VOL. 1 NO. 12

OCTOBER 29, 1964

10¢

WHICH OL' WITCH? The Woodridge Witch!

Good Old Salem, the witch burning community, will have nothing on Woodridge Saturday night.

Thanks to officers Keith Porter and James Novello and their wives, who constructed this year's hag, the burning of the witch will add to the merriment planned by the Woodridge Police Department on Hallowe'en.

Join in the fun! The costume parade starts at Woodridge Dr. and Jonquil Lane at 7:30 p.m. and will head up toward the WAA Athletic Field where the execution will take place at approximately 8:00. Keep in mind, too, that the "witching hour" for the dance at Woodridge School for teen-age witches and warlock from 8th grade through high school is 7:30.

"We'll be-witching you".

VOTERS...

An error was made in last week's listing of polling places for Woodridge residents. We are therefore restating those locations for Woodridge voters.

Lisle 18 consists of the area south of 75th St. to the south limits of Woodridge and Woodward Ave., west to about halfway between the village and Rt. 53. Residents of this area will vote at the Woodridge School gym.

Any other portion of the village is in Lisle 2 and those residents will vote at Woodridge Golf Course, instead of at the Goodrich School, as stated here last week.

As in previous years, the polls will be open from 6:00 a.m. to 6:00 p.m.

BALLOTS

Republican Precinct Committeeman in Woodridge, Tom Church, warns that although voting time on Tuesday, November 3rd has been changed to 10 minutes, instead of 5, voters must still be well prepared to complete the ballots in the allotted time.

At-large candidates for the Illinois House of Representatives are listed on the Orange Ballot. When a Commission appointed for reapportionment failed to agree, it became necessary for voters to elect 177 state representatives. On this orange ballot you may vote for as few candidates as you please, but if you cast more than 177 votes, the entire ballot will be voided.

1. A straight ticket is voted by placing an "x" opposite the party you choose. By this means you cast 118 votes.

2. If you wish to split your ticket, you may cast 118 votes by placing the "x" in the circle opposite the party you choose and then putting an "x" in less than 60 squares opposite the candidates of the other party.

A split ticket in the usual way, of course, is accomplished by simply placing an "x" in the square before the names of not more than 177 candidates of either party.

In addition to the complex Orange Ballot for the House of Representatives, you as an intelligent voter must be familiar with the important White Ballot for national, state, appellate court and county officials which will include candidates for the Illinois Senate.

The Green Ballot is for retention of existing circuit court

CONTINUED ON PAGE 2

CONTINUED FROM PAGE 1

judges for 6-year terms and will be running unopposed and without party affiliation.

Last on the agenda for November 3rd is the Blue Ballot which contains 2 proposed amendments to the Illinois Constitution. The first of which is for the Illinois General Assembly to convene on the 1st Monday in May each even numbered year for the purpose of considering budget and fiscal matters. the other proposed amendment asks for continuity of state and local government operations in periods of emergency.

LET'S GET SOME COSTUMES AND JOIN THE TRICK OR TREATING FOR UNICEF!

Phil says the "good old days" are a product of a rich imagination and a poor memory.

Copies of photographs which appear in the Woodridge News may be ordered by calling 964-0515. 3x5, \$1. 5x7, \$1.25. 8x10, \$1.50.

Knock, Knock. Who's There?...Unicef

In 1950, a few Sunday School pupils donated approximately \$17.00 they had received for trick or treating to UNICEF. Last Hallowe'en, 3 million American children went Trick or Treating for UNICEF. Their effort resulted in a gift of more than \$2,000,000 to the needy children of the world.

The UNICEF Hallowe'en program organized nationally by the U.S. Committee for UNICEF. The program is sponsored locally in all 50 states.

UNICEF assists governments in meeting the needs of their children. It deals with health services, disease control, nutrition, family and child welfare services, education and vocational training, emergency aid for any needy children in the world.

So when a member of the Woodridge Topnotchers 4-H Club knocks on your door, be ready with a suitable gift for UNICEF.

Winston Hills Homeowners Assn.

The first meeting of the Winston Hills Homeowners Association was held Friday night, Oct. 23rd in Goodrich School auditorium.

Present on the board were Ervin G. Koudelka, president, Jack Schoebel, vice president and Norman Johnson, treasurer. Estelle Stoklassa was elected secretary, Nancy Champion, educational trustee, Paul Champion, recreational trustee and Donald Zuehlsdorff, civic trustee.

