## REDMOND APPOINTED

### Unity Party Formed

The Unity Party of Woodridge, formed in the fall of 1964, a completely new and unaffiliated group, is announcing its platform and slate of candidates for the April 1965 election.

Some of the reasons for the formation of the Unity Party of Woodridge and its entrance into village politics are expressed in the following platform:

1. Build respect for the governing body by mature and intelligent representation.
2. Create an atmosphere of community cooperation and harmony for progress.
3. Planned zoning (for today, tomorrow and the future).
4. Purchase of water works when feasible.
5. Establishment of a Park District.
6. Vigorous promotion to bring in desirable light industry

CANDIDATES FOR UNITY PARTY,  
L. TO R. BOB STEWART, KEN BRUNDAGE, DICK ROMAN,  
GEORGE ALEXANDER AND JERRY JEDRZEJAK.

to reduce tax burden on homes.

7. Village Clerk will establish convenient daily hours at the Village Hall.

8. Improved communications between the Board and Village Residents.

9. Selection of the best qualified personnel for appointive village positions on an open competitive basis.

Individual points of the Unity Party Platform will be further developed in subsequent issues of the WOODRIDGE NEWS.

To carry forward the aims of the party, the following people were selected as candidates for office; Kenneth Brundage, 7849 Deerfield, Mayor; Ginger Swierbinski, 2934 Forest Glen, Village Clerk; Richard Roman, 7621 Sprucewood, Trustee; Robert Stewart, 7800 S. Catalpa,

### President Pro tem

The Woodridge Village Board has concurred in the appointment of Ed Redmond as president pro tem of Woodridge, filling the vacancy created by the resignation of Bill Roberts.

Trustee Robert Renaud, who was named chairman pro tem of the village meeting Thursday evening, occasionally prompted by Village Clerk Faye Hoffman, chaired the board through their official acceptance of Robert's resignation until the swearing in ceremony of Ed Redmond.

Ed has been serving the village as Trustee since April 1963 when the Citizens Action Party (C.A.P.) swept into office.

Born in Detroit, Michigan; his family then moved to Oak Park, Illinois. Ed graduated from Oak Park High in 1952 and promptly enlisted in the U. S. Coast Guard. In 1956 having served as electrical technician he left the Coast Guard and was married. Receiving an

### VILLAGE PRESIDENT, ED REDMOND, ISSUES POLICY STATEMENT

Immediately after assuming the office of president of the Board of Trustees at Woodridge the new village president issued the following policy statement:

"I assume this office without false illusions as to the difficulties that will face this administration. The village has been mismanaged from this office. The Woodridge real estate tax rate is more than 150% higher now than it was in 1960. I am confident that the people recognize that it shall not be easy to patch up a broken egg in four short months.

I assume this office fully aware that many of its officers have not hesitated on occasion to act unmanly; and consequently, shaming the name of Woodridge and its fine residents. We repudiate this ugly conduct as totally unrepresentative of the people of Woodridge who have dedicated many hours of effort to their churches, good government, and their civic and social organizations. We shall accept our victories with humility and should there be defeats, with grace.

I assume this office also fully aware that it has been used as an instrument in an attempt to establish and consolidate a political machine in Woodridge. I repudiate political bossism.

We shall welcome the advice and counsel of all citizens, and we shall encourage them to contribute their talents to the village government. To maintain economy in the government and to maintain taxes at a reasonable level, we will need the services of all public spirited citizens. We are fully aware that they will come for-

## Public Hearing Jan. 16

A tentative public hearing has been set up for Saturday, January 16th at 1:00 p.m. at the Woodridge School Auditorium.

The purpose of this hearing will be to determine whether the citizens of Woodridge are desirous of paying the John Rot Disposal Service an additional \$1.50 per quarter to pick up papers rather than to burn them themselves.

At the present time papers are not supposed to be put in your garbage cans. Village ordinance states that papers be burned in a wire container. Several times a year the Boy Scouts pick up papers left at the curb on pre-designated days.

If the general consensus of opinion at the public hearing is to pay the additional monies; and if the board of trustees agrees with this consensus as being the wish of the majority of the people; and if it agrees this is better than burning, all residents will pay the additional money.

The purpose of a public hearing is to determine the wish of the people. To make your wishes known on this matter that will affect all residents of Woodridge, attend Saturday, January 16th at the Woodridge School.

