Kaufman Charges Trustees Answer

by Barbara Cooling

At the October 1st Board Meeting Albert Kaufman accused the C.A.P. Trustees of being hostile, uncooperative and antagonistic toward Surety Development Corporation. He cited instances where he felt action on rezoning was deferred until he met certain demands made by the Board. In a recent interview Messrs. Redmond, Callahan and Hansen, the only members of the Citizens Action Party now serving on the Board attempted to give their explanation of the events which led up to these charges.

Kaufman stated that in order to get business zoning on the North side of 75th the Board wanted him to pave Janes Road on the South side of 75th.

According to the three Trustees there were no records on file to support any B-3 (business) zoning, which Kaufman claimed to have North of 75th. "This problem arose at the annual time for publishing the Village Zoning Map. Two conflicting maps were available and the published map containing President Roberts' signature and certification by Chairman of the Zoning Committee, Joseph K. McGrath, showed no B-3 zoning North of 75th. The Plan Committee, directed by the Board, held a public hearing. The results of this showed no official B-3 zoning North of 75th and advised seeking a legal opinion as to whether a definite answer could be found. Mr. Kaufman requested additional

BUSY GETTING READY FOR THE WOODRIDGE SCHOOL SECOND ANNUAL FUN FAIR, SATURDAY, OCTOBER 17 ARE MARY LOU HARTFIELD, BETTY POGUE, HELGA SCUDDER AND VIRGINIA CZEKALSKI.

SPEAKERS

PERCY FOR GOVERNOR

Mr W. Woody, of 2627 Crabtree and Mr. Thomas Church, of 7662 Deerfield have been appointed members of the Percy for Governor Speakers Bureau by Gerald Marks, State Chairman. In his role as a member of the Speakers Bureau each will handle engagements for Mr. Percy in this area. It is expected they will speak to service organizations, religious, veterans, political as well as coffee-type social meetings.

Anyone interested in arranging such a meeting should contact Mr. Woody or Mr. Church, or you may write or call Mr. Marks at the State Headquarters in Wilmette, Illinois.

FUN FAIR!

The Woodridge Mothers Club will have their second annual "Fun Fair" October 17th, from noon to 6:00 p.m. at the Woodridge School.

There will be pony rides, games, rides and refreshments, and for more fun for moms, dads and kids, Robert Scudder will drive a hay ride. Refreshments such as pop, coffee, hot-dogs, barbecue beef and potato chips will be available.

Mrs. Helga Scudder, Mrs. Virginia Czekalski and Mrs. Betty Pogue, Chairmen of the Ways and Means Committee, have announced the following volunteers as Chairman of each booth: They include Mrs. Gin-

CONTINUED FROM PAGE 1

business zoning to that which he still maintained he had on the North side of 75th, and also requested R-3 (apartments). The Board was agreeable to this, however, since residents from Units #4 and #5 would use Janes Road to get to the shopping center this increased traffic would necessitate paving and it was felt it was directly related to this zoning. Kaufman disagreed and made no mention of the fact that paving of that portion was included in the lease agreements on the south-west corner. When the Board learned of this agreement they were willing to grant the requested zoning..."

Mr. Kaufman stated that he spent 19 months trying to get the plat for Unit #5 approved. He mentioned that the State says a plat must be either passed or rejected within 60 days.

The C.A.P. Trustees on this matter state, "This plat was submitted to the Plan Commission on May 14th, this was received minus the filing fee so in actuality the Plan Commission did not have to proceed with work on the plat until June 18th, when the filing fee was submitted. Early in August land had to be annexed to the Village and this land formed a section of Unit #5, after that the plat had to be revised to conform to the Village Subdivision Control Ordinance. On August 20, 1964 the Plan Commission received the final plat for Unit #5, and on the 28th a special board meeting was held and on Oct. 1 the plat for Unit #5 was signed and sealed." From the time of receiving the final plat until it's passage was within the 60 day limit.

