firm for the Winston-Muss Corp. in Winston Hills.

Officers Gerald Timko and James Novello were appointed to their full terms as police reserve officers.

The board accepted the resignation of Police Reserve Officer Norbert Wankowski. Wankowski said his varied commitments prevent him from continuing.

The subject of road bonds was discussed again. Trustee Marvin Wiggins questioned Mayor Roberts as to whether the road bonds had been submitted by Surety and Winston-Muss. Wiggins said he wanted to be sure that no further building permits were issued until the bonds were posted or escrow accounts established.

Mayor Roberts said the order had been issued to withhold building permits.

Regarding the drain tile connections, Trustee Marvin Wiggins said he would warn all citizens that any violations (connection of footing tile to sanitary sewers) will have to be corrected sooner or later by the homeowner.

Attorney McClure was asked if the homeowner would have legal recourse to the builder. McClure said he hadn't been directed to give an opinion on this. The board then directed him to obtain an opinion.

### Tattle Tales

Bruce Olson's still smoking the last of the cigars he had on hand to celebrate the arrival of his third child Mar. 1. It seems little Brian Christopher was born lucky--he missed having a leap-year birthday by just seven hours! Brian weighed 7 lb. 6 oz., topping the birth weight of both his brother, Daryl, 3 and his sister, Cynthia, 2. Mr. and Mrs. Olson live at 7807 Deerfield. Proud grandparents: Mrs. Charles Olson of Muskegon, Mich., and Mr. and Mrs. Nicholas Schmitt, Chicago.

## Village Baptist

Rev. Donald F. Roop will continue his series of sermons from Matthew at 11 a. m., Mar. 22. The title will be "Behold Your King" from Matt. 21. At the 7 p. m. service the message will be "The Three Crosses."

Rev. Roop will conduct a Baptismal service for new members at 3 p. m. in the First Baptist Church of Downers Grove on Mar. 22. Special music will be provided by the Woodridge church.

The young people of the church will attend the Fox Valley Youth for Christ on Mar. 21 at 7:30. The speaker will be Wendy Collins.

The new members class taught by the pastor will be held each Sunday morning at 9:45 for the next five weeks.

All choir members are asked to be present for the last two meetings before Easter, Mar. 18 and 25 at 8:30 p. m.

## Methodist

On Palm Sunday, Mar. 22, new members will be received into the church. This will include the following youngsters who have graduated from the membership preparation class: LaMae Smith, Robert Geils, Pamela Mersheimer, Rosemary Dicks and Carol Vymetal.

The sermon for Palm Sunday will be "Applause or Decision." A fellowship hour will follow the worship service with coffee, punch and cookies served. Mrs. Faylene York will be nursery mother on Palm Sunday.

The Woodridge Methodist, Village Baptist and Prince of Peace Lutheran Churches will hold a combined Good Friday service Mar. 27 from 2-3 p. m. at Woodridge school.

Rev. Donald F. Roop will give the first and second words from the Cross followed by a soloist from the Baptist Church; Rev. John L. Siple will give the third and fourth words from the Cross followed by a duet from the Methodist Church; and Pastor John E. Swanson will deliver the fifth, sixth and seventh words from the Cross followed by a hymn from the Prince of Peace junior choir. Everyone is welcome.

Sunday school teachers and the commission on education will meet Mar. 25

at 8 p. m. at the parsonage.

The first opportunity to obtain oral polio vaccine will be available to Woodridge residents on Sun.; Mar. 22, from 1 to 5 p. m. at the St. Scholastica school. The second dose will be made available on May 17.

## St. Scholastica

## Social Club Has Fashion Show

Winston Hills Social Club had their first Fashion Show March 1st at Goodrich School. Mary Holway of the Mode O'Day dress shop in Downers Grove sponsored the showing of new spring styles. The models, Pat Kenwick, Rosemary Fink, Bea Devereaux, Violet Schoebel and Rosmarie Barrett, all members, had no previous experience and yet they performed as professionals. Eleanor Kassis, social chairman, with the able assistance of Lois Jordan, Marilyn Thompson, Winifred Russell and Beverly Schultz

## Petitions Filed

Saturday, Feb. 27 the CAP candidates filed petitions with the Village Clerk announcing their positions for the April Village Election.

At this time it was announced that CAP will now stand for, "Community Action Party". "CAP has not changed," declared Orville Freeman the chairman of CAP, "the new name recognizes the importance of cooperative action by our whole Woodridge Community and, incidentally, helps us comply with an election law technicality."

