## 'IMAGE' CHALLENGED

### Financial Bind Jaycees Conduct Village Survey

President Edward Redmond issued a directive to all departments, effective immediately, to "curtail expenses to absolute necessities. . . approaching a tight financial period," said Redmond, and we must "move swiftly to stop a financial crisis."

Trustee Diaz as Chairman, Hanson and Renaud as members, were appointed as a committee to investigate and report on governmental expenses.

Redmond stated that he has been asked if the village would consider building a recreation center for the young people of the village. "After fulfilling our promise to the people to build a Village Hall" Redmond said, "we will then consider the center."

Property located on the northwest corner of 75th and Janes Road will now be appraised as a site for the future Village Hall.

### Scouts

Cub Scout Pack #104 will feature a Space Rocket Derby at the Jan. 26th Pack Meeting which will be held at the Woodridge Gym at 7:15 p.m. Rockets were presented to the Cubs at the Christmas Party. Fathers and sons have been busy assembling these kits. Cubbers should arrive early so that their rockets may be inspected and registered before the meeting starts. Awards will be made to the winners.

At their Jan. 15th meeting, our Woodridge JAYCEES worked on their final draft of the community survey. This survey is expressly designed to find out what Woodridge citizens really think about our community and its problems.

Step number two will be formal approval of the Woodridge Junior Chamber of Commerce's members on the exact wording of controversial questions. Member's will receive copies of the survey as it now is written. Changes will be made and printed copies distributed to every home in the village by the middle of February.

According to Pres. Wes Kasonic, the survey is completely anonymous. The survey forms will be distributed to everyone and will include a covering letter of instructions, and a postage paid return envelope. All persons filling out the survey will mail them to the JAYCEES. Since they are not signed, and no address will be on them, no one will ever know who filled them out. In this way the JAYCEES hope to learn true opinions.

Chairman Darryl Smith is commended for his hard work in putting the survey together. This is the most exciting project the JAYCEES have tackled since their formation. With this survey we will be better able to serve Woodridge and its residents by knowing in what areas we can work projects and plans to benefit everyone.

PRESIDENT EDWARD REDMOND AND VICE PRESIDENT OF THE WOODRIDGE JAYCEES, JOE WOLLNEY AS THE VILLAGE PRESIDENT HONORED THE JAYCEES DURING NATIONAL JAYCEE WEEK.

### Fire Dept. Briefs

The Woodridge Fire Association wishes to congratulate Mr. W. E. Richey on his election to Lieutenant of the Fire Department. Mr. Richey resides at 2541 75th Street with his wife Nancy and their three children. Also our regrets in losing Lt. Leroy Smith who resigned. Mr. Smith has served as Lt. and Secretary for four years. Mr. Norman Krafchak was elected to the Board of Revue and will take his place on the board with Captain Henry Wilgus and Blaine Corriveau as of January 10, 1965. Captain Wilgus is looking for firemen who would be available for day duty. If you are interested and have time to contribute in this community function get in touch with Lt. Gene Richey at 964-2564. Uniforms are furnished, drill time is paid plus insurance benefits.

The department will begin intensive drilling on January 18th, and continue every Tuesday thereafter. Please do not be alarmed if you see the fire trucks on the street.

### THE UNITY PARTY OF WOODRIDGE STATES:

"We note with interest the article in regard to Mr. Freeman's Group and their new "Image" for Woodridge. We wonder how it can be that after 21 months of anger, animosity, prejudice and adverse publicity, this group can by a few words change this entire image.

We don't blame them for recognizing the need of a new image, because for almost two years their haggling, antagonism and publicity-seeking has reduced the desirability of living in Woodridge, and has adversely affected the reputation of our village. The latest example of this was our new president Redmond's opening paragraph in his policy Statement which was widely distributed to the press, in which he referred to our community as a "Broken egg".

We have heard of and read the vicious attacks on their opponents by Mr. Freeman's group. We hope, therefore, that Mr. Freeman and his party will abandon "it's traditional high road with a clean campaign", and run on a "proven record of accomplishments to serve the self interests of a few individuals? Do they mean accomplishments of delay and procrastination? Do they mean accomplishments of poor public relations and bad publicity?

We do not believe that the change of one individual can change the old image, since the group which has been in control of the Village administration for the past 21 months has created the image people have of our community. The words do not coincide with the results!

We believe that the citizens of Woodridge are entitled to a

## TOP NOTCHERS

The last meeting of the Woodridge Topnotchers's was held on January 12 at Woodridge School.