Approximately 45 people attended the first meeting. Refreshments were prepared by Mrs. Robert Dunn, Mrs. Koudelka and Mrs. Schoebel. Mrs. Norman Johnson assisted with the serving. Each family attending contributed \$1.00 to defray expenses.

The association plans to meet on the third Friday of each month in the Goodrich School auditorium. Our hats are off to President Ervin Koudelka and the rest of the board.

METHODISTS

Two Worlds will be the sermon at the November 1st worship service at the Woodridge Methodist Church.

The Stewardship and Finance Committee will meet at the Parsonage November 2nd at 8:00 p.m.

Membership and Evangelism Committee members will meet Nov. 3 at 8:00 p.m., also at the Parsonage.

GOODRICH COMMUNITY CLUB VIEWS ARGONNE FILM

Mr. Allen Anderson, assistant director of the Department of Biological Research at Argonne Laboratories, introduced and showed a film of this well-known atomic research center to the Goodrich School Community Club on Tuesday evening, October 20th.

The 100 persons who were in attendance at the Potluck Dinner first listened to John Dahlberg, president of the Board of Education of District 68, present a progress report of the building construction at Goodrich School, before viewing this very informative film of Argonne, one of three atomic research centers operated by the Atomic Energy Commission. The other two are at Oakridge, Tennessee and Brookhaven, Long Island.

A retired colonel in the Marine Corps, Mr. Anderson and his family formerly lived in Maryland, where he worked for the A.E.C.

His daughter, Barbara, is presently enrolled in the seventh grade at Goodrich School.

Prince of Peace Lutheran Church

The Prince of Peace Senior Luther League of Woodridge will attend the Fall Visitation Day at Augustana College, Rock Island, on Saturday, Oct. 31. The youth will leave the Lutheran Parsonage at 6:30 a.m. The college will host the young people to a tour of the campus, a visit with professors, lunch, and the Augustana-Carthage football game. Augustana and Carthage, in Kenosha, Wisc., are the two colleges which belong to and are supported by the Illinois Synod of the Lutheran Church in America.

Sunday, Nov. 1, Prince of

Peace Lutheran Church will celebrate All Saints' Day with the Sacrament of Holy Communion at 9:30 a.m. at the Woodridge School. Pastor J. E. Swanson, preaching on the theme "The Fire in God's Right Hand," will speak of the Christian witness as a part of God's redeeming work in the world. Church School is at 10:45 a.m.

On Tuesday, Nov. 3, at 7:30 p.m. the Senior Luther League will have an Election Returns Party at the Parsonage, 2735 75th St. Also on the same day, the church women will have a salad luncheon from 1:00 to 3:00 p.m. at the Parsonage. Mrs. Rosemary Russell and Mrs. Lynn Trask, accompanied by Mrs. Joseph Staidl, will present a musical program. Mrs. Bobbie

Munsterman and Mrs. Charlene Vallarta have made all the arrangements. A baby sitting service will be available at Mrs. Shirley Oldenburg's, 2756 Forest Glen Pkwy., right behind the Parsonage. A brief business meeting will be conducted by the president, Mrs. Eleanor Carter, to receive the report from the Nominating Committee with the slate of nominees for 1965. The ladies will share their favorite salads.

BIRDS

Can you identify winter's birds? A lecture will show you how. It's at the Morton Arboretum, Lisle, November 19, at 8:00 p.m. Costs 50 cents.

THOMAS A. CHURCH Committeeman

Governor Kerner In Lisle

Gov. Otto Kerner arrived at DuPage Airport at 11:30 Wednesday morning to make a tour of DuPage County, arriving in Lisle at 4:00 p.m.

Walker Gamble, Lisle Township Democratic Chairman, accompanied the governor on his tour, which included a stop at Maple Terrace Shopping Center, Rt. 53 and Maple, Lisle. Here he made a short speech and circulated through the crowd, shaking hands and chatting with those assembled.

POLICE TRAINING COURSE

A graduation ceremony on October 22nd climaxed a basic course in police work sponsored by the DuPage Police Training Academy in Westmont, Illinois which was attended by Sgt. Szczepaniak and Officers Arndt, Loomis, Renna, Novello, Timko, Porter, Zima and Klevin.