Filing for position of Village President, Edward G. Redmond. For Four year trusteeships, Walter G. Hansen, Bernard C. Diaz and Robert W. Renaud. For two year terms are; Robert L. Bell and Charles J. Rush. Mrs. Patricia (Jack) White has filed for the position of Village Clerk.

## Apathy

Sixteen citizens of Woodridge attended the announced Public Hearing last Saturday, Feb. 27. The Village Board had announced that the reason for the hearing was to determine if "... the rate for garbage disposal service (should) be increased \$1 to \$6 per quarter with additional services."

All of the people in attendance participated in an extremely active questioning period. The answers were supplied by members of the Board or Mr. J. Rot, owner of the disposal service.

Although the lack of attendance at this hearing, may have indicated apathy on the part of the majority of Woodridge citizens, it is doubtful if even a full house would have helped settle the original question.

The original question, as it developed at the hearing, is in actuality a dual question. Those in attendance at this hearing appeared to be not so much against a raise in disposal rates; but rather, against the elimination of all private burning of newspapers, etc. by individuals.

The Winston Hills Home Owners Association, as represented by Mr. Koudelka, which comprises over half of the Winston area of Woodridge, is against burning in any form.

Those in attendance representing the remainder of Woodridge favored burning.

The Village Board announced that an "advisory referendum in April" will settle the question.

served the sixty-five members and guests a most delectable menu. The fancy sandwiches, jello molds, several kinds of cakes, tea and coffee, were all prepared by the members for the occasion. Eleanor Kassis did her usual extremely capable job, but this night seemed to out-do herself, not only in her choice of menu, but also in the magnificent way it was arranged.

The decoration committee must be commended on the original and lovely table arrangements. Center pieces of beautifully dressed "Barbie Dolls" surrounded by green carnations, on white table cloths trimmed with green shamrocks made up the decor and theme. Congratulations to: Jean Johnson, Violet Schoebel, Gail Koudelka, Evelyn Calsie, Eleanor Kassis, and Darlene Van Der Way on their beautiful work.

Following the Fashion Show, the members, new and old had a chance to visit and get acquainted and another wonderful evening was added to the Winston Hills Social Club Credits.

## Promotion to Beautify Lisle Area

"Lisle Savings and Loan Association will again have a promotion to help beautify the Lisle area," Chester S. Renn, President, announced.

"This year, from April 1st through April 17th, we will offer a beautiful three foot Lilac bush with each new account of \$25.00 or more or an addition of \$25.00 or more to an existing account," he continued. "We will again offer to every church and school in the area six of these Lilacs without charge or obligation for planting on their grounds."

Lisle Savings has had similar promotions in past years. 1000 Flowering Crab Apple trees and 336 Rose bushes were given away in 1963; 1000 Forsythias were passed out in 1964; this year more than 1000 Lilac bushes have been ordered for distribution.

Lisle Savings is open every day from 9 a.m. to 4 p.m., except Wednesdays and Sundays, and on Fridays until 8 p.m.

## Another Hat In The Ring

Wesley P. Kasonic, beat the deadline late that night when he tossed his hat into the confused Woodridge political arena. At 11:55 p.m. he filed his nomination petition with village clerk, Faye Hoffman, as an independent candidate for Village President.

Mr. Kasonic, running without any party affiliations, made this last minute decision in the hope that Woodridge residents would choose their elected representatives on the basis of merit. He feels that an independent will cause voters to think and elect the most qualified men, rather than merely choosing parties. To paraphrase our past national election, Wes hopes to offer Woodridge a "choice not chance."

Wes, his wife Jane, and their two children, Peter Daniel aged five, and Patricia Lee aged four, reside at 2924 Westridge Drive. Since he bought an older home,

Mr. Kasonic knows the value of sound inspection and building codes. Ever since moving into Woodridge two years ago, Wes has been active in community affairs.

He was one of the first to join in and help the West Suburban and Naperville Jaycees extend a new Junior Chamber of Commerce chapter here in Woodridge. Wes worked at getting members to join, helped write the constitution, and was elected their charter president.

Born in Pittsburgh, Pa., Mr. Kasonic attended grade school there until the middle of fourth grade when his family moved to Buffalo, N.Y. Wes got his B.S. in management from Carnegie Institute of Technology, Pittsburgh, Pa., in June, 1959. While in college he was active in many activities, including being manager of the school's radio station.