Trustee; Gerald Jedrzejak, 7843 Deerfield, Trustee; George Alexander, 2613 75th, Trustee.

A picture and background history of each candidate will be published individually in later editions.

## Classroom Capers

WOODRIDGE SCHOOL  
*Shifra Werch*

The basketball season has begun and spirits are high for Woodridge won their first game, Thursday, December 10th we beat Palsades 19-18. Members of our victorious travelling team are John Norducci, John McNabb, Ken Burns, John Haraski, Chester Johnson, John Tucker, Rick Swanson, Bob Alteri, Russ Przybylski and Tom Riha.

Cheering the boys on are cheerleaders, Donna Dreveny (the captain), Linfa Goluch, Ginger Garr, Sue Miller, Barbara Oleskey and Sue Gilbert.

Our next game is January 6 against Lace and January 12 we play Maercker.

The 8th grade now has \$711.00 in the bank; earned from the various fund raising activities held so far. But more is needed and your help is requested to get them to Springfield. The class also sends their thanks for help already given.

In the "oops department," Linda Goluch and Kathy Thompson were left out of the chorus list in the article about the music festival.

# BOARD NEWS

Trustee Walter Hansen, speaking as chairman of the building and zoning committee, officially stated that no further new residential construction permits will be issued in Woodridge. 1,000 building permits have been issued by the village and until the state of Illinois has an assurance that the Woodridge sewage treatment plant is sufficient to service more than that number of homes, building permits will be held up.

The Board concurred with Trustee Hanson. In actuality, an examination by the Woodridge News of correspondence between the State Sanitary Water Board and the Woodridge Sewer and Water Company shows that the State had originally set the figure of "1000" in relation to occupancy permits. Having issued 1000 building permits does not necessarily mean that 1000 occupancy permits have also been issued. Nor does the state necessarily mean that the sewerage treatment plant can not handle more than this.

In a letter written to the Woodridge Sewer and Water Company, dated Nov. 25, 1964 (the same letter which was read at the Board meeting) the State Sanitary Water Board asked that a pond be excavated to handle the possible overflow which might bypass the sewerage treatment plant. The letter also shows that the State was aware, at that time, that plant expansion would be started and stated that when progress on this expansion could be shown, they (the State) would recind the 1000 limit on occupancy permits. At the present time the suggested pond has been excavated, construction on the expansion of the sewerage treatment plant has progressed.

When queried on this matter Mr. Albert Kaufmann, President of Surety Builders could not understand why building permits would be held up as, "it is occupancy permits the State refers to," said Kaufmann. A check made the morning of January 8 shows 878 water connections (which represent occupancy) made in the entire Village of Woodridge.

Police Chief Joel Kagann, in his summary and analysis of the activities of the Police Department, considered the year 1963 to 1964. Although juvenile complaints increased 78%, there was a 33% decrease in juvenile arrests.

18 obscene phone calls were reported last year whereas none were reported in 1963. Major crimes showed the largest increase percentage wise -- burglary 700%, larceny 400% and battery 900%. Tickets for speeding and stop sign violations decreased, while driving while intoxicated was on the rise.

Police manpower, including full and part time officers, now stands at 12, in addition to the crossing guard stationed at 75th Street during school hours. Officers handled 1,000 station complaints, 51 auto accidents, recovered two stolen cars and made 93 arrests during 1964, in addition to issuing traffic tickets.

## VILLAGE ELECTION PETITIONS

The opening date for filing petitions of candidacy is Tuesday, January 26. Petitions are filed with the Village clerk, Faye Hoffman, at the Village Hall during her regular business hours.

The closing date for filing petitions is Tuesday, March 2.

At present the village clerk, is looking for residents to serve as judges of election, on Tuesday, April 20. In order to become a judge of election for this village election, interested parties should contact the Village clerk, Mrs. Hoffman at WO 9-4910 or in person at the village hall.

### CLERK'S OFFICE HOURS

Tuesday through Thursday - 9 AM to 4 PM

Saturday - 9 AM to 12 Noon

For your added convenience the office will be open Tuesday evening from 7 to 9 PM.

Vehicle and Dog licenses for 1965 are now available. The deadline for these licenses is midnight February 15.

In order to obtain a dog license, a rabies certificate not more than one (1) year old, must be presented.

A certificate of spaying must also be presented in order to obtain a \$3.00 spayed female, dog license.

