## Police Wk. May 10-16

A Memorial Dinner will be held by the DuPage County Chiefs of Police and the West Suburban Chiefs of Police Associations Fri. evening May 15, at 7 p. m. at Henrici's Restaurant, Oak Brook.

This dinner is in connection with National Police Week May 10 to 16, and National Peace Officers Memorial Day May 15 which will be proclaimed by President Lyndon B. Johnson. The top law enforcement officials and city officials of Cook and DuPage Counties will gather at this dinner to honor the memory of the departed police officers from the suburban area. This dinner will also serve as a kick-off for the police exhibit which is being held at Oak Brook on the 16th. This exhibit is being sponsored by both associations and will present to the public all phases of police work.

For any additional information on the dinner, contact Chief Joel Kagann, 968-2191. For information on the Police Exhibit contact, Chief Richard Suidzinski, Oak Brook Police Dept. 654-2131

By proclamation, May 2, Mayor William T. Roberts has made May 10-16 Police Week and May 15 Police Officers Memorial Day in Woodridge.

## 2nd Vaccine Dose To Be Given May 17

The second dose of Trivalent oral polio vaccine on Sabin Oral Sundays will be administered May 17 at St. Scholastica School between the hours of 1:00 and 5 p. m., with the cooperation of the Woodridge Inter-fraternal Council.

All those persons who participated on the first date are urged to receive their second dose to provide the best possible immunity from all types of polio.

In the event that you did not receive the first "drink" of vaccine, it is possible to take the vaccine on May 17 and then go to your family physician 8 weeks later for the 2nd dose.

Pre-registration forms will again be distributed for your convenience in going quickly through the vaccine center, although it is possible to complete a registra-

## More About Your Tax

Because Woodridge boundaries were formed after many different taxing bodies had formed their boundary lines, the Woodridge area already has six different tax rates with the potential for many more.

For example, some lots in Woodridge units 1, 2, and 3 are in Edward hospital district; other lots in those same units are not.

The tax rate for those who live in Woodridge unit 1 and 2 who are not in the village have the tax rate of 3.887 for 1963 payable in 1964.

The following rates are for villagers with variances as to school districts, fire district, etc.

#1, code 807 school districts 68 (Goodrich-Woodridge) and 99 (Downers Grove High), Lisle Fire Protection District and Non C-Bonds - rate is 4.035.

#2, code 845, school districts 68 and 99 and Lisle Fire Protection district - rate is 4.029.

#3, code 849, school districts 68 and

99 - rate 3.968.

#4, code 850, school districts 68 and 107 (Lisle High), Lisle Fire Protection district and Edward hospital - rate is 4.182.

