

Welcomes New Board Members

President John Dalberg, (2nd from right) welcomes the newly elected school district 68 board members at the school board meeting on April 13. With Dalberg are: L to R Charles Smeech, Emil Roman, Bob Manges and Bob Murphy. The four ran unopposed in the April 11 school board election.

Woodridge Follows State Trend In Primary Vote

Woodridge stayed near the Illinois average of 1/3 of the registered voters turning out for the primary election, when 288 citizens requested ballots on April 14.

228 Republican ballots were cast in the battle between Charles H. Percy and

William J. Scott for the Illinois gubernatorial nomination which Percy took in Woodridge by 149 to 75. Sixty Democratic ballots were cast.

Thomas A. Church, running unopposed in his bid for Republican Committeeman, received a vote of confidence from Lisle (Woodridge) Precinct 18 with a tally of 190, while William Woody received 11 write-ins and William T. Roberts received 1 write-in for the same office.

Joseph Rende, also running unopposed, was reelected to the office of Democratic Precinct Committeeman.

Village results for some of the other offices were:

Goldwater 86 to 66 for Margaret Chase Smith for President.

Warren Wood received 65 over John Henry Altorfer's 46 although Altorfer took the state for Lt. Governor.

Elmer J. Hoffman swept the field for Secretary of State as did John Erlenborn in his race for the Congressional seat.

Woodridge also changed the trend for Auditor of Public Accounts, giving Gordon E. Kerr a total of 50 votes over John Kirby's 35 although Kirby won the over-all State.

Eads Elected VFW Commander

Woodridge Post 4739 of the Veterans of Foreign Wars held their annual election of officers on Sunday, Apr. 12 resulting in the members taking over the reins: John Eads - Commander; Maurice Hennessey - Sr. Vice Commander; Thomas Przybylski - Jr. Vice Commander; Donald O'Shea - Chaplain; Albert Raymond Quartermaster; Joseph Vymetal - Post Advocate; Donald Jeffry - 3 yr. trustee; Edgar Smith (of Westbury) - 2 yr. trustee; Steve Radasevich - 1 yr. trustee.

Installation of officers will be held May 31 at 7704 Westview Ln.

Prince Of Peace Adopts Building Program

The Church Council of Prince of Peace Lutheran Church, LCA, Woodridge, recently voted to approve a Church Building Program for \$114,900. This program was written by the Board of American Missions of the Lutheran Church in America which gives full support to the project.

The basic information that helped decide the cost of the building, which is called a first unit structure, was the pledge of \$16,000 for a two year period made by the members of Prince of Peace last January, the present size of the congregation, and the anticipated growth over the next five years.

The Board of American Mission underwrites the entire building program. They establish, in cooperation with loaning agencies, a reasonable amortization schedule that allows for the natural growth of a congregation. Through such service, young congregations like Prince of Peace are given a chance to start constructing their own needed facilities for worship and education to best serve the community.

John Cunningham, chairman of the Building Committee, said that the committee plans to recommend an architect to the congregation through the Church Council in the very near future. Five firms have been interviewed who work ex-

tensively on Church projects.

Working with Mr. Cunningham on the Building Committee are: Earle Brown, Sr.; Peg Miller; Fred Vallarta; and Robert Wendt.

Your Chief Says

Woodridge Police will begin a crackdown on unlicensed dogs, issuing tickets to owners for failure to purchase the license and for failure to have rabies tags. Penalty for each violation will be a minimum of \$10.

Police News

The police activity report for the period of April 9 to 17 includes the following: 2 battery cases; 5 grass fires; a lost child; escorting an injured child and his father to Edward Hospital after the boy had struck a parked car while riding his tricycle; a kidnapping where a resident alleged that her ex-husband had taken their 2 children; a sick child taken home from Woodridge School; an automatic dryer on fire; 2 prowler reports; 1 property damage accident; a house on fire and traffic control during the supervised burning of an old home; a question regarding the paper burning ordinance; 2 nude children playing in the creek; unknown persons tampering with a mail box; a fire alarm in Lisle and 5 dog complaints.