# Let Contract for Winston Swim Club

PAGE 3

Construction of a private swim and cabana club for residents of Winston Hills, new Winston - Muss Corporation community in suburban Woodridge, will begin in February, it was announced by Joshua A. Muss, vice president in Chicago for the building firm.

Completion is scheduled for Memorial Day, he said.

A contract for construction of the swim club has been awarded to Morris Handler Co., Inc., Chicago.

The \$200,000 project will include an "L"-shaped, Olympic-size swimming pool with twin diving boards; a separate, circular wading pool for youngsters; and a 120 by 40 foot clubhouse, including dressing rooms, a meeting hall for com-

munity gatherings, and a restaurant.

The pool will be 82 feet long by 40 feet wide at the base of the "L", Muss said, and 75 feet long by 35 feet wide vertically. The children's pool is 20 feet in diameter.

The swim club, which also will provide lounging areas for non-swimmers, will be located just off Hobson Road at Woodridge Drive, a quarter-mile east of Illinois Rte. 53, in what will be the center of the 1,850-home community.

Winston-Muss now is showing five model homes in Woodridge, ranging in price from \$18,900 to \$24,850. The models are on Rte. 53, three miles south of Lisle.

## Curtain Call

BY NANCY DAU CHAMPION

A critic is supposed to criticize, but I could find no criticism to make, constructive or otherwise, about the acting in the Candlelight Dinner Playhouse's presentation of "Arsenic and old Lace."

Deviating from our usual rounds of little theater in the area we took a hop, skip and jump to the playhouse. Actually it was a mere 30 minute drive via Rt. 66 and the Southwest expressway.

Everything about the sojourn was different. First of all dinner is included in the price of the tickets. Secondly, the stage is set on an elevator which rises into the middle of the dining room. In this way you can enjoy your favorite drink and/or cigarette during the performance of the play.

Through the marvelous medium known as television most of you are probably familiar with the plot of the play via the old movie of the same name starring Cary Grant.

Needless to day, it is one of the wackiest comedies ever written.

Showing an abundance of talent in the role of Mortimer, the poor befuddled nephew who suddenly discovers that his dear sweet old aunts commit murder as a hobby, Ron Masak really leaves them laughing.

The larcenous pair of conivers was delightfully portrayed by Gertrude Berman as Aunt Abby and Lolly Traucht as Aunt Martha. Who could help but fall under the spell of that "saintly" pair. I think I'd still chance a sip of Elderberry Wine if they offered it.

Charging up Sam Juan Hill, and digging the locks for the Panama Canal kept William Munchow as Teddy "Roosevelt" busy, but not too busy to endear himself to the audience, as much as to his "family."

Pulchritude as well as talent was lent to the play in the person of Judy Collins as Elaine, the very confused fiancée' of Mortimer.

Each member of the supporting cast did his part to make the play the success it was.

Remember, Laughter is a thing called "Arsenic and Old Lace" at the Candlelight Dinner Playhouse, 5630 S. Harlem, Summit, telephone GL 8-7373.

## WOODRIDGE METHODISTS

We will welcome to our pulpit on Sunday January 17th Rev. William Watkins, Pastor of the Crarer Memorial Presbyterian Church. Bill Watkins is an old friend of the Pastor of our church, Rev. Siple. We are delighted to have this opportunity to have Bill bring us a message of inspiration that we know he is capable of doing.

Worship and Sunday School Service is held at 11 a.m. at Naperville Lincoln Jr. High School on 75th one block west of Washington.

The next meeting of the Commission of Missions will be

### WOODRIDGE SEWER AND WATER CO.

Because of customers complaints the mail box now located in front of Surety Builders Office on 75th Street will be permanently removed. In the future all payments to the company must be made inside the office or mailed in.

January 18th at the home of Joan Kettell. The Commission will begin the study of the book of Ephesians, also Joan Kettell sent 12 Christmas cards to our Missionary's from the Rock River Conference.

The next Official Board meeting will be held Monday, January 11th at 8 p.m. at the parsonage.

## Disassociated from C.A.P.

At Thursdays Board meeting Mrs. Hoffman announced to the press that henceforth she will be disassociated from Citizens Action Party. In a statement released by Mrs. Hoffman she said.

"In every day matters concerning the people of the village, in practise, the village clerk is "the village" and all who deal with the village, whether they are buying a dog license or registering as a salesman, or just asking for information, receive their first image of Woodridge and the people who live here from the village clerk and her office.