Because of a change in the County 4-H Federation constitution, two non-voting delegates were chosen at the last meeting; they are, Willard Bredfield and Betty Balogh. Before, each club was allowed only two voting delegates per club; they acted as members of the 4-H Federation counsel. Now, two non-voting delegates, in addition to the other two, are allowed. They are regular members of the Counsel. They don't have the power to vote, except in the absence of one or both of the voting delegates.

Also at this meeting, three additional members of the recreation committee were chosen. They are Betty Balogh, Frank Mabrey, and Marsha Werch.

It was decided at this meeting to have Mr. Leon Werch speak on ROBT'S, RULES OF ORDER at the next meeting, and at the following meeting to have a demonstration on Parliamentary Procedure.

Three talks were given: Frank Mabrey on "Poker", Linda Wells on "Sheep Production", and Susan Ameruso on "Handicraft."

## Contract Extended

The Village Board, at its regular meeting Thursday, January 21st extended the scavenger contract of the John Rot Disposal Service for 90 days.

The contract had run out December 1964 and the Board at that time granted a 30 day extension, tentatively set-up a public hearing and was forced to cancel that hearing. Some residents had requested that papers be picked up by the Disposal Service rather than burned. A raise in rates had subsequently been discussed.

Trustee Robert Bell cast the only nay vote to this April 30, 1965 extension. He had wanted another 30 day extension and a public hearing set-up as quickly as possible. The Board agreed that there were many facets to be considered and did not approve of extending every 30 days.

## Approval To Build Resting With State

Village Attorney Robert Cox, reported to the village board a meeting he had with the builders concerning the recent building versus occupancy permits.

Cox stated that both of the village builders "had made agreements between each other," as to the number of occupancy permits each would be allowed, so as not to exceed 1,000 hook-ups on the present sewerage treatment plant. Cox said, "Based on occupancy permits (they) were selling and constructing."

Cox petitioned the Board, for the builders, to return to the phrase 'occupancy permits.' "The builders have shown their good will" said Cox by proposing to put up a \$10,000 bond with the Village, saying that they will not exceed 1,000 hook-ups or occupancies.

If this arrangement is satisfactory to the State Sanitary Water Board, the Woodridge Village Board has indicated that they would allow this.

## What My Country Means To Me

PAGE 3

Under the able chairmanship of Bill Robertson, the Woodridge JAYCEES are sponsoring an essay contest in conjunction with Independence Hall of Chicago, Dr. S. L. DeLove, president. The theme of this contest is "What my country means to me."

School children in grades seven and eight at both Woodridge and Goodrich schools are writing essays about our important historical heritage. Our local Woodridge winner's essay will compete in state-wide JAY-

CEE competition in Springfield. The Illinois state winners will receive a free trip to such historical places as Independence Hall, Philadelphia, Pa.; Valley Forge, Pa.; and Washington, D. C.

The Independence Hall program began eleven years ago in Chicago when Dr. DeLove, not an American by birth, felt school age youngsters were not getting enough American history.

Dr. DeLove founded Independence Hall in 1954, for he was

deeply disturbed by the complacency and apathy of the average American toward his responsibility as a sovereign citizen. Thus, he began what was virtually a one-man crusade to focus attention upon our blessings as American citizens, inheritors of the American heritage.

Please phone Bill Robertson (968-6509) if you are available to help judge our local entries. We need your support. Thank you.

## Beau's Byline

Beau Wakelin

Hello again! It has been a long time since I have written this. I hope everyone was very happy over the holidays. I also want to thank the Woodridge News for the nice present they gave me.

The two basketball games we played didn't turn out too well. In the first game against Gower they beat us 32-16. That game was a good game. Our center, Chuck Bill, was doing fine in the first quarter and we only trailed by two points. But Chuck soon had three fouls. In the third quarter Robert Whitney started to break through their line and got some chances for some baskets. I then got into the game, but only made four points. Bill Kettell got the message and together Bill and Robert made a lot of thrills. Then the fourth quarter hit, Chuck, who is 5 feet 11 1/2 inches fouled out. Rodd, who is 5 feet 4 1/2 inches, came in for Chuck. So we had trouble getting the ball.

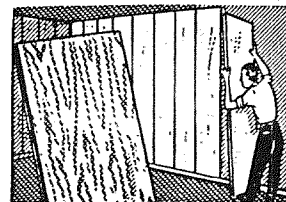

Then came the Maercker game. They were great, and I mean it. They made a great draw play which worked on us. Then they worked their fast break. Poor Bill had to cover two men at once. We tried two men on one but it didn't work. Chuck again fouled out and Rodd came in. They were kind and put in their second and third string. The score was 41 to 15.

