

H.S. Board Cuts Back Budget

Facing operation of two high schools this coming September and insufficient income, the board of education, Downers Grove Community high school district 99, Mon. night approved cuts totaling \$185,600 in the tentative 1964-65 operating budget. This leaves an estimated deficit next year of \$140,000 instead of a projected \$325,600.

The action followed defeat of a requested 21¢ increase in the educational fund rate at a referendum Feb. 15. Approval would have provided the needed operating funds.

Board members, meeting in the Lincoln school auditorium before an audience of some 75 residents including many high school teachers, emphasized that the action was taken "with great reluctance." The decision was reached only after numerous "committee-of-the-whole" sessions, the last one on Saturday morning.

Supt. Glenn Pickrel, asked by Board President W. M. Manning, to explain the cuts, prefaced his remarks by a statement "for the record" that the cuts were not an administrative recommendation but were the result of a board directive. Pickrel then reviewed the situation in detail.

The budget slashes mean only partial opening of the new school under construction at 63rd and Dunham. Instead of housing all freshmen and sophomores from the entire area as planned, the school for its first year of operation at least, will accommodate only freshmen and sophomores from the southern portion of the district. Description of estimated occupancy," Pickrel said it will provide some savings. Estimated enrollment will

1821 Receive Oral Polio Vaccine

1821 doses of Sabin oral polio vaccine were administered between 1 and 5 p.m. Mar. 22 at St. Scholastica school, announced Village Clerk Faye Hoffman.

Cooperation between the Woodridge Inter-fraternal Council, the Woodridge Woman's Club, the Jaycees, Woodridge Mother's Club, Woodridge Veterans of Foreign Wars and the Woodridge Police Department in working at the vaccine

center helped keep confusion at a minimum and citizens moving quickly through the lines.

Those persons who have received the first dose of vaccine were reminded to return for their second "drink" on May 17 to give full immunity. Those who were unable to attend the center on Mar. 22 may take their first dose on May 17 and go to their family physician in 8 weeks for the second of the series.

Thinking About "Thoughts Of Spring"

Shown above are, left to right: Mrs. Florence McCarthy, Mrs. Mary Riedy, and Mrs. Marie DiDonna. These women are preparing for the St. Scholastica Women's Society fashion show which will be held Sun., Apr. 19, at 3 p.m. at the Midwest Country Club.

"In spring a young man's fancy turns to thoughts of love," the man of the house gets out his golf clubs and dreams of making a hole-in-one on his favorite golf course.

In most cases for the women, however, their fancies tend to lean toward the thoughts of---you've probably guessed it---clothes. For example, Mother Nature in spring begins to shed her dull drab winter apparel and gradually dons her glad rags in the blooming of flowers, budding of trees, etc. And, so instinctively, women have acquired this same taste, resulting in a new bonnet, suit or accessories.

Alas! Fashions have a way of changing every year, and in order to be stylish one must be hep on the latest trends. This in itself is time consuming and sometimes impossible for the average woman. One cannot travel from place to place to obtain the much needed information. But there is an easier way and that is to attend a fashion show. Here you can sit back and enjoy viewing the latest fashions in comfort and ease.

Such an opportunity is being offered by the St. Scholastica Women's Society, who is sponsoring a fashion show and luncheon on Sun., Apr. 19, at 3 p.m. at the Midwest Country Club, Cass ave. and 38th St., Oakbrook, Ill. Fashions presented are from Lakeside Vogue of Lisle, Ill.

Admission is \$4.00 and tickets are available to anyone wishing to attend by contacting Mrs. Patrick McCarthy, Wo 8-7026, or Mrs. Frank DiDonna, Wo 9-4448.

Mothers Club Presents Nominees

At the Mar. 17 meeting, the nominating committee of the Woodridge Mothers Club presented a slate of nominees for officers for the year '64-'65. The nominees are: for president, Mrs. Mary Lou Hartfield and Mrs. Helga Scudder; for vice-president, Mrs. Ruth Vondrasek and Mrs. Ellie Murphy; for recording secretary, Mrs. Marilyn Treasure and

Don't Burn Those Papers

Woodridge Boy Scout troop 109 needs your old newspapers and magazines to help buy scouting equipment.

