PUBLIC HEARING FEB. 27 ON DISPOSAL SERVICES

Saturday, February 27, 1965 a Public Hearing will be held at the Woodridge School from 9AM. to Noon. The subject of this hearing is - disposal services.

With the renewal of Mr. John Rot's contract to service the Village of Woodridge there will be an increase of 50 cents per quarter. Presently the quarterly bills are \$4.50, so the increase, which is necessary to defray rising costs over the past five years, will bring the quarterly bill to \$5.00.

The question to be determined at the hearing is: Should the rate be increased an additional \$1.00 per quarter (bringing the quarterly bill to \$6.00) with additional services rendered by Rot. Those additional services would include lifting the present limit of 20 twenty-gallon garbage cans per household. Residents could then put out as many cans as they wish. Twice a year, said times to be announced,

heavy or bulky items would be collected by the disposal service. Items such as, water heaters or chairs and the like. A possible amendment to Ordinance 64-4 may also be involved. This amendment could prohibit all burning of papers and the like within the Village.

According to President Ed Redmond, the Winston Hills Homeowners Association is in favor of prohibiting all burning within the Village and increasing services and subsequently costs, of the Disposal Service. Other residents, said Redmond, have not voiced their opinions on these matters. The ultimate decision, which will be made by the Village Board, would affect the entire village of Woodridge, thereby all citizens. The only way to make your desires known to the Board, is to attend, listen to the arguments ask questions of either members of the Board or Mr. Rot at the Public Hearing on Saturday, February 27.

ELECTION SET FOR 2 SCHOOL BOARD SEATS

An election will be held on Saturday, April 10, to fill two positions on the school board of District #68. These positions are currently held by Mrs. Olga Redfield, board secretary, and Mr. Lewis Benckendorf. They are currently completing a three year term.

A candidate for the school board must be a qualified voter and a resident of the state and of the territory of the district for at least one year immediately preceding his election. He must have a nominating petition signed by at least 50 eligible voters or 10% of the voters residing within the district.

Petitions may be obtained from Mrs. Nejd1 at Goodrich School and are to be filed with Mrs. Olga Redfield, board secretary. The first day for filing nominating petitions is February 24 and the last day, March 20.

Save Our Sight

Don't forget - Feb. 28 is Save our Sight Day at St. Scholastica School between 10:00 a.m. and 3:00 p.m.

The Woodridge Woman's Club is sponsoring the eye and ear screening program in conjunction with the Downers Grove Lions Club and stresses that this is a more involved program than is carried on in local schools so it will be of value to have children checked even though they have gone through a similar program in recent months.

All screening is done under the direction of area doctors who donate their time to this worthwhile cause and if necessary, they will recommend an appointment with your family doctor for further testing.

Residents from age 3 and up should take advantage of the free testing made available to them by their local Woman's Club and any women who are interested in donating their time and effort in assisting in this project as asked to call Mrs. Ronald Ruble at WO 9-2926.

POINT OF VIEW

LOIS JORDAN

Well... last week's Woodridge News proved the first of one of those political rumors to be true. The public record of this rumor makes for a sad situation as I see it. I always wonder why anyone with any kind of "skeleton in the closet" would enter politics and put themselves up as a target for political investigation.

I think this candidate should have given a great deal of thought to this part of his past before he put himself in the political ring. There is no doubt that this information, made public, has caused his family embarrassment and probably hurt the chances of his running mates in the coming election.

With a skeleton that was a matter of public record and therefore easily exposed, this man should not have given careful thought to the consequences of his being in political limelight. If he had any doubts about a decision, he should have informed his party of this piece of his background and let them decide whether or not they wanted him to head their party slate.

As of now, I think this man's running mates are trying to be loyal friends by continuing to have him head their party ticket. However, I feel he should repay their loyalty by stepping out and allowing them to get another candidate while the campaign is still young.

Speaking of campaigns, I think that in a village where so many new people will be voting for the first time in the Woodridge local election, it is necessary and important to inform these voters as fully and quickly as possible. To me, there is no better way than by so-called town meetings. These meetings are held in the local schools and all candidates, for all elective offices, are invited. Each candidate is allowed so many minutes (equal time) to present himself and his political principle. At the end of all the speeches, there is a question and answer period, with a moderator to give the questions (written by citizens) to the candidates to whom they are directed for an answer.