It is my personal conviction that everyone who enters the clerk's office should be served on an impartial basis without political prejudice for one party, one group, or one builder. During the past two years that I have served as clerk for the village of Woodridge, I have often been faced with this problem of trying to serve all the people who have come into my office on a non-partisan basis while fulfilling my responsibilities to the political party on whose ticket I was elected. This problem has brought about much personal soul searching.

My conclusion is that I can best fulfill the needs of the community without political prejudice by resigning as a member of the Citizens Action Party and asking that the citizens of Woodridge re-elect me as their village clerk on

Faye D. Hoffman,  
Village Clerk.

April 20th as an independent candidate."

## Announce Forthcoming Marriage

Mr. and Mrs. Robert Bush, 2645 Forest Glen announce the forthcoming marriage of their daughter Kathy, to Mr. Gordon Wood, son of Mr. and Mrs. Leon Wood of Elmhurst. The wedding will be at St. Joan of Arc Church, Lisle on January 9 at 3:30 PM.

Among the pre-nuptial parties held for the bride was a miscellaneous shower held at Andy's Steak House. About 40 people attended the shower which was co-hosted by Pat and Barbara Lestak, cousins of the bride.

The rehearsal dinner was held at the home of the bride's parents.

The Women's Missionary Society will meet on Jan. 12th at 8 p.m. at the home of Betty Phillips, 7718 Butternut Court in Woodridge.

The time will be given over to a reevaluation of the Aims and Purposes of the group.

January 10th during the 11 AM worship service Pastor Roop will present all the officers and workers to the church for the coming year, and this will be a dedication service for all the workers.

# "Chit - Chat"

MARY CATHERINE HIMES

The holidays have come and gone and we hope everyone enjoyed them. The activities were numerous and many people entertained relatives and friends or spent part of their holiday away from Woodridge.

About 20 Brownies from Troop 196, Leader Mrs. Glunz, went carolling on December 23. Halfway through the evening the girls were invited into the Jeffrey home, 2958 Jonquill for hot chocolate and each received a candy cane from the Jeffreys' tree.

The 4-H group were around the village on Monday evening December 21 singing carols.

The Methodist Church Choir were also out carolling on December 21. The group of 15 were still very refreshed by the end of the evening due to the fact that they rode on a hay rack. A special stop was made at the home of Mrs. Crowley, 7843 Catalpa who is recuperating from her recent hospital stay. The choir adjourned to the Gulbrandsen home for an egg nog party.

We thank all of those who took the time from their busy schedules to help spread some Christmas cheer with their songs.

Get-togethers of one kind or another were very much in evidence over the holidays.

Donna and Jack Schauer, 7664 Willow entertained at a pizza party on Christmas Eve for several of their neighbors.

The John Peacock's 7671 Willow had a party December 26 for neighbors from the area. We understand the party was quite a success and everyone was quite enthusiastic about the way in which the Peacocks have transformed their basement into a south seas paradise.

About a dozen ladies enjoyed a cookie exchange at the home of Mrs. Emily Szczepaniak on Tuesday, December 22. The ladies also enjoyed a few lively games along with their cookies and coffee.

Mrs. Chenzie Narducci had a little get together for some of her friends to show them the fine art of making chinese egg rolls. Now that's a switch from ravioli, Chenzie.

Woodridge was the scene of

many holiday gatherings of families and friends.

Jack and Kay Green, 2940 Jonquill hosted Kay's parents, here from Michigan for the holidays.

Norma and Al Schirmacher, 7624 Willow entertained Norma's mother, Mrs. Frances Mawhinney and her sister Dorothy Seward from Delavan, Wisconsin for Christmas.

Phil and Izabelle Amoroso, 2932 Everglade welcomed Iz's cousin, Mrs. Kathy Grenda from Colorado here for a visit.

Joyce and L. J. Schreck entertained Joyce's parents, Mr. and Mrs. Abbott visiting from Kentucky.

While people came to Woodridge to visit, others went out of town.

Pat and Flo McCarthy and their sons, 7651 Walnut went to Springfield to visit relatives.

Darryl and Joan Smith and young Steven, 7651 Cataipawlew to Minneapolis to visit with Joan's parents, Mr. and Mrs. A. L. LaMotte.

Derrell and Phyllis Brame and their sons, 2951 Jonquill visited with relatives in Centralia, Illinois.