Charles Klaren is President and Chief Wurth of Lisle is Secretary of the school which offers a multiple of subjects, including "Search and Seizures" and "Collection, Identification and Preservation of Evidence".

ST. SCHOLASTICA MEN'S CLUB

42 men made the trip to South Bend to see Notre Dame clobber Stanford. Pit stop McCarthy, who is president of the Men's Club wishes to thank all the men, the committeemen in particular: Don O'Shea, John O'Connor and Ed Mabrey. The trip was made more enjoyable with carrot and radish sandwiches that were served with the other refreshment. As you know, Notre Dame did their part to contribute to the fun of that day. The bus broke down in Michigan City on the return trip but the talents of Paul Quinn and Ed Muchawski were sufficient to fix the old bus with a piece of broom stick and a couple of odds and ends. Now the bus is probably good for another 20,000 miles. All returned by 8:00 that night, tired but happy and looking forward to the next outing.

At the previous meeting Norm Shoopmen of American Archery

Co. showed films on hunting and fishing with the bow and arrow. Also he displayed many examples of the equipment sold by his company. After the films Norm and Dan Mahffey did some fancy target shooting and gave the men a chance to try their luck with a bow and arrow and cross-bow.

"Chit - Chat"

MARY CATHERINE HIMES

With Fall well under way it seems illness has come along with it. Get well wishes go to: Cindy McGovern, 7628 Catalpa, who recently had her tonsils removed. Bob Alber, 2946 Jonquil, convalescing at home. Barbara Bonk, 7612 Catalpa is up and around again after a bout with the flu. Marsha Eggen, 7608 Catalpa is at home after surgery.

The mumps seem to have invaded the village. At present Derrell Brame, Jr., 2951 Jonquil and the Chappell girls, Denise and Pam, are having their fun indoors because of mumps. Our get well wishes to these children and to all others who have been bitten by

the bug.

Congratulations to the newest additions to two families in the village: Joan and Darryl Smith, 7651 Catalpa, became the parents of their first child, a son, Steven Douglas, born at Community Memorial Hospital Oct. 3. Steven weighed 6 lbs. 5 1/2 oz. His grandparents are Mr. and Mrs. S. C. Smith of Hinsdale and Mr. and Mrs. A. L. LaMotte of Minneapolis. Mrs. LaMotte was here in Woodridge when Steven and his mother came from the hospital, to offer a helping hand. Mr. LaMotte came a little later in order to be here when his grandson was baptized.

Doris and Jerry Keller, 2916 Forest Glen, welcomed their 2nd son, Kevin Blair, born at Hinsdale Hospital, Oct. 14, weighing 7 lbs. 1 oz. Awaiting Kevin's

arrival home was his 4 year old brother, Jeff.

My family and I bid a fond adieu this week to my parents, Mr. and Mrs. George Breuss when they returned to their home in Phoenix, Ariz. after a month long visit.

Happy birthday to Jody Graham, of Deerfield, who celebrated her 5th birthday last week. Laura Smale and Barb and Susan Wagner helped Jody celebrate and shared the birthday goodies.

If you know of any birthdays, anniversaries, births, or of anyone who is ill, please call me at WO 9-7996 so that I may include them in the column.

The Woodridge Sewer and Water Company's new telephone number is 969-4230.

Regular Democratic Organization

The State of Illinois under the capable leadership of GOVERNOR OTTO KERNER, has made a great come-back since the disaster of the STRATTON ADMINISTRATION. The Kerner administration inherited a General Revenue Fund, owing \$13.3 Million on the books... unprecedented in Illinois history.

The all-purpose General Revenue Fund had a \$103.2 Million balance when the previous governor took office eight years before. Irresponsible draining of the fund had produced a fiscal crisis.

In the eight years of the previous administration, bi-annual spending doubled from \$1.2 billion to \$2.4 billion.

Under the capable guidance of Governor Otto Kerner, the State of Illinois was rescued from a serious crisis, and put on the road to recovery. The high point came in 1953 when he presented a balanced budget providing more services than ever before, without new or increased taxes - the first time in a decade. Governor Kerner prevented fiscal chaos and restored fiscal integrity. For the first time since World War II, spending in Illinois did not exceed income, Governor's Kerner along with Sam Shapiro as Lt. Governor should serve another term on their record alone!

Sam Shapiro, has been a wonderful right arm to Governor Otto Kerner, and is needed as the assistant to the Governor for another term.