Enter into His gates with thanksgiving, and into His Courts with praise

Psalm 100 vs. 4

REV. AND MRS. DONALD ROOP

Another milestone was reached in the history of the Village Baptist Church last Sunday when they worshiped in their new building for the first time.

In October, 1959 six Woodridge families decided Woodridge could, and would, have a church right away. The families were the Wallace Akers', the Ralph Demmen's, the Al Lee's the Gerald Phillips' the Douglas Weikel's, and the Warvin Wiggins'. The name of the church would be "The Village Baptist Church of Woodridge."

On November 15th, 1959 the "dream" came true and the first service was held in what was known as the First Grade School House, located at the corner of Woodview and Westridge. All Sunday morning services were held there, (the mid-week and other services were held in members' homes) until the school board turned the building back to the builder at the end of June, 1960.

By that time all papers had been signed and they moved into the first church-owned property in Woodridge, at 7654 Wood-

view Drive. This was a house and required some remodeling to make it into a "church". While this was being done services were held in the living room: Soon the basement sanctuary was completed and in use. But all this time the congregation was growing and there was need for expansion. The pre-school Sunday School moved to the basement of the Ralph Demmin's at 3022 Crabtree. While this was workable, it was not the best situation. A new church building was no longer a desire, it had become a necessity.

Under the direction of Pastor Donald Roop this new building has become a reality and the Village Baptist Church now meets in a real church, at 2050 75th Street.

The Ladies Missionary Society will meet at 8:00 p.m. Tue. October 13th at the home of Mrs. Don Berntsen, 7801 Chestnut. Their current project is painting blocks for the nursery.

The Quarterly Business Meeting will be held at the church at 7:30 on Wednesday, October 14th.

POINT OF VIEW

BARBARA COOLING

Once again Woodridge has made the headlines in a neighboring newspaper and the 'image' inferred by this certainly doesn't help. This latest hassel concerns road acceptance and bonds on these roads. In examining all the points leading up to this scrimmage, I must admit, IT COULD HAVE BEEN AVOIDED.

At the Oct. 1st Board Meeting Mr. Kaufman showed the Board plats covering Units #3 and #4, which were accepted by the Village in 1959 and 1961. The Village Attorney James McClure said, "acceptance of the final plat does not mean acceptance of streets." I do not believe this is the point that Kaufman wished to make. The point was that these plats were accepted prior to the passage of the Village Subdivision Control Ordinance. Upon passage of our ordinance the Board should have asked for a signed statement from Kaufman saying that he would follow our code on all streets not at that moment completed; by not doing this Kaufman could, by rights, follow the County Code, under which he had started those streets. If this explanation proves confusing, let's say in comparison that tomorrow the Village passes a law stating no blue houses will be allowed in the Village. You may have already started to repaint your house---blue. You do not have to go out and buy new paint as you had started before the law was in effect.

So the County Code, at that time, was legally followed. This code calls for a two year

performance bond on roads. The Mayor has asked why the Board brought this matter up three years after completion of roads in Unit #3, and one year after completion in Unit #4. After reviewing this it seems the Board was not aware that completion meant also the acceptance of the streets.

Trustee Renaud brought up the roads because the Board wanted to determine whose responsibility the repair was. When this was first brought up, the Board was questioning an acceptance letter written by the Mayor attesting to the fact that John Trask, Commissioner of Public Works, has inspected the streets and that they "were accepted without reservation." What the Trustees couldn't understand was why the acceptance letter was written just

three months after the Unit #4 streets were completed and why the letter was not written by the Village Clerk.

At this point we have an angry Mayor, as he feels "his and the Public Works Commissioner's integrity" is being doubted. Then we have angry Trustees, as they feel something is out of whack. The "first clue they had had on any acceptance letter was that letter sent by Kaufman" to support his statement that he "had no more responsibility" for those streets. And, as if this were not enough, we also have an angry developer who feels he is being put upon by the Board.

All three factors, if considered individually, give solid reasons to be angry. BUT, if they had all gotten together and in a friendly fashion discussed their doubts and problems, this matter could have been resolved in an expedient manner. No one did this and thus the blame for the outburst at a public meeting must fall equally on all of them.