Helen and Glenn Zuber and their children travelled to Michigan for their Holiday visit.

Two sets of grandparents were able to share their holidays with both their children and grandchildren when Pat and Joe Bertrand and their youngsters travelled to Springfield for the holidays.

While some people visited Woodridge and other went out of town for the holidays some took up permanent residence here.

Annette Theresa Farano became a permanent part of am and Joyce Farano's life when she was born December 15 at Hinsdale hospital. Annette weighed 5 lbs, 8 1/2 oz. at birth. Awaiting their new sister's arrival at home were Sammy 6, Charmayne 4, Kimberly 2 1/2 and Michelle 1 year old. Happy grandparents are Mr. and Mrs. Helm of Hinsdale and Mr. and Mrs. John Peshel of Chicago.

Congratulations also to Mr. and Mrs. Donald Rice, 7535

Larchwood on the birth of their son, Michael Ronald. The baby weighed 5 lbs, 10 oz. at birth on December 18 at Hinsdale hospital.

Get well to Mr. Leonard Pfaff of Janes Avenue who was injured in an auto accident last week. We hope you will be up and around soon.

Our sympathy to the family of Mrs. Alice Pfaff, 8204 Janes Avenue who was killed in an auto accident on December 29. She was a long time resident of the area and will be remembered by her family and many friends. Burial was from St. Scholastica Church on January 2.

# OOPS...

We really goofed. Last week we listed the winners of the Christmas Home Decoration Contest, and showed one of the winners as The Gene Deemans on Crabtree, believe it or not, we were talking about The Gene Beemans on Chestnut. Our apologies.

**REDMOND'S POLICY STATEMENT**

CONTINUED FROM PAGE 1  
ward only when they are reasonably certain that to do so they need not sacrifice their personal dignity. Political bossism must never be permitted, for it leads to arrogance, government inefficiency, and eventually corruption.

I assume this office fully aware that there is no representative from the Winston Hills or Highlands area on this board. We look forward to an early date when the people of this area, many possessing great talents, will be serving in all phases of village government. In the meantime, however, we shall conduct this administration with their interests and aspirations also in mind. We are all in the same family.

I assume this office fully aware that many of our neighbors are confused about the relationship that should exist between developer and village government. It has always been my policy, and it shall remain the policy of this administration, that the village government is a partner -- not a slave nor a master, but a partner -- in the growth and development of Woodridge. The taxpayer must not be saddled with taxes for costs which should be properly

and fairly borne by the developer. I reject the solution that in order to maintain harmonious relationships with developers the tax payers must be saddled for costs which he has no business paying for in the first place. We shall continue to promote the growth of Woodridge through continuous business negotiations.

Time is short; much remains to be accomplished, and the road is steep; but with your help, and with your prayers, we are proud to accept the challenge; and with humility, confident of success. Thank you."

**J.C.s Handle License Plates**

The Jaycees are conducting a license plate service for the benefit of Woodridge residents. You can order your 1965 State License Plates from the Woodridge Jaycees, and they will deliver them to your door. Plates will be on sale at the Village Clerk's office Village Hall, every Saturday afternoon, 12 noon through 4 PM.

The funds earned on this project will be used for two purposes. The first is the establishment of a memorial scholarship fund in honor of member John Howie who was killed in an auto mishap this fall.

Secondly, funds are needed to conduct a community wide

## SCHOOL IN EARLY STAGES OF PLANNING

This private school is now being planned as stated in last weeks WOODRIDGE NEWS in hopes that it will be organized and completed before this summer. In order to move further in the establishment of a more detailed proposal we must have the census completed. If you are at all interested in the basic foundation and idea and if you believe it will benefit the community and especially your children, please send your name, address, number of 3-5 year olds, and the time preferred (a.m., p.m., or full day) to 5606 S. Kensington, La Grange, Ill. The half-day program is highly recommended over the full-day. This is not a commitment--just a census to give us an idea of the communities' need.

Advised by Allan G. Hedberg A.M. (who has not yet committed himself to this program), instructor of Child Psychology of Adjustment, Social Psychology, and Advanced General Psy-

chology at Wheaton College (receiving his B.S., A.M. at Northern Illinois University) and by the Montessori School of Hyde Park 4770 S. Dorchester, the selected teachers will be professionally counseled.

