

Collaborating with other organizations continues to improve our reach in the community, benefiting the Library and patrons alike. The outreach programs in this month's report are highlighting a trend—**people are coming in to the Library, and we are going out to the community** for vibrant outreach opportunities.

250 people—families/teachers—from DGS and DGN packed our 12<sup>th</sup>-Annual opening of the District 99 Student Art Show. A highly successful staff in-service saw 26 staff members certified in CPR after training from the Lisle/Woodridge Fire Dept. Woodridge Park District's Totschool came to the Library for six storytimes in a big **Outreach** effort that reached 95 children. We visited and provided programming for 46 students at the Guiding Light Academy in Woodridge, a therapeutic school for people, ages 5 to 21, in need of services related to Autism, intellectual disability, and other health issues. We read to 65 people at the District 68 Willow Creek School Family Reading Night.

With Literacy DuPage, we hold weekly Virtual English as a Second Language meetings. If a Literacy volunteer is a no-show, we've been known to host! We partner with the Glenbard Parent Series, allowing patrons to attend quality programs such as April's event with the author behind the hit movie "Mean Girls." Dental hygienist students from COD inspired a special Tooth Fairy storytime: our tooth fairy/library associate read a story; the dental students used puppets to show kids and parents brushing tips.