The streets in Unit #3 had an almost parallel problem. An acceptance letter was not, say the Trustees, "on file in the Clerk's office." Trask, when questioned, said there was probably a moral obligation to accept these roads, yet at a later date Trask presented to one of the Trustees an "original copy" of the missing acceptance letter. Mayor Roberts said these letters were on file; the Trustees couldn't find them. Now what I'd like to question is the filing system or perhaps, somehow, they were misfiled? At the same time let us all remember that no matter which code had been followed on the streets in Unit #3, the performance

Prince of Peace Approves Building

At a special congregational meeting Sunday, October 4th, the members of Prince of Peace Lutheran Church, Woodridge, approved the floor plan and design of the Ultimate Building Plot Plan Study drawn by the architectural firm of Keys and Hestrup, Oak Brook. By taking this action the congregation took a long stride toward the building of its first unit to be constructed on a site in the 2600 block of 75th Street, Woodridge. Prior to this meeting the Building Study had been approved by the Board of American Missions of the Lutheran Church in America and the Com-

mission on Church Architecture of the LCA in co-operation with Prince of Peace.

Though the study dealt with the entire building as it will some day appear in its final form, Prince of Peace will only build the first unit; the parish hall which will house the Sanctuary temporarily, and a portion of the Sunday Church School Wing. Interior walls for three class rooms will not be built in another portion of the building in order to provide more space for a temporary fellowship hall.

Members of the Building Committee are: Mr. Earl Brown, Sr., chairman; Mrs. Peg Mil-

ler, Mr. Donald Russell, Mr. Roger Thoren, and Mr. Fred Vallarta.

Prince of Peace presently worships in the Woodridge School on Larchwood Lane and Crabtree Avenue. Sunday worship is at 9:30 a.m. and the Sunday Church School meets at 10:45 a.m. The Lutheran Parsonage is located at 2735 75th Street.

War has been declared! Mrs. Jury's sixth grade has challenged Mr. Colley's sixth grade to a contest to see which room can design the best bulletin board. Mr. Colley's board is being done by Debby Cleven, Pat Lancaster, Kathy Bullock and Terry Grote.

The art of lettering is being studied in Mr. Hacker's eighth grade. This should help in poster work.

By the way, the eighth grade will have a hot dog day Wednesday, October 7th.

Mrs. Mason has organized a seventh and eighth grade chorus. The participants are: Sopranos, Claudia Hodges, Mary Vandeleur, Marsha Werch, Jill Jesse, Judy Lang, Harriet Barber, Debbie Carter, Shifra

Werch, Debbie Salisbury, Elsie Roop, Jo Ann Pfaff, Ginger Garr, Susan Gilbert and Marsha Hodges; altos, Carol Jensen, Susan DiFrancisco, Helga Seuling, Karen Krause, Carol Witt, Arlene Kowalczyk, Sandy Prohaska, Linda Goluch, Ginny Malry and Jean Olesky; tenors, John Narducci, Ken Burns, George Vanik, Mike Towner, Mark Harosta, Mike Aufmann, Mike Filipowski and Terry Skreens; baritones, Rick Swanson, Bob Little, Larry Manges, Tom Riha, Bob Alteri, Pat Goetz and Scott Benckendorf.

The eighth grade would like to express its thanks for the help and cooperation extended by the people of Woodridge during its latest car wash.

WOODRIDGE POLICE REPORT SEPTEMBER

The Woodridge Police Department activity report for the month of September shows 3 auto accidents and a total of 94 station complaints answered, including 7 fire calls, 6 stray dogs, 3 lost children, 4 malicious mischief and 40 miscellaneous calls. Woodridge Police made 16 arrests, and issued 22 traffic tickets, 8 non-traffic, 7 parking and 20 warning tickets. The three squad cars traveled a total of 5,531 miles, while the officers worked a total of 472½ hours. 37 cases were disposed of in Circuit Court with a total of \$464.75 in fines and costs levied. \$29 was collected in the Traffic Violations Bureau and 20 bicycle licenses were sold.