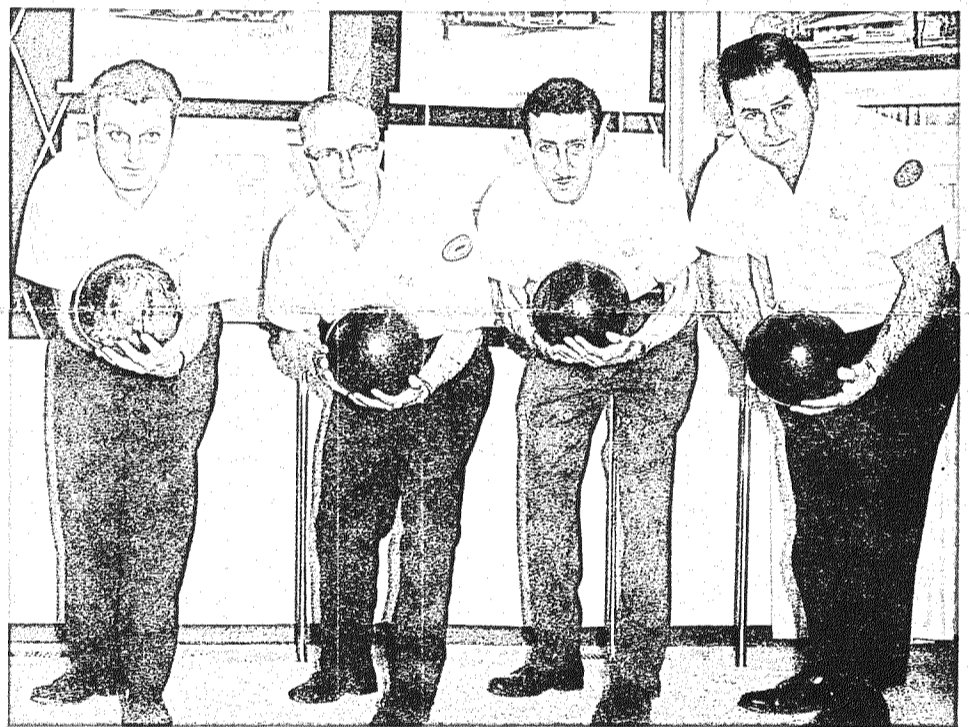

#5, code 851, school districts 68 and 99, Lisle Fire Protection and Edward hospital - rate is 4.153.

The rate for the village corporate tax is .266 for 1963. This is the maximum presently allowable. The rate for 1961 was .087; the rate for 1962 was .191.

In the April 30 issue of the WNR the 1963 rate for the village was given as \$27.30 on \$10,000 assessed valuation

All six tax groups in the Woodridge area include taxes for the following: the county, county retirement, civil defense, county highway, county health department, maps and plats, T. B. Sanitarium, federal matching tax, forest preserve, Lisle township, county bridge tax, road and bridge tax, township poor relief, special hard road tax. The totals for these are included in the preceding figures.

## Mens Bowling Champs

Mens champions bowling at Mike Ditkas this past year were: left to right, Tom Walton, Phil Zuccaro, George Campise and Bill Miller. The team was sponsored by Woodridge Homes.

## Appeals Board Urges Mrs. Cooling's Board Reappointment

The Woodridge Zoning Board of Appeals is urging the re-appointment of Mrs. Barbara Cooling. Her 2 year term expires May, 1964. Concurring in Chairman Robert Dreveny's recommendation are the other appeals board members; Al Raymond, Jerry Keller, Robert Ander-

son, Tom Tangney and Robert Arnouil. Chairman Dreveny has submitted a letter of recommendation to Mayor William Roberts.

Appointments are made by the Mayor but require the concurrence of the village board.

## Public Hearing May 12

Public hearing of the Woodridge Plan Commission for the purpose of amending Ordinance 62-3 - The Woodridge Zoning Ordinance and for the purpose of hearing testimony on Ordinance 62-3 regarding the application for rezoning the Northwest Corner of Janes Ave. and 75th St. May 12 at 8 p. m. Room 105 Woodridge School

## I-FC Drafts Bylaws

Preliminary by-laws have been drafted for the Woodridge Inter-fraternal Council and will be discussed further at the monthly meeting, Wed., May 20 at the village hall.

All local organizations and church

groups are urged to send a representative to participate in the formulation of the Council by-laws, one of the main purposes of which will be to build cooperation among village groups to sponsor projects too large for any individual organization to handle.

**EDITORIAL**

Freedom to express one's views is the cornerstone upon which our democracy is built. This newspaper has over the years frequently encouraged its readers to take advantage of the "Letters to the Editor" column.

Many of the people now living in Woodridge have previously lived in much larger communities where the opportunity of having a letter to the editor printed was remote because of the limited space a large newspaper can allocate to this type of column.

Many Woodridge people have had letters printed in this paper, but many others have not taken advantage of this opportunity to be heard.

We feel that one of our most important functions as a newspaper is to provide a medium through which the citizens can freely express their opinions on our community problems. We have and will continue to print all signed letters we receive. Letters sent to us must be signed, however we will withhold the author's identification upon request.

**Men's Club**

St. Scholastica Mens Club meeting will be Wed., May 13, at 8 p.m. in the school basement.