Requiring Completion Bonds

Board Passes Build. Permit Resolution

The Village Board meeting of Apr. 17 was delayed by a two hour recess in which the board conferred with Attorney James McClure, Albert Kaufman of Surety, Joshua Muss of Winston Muss and Mr. Webster, Surety's engineer concerning a resolution to allowing the issuance of a limited number of building permits. When the meeting reconvened, a resolution which calls for bonding provisions according to the subdivision control ordinance, was discussed. The resolution will allow limited number of building permits to be issued: 68 to Winston Muss Corp. for Winston Hills Unit #1 and 79 permits to Surety Builders for construction in the Highlands.

In order to obtain these permits, both builders must submit and have approved

within the time limit set by the bonds. This resolution insures the village against any work that may not be completed in the time set, so the village can arrange to have the work completed out of the funds provided in the bonds.

Before the vote was called, Trustee Marvin Wiggins stated that it was his opinion that passing this resolution without the opinion of the Village Engineer was a "complete act of irresponsibility." The resolution was passed in spite of Wiggins objection.

ENGINEER ORDINANCE PASSED

Mayor Roberts informed the board that he had vetoed ordinance 64-8 in which the office of Village Engineer was created, due to necessary changes in the phrasing. The board reviewed the ordinance, corrected controversial points, and passed the amended ordinance.

One point referred to the appointment by the village engineer of men to act as his assistants and inspectors to aid him in fulfilling his duties. The ordinance was amended to allow the board final approval on the engineer's choice of these people.

Immediately thereafter, Mr. George Wight of Wight Construction Engineers of Barrington was appointed as Village

Turn To Page 2

Editorial Page 2

by the board, bonds in amounts equal to estimated costs of putting in sidewalks, pavement, and other required improvements. The work must be completed

George Smith (L) of George's Dairy, Carl Mastny of Carl's Fashion Cleaners and Fr. John Kloefer (R) display softball championship trophies presented to them by Mike Ditka (2nd from right).

At "Mike Ditka Night"

Last Wed. night at the Woodridge school colored movies were shown of the pro championship game between the Chicago Bears and the New York Giants, plus film highlights of the Chicago Bears 1963 season. During intermission, Mike Ditka signed autographs for all the small

fry that attended the affair. Mike presented the 1st place trophy to Fr. John Kloefer on behalf of the St. Scholastica Men's Club who won the softball championship in Lisle last summer. Mike also presented sponsor trophies to Carl's Fashion Cleaners and George's Dairy. After the final film was shown, refreshments were served. The St. Scholastica Men's Club would like to thank everyone who made this outing possible and especially to Mike Kitka for taking the time to get the film and come out to Woodridge and make this night a wonderful event.

WWC 2nd Garage Sale April 25

The 2nd Annual garage sale held by the Woodridge Woman's Club will be held April 25 at 7638 Butternut ct. from 10 a. m. to 5 p. m.

Funds raised will be put to use by the club in their community and Federation projects. Money raised last year was used to purchase books for the Woodridge Library.

Items for sale this year have been expanded to include both new and like-new clothing; a G.E. automatic washer, T.V. sets, children's furniture, phonograph records, curtains, tools and household items.

8th Grade Car Wash

Every Sat., weather permitting, the 8th grade class of Woodridge school will sponsor a car wash at the school. Washing will begin at 11 a. m. and continue until all customers are serviced. The charge is \$1.00.

Editorial

Judging from the results we've seen so far, the village's new unlicensed vehicle ordinance is a success even before it becomes effective, (as we went to press, it was not yet published).

Many of the owners of these vehicles have already taken action to comply with the ordinance; and as a consequence, the general appearance of the village has improved considerably.

We commend the village board for its action in this matter; particularly as the number of these vehicles had increased to 57 in March of this year compared to 41 counted in a WNR survey a year ago. We welcome this type of constructive action on the part of the board.

Some of the problems the board faces are not so easily resolved. The present board, like its predecessors, has to consider problems that at times seem almost insurmountable. Yet, at times this board has become bogged down by spending time digging into actions of previous village boards in an apparent effort to discredit. Delving into the past for needed information is often necessary. Constructive use of this information does not include decrying actions of previous officials or using errors of the past as excuses for inactions of the present. This fault-finding might be understandable when used as campaign fodder during an election, but at the present time, we think the village will benefit only when the board confines its efforts toward constructive ends.