CUB SCOUTS

Cub Scout Pack #104 of Woodridge met for the first meeting of the 1964-65 year on September 29th at Woodridge gym and welcomed the new boys to the pack.

The main part of the meeting was devoted to drafting new Den Mothers and Committee Members by Scoutmaster, Bill Blecher. New Den Mothers are Elaine Klein, Betty Smale, Darlene Bailey and Mrs. Nicety. They join Phyllis Brame and Betty Balogh, Den Mothers last year, in providing useful and interesting activities for the Cub Scouts. Additional Den Mothers are desperately needed.

A group participation game called "Gathering Nuts" was led by Barbara Blecher, Secretary-Treasurer. Lester Dubs, Webelos leader for the second year, spoke on the purpose and advantages of being a Webelos.

The families of the Cubbers were asked for donations of S&H Green Stamps for the purpose of acquiring a loudspeaker system.

Den Mothers' first meeting was at the home of Betty Balogh, 2807 Forest Glen Parkway, at 7:30 on October 5th. All Den Mothers are requested to attend the first committee meeting of the season on October 15th at the home of Bill Blecher, 7653 Sprucewood, at 8:00 p.m. Any 8 year old interested in becoming a Cub Scout, should contact Barbara Blecher, WO 9-6472.

HOW'S YOUR I. Q.?

There are six F's in the sentence you read in the paragraph above. An average intelligence recalls three of them. If you spotted four, you're above average. If you got five, you can turn up your nose at most anybody. If you caught all six you're a genius.

FEDERAL FUSES ARE THE RESULT OF YEARS OF SCIENTIFIC STUDY COMBINED WITH THE EXPERIENCE OF YEARS.

Celebration

Patricia Walton was aided in celebrating her sixth birthday by several of her friends at a party in her home at 7806 Chestnut, on Monday, October 5th. Patricia, daughter of Mr. and Mrs. Tom Walton, received many lovely gifts from her guests, who were Pamela Chappell, Denise Chappell, Barbara Bossany, Susan Bossany, Julienne Sabatino, Christine Bernsten, Kim Harris, Donna Thomas and Vicki Ward. After a hot-dog supper the girls played games and Barbara and Susan Bossany and Christine Bernsten won prizes.

Woodridge Women

The production "Enter Laughing" at the Candlelight Dinner Playhouse in Summit was the scene of the regular October meeting of The Woodridge Woman's Club.

Except for a short discussion on the Club's forthcoming November program on Christmas decorations, most of the business portion of the meeting was carried over to enable the women to enjoy their dinner and the play.

YOUR HOUSE PLANTS

Did you have your house-plants outside for the Summer? That is a good idea for most plants, but now is the time to bring them indoors again. But before you bring them into the house there are certain things you should do to safeguard against later disappointments.

All the plants should be sprayed to make sure you don't bring a variety of garden pests into the house with the plants.

You should inspect the root-system, which is easily done. Spread out your one hand over the top of the soil, turn the pot upside down and tap the edge of the pot against a piece of wood. The ball should then come out. Remove any earth-worms which may have entered during the Summer and observe if the plant needs a larger pot or some fresh dirt. Bear in mind, that ordinarily the Spring is the better time for repotting. If the plant is expected to bloom during the Winter, repotting to a larger pot now may greatly reduce the amount of flowers it will get. Check the drainage. It is a good idea to scrub and rinse well all old pots before they are re-used to get rid of all the salt which has accumulated on the sides.

Some of the plants are now ready to go into the living-room, but some are better served by giving them a rest period, in a cool place, without watering, for a month or two before they are brought back in the warm room and watered again. The Christmas Cactus is one of the plants which need this rest period for a good blooming later.

And about watering: Don't use chemically softened water for your plants. It will kill them. Soft water is fine if it is rainwater or groundwater, but not if it comes from the water-softener. Use the hard water as it comes out of the well.