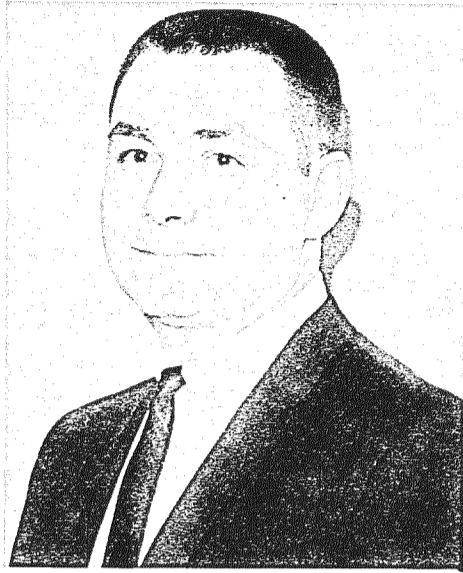

Softball time is here again, and the St. Scholastica Mens team will start practice Thurs., May 7, at Lisle High school at 6 p.m. All men interested in playing ball this year, please notify Bill Miller at 964-0325 for further information.

A little reminder also, and that is, if you want to have a wonderful night out, plus a lot of fun dancing to the music of a terrific band, meeting a lot of your new neighbors, then don't forget the St. Scholastica second annual spring dance, June 6, at St. Procopious Academy in Lisle, Ill. A door-to-door visit is being made now in order that you may purchase your ticket early. Donations are \$1.50 per person.

John Kujawa

John Kujawa, 2837 Jonquil Lane, Woodridge, was one of three men recently elected State Vice President, District 111, of the Illinois Jaycees. John is President of the West Suburban Jaycees and a member of the Woodridge Jaycees. John is also a Senator in the Junior Chamber International.

**Proud Parents**

It doesn't happen very often, and not to many children, but there are three very proud students and their justifiably proud parents in Woodridge.

Mary Jane Clark, Bill Murray and Tom Roberts of the eighth grade graduating class, have been placed in the Advanced Mathematics class at the Downers Grove High School for the coming year.

Also, Mary Jane Clark and Tom Roberts are to attend the Honors English Class at the High School.

The teachers of these students at Woodridge school are Miss Elaine Peters, Language and Mr. Dave Suchan, Math.

**Round-up Time**

The annual first grade round-up for Woodridge youngsters will be Wed., May 13, at 10 a.m. at Woodridge school. Letters were sent to parents of all incoming first graders with the necessary information. A birth certificate, showing that the child is six or will be six on or before Dec. 1, 1964, is necessary.

The round-up for Goodrich first graders was Wed., May 6 at Goodrich.

**TO THE EDITOR**

Dear Editor:

Parents:

Are you tired of your children coming home with muddy shoes, pants, jackets etc.? Half of you may solve your problems by telling your children not to play in "Crabtree Creek."

As you may know, many of our lots in Woodridge have easements. Our lot happens to have a 20 foot easement at the rear of the lot, which unfortunately happens to be "Crabtree Creek". "We", as many of our neighbors have tried our best to improve (if possible) this area. But how can we keep your children from playing, tramping and throwing debris in the "Creek". We get tired of children giving us smart and sassy answers when we tell them this is part of our property and no playground. We are held responsible if your child is hurt here. I've pulled several children from this creek, as have others along Crabtree Avenue. I've talked to Chief Kagann, Mr. Vraney, school principal and discussed this problem several times at village board meetings with "No Avail." This creek is not a safe place for your children to play in, as most of the water comes from street sewers in Units 3 and 4. Who knows from where else or what germs, diseases etc. it may carry. So if you care about your child's health and are tired of muddy shoes, PLEASE help us and yourself by telling your children not to play in the Crabtree Creek.

Mr. and Mrs. B. Liggett

**Boy Scout News**

During the weekend of April 24, Woodridge Boy Scout Troop 109 attended the Cantigny Heritage Camporal in Wheaton. Scouts from 5 Districts of the DuPage Area Council participated.

The scouts took part in competitive events, themed on the history of the United States.

Trips through the Cantigny McCormick

Museum and special movies were featured. In the evening a council fire and songfest was held.

The troop will attend another swimming training class on May 8 from 6-7 p.m. at the North Central College pool in Naperville.

On May 9, the troop will hike the 11 mile Arboretum trail.

## Don't Blame The Children

We read in the papers and hear on the air of killing and stealing and crime everywhere.

We sigh and we say as we notice the trend, "This young generation, where will it all end?"

But can we be sure that it's their fault alone----

That maybe a part of it isn't our own? Are we less guilty who place in their way Too many things that lead them astray?

Too much money to spend, too much idle time,

Too many movies of passion and crime, Too many books not fit to be read, Too many children encouraged to roam By too many parents who don't stay at home.