Shortly after graduation he moved to the Chicago area because of the many opportunities offered here in the printing industry. Wes is employed as an estimator for Johnson & Quin, 715 W. Adams St., an old, established loop printer. His job duties include cost analysis, estimating, managing the office, purchasing, and trouble shooting.

Wes is active in trade organizations, such as the Chicago Club of Printing House Craftsmen; he stepped in as membership chairman on the board of this 1000

man group when his predecessor resigned the post. Mr. Kasonic also belongs to the Chicago Lithographers Club. An active church member, Wes is currently on the auditing committee of the Woodridge Methodist Church.

Wes strongly believes that a candidate should have the best interests of Woodridge at heart, rather than be running for office just to fill a vacancy in a party's ticket or for purely personal reasons. Wes can be reached at home, 969-7574, or at work, 782-3435, if anyone wants to "talk politics."

## Lenten Service Continue At Trinity

Special mid-week Lenten services which were begun on Ash Wednesday are continuing at Trinity Lutheran Church, south of Lisle on hwy. 53. These 40 minute services begin at 7:30 p.m. each Wednesday and will continue through April 7. This year Rev. Don Ehlers has chosen as his theme: "Examples for Warning." Examples considered thus far have included Judas, Caiaphas, and Peter. This next Wednesday, March 24, Rev. Ehlers will preach on "Pilate, an Attempt to Quiet Conscience." On succeeding Wednesdays, he will preach on the topics: "Herod, Who Sought Religious Novelty," "Barabbas, the World's Choice." Both choirs of the congregation are singing Lenten anthems and the congregation itself is singing the familiar Lenten hymns. Two special features this year have been the distribution each week of a full color masterpiece from the passion story of Jesus Christ, and a Bible discussion on the book of Hebrews which follows immediately after the Lenten service, and concludes about 9 p.m.

Rev. Ehlers invites all who would learn more of the central teaching of the christian religion, the crucifixion of Jesus Christ and its relation to our salvation. For more information on any of Trinity's activities, call Woodland 9-6210.

## From The Board

Ordinance 65-8 has insured that the question of a Village Hall will come before the people on the General Election on April 20th. The Board had previously received \$180,000 in bonding contract for this Village Hall Referendum.

A preliminary plot for the annexation of the Petersen property, south of the village, has been approved.

A public hearing has been scheduled for Sat. April 10 at 10:00 a.m. for the consideration of annexation of 120 acres of property from Winston Muss.

The purchasing agent is requesting bids for a portable generator. This has been necessitated by recent power failures which have left the Woodridge Police Dept. without radio transmission power.

## Political Appeal

In a statement read by Village Clerk Faye Hoffman at the March 11 Board Meeting, she asked the people not to re-elect her as Village Clerk. Mrs. Hoffman said, "Since I withdrew two months ago as a candidate on the C.A.P. slate, my office has been harassed." She further stated that because of a chance that some of the C.A.P. slate might be re-elected, she did not feel that she could "work under the hardships they could perpetrate."

Mrs. Hossman is running as an Independent Candidate for the office of Village Clerk. Her reasons for withdrawing as a member of the C.A.P. slate were, to better serve all residents of the village without definite political ties.

Mrs. Hoffman has reiterated that if the people do re-elect her as Village Clerk she will serve. The deadline has passed for any candidate to legally withdraw his or her name from the Ballot.

## Photo - Tours

The Morton Arboretum announces a series of "Photo-Tours", to be given on five alternate Thursdays, at 8 P.M., in the Thornhill Building, starting April 8th.

April 8 - "Land of the Everlasting Hills" by Mildred & George Blaha.

April 22 - "The Athabaska Country" by Norman Hallock.

May 6 - "A Countryman's View of Europe" by Clarence Godshalk.

May 20 - "A Month in Alaska" by Margaret Lehmann.

June 3 - "Fantastic Big Bend Country" by Lorena Medbery.

Series tickets are \$3.00.

For tickets or information, address the Registrar, The Morton Arboretum, Lisle, Illinois 60532, or phone 969-5682.

## April Election To Fill Two School Board Seats

As of March 11, Thomas Tounsignant, Superintendent of District #68, reports that only four (4) nominating petitions have been given out for the April 10 school board election. Nominating petitions may be obtained from Mrs. Nejdil at Goodrich School or from Mrs. Redfield, board secretary.

This election will be held to fill the two vacancies created by the expired terms of Olga Redfield, secretary, and Lewis Benckendorf who are completing a three year

term in office. A candidate for the school board must be a qualified voter and a resident of the state and of the territory of the district for at least one year preceding his election. He must have a nominating petition signed by at least fifty (50) eligible voters or 10% of the voters residing in the district. The last day for filing petitions is March 20 and they are to be filed with Mrs. Olga Redfield.