To get good healthy plants fertilize them regularly, about every two weeks, with a liquid fertilizer. We find it convenient to dilute the fertilizer in a quart bottle to 8 times as strong as recommended by the

manufacturer and then when it is time to fertilize we just use 4 oz. of this solution to one watering-can of water. Our can just holds 1 qt. of water, and the bottle cap on the solution holds 2 oz., so we use 2 caps-full of the solution per watering-can. Of course with a different size watering can and a different size bottle cap your proportions must be refigured. It is important, that the recommended strength is obtained. Too much fertilizer will hurt the plants as much, or more than, no fertilizer at all.

Space does not permit us to go into each plant's specific requirement, but you can obtain a very informative pamphlet from the Superintendent of Documents, U.S. Govt. Printing Office, Washington 25, D.C. Ask for Home & Garden Bulletin No. 82, "Selecting and Growing House Plants", and enclose a check for 15¢.

Prince of Peace Lutheran Church

The Pastor's Information Class of Prince of Peace Lutheran Church, Woodridge, will begin on Thursday, October 8th, 8:00 p.m. at the Richard Kay residence, 2926 Everglade, under the leadership of Pastor John E. Swanson. This six week course is designed to instruct adults who desire church membership and to give information regarding the Lutheran Church to those interested in inquiring. For further information call the Church office, WO 9-1268.

Dr. Eric J. Gustavson, assistant to the President of the Illinois Synod, LCA, will be the guest of the Prince of Peace Church Council on Tuesday, October 13th. He will be visiting to present to the Council the benevolence program of the Illinois Synod and the Lutheran Church in America and will participate in an inspirational evening regarding the responsibilities of laymen in the Church.

The Cherub Choir for children ages four through seven will begin rehearsing on Wednesday, October 14th, at 3:45 p.m. at 2707 Forest Glen Parkway, Woodridge. Mrs. Nancy Thoren will be the director for the second consecutive year of this program. Mrs. Joseph Staidl, Church pianist, will accompany the Cherub Choir.

The Ladies of the Lutheran Church Woman and mothers of the Junior Choir members are making more robes for the children. The Junior Choir is for children, grades three through eight. It meets Thursday at 4:00 p.m. at the Lutheran Parsonage, 2735 75th Street, for rehearsals and sings every Sunday morning.

POINT OF VIEW

BARBARA COOLING

CONTINUED FROM PAGE 4

bonds would have been released by now. Now what I'd also like to ask is why the Public Works Commissioner didn't inform the Board of all the facts when he was first questioned? Why isn't there a better exchange of information between all public officials? Had this exchange been possible this, too, could have been avoided.

Constant friction between two political parties is detrimental to all the citizens of Woodridge. I am not saying any

one should cease questioning; rather cease character accusations which undermine our progress.

* * * * *

I mentioned last week it took a little planting to make this Village more than just a place to live. It also takes a little planning. The questions I have been receiving should have been directed to the "powers that be." The fact is many people feel that these things are too small to be brought before a public meeting. Public servants, attention...the citizens want to know.....

Why does the Village Flag Pole tilt? Why hasn't it been corrected? Proves someone looks at the Village Hall, and they are disturbed.

Why isn't the street sweeper used? This would certainly keep the grass, dirt and pebbles out of the storm sewers. I personally have seen two bicycle accidents caused when a front wheel hit a stone, thereby knocking the young riders off balance and onto the streets.

When are the fire hydrants opened and flushed? I imagine this is supposed to be done every Spring but I'm not certain.

Why doesn't the Public Works Department initiate a storm sewer inspection program? I believe I asked a similar question a few weeks ago.

Yes, perhaps they do seem to be small problems but what is a small problem to me can be a very large problem to you. Public servants, will you give us your Point of View on these matters?

WOODRIDGE METHODISTS

October 11th is Layman's Sunday at the Woodridge Methodist Church. John Wiest, Lay Leader, will preach on "A Practical Religion."

The Official Board will meet Monday, October 12th at 8:00 p.m. at the Parsonage. The Board is composed of all commission chairmen. It is imperative they all attend.