Increased scouting activity in the troop has at times interfered with the regular pick-up date, but the boys try to pick up the papers every six to eight weeks.

The next scheduled paper drive will be held Sat., Apr. 11. Please note on your community calendar.

If you forget to put your papers out in time for the scheduled pick up, you may take your papers to the WAA ballfield on 75th and Woodridge drive. Just put them in the semi-trailer which will be parked there. The doors will be open.

If your paper bundles become larger than your storage space allows, call Mr. Lewis York, 964-0460. He will be glad to take them off your hands until the next pick-up date.

Mike Ditka At Men's Club April 8th

Mike Ditka, all-pro end of the Bears football team, will be the special guest at St. Scholastica Men's Club father and son night to be held on Apr. 8 at 8 p.m. at St. Scholastica school. Movies showing the Bears championship game will be shown.

Refreshments will be served, and all men of the parish and their sons are invited to attend.

TOTAL 1,703 STUDENTS

A total of 1,703 students have taken courses offered by the Downers Grove adult evening school during the past year, according to Eugene Regal, director. A total of 83 non-credit courses were offered.

Village Tractor Use Explained

The village is purchasing a tractor for \$6,588.12 plus 10% on an 18-month lease purchase plan. This equipment is to be used for street sweeping, mowing grass, digging ditches and loading salt, cinders, etc.

Trustee James Kinser said one of the uses planned for the tractor is the proper routing of the Crabtree Creek bed.

Project Completed

"So pleased," "Really adds to the school," "Just wonderful" were some of the many comments heard at Woodridge school last week. The project drawing so many favorable comments was the installation of the draw drapes in the classrooms. The installation of these drapes in ten classrooms completed this project, one of many undertaken by the Woodridge school Mothers Club. All twenty classrooms now have these drapes. The drapes in assorted colors chosen to harmonize with each individual room represent a total expense of \$1,060 for all 20 rooms, \$680 of which was donated by Mothers Club. The balance of \$380 was provided by the school district. The drapes are plastic, fire resistant, room darkening and are guaranteed for 20 years. They were custom made.

The election will be Apr. 21 at the regular meeting of the Mothers Club at Woodridge school.

Mrs. Joyce Diaz was chairman of the nominating committee with Mrs. Barbara Bonk and Mrs. Marge Groth as committee members.

Jaycees Plan Chapter

Don Wehrman, left, and Wes Kasonic of Woodridge discuss plans for new Jaycee chapter with Chuck Bueche of the Naperville chapter of the Jaycees. The Jaycees are a nationally respected group of young men between the ages of 21 and 36, known for their outstanding community service.

All interested men are asked to call any of the following members for complete information: R. Stewart, 964-2516; D. George, 969-4016; or J. Wollney, 969-4687.

Street Sign Vandalism Discussed

During the village board meeting, Mar. 19, Jack Trask, commissioner of public works, discussed the high cost of replacing vandalized street signs. Mea-

sures to prevent destruction of the signs were also discussed.

According to Trask, signs have, at times, been ripped down within days after replacement. Taxpayers eventually must absorb the \$16 cost for each one.

be about 700.

Students who will be assigned there include freshmen and sophomores from the O'Neill Junior high area (Downers Grove district 58), plus Center Cass, Lace-Marion, Maercker, Cass, Goodrich and Woodridge graduates. Eighth grade graduates from the north side (both freshmen and sophomores), including those from Herrick, Puffer and Westmont, will continue to attend the present school which will house all four grades. Puffer graduates, within walking distance of the new school, may attend there if they prefer.

The major slash (\$116,250) comes from the instructional section of the educational fund budget. The plan had been to add 14 teachers in the fall in order to staff adequately the new school and reduce class sizes. No new teachers will be added, Pickrel said. And instead, class sizes will increase.

