

Woodridge Library Art Gallery

Information and Application *

INFORMATION

All exhibits and displays in the Library are scheduled by staff.

The Woodridge Public Library Gallery is located in the lobby of the Library. Monthly art exhibits by various local and regional artists provide patrons with an ever-changing selection of art works in different media.

The Art Exhibit Policy is available online or in the library. Artists should read this policy before submitting an application.

OCTOBER ART SHOW

*We recommend that local artists interested in displaying in the gallery start with submitting entries in the October Woodridge Artists exhibit.

Every October the gallery is set aside for artwork by Woodridge residents. Each artist may display up to three items. Guidelines and applications for the Woodridge Show are available beginning September 1 in the library.

FEATURED ARTIST OF THE MONTH

New and established artists are welcome to request consideration for becoming a Featured Artist. Featured Artists are invited to hang a month-long show in the Library Art Gallery.

The exhibit schedule is currently filled through most of 2019.