Mr. Roy De Shane, DuPage County Supt. of Schools assisted me with a supplemental lists of available teacher applicants for second semester 1964-1965 with Illinois State certification seeking employment in DuPage County. They are: Margaret Dunlop B.A., Gwen Hutton B.A. 1 year, Mrs. Virginia King B.S. (special art) Kindergarten-14 years, Patricia Magnuson B.A., and Mrs. Rosalie Wycoff B.S. 5 years. We will also interview at Chicago Teachers College and various Universities in this area to select the best qualified teachers.

As administrator I do not have experience in Kindergarten-Nursery school teaching. My four years at Western Illinois University were in Secondary (high school) education. However, I have had courses in child psychology and be-

havior dealing with case studies and observations. Also assisting me is my wife Susan who spent two years at St. Petersburg Junior College, St. Petersburg, Florida and the remainder of her college education at the University of Tampa, Florida, and Western Illinois University, Macomb, Illinois. She taught third grade (Language arts, reading, science, social studies, and art) in Tampa, Florida, and Kindergarten in the Louisville Catholic School System, Louisville, Kentucky.

We sincerely hope that an interest will be created in this program and that the community will give us their support as it is well understood that this program is drastically needed.

Private kindergartens and nursery schools are considered "child care centers" and as such are subject to the requirements of the Child Care Act found in chapter 23, sections 2301, 2329, Illinois revised statutes. Being referred to the Illinois Department of Children and Family Services

by N.E. Hutson, Legal Adviser for the state of Illinois office of the Superintendent of Public Instruction, and the state Department of Registration and Education, we are in the process of receiving applications, regulations, building codes, and minimum standard in regards to the private kindergarten-nursery school being established near Woodridge.

The Institutes for the Achievement of Human Potential at Philadelphia and Whitby School at Greenwich, Connecticut (the oldest Montessori school in the United States) are being referred to for the most modern techniques of presentation of reading, language skills, and other tasks which up to now have been considered advanced for preschool children.

With the help of Mr. J. Kwasek, Principal of Monroe School in the Hinsdale Public School system, we are looking for quality equipment and supplies from Beckley-Cardy Co. in Chicago; Community Playthings in Rifton New York; American Seating in Chicago; and Heywood Wakefield.

DOROTHY ZUEHLSDORFF

Here we are, beginning a new year -- and with a new year comes new year's resolutions, such as --

### ARNOLD DRIVE

Lois Jordon said she wants a brighter outlook on things in 65. Her husband Art said he is going to love em all. (This is a big project Art, but if you start right away you should make it by next New Years.)

Pat Kenwick - Says she wants to lose weight in 65.

Lillian Provancher - say's she wants to continue to be as sweet as she is.

Rosemary Fink - Say's she does not want to make any more New Year's resolutions and her husband Arthur said he is going to try to get up when he is called.

### DEAN DRIVE

Barbara Zickey - Wants to lose weight too.

Marge Pucci - And her husband Leonard - Just want to stay healthy.

### MARSHALL DRIVE

Florence Champion - Would like to bake bigger and better

cookies this year.

Bernice and Robert Devereux feel they would like to accomplish more this year than they did last year.

Jacque Hunnicutt say's she never makes resolutions. BRADLY DRIVE

Darlene Van Der Way said she wants to try and be a cheerful soul.

Rosemary Barrett wants to try and have the best yard in Winston Hills.

### CLARK DRIVE

Gretchen O'Hara said she will try and not beat her children more than once a day in 65.

Too bad Dean Drive doesn't have their own doctor close at hand since he would be the busiest one in town. We are so sorry to hear of the accident to the Gary Jenkin's family of Dean Drive. Their daughter, India Kim, 3 yrs. old, swallowed a bottle of sleeping pills and is in Hinsdale Hospital. Latest report is that she is still unconscious. Our prayers are with you, India and Gary.

\*\*\*\*\*

New Years Eve, Ron Edwards of Dean Drive was taken to the hospital with Bronchial Pneumonia. He is at Edward Hospital in Naperville.

\*\*\*\*\*

Robert Dunn of 63rd Street, was taken to the hospital January 2, with an ulcer. He is in Northwest Hospital in Chicago.

\*\*\*\*\*

We were sorry to hear that John Molonari's father was rushed to the hospital with a stroke. John is just recently out of the hospital himself and was the first hospital case on Dean Drive. His father is in St. Annes Hospital in Chicago.