Besides this estimated savings, cuts from other sections of the educational fund budget were given as follows:

\$4,000 - administrative; \$1,000 - health; \$15,500 - operation of plant; \$3,850 - fixed charges; \$45,000 - capital outlay.

With these additions increasing the total to \$226,337 or \$40,737 more than the board's directive of an \$185,600 slash, the panel authorized that the \$40,737 be restored to the instructional section. Thus the instructional cuts will total \$116,250. How the \$40,737 will be used will be determined later, but members agreed it is needed in an important, critical area.

Pickrel concluded with this statement: "In my opinion, there is no substitute for the funds necessary to operate a good school. We have an educational system of which we can be proud. A new school with the necessary funds would have permitted us to improve it.

It was our hope to offer courses in vocational occupations and distributive education next fall. We need to strengthen our program for the non-college bound. This budget will neither permit us to do this nor to maintain the quality that exists."

Visitor reaction to the board's decision varied, although there was no vocal opposition. Norman Mindrum, member of a citizen committee which worked for the last referendum, observed that the action was the result of a "mandate of the voters in turning down the rate increase." He termed the action a postponement of reality.

"How is this situation going to be communicated to the public?" he asked. "The meeting will conclude tonight. All will look normal and the system will appear operating as ever. Yet we know this is not true."

President Manning told the group that the cuts which the board had been forced to make go beyond the danger point. He expressed the hope that interested citizens will help in letting the community know that this action is hurting a good school system.

Pickrel added that no member of the board is happy to pass such recommendations and that they realize the problem is still with us. He pointed out that the board knows a successful referendum is the only solution although there has been no decision as to when this might be done.

Other board members had similar comments. Albert Rouffa noted that the "cuts were not fat in the budget but sacrifices in the educational program." And Lyle Yerges emphasized that while the vote on the budget revision was unanimous, it was "a reluctant consensus."

day brought out the green elves... in the centerpiece from the Woodridge Garden Club created by Mrs. Marie DiFrancesco and Mrs. Nan Davis. And, in keeping with the St. Pat's day theme, the luck of the Irish fell on Mr. L. Vraney, Woodridge school principal, Mrs. Marge Groth, Mrs. Virginia Clemens and Mrs. Norma Jean Schwindy who won the plants that were given away.

The \$3 attendance award was given to Miss Peters' seventh grade class. This award is given at each Woodridge Mothers Club meeting to the class with the most mothers in attendance. The figuring is done on a percentage basis.

The program for the evening was a hat demonstration by Mrs. Denys.

During the business portion of the meeting, Projects Committee Chairman Mrs. Ginger Swierbinski recommended the purchase of shades for the skylights in the school gym. At present, blankets and sometimes even rugs are thrown over the skylights so that movies can be shown. This requires someone to go on the roof of the gym. This someone has usually been Bob Scudder of Woodward ave.

The recommendation to purchase these shades was approved by the members.

Plans are to have them installed for the movie scheduled for Apr. 18.

Other plans include a bake sale scheduled for Apr. 16 from 4:30 to 7 at the school gym.

There are many women in Mothers Club who are well-known for their ability to produce delectable items. This promises to be a delightfully fattening event. Donations will be appreciated, commented Mrs. Helga Scudder and Mrs. Grace Kennell, chairmen of the ways and means committee. The items must be wrapped and can be picked up. For information call either Mrs. Scudder, Wo 8-5887, or Mrs. Kennell, Wo 9-5535.

Board Of Review

Woodridge Boy Scout troop 109 held a board of review Mar. 26.

The following five new boys were inducted into the troop: Larry Przybylski, Al Klimek, Mike Durmansek, Mike Anderson and Dan Dubs.

First year pins were presented to Assistant Scoutmaster William Knight and Bruce Wiggins. Second year pins went to Scoutmaster Joe Shroka and Russ Przybylski. Ed Witt received a four year pin.