Kids don't make the movies, they don't write the books

That paint gay pictures of gangsters and crooks;

They don't make the liquor, they don't run the bars,

They don't make the laws, and they don't buy the cars.

They don't peddle drugs that addle the brain,

That's all done by older folks greedy for gain.

Delinquent teenagers; Oh, how we condemn The sins of the nation, and blame it on them.

By the laws of the blameless the Savior made known

Who is there among us to cast the first stone?

For in so many cases... it's sad but it's true...

The title "delinquent" fits older folks, too.

## Cub Scouts

Cub Scout Pack 104, Woodridge went on a field trip to Rock Glen Forest Preserve on April 25. The days activities started with a 2-1/2 mile hike through the scenic park. The boys were given an unexpected treat when a visiting motorcycle club performed hill-climbing feats. The highlight of the day occurred when Cubmaster Bill Blecher with shoes in hand led the boys across the stepping stones of the dam. Initiation of new boys then followed. A scavenger hunt was held during which the cubs collected ants, worms, wildflowers, stones, leaves, and burnt wood. Den 5, Denmother Lois McMahon, won. Final event of the day was a race won by Mrs. DeLuca's Den 10.

Den mother's meeting will be held on May 7 at 1:30 in the home of Mrs. Ruth Collins, 7729 Westview Lane. Plans for the Scout Exposition and the Pinewood Derby will be discussed.

Committee meeting will be held at the home of W. Blecher on May 19 at 8 p.m.

Weighing-in for the Pinewood Derby is May 7, 4 p.m. at the Village Hall.

## VFW Dance Soon

Keep May 23 open for the Past Commanders Dance of the Woodridge V. F. W. (Post #4739). Tickets are being sold at \$1.00 apiece for the dance which will be held at 8 p.m. in the Laborers Union Hall, Ogden ave. east of Cass in Westmont and can be purchased from members or at the door.

It is hoped that a successful dance will give members and new officers an added incentive to work toward their goal of their own post home in the near future.

The public is also invited to attend the installation of officers of V. F. W. Post 4739 and the Ladies Auxiliary which will be held at Woodridge School, Sun. May 31 at 2:30 p.m.

## Plan Enrollment For Summer School

The Downers Grove Elementary District's Summer School will be in session from Monday, June 15, through Friday, July 17, from 9 to 11:30 a.m. daily at the Whittier Elementary School, located at Hill and Grand Streets.

All instruction will be highly individualized in small classes. A balanced program, including most subjects, will be used but different emphasis can be given for individual children. The major purpose of the summer school is to provide experiences of an enriching and broadening nature rather than of a remedial nature.

While the summer school activity may be helpful to some children with weaknesses in some skill areas, parents and teachers are cautioned not to have unreasonable hopes or expectancies for dramatic improvement on the part of these children. A thorough study of past summer school results does not justify such hopes.

The tuition is \$27.50. If you are interested in your child's attending summer school, please fill out the form below and return it by Tuesday, May 12, to the principal of your elementary school with a check for \$13.75 payable to the Board of Education, District 58. The remaining \$13.75 is due on June 15th, the first day of summer school.

## 200 DuPage Girl Scouts Hold "Campference"

Two hundred Senior Girl Scouts of the DuPage Council arrived at Camp Greenwood Meadow, just north of 75th st. and Boundary Line Road, Friday April 24, stayed all day Sat. and left for home Sun. afternoon, supposedly wiser in the whys and wherefores of camping.

Officially called a "Campference", the outing was planned by the 16 and 17 year-olds to give them new ideas and experiences in camping. Lectures on camping, workshop, and woodfires alternated with in-the-field experiences to assure an action-filled weekend for the girls.

Guests from other midwest Girl Scout Councils also attended the Sat. and Sun. session.

Melody Kuhrt, chairman of Health, Safety and Site, and DuPage County Adult Advisor, Mrs. Stein, both expressed thanks to the people of Woodridge for their cooperation during the campference and added special plaudits for Village Mayor William Roberts and Police Chief Joel Kagann, who obtained permission for guests to park on village streets during the outing.

This ordinance provides for a penalty of \$3 for each violation.