Village Board News

Continued From Page 1

Engineer for the remainder of the month of April and through April 30, 1965.

At this time, a resolution was passed designating his assistants as: Assistant Village Eng. - Geo. T. Vallella; Village Inspector - Gerald F. Standaert, and Assistant Village Inspector - David K. Hernandez.

INSPECTION ORDINANCE

The board then considered a resolution and ordinance dealing with inspection of all construction within public streets and easements established for public use by authorized agents of Woodridge.

The ordinance establishes a \$10 inspection fee to be paid for each request for inspection. This fee will cover all inspection work as set forth by the builder in his request whether it be on connection or connections for an entire subdivision.

The resolution then set forth conditions for inspections. Among these are, that the village must have an application for inspection 72 hours prior to any construction covered in the ordinance and must be notified any time construction stops for more than 72 hours.

Both the ordinance and the resolution were passed.

KLEVEN NAMED PURCHASING AGENT

The village board appointed, Richard T. Kleven as purchasing agent for the village for the year ending April, 1965. Mr. Kleven has resided at 7831 Deerfield in Woodridge for one year. He has extensive experience in purchasing and is presently employed as a Production Manager for Pace Industries in Chicago.

POLICE CHIEF CONTRACT

The village contract with Chief of Police Joel Kagann expires this month and was brought up for review. The mayor suggested that Kagann be rehired for 1964-65 with a change in salary of \$575/mo. for the first six months, and a raise to \$600. after review at that time. This matter was referred to the public protection committee.

GARBAGE ORDINANCE

The second reading of the much-publicized garbage collection ordinance was referred to a committee to allow changes requested by some of the citizens.

One change will allow trucks to come into the village on special calls for large amounts of trash or refuse under a separate license. It was pointed out by John Rot, however, that while this will allow homeowners to call a collector of their choice for these oversized items, it is much less expensive and simpler for the homeowner to notify his regular collector a day in advance of normal pick-up of any unusual amount to be collected and arrange to pay a small fee for this service.

PUBLIC HEARING MAY 12

It was announced by Tom Church of the Building and Zoning Committee that the committee will hold a public hearing

They can't say we don't try. We done it again! Downers Grove Team #1 bored higher scoring holes in their targets than the Woodridge Team by the score of 956 to 720. Second best again.

Top gun of the Woodridge Team was Officer Keith Porter with a score of 203. Second best teammate was Officer Richard Kleven with 196-1x. Officers Edward Renna and James Novello shot 151 and 170 respectfully. Sgt. Szczepaniak as "Alternate Shooter" showed them both up with a 173 score.

Keith Porter lead the pace with a "High Aggregate" score of 203. Richard Kleven shot a nice tight group to earn "High Slow Fire" honors with 89-1x. "High Timed Fire" honors went to John Trask for a 74-1x. "High Rapid Fire" by Keith Porter for a 63, rounded out the scoring for Woodridge.

We may be last, but we're not quittin'. We'll be back on May 5th to try again against the Downers Grove Team #2. One consolation, we've got company in the cellar; Woodridge and Hinsdale #2 are tied for "Last Place" with a win/loss record of 0-4. Speaking of last place, Officers Arndt and Zima are fighting a "duel royale" for that position.

A few notes from the monthly Woodridge Police Assn. meeting. The Assn. adopted a set of By-Laws for proper governing. Plans are being set for a small carnival to be sponsored by the Assn. in the near future. Also circle Oct. 24 on your calendar - that will be the date for the Annual Police Assn. Dance. More details on both these activities later.

Badge #108

Behind every successful man you'll find a woman with nothing to wear

on zoning of a plat for subdivision submitted by Mr. Herbert Stade. This plat is located to the south of Surety's Unit #2. Through this hearing, the commission also intends to verify existing zoning within the village and to review testimony in the application for rezoning of the northwest corner of Janes Ave. and 75th st. The B-3 zoning on the southwest corner of this area will also be reviewed at this hearing.

The hearing is set for May 12 at 8 p.m. in the Woodridge School subject to the school's being free for use at that time.

The meeting was adjourned near midnight to be reconvened on Tues., Apr. 21 at 8 p.m.