Ken Burns earned the rank of 1st class and Mike Johnson, Scott Benckendorf and Tom Krueger became 2nd class scouts. Junior Assistant Scoutmaster patches were presented to Ed Witt and Tom Goulding.

John Tucker was appointed senior patrol leader with Jim Provo assistant senior patrol leader.

New patrol leaders are Keven Bullock, Chester Johnson, and Russ Przybylski. Assistant patrol leaders are Bruce Wiggins, Mike Johnson, Bob Burns, and David Redfield.

Bob Clark and Mike Johnson are the new scribes and Jim Provo and Bob Clark are quartermaster and assistant quartermaster.

Film slides on boy scout camp Northwoods were shown at the meeting. This is the camp the boys will attend this summer.

Sizeable donations of camping equipment have come from Orville Freeman and Al Zettler. Keep the scouts in mind when doing your spring cleaning.

Our Hats Off To:

All who helped in the oral polio vaccine program Sunday, March 22.

TO THE EDITOR

Dear Editor,

After spending six days in central Illinois at a seminar conducted by the bureau of business management of the College of Commerce and Business Administration, Walker R. Gamble, Democratic chairman of Lisle township, finds the Democratic image excellent in the State of Illinois.

Upon sounding out forty business men from all sections of Illinois, the majority feel that Governor Otto Kerner rates well above either Republican candidate and should be re-elected in November without a doubt. In the same conversation all felt that anyone the Republican party should nominate for President, will meet certain defeat by President Johnson.

Long will be remembered Otto Kerner's famous words, "I am the people's governor. For my part, I believe in government as the vehicle for good of all the people---I am concerned only with what is right, what is good, what is fact. The sound of fury I leave to others." It is interesting when you compare the philosophy of Governor Kerner to that of the present Republican candidates.

Coming from DuPage county where some still fear to say they are a Democrat, this information is encouraging. The voters of Lisle township and the voters of all DuPage county certainly should be concerned about their ever-increasing tax bill! I take this first statement to be a fact regardless of your party affiliations. Without a doubt we are all interested in good government because that is the only economical form of government. Considering all the above facts, and the fact that better business comes from competition, then we should stop and take a good look at our DuPage county one-party system!

Here in DuPage county we have the most dictatorial form of government possible. Family after family is elected year after year, person after person goes from office to office in the Wheaton Court House year after year. You have a one-party electoral board, a one-party board of supervisors, and a one-party with complete control except for two occasions in 1934 and 1936.

It is most difficult for this writer to understand how the average American public can possibly think a party of one form of government in good old DuPage county is wonderful and should continue unchallenged, then even dare to complain about one-party rule in Chicago!

As Democratic chairman of Lisle township, I invite and welcome assistance in arranging the much needed two party form of government for Lisle township and all DuPage county!

The Unexpected Visitor

It all started out when McCnot was tidying up his little shack. McCnot's wife was out in the kitchen preparing some roast wall. The wall was chipping out so she thought she had to do something with the pieces of wall. "Dear, it's time for dinner. Oh boy, I haven't had roast wall since I plastered them last night."

In the middle of their eating their delicious roast wall, a small rap-tap-tap sounded at the door. Mr. McCnot got up from his chair and said, "Now who could be here when we're eating our delicious roast wall at 2:15 in the morning?" All of a sudden a loud growl came from the outside.

Mr. McCnot was having a little trouble with his eyesight. He walked to the door and opened it.

In walked a saber-tooth tiger. Mr. McCnot smiled and said, "Oh, Uncle Herby!" Mrs. McCnot got up from her stool and said, "Honey, that's a saber-tooth tiger. You know, the tiger with the big teeth."

"Yeah, I see. Uncle Herby does have a couple of buck teeth. No, no, honey, a saber-tooth tiger is a very dangerous creature!" "Yeah, I know, I'm glad you got the point!" "I do, I do," said Mr. McCnot. "This guy's sick, he better get to bed. Oh no, honey, I thought you said that you got the point. Yeah, I just got the point with one of his buck teeth!" "How dumb can you get. I'm not spending any more time with you. I'm calling the doctor and get your eyes fixed."