IF FOR SOME REASON SUCH AS MECHANICAL, OR OUT OF TOWN COMPANY - PLEASE CONTACT THE POLICE DEPARTMENT - SPECIAL PERMISSION WILL BE GIVEN.

**ABOUT OUR CHURCHES**

**Methodist**

Excellent attendance sparked the Quarterly Church Conference of the Woodridge Methodist Church held on Wed. April 29. Dr. Allan Billman's warmth and friendliness created an atmosphere of relaxation and good fellowship throughout the evening, and his lively comments added a note of humor to the business at hand.

Albert Zettler was elected chairman of the Official Board and Mrs. Carol Davison, Recording Steward.

The following men were elected to the Board of Trustees: Marvin Bailey, Lewis York, Robert Manges, Rodney Davison, Lewis Benckendorf, Barry Aufmann and Nathan Danner.

Applications of Richard Kleven and John Wiest to study for a license to preach, were approved.

On Sun., April 26, the following people were welcomed into the Church as new members: Mr. and Mrs. Edward Dailey, Mr. and Mrs. William Newman, Mr. and Mrs. Richard George and Mr. and Mrs. Richard Schmidt.

The sermon for May 10 will be "A Look At Motherhood."

**Prince Of Peace**

The Church School children will work on special gifts for their mothers during their Church School session at 10:45 a.m. on Sun., May 10, at the Woodridge school. The Mary Unit of the Prince of Peace Lutheran Church Women who are in charge of working with the Church School, planned the project and will be working with the children.

There will be two more leadership classes on Helping Children Know Doctrine on Wednesdays, May 13 and 27, at the Lutheran Parsonage, 2735 75th st.

**Rabies Case**

**Diagnosed**

A positive case of Rabies has been diagnosed in a skunk found in Southern DuPage County.

The Rabies Committee of DuPage County urges everyone, (and especially children) to be extremely cautious around wild or stray animals.

Instruct your children not to pet or feed or come in direct contact with any stray or wild animal.

In order to prevent the endemic of rabies in skunks from spreading to pets and livestock, every dog owner is urged to have his dog inoculated immediately against rabies. Household cats if allowed to roam should also be inoculated.

The residents of southern DuPage County should be especially cautious as it was in this area that rabies was found.

**Garden Club**

A meeting of the Woodridge Garden Club was held at the home of Mr. and Mrs. Robert Schwindy, 2723 75th Pl. Thurs., April 9. The members spent the evening working on the Club's scrapbook.

Plans were also discussed for future projects, such as making center pieces for Mother's Club meetings.

The next meeting will be held at the home of Mr. and Mrs. Jerry West, 2810 Crabtree at 8 p.m. on May 14. Members are asked to bring plant slips to trade.

Elections will be held for next year's officers.

**Village Baptist**

vice, continues to rehearse at the Parsonage on Sat. at 9 a.m.

Jack Heggeland was elected to the Church Council of Prince of Peace Lutheran Church to fill the unexpired term of Mr. Robert Wendt who recently resigned.

**Village Baptist**

Special Mother's day service will be held at Village Baptist Church on May 10. During the 11 a.m. worship hour, pastor Roop will give a flower to the oldest mother and the youngest mother, also the mother with the most children present at the service, and the one with the youngest baby present. The sermon topic will be "One Ambitious Mother and What She Wanted For Her Sons".

The Youth Choir will present a special number under the direction of Mrs. Phillips.

At 7 p.m. a Missionary appointee, Mr. Robinson who is going out to the missionary field under the Conservative Baptist Missionary Society will tell of his new work.

The Ladies' Missionary Society will meet at the home of Mrs. Ann Rico, 2819 Forest Glen on May 12 at 8 p.m. The project for the evening will be painting blocks for the nursery.

The Pot-luck dinner which was scheduled for May 2 will be held May 9th at 6:30 at Ralph Demmin's house, 3022 Crabtree. Please call Mrs. Moxley if you plan to come.

From time to time new people wish to attend our church but do not know just where it is located in the Village. The address of Village Baptist is 7654 Woodview Drive.

## Additions To WNR Staff

BY: Ellie Murphy

Once in awhile putting out a weekly newspaper is something more than just hard work, frustration and an endless series of minor crises. Once in awhile we get a really lucky break. Such a break is the addition to our WNR staff of two new and very talented writers - MaryAnne Holm and Shifra Werch.