## High Lights From The Hills

DOROTHY ZUEHLSDORFF

Quite a few of our children are sick it seems. At this writing, on Clark Drive, Joan Botts and Sean O'Hara are fighting the flu and chicken pox. On 63rd st., the Manning's youngest child has been

ill. Scott Dunn, on Dean Drive has been running a high temperature with all the other symptoms of the flu and on Marshall Drive, my own children, Scott and Tracey have taken their turns on the sick list. To the children of school age I would like to say, "Get well soon, children, your teachers miss you and are waiting for you". Meanwhile, I wouldn't be a bit surprised if I haven't run into a few of the parents buying aspirin at the drug store, (for ourselves, that is.)

FLASH! The first Cub Scout Meeting was held March 3 at the home of Mrs. Pat Benes, 3 Halsey Court. This is a first of its kind for our Winston Hills Area. Among the many interesting things lined up for the boys, I understand they enjoyed the paper-bag relay races. The high-light was the breaking of the Pinata, with the boys scrambling over each other for the candy prizes. The next step now is to prepare for their induction on March 30. The families are invited to attend and observe their Cub Scouts take the oath along with the other rituals.

Jewel Tea Co. is sponsoring a

luncheon for the Goodrich Mother's Club on March 10 at the Goodrich School. Along with the luncheon they are having a bake sale to raise funds to buy gym equipment. Tickets are on sale for \$1.25 and if you cannot attend your donation would be greatly appreciated. Tickets in the Winston Hills area can be purchased from Jean Johnson, 6405 Marshall Drive, 968-6625.

Your reporter had a delightful chat with Liz Amoroso who promises to try and keep us informed on the going's and coming's of our neighbors in Woodridge. Along with the other available sources that Mary Catherine Himes had, I hope to do my best to report things about people and events that will be of interest to us all.

Winston Hills Social Club Secretary, Jacqueline Hunnicutt has taken a leave of absence from her club duties for three months on doctor's orders. In her absence, Jeanne Braun, correspondence secretary has taken on the duties of recording secretary as well. Jacques promises to be back on the job as soon as she gets the "okay" from her doctor. In the meantime, thank you Jeanne for stepping in when you were badly needed.

Well, I guess this is all until next week and if you can't find me it will be because the column is under a new title. I have a suggestion on the name but I don't think the editor will okay it, it's called "WHEW"!!

## Prince of Peace Lutheran Church

The Prince of Peace Lutheran League will attend the West Chicago District meeting at Holy Trinity, Lombard, on Sunday, March 21, 2:30 p.m. to 6:30 p.m.

Preparations are being made for Vacation Church School in June. Teachers and staff will attend a special institute on Monday, March 22, 8:00 p.m. at Good Shepherd Lutheran Church, Oak Park. Mrs. Heidi Matsushita is the VCS Superintendent.

Lenten Midweek Services are being conducted on Wednesdays at the Lutheran Parsonage, 2735

75th Street. A special service for children meets at 3:45 p.m. and for adults at 8 p.m. Cherub and Junior choirs rehearse after the children's service. Senior Choir is preparing for Palm Sunday, Good Friday Tenebrae, and Easter after the adult service.

The title of the adult sermon for Wednesday, March 24, is "Messias: The One Between", a study of the Greek word used in Scripture for the mediation of Christ. Worshipers are encouraged to bring their Bibles.

## You And Your Schools

The Woodridge News today inaugurates a new column: "You and the Schools." It will be an open discussion of the Downers Grove community schools: our hopes, aims, problems, and the progress we make. Each week, or as often as we can, this column will raise issues, present information, and ask and answer questions about our schools.

We are planning a variety of subjects. You may suggest others. Here are some we have in mind: The School Program -- (What the students study, and why) The Quality Of Instruction -- (What makes a good teacher) Finance -- (Where the money goes) The Educational Goals -- (What makes learning a personal and

rewarding experience for each child)

We issue an open invitation for you to participate in this discussion as townspeople, teachers, administrators, and students. We need your thinking and understanding as members of the community to help shape our schools. We believe our schools, in the best sense, help shape our community.

Send your views, ideas, questions and comments to "You and the Schools," The Woodridge News. (Your communications should not exceed 100 words, or, they may be as brief as a one-sentence comment.)