Diddling. "Hello, doctor. Will you come over here and fix my husband's eyes!" "I'll be right over."

Ding-dong. "Come in. Oh, hello, doctor," said Mrs. McCnot. The doctor,

walked in and looked at the saber-tooth tiger and said, "Oh, there's your long lost Uncle Herby." As soon as Mrs. McCnot heard this, she took a gun and shot herself and so did the saber-tooth tiger.

That's the end of McCnot and the saber-tooth tiger.

Your Chief Says

The lives and well-being of children are the most valued possessions adults have, but these valuables are in the hands of drivers behind the wheel, Joel A. Kagann, chief of police, said.

"There is no excuse for a child to be injured, maimed or killed because a careless driver forgets to look for that child who suddenly dashes into the street."

"Homemakers Center"

The Naperville business that began as a coal yard, then a lumber company, has now become an award winning "Homemakers' Center." Moser Lumber, Inc., "Homemakers' Center" is at 301 N. Washington (four blocks south of Ogden) in Naperville. The center provides the convenience of all home remodeling needs, with a wide selection of top-quality merchandise displayed on one floor. From millwork to moldings; from wood paneling to wallpaper; from ceilings to curtains; whether remodeling or adding on, Moser's Homemakers' Center can handle the installation or advise you on how to do it yourself.

There is also a complete selection of tools.

Featured are home remodeling displays which show the newest ideas in building products and how to use them.

A favorite Woodridge home improvement is the finishing or building of the family or recreation room. Mosers can help you plan your recreation room. They have plans you can work out yourself or they can do it for you.

Mosers' new store was three years in the planning for the shoppers convenience and comfort.

Tattle Tales by Marian Cotey

Congratulations are in order for Robert and Coralyn Chappell of 7837 Deerfield on the birth of their fourth child Collette on Mar. 15. The little girl weighed 8 lbs. 4 ozs. upon arrival at Edward hospital. She came home to discover that she has a brother, Marc 8, and two sisters, Denise 6 and Pamela 5. An accident had put her daddy in the hospital recently, but he is home now "getting along fine." Although Bob is getting around on crutches, he says the physical therapy is doing a lot of good. Bob's parents, Mr. and Mrs. Wm. F. Chappell from Cicero, spent the time with the children while Coralyn was at the hospital. At present, her mother, Mrs. Clem Dust from Milford, Iowa, is visiting the family.

Coffee and cake were served at the home of Joan McGovern of 7628 Catalpa when she and Betty Fritz were co-hostesses at a baby shower for Marge Sullivan on Mar. 18. Marge is expecting her fifth child soon.

Sharon Bailey of 7632 Catalpa, who will be five years old this month, had her tonsils removed at Hinsdale hospital on Mar. 26. She is doing fine at home at present.

The Theatre of Western Springs' 35th season will present Clarence Day's "Life with Mother." The play will have eight performances, Apr. 3, 4, 5, 9, 10, 11, and 12 at 8:15 p. m. and a matinee also on Sun., Apr. 12, at 3 p. m.

Ticket inquiries may be mailed to the box office, Theatre of Western Springs, Hampton and Hillgrove avenues, Western Springs, or made by phone, Chestnut 6-3380, during box office hours, 9 to 12 a. m., Mar. 30 through Apr. 8 (except Sunday) or from 7 to 9 during the run of the play.

Our sympathy goes to Bobbie Munsterman of 7815 Westview who had 10 stitches taken in her wrist recently after putting her hand through the storm door. Mrs. Munsterman informs us that it was one of those accidents that is easier to do than to explain. The Munstermans have two children, Diane who was 4 years old on Mar. 11 and the baby Nancy who is 10 months old.

A belated happy birthday to Drew Aufmann of 7627 Catalpa who was 5 years old on Easter Sunday. Drew celebrated with a birthday party on Mar. 30.