The Senior M. Y. F. provides baby sitting services for anyone wishing to attend official church meetings. Any donation will be accepted with thanks. Call WO 9-4218

The Junior M. Y. F. elected the following officers:
President, Scott Beckendorf;
Vice President, Tommy Fryer;
Secretary, Pamela Mershimer.

The Women's Society of Christian Service will sponsor a church fellowship "Pot Luck Dinner", Friday, October 16th at Woodridge School. Dinner will begin at 6:00 p.m. and will be followed by movies and slides. All church families are cordially invited.

Bible School will be the 2nd and 4th Wednesday night of each month, at the Parsonage.

Baptism will be given on Sunday, October 18th. All parents or adults wishing to have this service performed for their family members, please advise the Pastor.

Dick Schmidt has been appointed as Sunday School Superintendent. Bob Manges has taken over duties of Head Usher.

GARDEN CLUB

The Woodridge Garden Club announces that \$50 for the purchase of evergreens for planting at the entrances to the Village has been allocated by the Village Board. Plans are being made to purchase shrubbery from those nurseries which have been most helpful to the Club and to the Village. Saturday, October 10th has been set as the date for the plantings to be placed. As this is a community affair, Garden Club President, Mrs. Marie DiFrancesco, invites all those interested in participating to call her on WO 9-4375 for further details.

Other recent activities of the Garden Club include a get-acquainted meeting on September 30th at the home of Mr. and

Mrs. Raymond L. DiFrancesco. New members were welcomed and given a brief idea of the Garden Club's aims and activities. A mixer was held, followed by an informal Flower Show, with ribbons being awarded the winners.

Gotta Tell The King!

...About the musical comedy "Chicken Little" to be presented this Sat. at the Woodridge School Gymnasium at 7:30 p.m. Parents are encouraged to bring their children as this is a play that will tickle the funny bone - or wish bone - of the whole family. Tickets are 50¢ donation for adults and 25¢ donation for children and may be purchased at the door or from any Methodist Church Senior Choir member, or by calling WO 9-4218.

Scout News

The highlight of the Woodridge Boy Scout Troop #109 Court of Honor held last Monday evening was the presentation of a special gift of appreciation from the troop to Mrs. Christena Castaldo for her help at the recent spaghetti supper. Mrs. Castaldo volunteered her talents in the preparation of the gallons of spaghetti served that day.

At the traditional candle light ceremony, Tenderfoot Scout Doug Albee was inducted into the Troop.

The highest advancement award of the evening was presented to John Tucker. John, who was selected Woodridge Boy Scout of the year, is now a Star Scout.

Jim Provo earned a special

Scout Life Guard award.

Other advancement awards presented were as follows: First Class Pins, Mike Johnson, Bob Clark, Bruce Wiggins, Dennis Laughlin, Larry Manges, Russel Przybylski; Second Class pins, Joe Conforti, Dan Dubbs, Bob Burns; 2 year service pins, Larry Manges, Scoutmaster Joe Shroka.

Merit Badges were awarded to the following boys: Larry Manges, Cooking; Keven Bullock, swimming, canoeing, life saving; Bob Burns, Rowing; Jim Provo, Rowing, canoeing, life saving; John Tucker, Rowing, wood carving, cooking; Chester Johnson, cooking; Ken Burns, Wood carving, rowing; Russ Przybylski, life saving, canoeing, swimming; Larry Przybylski, rowing; David Redfield, rowing.

It was announced that in the

near future the Scouts that have hiked over 100 miles will receive a special neckerchief of achievement.

The Troop provided its own entertainment by presenting several humorous skits which were climaxed by a snack time.

Woodridge Boy Scout Troop #109 meets each Monday evening at 7:00 p.m. at Woodridge School. All boys interested in joining Scouts are welcome at these meetings. A membership drive is in progress and each Scout who brings in a new member will receive a special patch.

Copies of photographs which appear in the Woodridge News may be ordered by calling 964-0515. 3x5, \$1. 5x7, \$1.25. 8x10, \$1.50.
