## **Make A Mask, Help A Friend**

**DuPage Health Coalition** recently asked their clients/patients if they needed face masks and in just 24 hours more than 2,500 masks were requested! They learned that both adults and children needed masks. In a community as caring as ours, they just knew that there were lots of people who would want to help ensure that everyone has personal protective equipment to keep their families safe. **The Community Face Mask Project** helps to gather cloth masks that DHC can offer to local families and local nonprofit organizations.

**Want to help?** [Click here](#) to learn how to make or purchase masks and/or provide financial support.

**Need a mask?** [Click here](#) to request masks for your family or to distribute at your nonprofit organization.

Please forward this email or [share this flyer](#). We are safer together.

**Learn More!** You can contact DuPage Health Coalition at 630-510-8720 [accessdupage.org/mask-drive](https://accessdupage.org/mask-drive)