Woodridge Troop 109

Woodridge Boy Scout Troop 109 is busy practicing putting up tents and boning up on other camping skills in preparation for the 1964 Spring Camporee April 24, 25, 26 at Cantigny Woods, Wheaton, Ill. The Woodridge troop will be in charge of the Camporee campfire and songfest.

The boys have also been participating in a series of swimming training classes at the North Central College Pool in Naperville. The next class will be held May 8.

On Sat., April 4, the troop went on an 18-mile hike along the Keptaw Trail. This is a new trail and the Woodridge troop was one of the first to tackle it. According to the boys, it was a tough trail and resulted in several blisters.

The next hike is scheduled for May 9, when the scouts will hike the 11-mile Arboretum Trail.

G.I. Insurance Reinstated

Under certain conditions, G. I. Insurance can be reinstated, says Joseph Vymetal, Commander of the Woodridge V. F. W.

If a veteran has a term contract which lapsed during a current term period, he may reinstate the policy by sending two monthly premiums. One premium is for the month of lapse and the other for the month of reinstatement. The payment must be accompanied by an application for reinstatement sent to him by the Veterans Administration. If the policy has lapsed for more than 1 year or if the policyholder is over 50 years of age at the time the insurance has lapsed, a medical examination will be required.

To reinstate a permanent plan of insurance it is necessary to pay all premiums with interest. If the policy has more than five years of extended insurance a health statement is not needed. If he has less than five years extended, he must meet the same health requirements as for a term contract.

Anyone interested in further information can contact Vymetal at 964-1243.

Soft Water Cost - It's Up To You

For many years, people who bought new homes have at times looked upon a 'Softener Salesman' as a predator, or a 'Blue-Suede Shoe Character', who swooped down on you as soon as you moved in and wouldn't leave your kitchen until you had signed a contract - often at a ridiculous price. Unfortunately this was quite often true, and more unfortunately sometimes it still is! This happened, not only in the soft water field, but in many areas of home improvement. Storm windows were a great field for the fast talking salesman until people became smart enough to compare and ask a few questions. Many people were fooled by the fact that because a Federal Savings and Loan Co. would advance the money necessary to make the purchase it was a fair and equitable proposition. This was not true; it is not true today.

The financial institutions dealing in F. H. A. loans recognize soft water as an improvement, if not a necessity, to the home. They do not guarantee the equipment or question the price paid. **THIS IS UP TO THE PURCHASER.** There is nothing illegal about paying \$400.00 - \$500.00 - or even \$600.00 for a water softener, and as late as two weeks ago, a successful business man signed an order for a small automatic water softener in the amount of \$535.00. You know why? The salesman said that his was the only softener that would make the water 'zero soft'. Reputable manufacturers have been, and are, trying to fight misrepresentation, but without the help of the purchaser doing some simple checking, they are helpless to a great extent.

According to expert opinion, there **IS NO WATER SOFTENER THAT SHOULD COST OVER \$350.00 INSTALLED IN THE HOME.** Many reputable companies manufacturing first line equipment will install the proper system for as much as \$100. less.

Remember - Soft water always pays it's way, but what you pay is up to you.

Goodrich Community Club

Community Club has held four meetings this school year.

The first meeting was in Oct. and featured a panel of school experts -- namely John Dahlberg, School Board President, Tom Tousignant, School Superintendent, Don Driver, Goodrich Principal and Lad Vraný, Woodridge Principal. They discussed their jobs, problems, possible solutions and other ideas connected with the School District.

The second meeting held in Nov. featured Mr. William Smeeth. He is Headmaster at the Academy of Basic Education, Brookfield, Wisconsin. It is a private school for kindergarten through ninth grade. His subject was "Education: Prospect and Retrospect".

Our third meeting held in Jan. was a square dance with Dr. Wes Cihlar as caller.

Our fourth meeting was held on Apr. 15. The program featured Dr. and Mrs. Cihlar in a travelogue. They spent the summer traveling through Europe and the slides of their trip was shown.

The Community Club held a fund raising dinner the end of September. The proceeds from the dinner were used to purchase curtains for the 4th and 5th grade rooms and the music room.