This is a marvelous way for the voter to not only get infor-

High Lights From The Hills

DOROTHY ZUEHLSORFF

The Champion's of Marshall Drive hosted a party last Saturday night, Feb. 6th, for a number of their friends. The guest list consisted of several people from Channel 11, Chief Joel A. Kagann, Woodridge Police, Keetz Keneagy and Jean Smidt of the Woodridge News, Mr. and Mrs. Cooling (Barbara) also of the Woodridge news, along with a group of their Winston Hills friends.

Mrs. Robert Dunn, Dean Drive, has resigned as Vice-President of the Winston Hills Social Club. Her many commitments, both with church organizations and her lively family, make it impossible for her to carry on her duties as an officer with the Social Club as well. Replacing her as Vice-President is Mrs. John Kent Russell of Arnold Drive who will be introduced in her new capacity to the membership at the March 1st meeting.

We would like to welcome the Raymond Golds of Bradley Drive to Winston Hills. Raymond and Judy are from New York and came to us by way of Ohio, Illinois, Mass, and Park Forest, Ill. Raymond is a Physicist at Argonne National Laboratories and his hobbies are golf, reading and bridge, while Judy enjoys music, knitting and taking care of children. Speaking of children, the Gold's have four. Ilyse 12 and Warren 7, both attend Goodrich School, Mark 4 and Gary 2 stay at home and help mother around the house. Judy is a new member of the Winston Hills Social Club and she tells me that they love to travel, love people and enjoy having company.

A new Cub Scout Pack is being formed in Winston Hills and we have Pat Benes of Halsey Court and Marilyn Thompson of Dean Drive to thank for it. The allowed number of members have been recruited and they have scheduled their first meeting for March 10th. As a mother of one of the new Cub Scouts, I want to thank both of these girls for their keen interest in our young men and

the worth-while project they have undertaken.

Anyone interested in sending their pre-schoolers to kindergarten should contact Gretchen O'Hara 968-1852. Gretchen has most of the information pertaining to this and will be glad to give it to you.

Tickets for the Winston Hills Spring Dinner Dance, sponsored by the Social Club are now available. Any residents who wish to attend and did not get tickets can do so by contacting Florence Prokopec 969-2523. The dinner dance is being held on May 22nd at the V.F.W. in Naperville. Your reporter suggests you get a group together and join the rest of your neighbors on this gala occasion.

Note: A COMMUNITY THAT PLAYS TOGETHER, CAN LIVE TOGETHER BETTER: See you next week!

BLOOD MOBILE TO RETURN TO WOODRIDGE

The Mt. Sinai Hospital Blood Mobile sponsored by the Woodridge Woman's Club is returning to the village for the 2nd consecutive year, on May 26th.

Three plans are available to those area residents who donate one pint of blood at the center. The pint entitles the donor or persons specified with coverage for all the blood and blood plasma needed, at the hospital of their choice anywhere in the United States, Hawaii, Puerto Rico and Alaska.

The programs available are: Family Transfusion Plan I which covers the donor and all members of his or her household for a period of one year.

Family Transfusion Plan II covers the needs of all members of any household specified by the donor, for a period of one year and Family Transfusion Plan III covers the needs of an individual (the donor or another specified individual) for a period of four years.

Additional information will be forthcoming, but it will be wise for those interested to bear in mind the Feb. 17th date.

Police Attend Control of Civil Disturbance Course

Chief Joel A. Kagann and Sgt. Jerome Sczcpniak of the Woodridge Police Department graduated from a 40 hour course on Control of Civil Disturbance held at the DuPage County Fair Grounds during the week of Feb. 11th through 15th and Feb. 25th through 29th.

The course, held under the direction of Supt. Morris of Springfield, Illinois, was conducted to enable full time officers who attended to return to their departments to instruct part-time men in procedures which will be used in case of emergency. In the event of a civil disturbance, police throughout the State will have had the same type of training and will be in a position to integrate with other departments, all using the same signals and procedures.

