

The library partnered with the South Suburban Immigration Project (SSIP) to provide DuPage Health Access Day on November 17<sup>th</sup>. This was a health resource night in conjunction with VNA Health Care, Access DuPage, Silver Access DuPage, Catholic Charities of Joliet, and DuPage Health Coalition. The purpose of this event was to provide information on the Medicaid expansion for immigrant adults and seniors, as well as providing COVID-19 boosters. The SSIP works with the DuPage County immigrant community to get them in touch with resources. We have also partnered with the SSIP for citizenship classes. They wanted to do the Health Access Day at the library because based on their other events they could see that there was a need for this in Woodridge.

We also hosted the local Woodridge VFW Veteran's Day ceremony. We held it in our off the lobby area and had a full house. It was a very nice ceremony as always. We have been upgraded from the rain/bad weather location to permanent location for the yearly Veteran's Day Ceremony.