The Community Club has also undertaken a drive to furnish books for a much needed library. To-date approximately 125 books have been donated.

The Community Club is a combination social and service organization. All interested persons in the School District, whether or not they have children in school, are cordially invited to join us in any or all our endeavors. All meetings are preceded by a potluck dinner and start at 7 p.m. in the Goodrich School gym.

He had quarreled with his wife about her cooking and moved to a hotel. As evening came on, he felt a little apologetic so he called her up.

"Dear" he said, "What are you making for dinner?"

"Poison, you bum," she exclaimed, "I'm making poison."

This was too much for him. He screamed: "Make only one portion. I'm not coming home."

"I'm worried," Jim told his friend. "It's raining and my wife is downtown." "Oh," his friend said, "she'll probably just step inside some store." Jim nodded, "That's just it!"

Do you find much of your weekend spent grocery shopping because Dad has the car during the week? Or, if you make the 2 trips to the train station to get the car for the day, do you find yourself wishing you didn't have to make such an effort. A second car would solve this problem but create a financial one. Here's a solution that will save you money. You can now do all your shopping evenings meat, too. Tortura's Finer Foods has opened a new store in Colonial Village, 5 miles south of Woodridge. Their first store, Stanleys in Lemont, was the beginning of this growing business which began by specializing in homemade sausage, has built a reputation on that and now offers 27 homemade varieties. Their complete meat market is open until 9 every evening because the meat cutters' union rules in Will County allow the sale of meat evenings.

Toturas is a complete supermarket and liquor store . . . one stop shopping with plenty of free parking and courteous package carryout.

Toturas is also open Sundays until 3 p.m.

"Your hair needs cutting badly," the barber commented.

"It does not," stated the customer, seating himself in the chair. "It needs cutting nicely. You cut it badly last time."

Save the Date! The Woodridge Police Association 5th Annual Halloween Dance will be held on Oct. 24.

by: Mary Catherine Himes

Spring is here, flowers are poking their heads out of the ground, the grass is turning green and the Crabtree Creek is sending forth it's many mysteries. Larry Schreck, recently captured a prize (??) from the Crabtree Creek. It was none other than a crab, but what else could you expect from a creek with that name.

CONGRATULATIONS TO:

Fran and Chuck Oldenburg, 7623 Catalpa on the arrival of their daughter Joan Marie, born April 6 at Elmhurst hospital, weighing 7 lbs. 3 oz. Mark, 3-1/2 yrs. and Cindy 21 mos. were on hand to welcome their new sister home. Mr. and Mrs. Henry Oldenburg are the paternal grandparents and Mrs. Mary Rojic is the maternal grandmother. All the grandparents are from Elmhurst.

Steven Joseph is the newest son of Marge and Joe Sullivan, 7635 Catalpa. Steven arrived on April 9 at Edward hospital and weighed 7 lbs. 10 oz. Among Steven's future playmates are his brothers David 7, Larry 6, and his sisters Diane 5 and Karen 2-1/2. Mrs. Cyl of California is his maternal grandmother.

GET WELL TO:

Horace Thoresen, 7627 Westview who recently returned from the hospital. Glad to see you back in Woodridge.

Bobby Kujawa, 7709 Larchwood In., who was recently admitted to the hospital. We hope you will be home soon, Bobby.

10 year old Tommy Foyer, 7842 Catalpa parted with his tonsils on April 14 at Edward hospital. Well, that should take care of those sore throats now, Tommy.

HAPPY BIRTHDAY TO:

Sherry Lancaster, 7824 Catalpa who was 8 yrs. old on April 12. She celebrated with a big party for her relatives and a good time was had by all.

Brian Stewart, 7800 Catalpa was 3 yrs. old on April 22. We hope you enjoyed the cake and ice cream, Brian.

SINCERE SYMPATHY TO:

Betty and Bill Smale, 7819 Deerfield on the death of their 5 month old son, Gregg William.

Our sympathy also to Bob and Mary Bush, 2645 Forest Glen on the recent death of Mary's mother in Wisconsin.