About the gym, the tile is being laid. We should be able to play Lace on January 27 at Goodrich. We haven't been able to practice for quite a while... oh well. Till next time.

# Party Platforms and Profiles

GEORGE ALEXANDER MEMBER OF UNITY PARTY, CANDIDATE FOR VILLAGE TRUSTEE.

## UNITY PARTY

### Point 2:

### To Create An Atmosphere of Community Cooperation and Harmony for Progress

This second point in the Unity Party Platform is very important to the candidates. They feel an atmosphere of harmony and cooperation will encourage the willingness of the citizens to take a more active interest in their village government. The Unity Party believes that a cooperative and harmonious atmosphere will more readily attract business and industry. No one wants to jump into the middle of domestic squabbles.

They state; "We, the Unity Party of Woodridge, realize that the progressive growth of the village can only be assured through:

- a) The establishment of a working relationship with all village organizations.
- b) The unifying of the village as it should be and not separate factions working independently.
- c) The invitation of constructive criticism and ideas for progress through neighborhood representatives.
- d) The open discussion and intelligent leadership for the peaceful resolution of all village problems and issues."

### GEORGE ALEXANDER

George Alexander was transferred to Chicago to open the Midwest branch of the Tuition Plan, Inc. The Alexander family moved to Woodridge, 2613 75th Street, in May 1961.

George, through his association with financial and educational institutions, opening and supervising their accounting and bookkeeping departments, has developed his ability to communicate and work with people to get the job done.

Prior to entering the Navy, George attended New York State Agriculture College and furthered his education after his discharge in 1946. He got his first taste of the Midwest while attending the University of Wisconsin.

As a homeowner in Bethpage, Long Island, George served with the school board making recommendations concerning the budget and policies of the board. In his activities with this group he has seen first-hand the problems of both sides of a governing body.

He and his wife are happily affiliated with the DuPage County foster childrens' program.

George, who is 40, spends his leisure time clipping or walking his three poodles. He also breeds and trains dogs, and has found homes for 22 poodle puppies since living in Woodridge. On Friday nights Mr. and Mrs. Alexander join with a group of neighbors for a night of pinochle.

## St. Scholastica

Twenty-five couples from Woodridge met at Sprovers beer garden where they boarded a bus which took them to the hockey game between the Chicago Black Hawks and the New York Rangers. The game left a little to be desired for Hawk fans but spirits were revived when they arrived back at Sprovers where they enjoyed sandwiches and pizza. A few couples limbered up to the bird and a few other type dances.

The next event for the mens club will be a smoker February 10th. There will be refreshments and everyone is welcome, you don't have to be a member of the men's club or of the church to come and have a good time.

A get acquainted coffee sponsored by the women of St. Scholastica's church will be held on Thursday evening, January 28th at 8:30 p.m. at the home of Mrs. Daniel Mahaffey, 7656 Willow Avenue, Woodridge.

All interested villagers are welcome to attend.

## W.W.C. Open House

An "Open House" will be held by the Woodridge Woman's Club on Jan. 26th.

Women who are interested in actively participating in an organization dedicated to the betterment of Woodridge are invited to attend the meeting which will begin at 8:00 p.m. at the Village Hall.

The program for January on the subject of Court Procedure of a Juvenile in Trouble will be conducted by Mr. Ray Klein, Deputy Chief Probation Officer of DuPage County, following which refreshments will be served.

After the program guests will be invited to question members as to the activities and purposes of the Woodridge Woman's Club, a relatively new active civic group in the Village.

Emily and Jerry Szczepaniak celebrated their 10th wedding anniversary on January 17th. Jerry can now add to his collection (??) a squad car, miniature of course, and his mug with a star for Sgt. Szcze-

# High Lights From The Hills

DOROTHY ZUEHLSDORFF

I would like to make a correction on last week's announcement of the two social events coming up on the Winston Hill's social calendar. The Box Social, Feb. 20th at the V.F.W. in Lisle and the Spring Dinner Dance, May 22nd at the V.F.W. in Naperville.