Subjects covered during the course included investigational procedure, discussions on mob behavior, riot control formations, human relations, riot baton and use of gas. During the discussion of the latter, officers were actually given gas so that they would recognize its smell and taste and be aware of reaction to its use.

CONGRATULATIONS TO: Harold and Donna Hunt, 2819 Jonquil on the birth of their daughter Linda. The baby was born on January 27th at Edward Hospital and weighed 8 lbs. 9 oz. The other Hunt children are Jackle 5 and Tommy 2. Proud grandparents are Mr. and Mrs. Elsworth Pauley of Portage, Penn. and Mrs. Russell Hunt of Wardell, Missouri.

Ruth and Dick Myers, 7720 Woodridge Drive welcomed their sixth child, a son, James Andrew. James was born on Jan. 23rd and weighed 10 lbs. 8 oz. at St. Joseph's Hospital, Aurora. Welcoming their new brother home were, Dennis 14, Robert 12, Pat 11, Chris 10 and Charles 7.

Joe and Carolyn Shroka, 3021 Everglade were hosts at a farwell coffee for the James Blatchley's. Several friends and neighbors gathered to bid adieu to the Blatchleys who moved to Pittsburgh.

At the time of this writing the streets are clear of ice and the snow is gone, but last week the adults as well as the children had a ball on the ice and snow. Not mentioning any names but there were at least four couples sledding down Catalpa on a particular Sunday evening. We

really had a gay time and it is amazing how fast those sleds go on an icy hill.

Several friends and neighbors had a birthday coffee in honor of Mary Ellen O'Connor, 7632 Willow. We are told everyone enjoyed it and if Mary Ellen will have a birthday every week or so they would be glad to gather again.

Phil Zuccaro's wife Delores pulled the wool over his eyes by planning a birthday surprise party for him. Everyone had a great time and helped make this birthday extra special for Phil.

Illness has hit Woodridge again and with this ever changing weather its no wonder. We hope by the time this is printed that everyone will be up and around again.

Jerry Keller, 2916 Forest Glen is giving a go-round with pneumonia.

James Thompson, Everglade Avenue has recently been released from the Hospital. We hope things are fine for him now.

Get well also to John Barton, 7615 Catalpa who is confined to LaGrange Community Memorial Hospital. John underwent surgery last week and I'm sure he will be up and around soon.

Trinity Lutheran

The ladies of Trinity Lutheran Church, Lisle meet every other Thursday morning in members' homes to discuss the Bible. Thus far the Bible books of I Corinthians and Habakuk have been discussed. This past Thursday, Rev. Don Ehlers began a new discussion dealing with the Bible as a book - its origin, authorship, inspiration, authority, etc.

Rev. Ehlers next lecture will be on Thursday, February 18, at which time he will outline the Bible in main divisions and will begin a discussion of each division on the basis of historical background and main theological implications. Members have been asked to bring the special issue of Life Magazine which appeared at Christmas and is entitled "The Bible." Using this special issue, Rev. Ehlers will show what position modern critical theology is taking on the Bible and how this position differs with the conservative position taken by the Lutheran Church, Mo. Synod.

Bible class will hold its next meeting on Thursday, Feb. 18, 10 a.m. at the parsonage, 1013 Kimberly Way. Any interested party is welcome to attend and may call 969-6210 should they desire a ride or someone to accompany them.

Party Platforms and Profiles

GERALD C. JEDRZEJAK

Gerald C. Jedrzejak is a member of the Unity Party of Woodridge and is running for the office of Trustee in the April elections. He and his wife Aleksandra reside at 7843 Deerfield Avenue. After his release from the service, he returned to Loyola where he completed his education and received his B.S. degree in 1957.

After his graduation from Loyola, Mr. Jedrzejak was employed by New York Life Insurance Company. He is now an office manager of their Loop offices.

Establishment of a Park District

There are no arguments needed to substantiate the need of village recreational facilities on the still undeveloped acreage set aside for this purpose.