Woodridge Cub Pack

Cub Scout Pack #104 of Woodridge will hold its monthly pack meeting on April 28, in Woodridge gym at 7:30 p.m. The theme for this month is "Cub Scout Naturalists". Den 8 will present a skit entitled "Homer and Jethro". Den mother Ruth Collins, Ass't. Den mother D. Young and Cub Scouts P. Amoroso, M. DeLuca, C. Norman, S. Schulz and A. Young. Cub Scouts are working busily on their Pinewood Derby cars as weighing-in time is nearing. The Pinewood Derby will be held on May 30.

ABOUT OUR CHURCHES

Methodist

The Fourth Quarterly Conference of the Woodridge Methodist Church will be held at Goodrich school at 8 p.m. on Wed., April 29. Dr. Billman, District Superintendent of the Western Division of the Rock River Conference, will preside.

All members of the church over the age of 18 have voting rights and are expected to attend.

Matters that will affect the church in the coming year will be decided at the conference. To be voted on will be:

1. Officers for July 1, 1964 to June 30, 1965.
2. Building of the Parsonage
3. Budget for 1964 (Jan. 1 through Dec. 31, 1964).
4. Approval to study for licenses to preach for 2 candidates.

Reports from all committees and commissions will be presented for acceptance in addition to consideration of other church business.

There will be a nursery at the school for youngsters of the members in attendance at the Quarterly Conference.

The sermon topic for Sun., April 26, will be "The Snake Story", which will relate the fall of Adam. There will also be a reception of new members. Please advise the Pastor if you plan to participate. Coffee and refreshments will be served by the WSCS following the service.

The Methodist Youth Fellowship elected the following new officers for the coming year: Senior MYF - President, Bob Manges; Vice-President, Barb Dillon; Secretary, Connie Barta; Treasurer, Doug Gulbrandsen. Junior MYF - President, Larry Manges; Vice-President, Steve Gulbrandsen; Secretary, Pamela Mersheimer; Treasurer, Bob Geils; Sgt. at Arms, Creig Schuyler.

The Board of Missions will meet April 23.

Prince Of Peace

Mr. Fred Vallarta will represent Prince of Peace Lutheran Church at an Evangelism retreat at the new Ecumenical Institute, the former Bethany Bible Seminary building, in Chicago on the weekend of April 24-26. All the congregations of the West Chicagoland District of the Illinois Synod of the Lutheran Church in American will have one member present. The objective of the retreat is to discuss and encourage the lay activity of the local congregations, bringing people to an awareness of the challenge the Church has for the world and the world's challenge of the Church.

On Sun., Apr. 26, 3 p.m. the Church Council and the Evangelism Committee of Prince of Peace will attend the West Chicagoland District meeting at North Austin Lutheran Church, Chicago. This will be a followup of the retreat Mr. Vallarta will attend.

Because of the present Church schedule the Cherub and Senior Choirs will not rehearse until further notice. The Junior Choir will continue to meet on Sat. at 9 a.m. at the Lutheran Parsonage, 2735 75th st.

The leadership course on Church Doctrine, Helping Children Know Doctrine, continues to meet every Wed., 8 p.m. at the Lutheran Parsonage.

The Pastor's Information Classes are Sun., 8 p.m. at the Parsonage.

Village Baptist

Special Missionary program on South America, Sun. evening at 7 p.m. The South American Student Missionary Team from Moody Bible Institute of Chicago will present a challenge through music, reports from the field, testimony and message. Norman Wretling is the leader of this team. At least one member of this team is a child of a missionary and was born on the field. The Village Baptist church is interested in South America because it already has a missionary there, the Ken Cooks of Argentina.

Rev. Donald F. Roop will deliver his last sermon in the present series, "April Showers of Blessings from Exodus" at 11 a.m. Sun. This sermon is taken from the 25th chapter of Exodus and entitled, "Deliverance from Loneliness". Roop said "Man was created by God with the deep longing to know God as a personal friend, without Jesus Christ man has an empty and lonely heart that nothing else can fill."

Sun. Apr. 26 is Building Fund Sunday. Last month the special building fund offering was \$293.00.

The youth of the church enjoyed an evening of fun, fellowship and food under the sponsorship of Mr. and Mrs. Procopio Rico on Apr. 17. They went for a boat ride on Lake Michigan during the evening.

Goodrich Mothers Club Lists Activities

The Mother's Club at Goodrich School has been active since its luncheon meeting in October.