\* \* \* \*

A big HI! to Vivian and Rudy Barschow of Bradley Drive. The Barschow's came to Winston Hills from Chicago's south west side. Rudy is a lathe operator at International Harvester and has been with them for 28 years. They have four children, Joyce 23, works at Commonwealth Edison, Sharon 21, works at Western Federal Savings and Loan, Debbie 17, attends Downers Grove High school and Billy 14, is in the 8th grade at Goodrich school. Vivian has no particular hobby, just wants to keep busy and Rudy likes fishing. The Barschow's claim to be just home-body's and can't imagine having lived anywhere else. They love Winston Hills and said that both the children and themselves have never been so relaxed and happy.

\* \* \* \*

This seems to be the opinion of most of the residents of Winston Hills including the Benes, Pat and Bob of Halsey Court. They came to our Hills from LaGrange Ill. They have two boys Bobby 8, who is in the 3rd

grade at Goodrich school and Billy 5. Bob works for the Telephone Company as an installer and has been with them for 10 years. Pat tells me that she likes to fool around with ceramics and socializing, while Bob loves to putter around the house. They attend St. Joan of Arc church in Lisle and just love it here!

\* \* \* \*

Then on Bradley Drive we say hello to the Smialek's, Walter and Marie, recently from Bensenville Ill. Walter is with the Northwestern Railroad and has been with them for 24 years. They have two adopted children, William 10 1/2 and Arthur 9 years. Both boys attend St. Scholastica School. Walter's hobbies are fishing with the boys and loves all sports, most of all baseball. Marie loves to read and take care of the house and the children. The Smialek family attend St. Scholastica Church.

\* \* \* \*

Had a delightful conversation with Winifred Russel of Arnold Drive. Winifred and her husband John Kent Russell (Jim) are from Oak Park and have three children. John Kent Jr 24, attended University of Illinois, was in the Marine Corps and is now with the Alberto Culver Co. Jerry Russel 21, is an Art Major at Southern Illinois University in Carbondale Ill. Cynthia Ann 8,

attends Goodrich School in the 3rd grade. John Kent (Jim) is Regional sales manager for Zenith Corp. and has been with them for 7 years. His hobbies are golf and fishing, Winifred was active and on the board in Infant Welfare in Oak Park, also was a member of Mary Bartelme Club which was originated by Judge Mary Bartelme, for under-privileged girls. Her hobbies are bowling, fishing and club work. Their many moves before reaching our area were, St. Bend Indiana, Cincinnati Ohio, Atlanta Georgia, Ponta Verdra Beach Florida and Berwin Penn. John Kent was born and raised in Oak Park and their son John Kent Jr. was the 5th John Kent Russell to be born and raised in Oak Park. They love Winston Hills and Winifred hopes to be more active in social activities here.

\* \* \* \*

We would like to extend our sympathy to Charles O'Hara of Clark Drive on the death of his father in Baltimore.

\* \* \* \*

Say folks sorry I brought up that bit about snow last week. Somebody up there must have been listening!

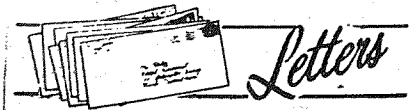

\* \* \* \*

I would like to compliment Shirley Manges on her delightful article last week. Thank you for those kind words Shirley and should you ever get up to

our hills, please stop in and say "Hello" we would be happy to meet you.

\* \* \* \*

Congratulations to our own Lois Jordon! Your first article was interesting and well written. We are looking forward to all your future observations. See you next week!

Dear Editor:

We would like to express our thanks to Chief of Police Joel Kagann and Officer Arndt for their prompt service given to our emergency call.

The Village of Woodridge should be proud of their Police Department with the knowledge that they answer a police call in minutes and very efficiently.

Like any department it is only as good as the head of the department, so thank-you Chief Kagann for a fine police force.

Sincerely yours,

Mr. and Mrs. Arthur Thuerk

## JayCees To Erect Map-Type Directories

The Woodridge JAYCEES were given a "go ahead" by the Village Board, in their plans to put up street directories.

The directories as explained by Joe Wollney, Vice President of the Woodridge JAYCEES, would be about 4 feet high and readable from a car. The proposed map layout of the Village would show not only streets but also mark public buildings, churches and school sites.

Six locations have been proposed by the JAYCEES; Hobson and Wainwright, Woodridge Drive at 75th, Westview at 75th, Rt. 53 at Woodridge Drive, 75th at Janes and Rt. 53 at Everglade.

The directories will be built, erected and maintained by the organization. The reverse side of two directories shall be available to use as a meeting calendar.

Now that permission has been given the JAYCEES will start serious building.