It is especially important when one considers that these areas will provide a wholesome outlet for the emergies of our youths. The development of these facilities will definitely enhance the desirability of living in the community.

However, there is a question as to the form of organizational body which will manage this valuable village asset. A Park district takes politics out of the parks. A park district provides its own means for the proper development, construction and maintenance of park property. A park district has all the advantages of a park board without the disadvantages of a Park Board i.e. political influence and another drain on an already exhausted village budget.

Woodridge Mothers Club Recaps '62 to '64

This month the Woodridge School Mothers Club will be celebrating their 4th anniversary. In the January 1, 1965 issue of the Woodridge News a resume of the 1961-62 school year was given. This article will cover the 1962-63 and 1963-64 progressive years.

1962-63

The officers elected for the 1962-63 year was: Mrs. Genevieve Gray, President; Mrs. Dorothy Provo, Vice - President; Mrs. Loretta Runnfeltd, Recording Secretary; Mrs. Dorie Keller, Corresponding Secretary; and Mrs. Helga Scudder, Treasurer.

Special projects to raise money to purchase items for the school were: a bake sale, the saving of pepsi plus caps, monthly movies for the children, and the biggest money raiser for the year was a fashion show entitled "Paris in the Spring," which was held on Feb. 13, 1963.

Mrs. Loretta Runnfeltd resigned as recording secretary and the board nominated Mrs. Lorraine Larson to fill this vacancy.

On Jan. 9, 1963 Mrs. Loretta Larson sent a letter of resignation to the president, Mrs. Genevieve Gray.

At the Jan. 15, 1963 meeting, Mrs. Genevieve Gray announced that she would have to resign her post as president as her husband was being transferred to South Bend, Indiana.

The following were unanimously elected by the board to fill the unexpired term: Mrs. Dorothy Provo, President; Mrs. Ruth Vondrasek, Vice - President and Mrs. Dorie Keller Recording Secretary.

Items purchased for the school by the Mothers Club were: a cover for the chair in the teachers room, a piano and bench cover, vinyl draperies for 10 classrooms, wall cabinet for the kitchen, a plastic tablecloth to be used by the Mothers Club and a 100 cup percolator which was purchased by selling 36 bottles of pure vanilla and 24 cans of black pepper at \$1.00 each.

1963-64

The newly elected officers were: Mrs. Dorothy Provo, President; Mrs. Ruth Vondrasek, Vice - President; Mrs. Dorie Keller, Recording Secretary; Mrs. Nan Davis, Cor-

responding Secretary and Mrs. Geane Modersohn, Treasurer.

On October 19, 1963 the Mothers Club held their first annual "Fun Fair", which included rides, games and refreshments which proved to be very successful. A total of \$728.67 was profited.

Items purchased for the school by the Mothers Club draperies for the school office, draperies for 10 additional rooms, library books, shades for the skylites in the gym, educational records, subscriptions to science magazines and a paper cutter to be used by the Mothers Club.

Money raising projects for this year were: monthly movies for the children, the Fun Fair, a bake sale, saving of pepsi plus caps, and the sale of sweatshirts, head scarves pennants, t-shirts all bearing the Wildcat emblem with the school colors of brown and gold.

Remember, the Mothers Club is open to all Woodridge Mothers, whether or not they have children in school. The cooperation of EVERY mother is needed if we are to succeed in our plans to help our school.

POLICE HANDLE AUTO ACCIDENTS

Local police handled 2 auto accidents during the first week of February.

On Feb. 6th, Patrolman Ted Olson was clocking a car for speeding when the driver who was going south on Rte. 53 crossed over the center line into the northbound lane forcing a second vehicle onto the shoulder of the road. The speeding vehicle sideswiped the oncoming truck, striking the rear left wheel, T-bar and hydraulic left gate and failed to stop after the accident. He was chased and curbed by the reporting officer and booked for negligent driving and leaving the scene of an accident.

The second mishap took place on Feb. 7th when a Southbound truck on 53 left the roadway, coming to a stop after crossing a culvert. The driver claimed that he was blinded on oncoming lights and lost control. He was taken to Edwards Hospital for first aid by police.