Monthly "hot dog days" have been planned under the direction of Mrs. Loraine Baldwin. The proceeds from the first of these were used to purchase basketball uniforms for the team.

A square dance was held for the 6th, 7th, and 8th grades in October, and another for the Christmas Party. Dr. Wes Cihlar calls for these dances, and Mrs. Jack Terry is the chairman.

A poster contest was sponsored and completed over the holidays. The Mother's Club is essentially a service organization -- organized to do things for the teachers, pupils, and school as they are needed.

VFW Dance Tickets On Sale Don't Forget!

See you May 23 at 8 p.m. at the Laborer Union Hall at Ogden and Cass Ave. in Westmont when the V. F. W. Woodridge Post #4739 sponsors their Past Commanders Dance.

Music will be supplied by Syl's Merry Makers. Tickets at \$1.00 per person may be purchased at the door or from any member of the V. F. W.

Don't Gamble In Traffic

"One cardinal rule of safety -- don't gamble in traffic -- applies to children at play, especially if they're riding bicycles" so Chief Joel Kagann said today.

"Innocence is a wonderful attribute in children", Kagann said. "But ignorance is inexcusable, when it involves the child's failure to know the simple rules of self protection. Parents have a moral obligation to teach their children how to behave in traffic and all of us share in the responsibility of protecting them."

Kagann pointed out that, where children are taught to confine their play activities to playgrounds or closed yards, the danger of being struck by a motor vehicle is practically eliminated. He also cautioned parents to teach their offspring to ride their bikes the proper and safe way, knowing and obeying the rules of the road. He stressed the fact that youngsters should not make the railroad right of way or private property their play yards.

If youngsters have to ride their bikes after dark, they must do so only when the bike is equipped with headlight and taillight so as to be visible at 500 feet, as Illinois law requires.

Other don'ts include: Never to hitch a ride on trucks or other vehicles; no weaving in or out of traffic; no riding 2 or more abreast on streets or sidewalks; and never to forget caution and courtesy.

Parents may help to save their children's lives or prevent their injury if they will install in them one cardinal rule -- don't gamble in traffic, Kagann concluded.

S.S.W.S. To Pick Nominating Committee

The St. Scholastica Women's Society will meet on Tues., Apr. 28 at 8 p.m. in the St. Scholastica School, Crabtree and James Rd.

A nominating committee will be appointed to present a slate of candidates for office at the May meeting.

There will be a Day of Recollection for the women of the parish on May 17, from 9 a.m. to 3:30 p.m. at the St. Frances Cabrini Retreat House, Des Plaines. Anyone interested in attending should call Mrs. Robert Slezak, 964-1242.

The program following the meeting will be a social card party.

SOLUTION TO "LITTLE PEOPLE" PUZZLE:

Here is another recipe for bread given to me by a lady who baked this bread in Belgium. Her French mother taught her how. With winter in the air, there's nothing like coming home and smelling the aroma of fresh, home-made bread. That's my definition of real happiness.

FRENCH BREAD

- 1 cake compressed yeast
- 2 c. lukewarm water
- 7 c. flour
- 1 egg white
- 1/4 c. lukewarm water
- 1 tablespoon salt
- 1 c. flour
- 1 tablespoon water

Blend the yeast and 1/4 cup water together.

Put 2 cups water and salt in a large bowl. Add the yeast mixture and stir to mix.

Sift flour into bowl with liquids. Stir into a stiff dough. Turn out on floured canvas. Knead in as much of the one cup of flour as the dough will take up. Knead the dough until firm and elastic. Long, thorough kneading and a firm dough are essential to the success of the bread. When dough is firm, place in greased bowl. Cover with a damp cloth and let rise in a warm place until doubled. Punch down and let rise again. When light the second time, divide in four equal portions. Pull and roll each ball of dough into a long narrow loaf. Place the loaves on a large baking sheet. Gash tops of loaves diagonally about 1/8 inch deep every two inches. Mix egg white and water together and brush the tops of the loaves with it. Cover with damp cloth and let rise until doubled. After about 30 minutes baking, glaze again with egg white. Serve hot, or cool in draft for crackly loaf.