MaryAnne will be one of two associate editors whose job, on alternate weeks, is to assign stories and photos, collect the news, edit and re-write when necessary and, possibly, do an occasional editorial. She and her husband Maurice, who works for U. S. Gypsum, and their 4-1/2 year old son Charles, moved to Woodridge last Nov. from one of the popular Town and Garden apartments on Chicago's north side. While there, MaryAnne was a member of the five-man board of executives of the Garden Players, an amateur theater group. "Not as an actress," she is quick to explain, "but only in the business end of theater," although once, on an impulse, she auditioned for a Dorothy Parker reading and was dumbfounded to discover that she'd landed the part!

Before the birth of her son, MaryAnne was a claims adjuster for an insurance company. She's not without journalistic experience, either; during her college days at Bowling Green, Ohio, she was campus correspondent for the Toledo Blade.

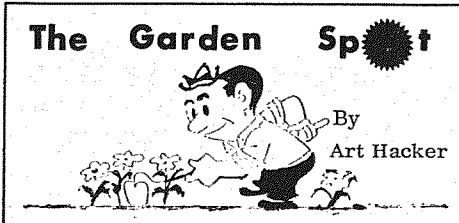

MaryAnne's hobby, other than newspaper work, is bowling and she belongs, with her sister Jeanette Deacon of Lisle, to the Wed. morning Lisle Bowling League (Woodridge bowlers take note).

Young though she is, our new feature writer Shifra Werch has shown a remarkably professional style, inherited partly no doubt from her father, who had his first article published when he was only 11. Shifra herself has been writing poetry since she was six, although she now considers these early attempts "awfully silly."

A seventh-grader at Woodridge school, she enjoys photography, reading, sewing, sleeping and eating (in that order?). In addition says her mother, "she does all the baking in the house - I don't do any."

Shifra is very active in 4-H work and now serves as vice president of the Woodridge Top Notchers. She's also a member of her school's Science Club.

The rod was spared and we wound up with the beat generation

This time of year is a very active time for the root systems of your ornamentals such as evergreens, shade trees and shrubs. A good fertilizer such as 5-10-5 for trees shrubs and roses and 10-6-4 for evergreens and lawns should be considered.

Most feeder roots are located at the extremity of the branches. This is called the "Drip". This applies whether we are speaking of evergreens or what. This is where you should feed if possible.

In the case of shade trees, use 1-1/2 to 2 lbs. of 5-10-5 fertilizer per inch of trunk diameter. Holes should be drilled one ft. deep in a circle around the tree at the drip, and fertilizer poured down these holes. Then the plug of soil should be replaced. A better system is to use the Ross root feeder which uses your hose water pressure to dissolve the fertilizer cartridge and force the fertilizer to the roots. You never have a case of root burn with this method and it is a dandy way to just water plants. 2 or 3 families could own a feeder together and they will be rewarded with finer living things as a result. Like I say, "Its the greatest thing since sliced bread! The cartridges are cheap and very effective.

In the case of evergreens, the feeding at drip is easy. The grass is usually not there and thus you have no grass burn. The dry fertilizer can be placed in a ring

around the plant at the "drip" again and slight cultivation should be practiced.

Cultivation promotes growth. In fact, in the nursery, we have to be careful not to cultivate weeds too late in the year. It is very easy to cultivate too deeply thereby stimulating late growth which most surely will cause winter damage. I have never seen a well cultivated house planting that didn't look like a million dollars. Ornamental cultivation should consist of working the soil well to a depth of about 1 or 2 inches. Preferably the soil should be worked up just after fertilization. The best tool for this is a small three pronged tool with about a four and a half foot handle upon it. These prongs do not cut and damage roots and are very easy to operate as they offer little resistance to the ground. They sell for approximately \$3.25 or so.

Give your lilacs about a quarter cup of lawn lime now. They are one of the very few plants that need a little additional lime for good blooming. Do not lime that lagging magnolia. In fact, the magnolias would appreciate about the same amount of sulphur or iron sulphate.

Check with the Morton Arboretum for blooming times for Red Bud and Crabapples and don't miss a visit to see them there.

Yours for better blooming things.