The members of the Regular Democratic Organization of Lisle Township, are dedicated to the task of securing better government from the Township level, to the County level, to the State level, and to the National level. We are at your service at any time and invite any form of assistance in giving our area an honest bi-partisan form of government. We resent the old Republican statement "look at Cook County." We say just look at the "Party Machine that has ruled DuPage County", for so many long years, then take a good look at the record of their leader. The old customary statement of the Republican Party, that everything Democratic is a Machine, and every Republican an Organization, is just as phony as "Goldwater".

Before making your final decision on November 3rd, please think, the leadership shown by our great President LYNDON JOHNSON, since the assassination of President Kennedy. Please think of our great Governor Otto Kerner, and the vast improvement made since he received the Stratton mess in 1960 and then, please, think of the other great Democratic Candidates that have assisted in making our country the great place it is today.

VOTE DEMOCRATIC NOVEMBER 3, 1964

JOSEPH RENDE Committeeman for District 18

Pvt. Randy Sarlo, son of the Carl Sarlo's, 2741 - 75th, is home on a 20 day Recruit Leave.

A June, '64 graduate of Downers Grove High School, Randy took his boot training in San Diego and 4 weeks Infantry training at Camp Pendleton. He will return to Pendleton for a permanent duty assignment in the Field Artillery.

DISTRICT #68 TEACHERS

ATTEND COUNTY INSTITUTE

On Monday, October 19 the District 68 faculty witnessed a television book review as part of their all-day institute.

The program featured John Howard Griffin, author of the book, "Black Like Me," and was viewed on Channel 11, WTTW. Following the TV presentation group discussions were held. Mr. Sedlacek and Mrs. Miskelly led the discussions at their respective schools.

Primary teachers attended sessions at Glenbard High School, while the intermediate and upper grade teachers' session was held at York Community High School.

Mrs. Miskelly, first grade teacher at Goodrich, was a member of the Program Committee of DuPage Valley Division of the IEA which planned the institute.

High Lights From The Hills

DOROTHY ZUEHLSORFF

Things are "zooming" right along in Winston Hills these days. Lawns have sprouted and many have had their first cuttings. With the addition of shrubbery, some of the homes look as though they have been here a couple of years. Even though the residents have come from all over the United States, they seem to have a common bond - to make their community lovely to look at and a happy place to live.

The Jack (Jeff) Hunnicutt's on Marshall Drive, although they are still in the process of settling as well as the rest of us, are proving to be very active in outside events. Jacqueline Hunnicutt is secretary for the Winston Hills Social Club and can be seen coming and going almost every day on Club business. They have two lovely lively daughters, Susan age 8 and Bonnie Jo, age 6, who keep them hopping. Both girls attend Goodrich School and are proud of the fact that their mother is a room mother for the 3rd grade. Jeff hails from Corpus Christi, Texas and Jacqueline boasts the state of Florida, (Tampa) as her home state. Jeff has joined the ranks as a commuter since he is assistant to the publisher of Oil Daily in Chicago. The Hunnicutt's plan to join the Woodridge Methodist Church in the near future.

Another busy household on Marshall Drive is the residence of Bernice and Robert Deverex. Their brood consists of a set of twins, Rickey and Randy, 7, Michael, 10 and a little doll

called Lisa, age 5. Lisa loves dogs and would "Mother" all the strays she could find. Robert (Bob) is in management at the Burlington Truck Lines and Bernice is very active as treasurer for the Winston Hills Social Club. Both are natives of Illinois. Bernice was born in Oak Park and Bob in Lombard. The Woodridge Methodist Church will boast six new members in the near future and Goodrich School has three new students to add to the growing list.

Mr. John Molanairi, 32, of 6434 Dean Drive, Winston Hills was stricken with a coronary on Saturday, October 17th. He is a patient at St. Anne's Hospital in Chicago. His condition has improved slightly although he is still in an oxygen tent.

Mrs. Molinairi said it would be several weeks before he would be able to return home. They have two children, Christine, 4, and Michael, 2 years old.

Their neighbors in the village join this reporter with prayers for a speedy recovery.

Woodridge Women

November 3rd is not only Election Day, but "get in the Holiday Spirit Day" for the Woodridge Woman's Club.

Come over to the Village Hall at 8:00 p.m. on that date and enjoy Mrs. E. J. Heckel's program on Christmas Decorations after the Club's regular business meeting. Refreshments will be served.