Baking time 50 to 60 minutes.
375 degree baking temperature.

BEEF AND NOODLES PARMESAN

- 1/4 cup butter
- 2 medium onions (sliced)
- 1 cup sliced celery (cut diagonally)
- 3 cups cubed beef (cooked)
- 1 tsp. salt - dash of pepper
- 1 cup boiling water
- 1 beef boullion cube
- 1 tsp. worchestershire sauce
- 2 T. flour
- 1/3 cup grated parmesan cheese
- 1 tall can (1 2/3 cup) evaporated milk

Melt butter in a large skillet. Add onions and celery and cook until yellow, not brown. Add meat and continue to cook slowly until meat is thoroughly heated. Remove from heat and add salt, pepper, water in which boullion cube has been dissolved and worchestershire sauce.

Gradually sprinkle in flour, stirring to

Don't Mix Cleaners 4H Clubs

Recently a peculiar type of accident struck two housewives undertaking a household chore in separate locations but under similar circumstances. Both were using an ordinary toilet bowl cleaner. Dissatisfied with the way stains were being removed, each decided to add a household bleach and stirred the mixture with a brush. As a result, one died quickly - the other spent a long, long time in a hospital.

Another example -- according to a government medical newsletter, twenty people were overcome a short time ago by toxic gases released from a do-it-yourself cleaner, a witches' brew of a cleanser, chlorine bleach and ammonia.

What occurred in each of these cases was the generation of a poisonous gas when the users decided to combine two or more cleaning agents commonly found in almost every household. The addition of the old familiar chlorine bleach (a sodium hypochlorite solution) to an acid or acid-producing substance, such as a toilet bowl cleanser or just plain vinegar, will suddenly release a quantity of toxic chlorine gas. Similarly, when it is mixed with other alkaline matter - ammonia or lye - the chemical action liberates a highly irritating gas. If inhaled these fumes can cause serious injury and possibly death.

New accidents of this type take place not only in the kitchen and bathroom, but also in an area of family activity fast gaining in popularity - during the cleaning of the home swimming pool and the treatment of the water.

Don't make the mistake of thinking because certain household products are good and useful, a combination will do the job better. On the contrary this may be not only a waste of time and effort by producing poorer results through neutralizing or diluting one another, but may prove disastrous. Stick to the safe rule: read the label carefully and follow the manufacturer's directions exactly.

blend smoothly. Stir in parmesan cheese and evaporated milk. Heat, stirring occasionally, until mixture is hot and bubbling (about five minutes).

Serve over hot cooked noodles or rice.

Meet This Weekend

4-H clubs from all over the county will "get into the act" when the curtain rises on the annual DuPage Share-the-Fun Festival at 7:30 p.m., Fri. and Sat., April 24 and 25 in the auditorium of the West Chicago High School, Joliet and Ann Sts., West Chicago.

The public is welcome and the audience can anticipate a wide variety of original acts, each 3 to 5 minutes in length, on both evenings.

Acts may be dramatic features -- skits, scenes from a play, choral readings, pantomimes, etc.; musical groups, both vocal and instrumental and of all types; dance groups, including tap, modern, ballet, folk dancing, square dancing, etc.; and such miscellaneous acts as baton-twirling, puppets, magic and ventriloquism. 4-H'ers will also act as M.C.'s for their club's performance.

So many of the county's 100 or more 4-H clubs take part in this annual event that it is necessary to spread their performance over two evenings so that judges may see them all. Judging is based on the Danish system in which blue, red or white ribbons, designating A, B and C ratings respectively, are awarded all participating clubs and M.C.'s.

The judges will also select on Share-the-Fun Act and one Master-of Ceremonies to take part in the Illinois State Fair program for 4-H members. Judges for this year's festival will be Miss Barbara Barnes, vocal music director of Downers Grove Community High School; Max Benaroyo, of the Wheaton Drama Club and formerly Professor of Music at Barat College; and Mr. Philip Farriss, Kane County farm adviser for the University of Illinois Extension Service.

This 4-H activity has been developed by the University of Illinois Extension Service as a means of helping boys and girls to use and develop their natural abilities, to encourage individual and group expression in the entertainment arts and simply to have the fun of developing an act and entertaining others.