\*\*\*\*\*

Well, for some it looks as if 1965 has already gotten off to a bad start. In spite of this, let's try to be optimistic about the rest of the year and keep our chin's up. It's all part of life and should make us better people and neighbors.

\*\*\*\*\*

Congratulations!! To the Jeff Hunnicuts of Marshall Drive for

giving us a most delightful New Years Eve Party. It would be quite a feat to try and top it. Your reporter and her husband had a wonderful time!

\*\*\*\*\*

I almost forgot my New Year's Resolution -- I would like to improve my column, be a good neighbor, a sympathetic friend and above all, never forget to thank God each day for the Blessings he has bestowed on my family and me.

See you next week!

## Woman's Club

Beginning with the January 26th session of the Woodridge Woman's Club will hold its regular meeting night on the 4th Tuesday of each month.

It was thought that this date would prove more convenient to members and to those women interested in joining the club as this new date does not conflict with the meeting night of any other organization in this Village.

### Woodridge Churches

**REDMOND APPOINTED**

CONTINUED FROM PAGE 1

Associated Arts degree from Wright Jr. College he went on to Beloit College, leaving there in 1960 with a B.A. degree.

Before moving to Woodridge in 1961 Ed and his family lived in Downers Grove where he teaches English. Gracing the family home at 7631 Catalpa, in addition to his lovely wife Carolyn, are two daughters, Susan 6, who attends the Woodridge school and Julie, pushing 3. The family attends the Congregational Church in Downers Grove. Between working for his Masters Degree and village matters Ed finds little time for his hobby, tennis and swimming.

Ed has indicated that he will, in the April election, run under the C.A.P. banner for the office of Mayor.

**A DREAM COME TRUE**

For many Woodridge residents and those in the surrounding areas, Christmas Eve was more than the beginning of the holiday season. It was more like a dream come true, for at midnight on Christmas Eve, the first Mass was celebrated in St. Scholastica's new church. The church was filled to capacity with people who had come to worship God in these new and inspiring surroundings.

While the children were in temporary school quarters, our church services were held in the Woodridge school gym, thanks to District 68 school board.

In April 1963 a fund drive was started to acquire money for our future buildings. Through the generosity of many, both money and time, we were able to reach more than our estimated figure for building costs.

Ground for the 8 classroom

and church was broken in February 1964.

The classrooms were occupied by the present five grades right after Thanksgiving 1964.

All of the children, faculty, parishioners and Father John were thrilled to be in our new buildings, but our real joy came when our first Mass in the new church was celebrated on Christmas Eve.

It was only through many hours of hard work, many peoples time and money and through the Grace of God that this was accomplished.

**CHANGE IN ST. SCHOLASTICA SERVICES**

Confessions - Saturday 4 - 5 PM 7 - 8:30 PM

MASSES - SUNDAYS - 8AM - 10 AM - 12 NOON

HOLY DAYS - as announced.

Confessions, Masses, Baptisms and marriage now take place in the new church.

**ST. SCHOLASTICA**

**MEN'S CLUB**

Communion Sunday for the Men's Club will be January 9 at the 8 o'clock Mass, Wednesday, January 13, the regular meeting will be preceded by a demonstration on the use of power tools. A representative of Sears Robuck and Co. will be on hand to demonstrate and answer questions. Remember 8 p.m. -- January 13 -- St. Scholastica.

**"Your Chief Says"**

"Too many drivers using streets in Woodridge and the surrounding areas are driving with parking lights in violation of Illinois law," said Chief Joel A. Kagann, who warned that violating drivers and bicyclists who fail to obey Illinois will be cited.

The new law provides that drivers must use their headlights not only during the period from sunset to sunrise, but also during any other time when visibility is so limited as to require the use of lights for safety.

The State also requires that every bicycle ridden on a street or highway during the period of sunset to sunrise must be equipped with a lighted headlight and taillight.

Bike headlights must be visible for at least 500 ft. and must be white, yellow or amber. The taillight must be red and must also be visible for 500 ft.

"Many drivers apparently still do not realize that the Illinois traffic laws prohibit the display of parking lights on a vehicle while it is being driven unless the driving lights are also turned on," Kagann stated, meaning that drivers may not use parking lights only during the twilight or early morning hours.

"Drivers have been given warnings for violations of this nature as well as bike riders," Kagann said, although tickets will be issued to violators in the future.