Trinity Lutheran Church

The next meeting of the Lutheran Women's Missionary League of Trinity Lutheran Church in Lisle will take place on Tuesday, November 3rd at 8:00 p.m.

Opening devotions will be given by Mrs. Brad Ireland. Following the business meeting Mrs. Harold Tsukuno and Mrs. Robert Strieter will lead a round table discussion on different aspects of Christian Living. This discussion goes hand-in-hand with the movie shown at the October meeting on Family Relations and religion in the home.

Members will also be interested in hearing the reports of the delegates who attended the recent LWML Convention in Chicago.

Hostesses for the evening will be Mrs. Hugh Brady and Mrs. Elmer Renc.

TOP NOTCHERS

The October 14th meeting of the Woodridge Topnotchers 4-H Club was held in the Woodridge School Gym. The main business at this meeting was the program for Achievement night, the November 11th meeting. The program will consist of talks, a demonstration, a summary of our 4-H year, a skit, a piano piece, and of course, the handing out of awards earned.

On Hallowe'en our club will collect money for UNICEF. We will have a small party afterwards at Frank Mabry's house.

We decided that we would have a grab bag at our combination meeting and Christmas Party in December.

A federation report and reports from standing committees were also given.

There were 13 members and

guests present. The guests were Roberta Cramer, Mike De Luca and Phil Amoruso. Mr. and Mrs. Leon Werch were also present.

The meeting adjourned at 8:30. We had refreshments and games after the meeting.

VILLAGE BAPTISTS "BREAK A RECORD"

Don Berntsen, Sunday School Superintendent of Village Baptist Church, announced a contest between members of the Sunday School. Two teams have been formed, Red and Blue, the object being to see which will get the most points in attendance, the most new members, etc.

On the day the contest was announced attendance in both Church and Sunday School broke all records in the history of the church. So on Sunday evening Pastor Roop literally broke a record over the head of Supt. Berntsen. Said Pastor Roop, "If we break the record again soon I'll let Don break a record over my head."

On November 1st each person who has joined the church during the past year will be given a rose in Pastor Roop's first Rose Service. Like a beautiful rose, these new members have brought a blessing to the new small church.

Sermon topics for Nov. 1st, Communion Sunday, are "Don't Just Stand There, Do Something", taken from Deut. Chapter 1. During November all of Pastor Roop's sermons will be part of a series called, "Duties from Deuteronomy." Every church member is requested to join the book of the month club today and read the book of Deuteronomy during November.

You can see the portrait of Dorian Gray. It's in the work of Ivan Albright, Chicago artist, at The Art Institute of Chicago, October 30 to December 27.

SCIENCE CLUB SCIENCE FACT # 3

Two Princeton University scientists have recently provided an answer to the question of how fast the U. S. land mass is being washed into the sea. Their calculations show the average land surface is being lowered 2.4 inches per 1,000 years by solid and dissolved material being carried away by U. S. rivers.

These results were based on a careful examination of annual records of suspended sediment in the country's major rivers, compiled by the U. S. Geological Survey and the U. S. Army Corps of Engineers. The highest erosion rate, 6.5 inches per 1,000 years, is found in the Colorado River basin; the Mississippi is eroding at the rate of 2 inches per 1,000 years.

We don't have too much to worry about, however, since the average height above sea level in the U. S. is 2,300 ft. At the present rate it will take 11 to 12 million years to cover the U. S.

Garden Editor's Notebook

LUDVIG PETERSEN

- BARBERS CORNERS NURSERY

It would be impossible in the space which can be devoted to gardening interests to discuss all the deciduous trees and bushes available and desirable for our neighborhood, so we shall only mention a very few and hope that we later will find opportunity to enlarge the list.

In the group classified as Shade Trees the Maple surely holds the number 1 position. There are so many types of Maple that there is one for almost any requirement of a tree that can be advanced.