(This column is sponsored as a public service by a Public Understanding Committee of local citizens.)

## Save Our Sight

Two hundred seventy-three persons took advantage of the first Save Our Sight program sponsored by the Woodridge Woman's Club in conjunction with the Downers Grove Lions Club on Feb. 28.

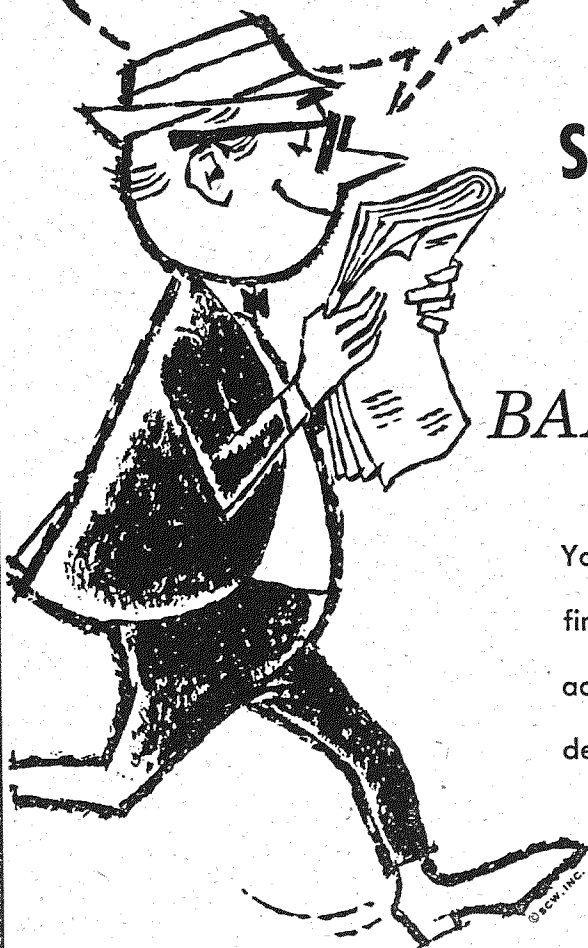

Doctors reported 94 areas of referral from the sight tests taken by participants, explaining that this was not necessarily the number of persons found to have unsatisfactory visual abilities, but the total results of individual tests given that were not completely satisfactory in all aspects.

Lion Fred Marvin of the Downers Grove Club who originated the S.O.S. Clinic indicated that this

figure corresponded with the average of approximately one-third referrals from questionable areas discovered through the screening programs carried on in the past years.

Members of the Woodridge Woman's Club were pleased to join residents of Naperville, Downers Grove, Westmont and Woodridge in taking part in the program and announced that they hope to continue the Save Our Sight Program as well as the Hearing Screening program, on which results were not yet available, as an annual W. W. C. project for community betterment.

## C.A.P. Slate

A slate which includes all present CAP incumbents was filed at the Village clerk's office Saturday, Feb. 27. The slate, filed by CAP chairman Orville Freeman also features new candidates for Village clerk and one trustee position and a change in the full name of the party to "Community Action Party."

The CAP candidates are:  
Edward G. Redmond, 7631 Catalpa (Village President),  
Patricia H. White, 2744 Everglade (Village Clerk),  
Walter G. Hansen, 2530 Crabtree (Trustee),  
Robert W. Renaud, 2732 Everglade (Trustee),  
Bernard C. Diaz, 2615 Forest Glen (Trustee),  
Robert L. Bell, 7664 Walnut (Trustee),  
Charles J. Rush, 7640 Willow Remond, Hansen, Renaud, Diaz and Bell are incumbents seeking re-election, while Pat White and

Chuck Rush are new candidates. "CAP has not changed", declared Freeman. "The new name recognizes the importance of cooperative action by our whole Woodridge Community and, incidentally, helps us comply with an election law technicality."

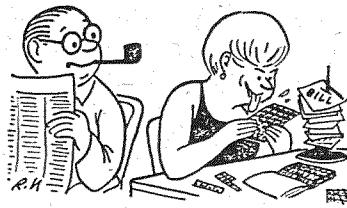

## WINSTON HILLS HOMEOWNERS MEETING

Last Tuesday evening, March 16th, the Winston Hills Homeowners Association had its' regular monthly meeting; which was a highly interesting one and brought out almost 100% of the membership.

The usual business of passing a revised by-law, reports of chairmen, plus a discussion about the water rates took up the first part of the meeting. Later Chief of Police Kagann asked for a vote of support for a county juvenile de-