Do you live in a new treeless subdivision and want something green and shady in a hurry? There is nothing like a Silver Maple (*Acer saccharinum*). In a relatively short time, say 5 to 10 years, it will grow into a beautiful tree with a nice shape and a shady spot underneath for a hammock or a lunchtable. It will eventually attain a height of 60'-70' or more, but when it does it is not so nice anymore. The wood is brittle and easily broken by strong winds, causing a straggly, irregular tree. So, for quick effect it is all right to plant a Silver Maple, but next to it you should plant something with a more endurable beauty; there are many Maples meeting this demand. They are slow getting there, but they will be beautiful when the Silver Maple is an eyesore, if a tree can ever really be an eyesore. There are especially 3 Maples to consider: The Norway Maple (*Acer platanoides*), has large green leaves turning yellow in Autumn, excellent form, dense, compact growth, but a very slow grower. The Norway Maple also has 2

variations to consider; one is the Schwedler Maple, which has rich, bronze colored leaves in the spring, changing to dark green in summer. The other is the Crimson King Maple which has maroon-red foliage, keeping the color thru the entire summer.

The Sugar Maple (*Acer saccharum*) is one of the most beautiful shade trees. The spreading branches form a broad symmetrical top which turns to golden and orange in the Fall. It grows into a big tree, but it takes many years.

Of the many Maples available we shall only mention one more, the Siberian Maple (*Acer ginnala*). This does not grow into a tall tree like the other Maples. It only reaches a height of 15'-20'. It is a very bushy shaped tree with branches from the ground up. Its great appeal is its brilliant red coloring in the fall which surely makes it a sight to remember.

Ash (*Fraxinus*) is a very attractive tree to plant. It grows reasonably fast into a well-shaped, handsome tree without the weak branches which often mar the fast growing trees by breaking off in storms. Ash in the wild is often found in or around swamps. It should prove a very desirable tree in our neighborhood, where the solid clay often provides such poor drainage that many other trees and evergreens often die because of having wet feet.

There are several varieties of Ash but the variations are not as wide as, for instance, the Maples. The Green Ash is probably the most attractive for the garden.

Linden or Basswood (*Tilia*) is a handsome tree of good habits and a comparatively rapid growth. It is an excellent shade tree. It is often found along streets and avenues where a row of Linden are hard to beat, but they are also a very desirable tree for the garden. It may eventually grow into a 90'-100' majestic beauty. Of the several Linden, 2 are commonly grown in the garden; the American Linden (*Tilia cordata*) with small leaves and fragrant yellow flowers in June or July.

Oak (*Quercus*). Who does not know and love the beautiful, old Oak trees we see around the country-side. The Oak's longevity is surpassed by no other ornamental tree, and its ornamental value by few. Unfortunately the Oaks are also quite slow growing trees. By far the most are evergreens, but not hardy here; however, the Oaks we can grow, although not evergreen, keep a lot of their yellow and brown leaves throughout the winter and thereby create a distinctly different picture from most other trees. The 2 fastest growing Oaks are the Red Oak (*Quercus borealis*) and the Pin Oak (*Quercus palustris*) which are both very desirable trees growing up to 70'-80' high. Both trees get reddish leaves in the fall.

There are 2 more fast growing trees that must be included in this list. The Chinese Elm (*Ulmis parvifolia*) and the Sycamore (*Platanus acerifolia*). We have not been too successful with the Sycamore around here, but if anybody wants a large tree in a hurry, the Chinese Elm can not be beaten, it is a fine looking tree, but the branches break easily on the old trees. Unfortunately the American Elm is out of consideration at present due to the Dutch Elm Disease.

Prince of Peace Lutheran Church

Members of Prince of Peace Lutheran Church of Woodridge will attend a Church Day on Sunday, November 1st, at 3:00 p.m. at Downers Grove High School. This unusual event patterned after the famous German "Kirchentag" movement is one of twelve being held on successive Sundays in Illinois and Missouri under the auspices of the Illinois Synod - The Lutheran Church in America. The Rev. Robert J. Marshall of Chicago, president of the Illinois Synod will be the featured speaker, talking on "Whose Church Is It?" Panel Discussions will be led by laymen, who will give speeches on the subject "How Do I Find My Place As A Christian" in the areas of home, community, vocation, congregation and church auxiliaries. Walter Henk will represent the church in a dramatic sketch entitled "What Is The Church?" Children and youth will attend special sessions after the mass rally.

This Church Day is under the direction of the Rev. George Bernard, Dean of the West Chicagoland District. The Rev. George Bernard resides in La Grange.

HALLOWE'EN

Big Chief Hallowe'en left his clannish pumpkin totem pole at the Woodridge Village Hall reservation. Smile as you go by, compliments of the Woodridge Garden Club.
